Barbara Dee 2019-10-01
A 2020 ALA Notable Children's Book A Washington Post Best Children's Book of 2019
Barbara Dee explores the subject of #MeToo for the middle grade audience in this heart-wrenching—and ultimately uplifting—novel about experiencing harassment and unwanted attention from classmates. For seventh-grader Mila, it starts with some boys giving her an unwanted hug on the school blacktop. A few days later, at recess, one of the boys (and fellow trumpet player) Callum tells Mila it's his birthday, and asks her for a "birthday hug." He's just being friendly, isn't he? And how can she say no? But Callum's hug lasts a few seconds too long, and feels...weird. According to her friend, Zara, Mila is being immature and overreacting. Doesn't she know what flirting looks like? But the boys don't leave Mila alone. On the bus. In the halls. During band practice—the one place Mila could always escape. It doesn't feel like flirting—so what is it?

Thanks to a chance meeting, Mila begins to find solace in a new place: karate class. Slowly, with the help of a fellow classmate, Mila learns how to stand her ground and how to respect others—and herself. From the author of *Everything I Know About You*, *Halfway Normal*, and *Star-Crossed* comes this timely story of a middle school girl standing up and finding her voice."

How to Attract Women If You're Not That Attractive -

Enrique Voltaire 2017-04-13
What is the Best Way to Approach an Attractive Lady? How do you get her attention? What should you say? How do you ask for her phone number? Some guys are so good-looking that girls naturally flock to them. Other guys, who are not as genetically blessed, have to use courage, humor, intelligence, psychology, and resiliency to attract beautiful women. How to Attract Women if You're Not That Attractive answers everything you need to know about attracting women if you do not look like Prince Charming.

Models - Mark Manson

2017-09-11

"You can become irresistibly attractive to women without changing who you are." So says Mark Manson, superstar blogger and author of the international bestseller, *The Subtle Art of Not Giving A F*ck*, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In *Models* he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, *Models* is a mature and honest

guide on how a man can attract women by giving up the bullsh*t and becoming an honest broker. "A detailed guide to modern sexual ethics" Sydney Morning Herald "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f*ck . . . He's as painfully honest as he is outrageously funny" Huffington Post

7 Simple Habits of Extraordinary Salespeople -

Michael Hannon 2015-08-28
An often-quoted statistic is, "5% of salespeople earn 90% of the commission generated in residential real estate sales". The same statistic holds for true in many industries. The obvious question is, "Why do a select number of salespeople earn extraordinary incomes, while others with the same apparent ambition do not?"
Extraordinary salespeople develop a business plan that

reaches for an extraordinary reputation that provides a powerful stream of enthusiastic referrals and repeat business. The result is a marketing advantage that cannot be matched by any other method. The common elements driving these extraordinary salespeople are 7 Simple "Take the High Road" Habits
You Say More Than You Think - Janine Driver 2011-01-04
Now You're Talking! Do you want to be bulletproof at work, secure in your relationship, and content in your own skin? If so, it's more important than ever to be aware of what your body is saying to the outside world. Unfortunately, most of what you've heard from other body language experts is wrong, and, as a result, your actions may be hurting, not helping, you. With sass and a keen eye, media favorite Janine Driver teaches you the skills she used every day to stay alive during her fifteen years as a body-language expert at the ATF. Janine's 7-day plan and her 7-second solutions teach you dozens of body language fixes

to turn any interpersonal situation to your advantage. She reveals methods here that other experts refuse to share with the public, and she debunks major myths other experts swear are fact: Giving more eye contact is key when you're trying to impress someone. Not necessarily true. It's actually more important where you point your belly button. This small body shift communicates true interest more powerfully than constant eye contact. The "steeple" hand gesture will give you the upper hand during negotiations and business meetings. Wrong. Driver has seen this overbearing gesture backfire more often than not. Instead, she suggests two new steeples that give you power without making you seem overly aggressive: the Basketball Steeple and the A-OK Two-Fingered Steeple. Happy people command power and attention by smiling just before they meet new people. Studies have shown that people who do this are viewed as Beta Leaders. Alpha leaders smile

once they shake your hand and hear your name. At a time when every advantage counts—and first impressions matter more than ever—this is the book to help you really get your message across.

"Over a decade after its publication, one book on dating has people firmly in its grip."
—The New York Times We already rely on science to tell us what to eat, when to exercise, and how long to sleep. Why not use science to help us improve our relationships? In this revolutionary book, psychiatrist and neuroscientist Dr. Amir Levine and Rachel Heller scientifically explain why why some people seem to navigate relationships effortlessly, while others struggle. Discover how an understanding of adult attachment—the most advanced relationship science in existence today—can help us find and sustain love.

Pioneered by psychologist John Bowlby in the 1950s, the field of attachment posits that each

of us behaves in relationships in one of three distinct ways: • Anxious people are often preoccupied with their relationships and tend to worry about their partner's ability to love them back • Avoidant people equate intimacy with a loss of independence and constantly try to minimize closeness. • Secure people feel comfortable with intimacy and are usually warm and loving. Attached guides readers in determining what attachment style they and their mate (or potential mate) follow, offering a road map for building stronger, more fulfilling connections with the people they love.

The Guyde - Howie Reith
2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills,

and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this

weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why

relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

The Promises We Made - Rohan Jain 2020-12-08

Raj can't believe his luck when he gets selected for a summer internship in Switzerland. He had always dreamed of travelling, and this was his chance to explore the world. You Just Don't Understand -

Deborah Tannen 2013-04-23
From the author of New York Times bestseller *You're Wearing That?* this bestselling classic work draws upon groundbreaking research by an acclaimed sociolinguist to show that women and men live in different worlds, made of

different words. Women and men live in different worlds...made of different words. Spending nearly four years on the New York Times bestseller list, including eight months at number one, *You Just Don't Understand* is a true cultural and intellectual phenomenon. This is the book that brought gender differences in ways of speaking to the forefront of public awareness. With a rare combination of scientific insight and delightful, humorous writing, Tannen shows why women and men can walk away from the same conversation with completely different impressions of what was said. Studded with lively and entertaining examples of real conversations, this book gives you the tools to understand what went wrong -- and to find a common language in which to strengthen relationships at work and at home. A classic in the field of interpersonal relations, this book will change forever the way you approach conversations.

No More Mr Nice Guy -

Robert A. Glover 2022-02-18
Originally published as an e-book that became a controversial media phenomenon, No More Mr. Nice Guy! landed its author, a certified marriage and family therapist, on The O'Reilly Factor and the Rush Limbaugh radio show. Dr. Robert Glover has dubbed the "Nice Guy Syndrome" trying too hard to please others while neglecting one's own needs, thus causing unhappiness and resentment. It's no wonder that unfulfilled Nice Guys lash out in frustration at their loved ones, claims Dr. Glover. He explains how they can stop seeking approval and start getting what they want in life, by presenting the information and tools to help them ensure their needs are met, to express their emotions, to have a satisfying sex life, to embrace their masculinity and form meaningful relationships with other men, and to live up to their creative potential.

Evelyn has selected her to write her biography, Monique is determined to use this opportunity to jumpstart her career. Summoned to Evelyn's luxurious apartment, Monique listens in fascination as the actress tells her story. From making her way to Los Angeles in the 1950s to her decision to leave show business in the '80s, and, of course, the seven husbands along the way, Evelyn unspools a tale of ruthless ambition, unexpected friendship, and a great forbidden love. Monique begins to feel a very real connection to the legendary star, but as Evelyn's story near its conclusion, it becomes clear that her life intersects with Monique's own in tragic and irreversible ways. The Seven Husbands of Evelyn Hugo is a mesmerizing journey through the splendour of old Hollywood into the harsh realities of the present day as two women struggle with what it means and what it costs to face the truth.

Getting to Commitment -
Steven Carter 2000

They wrote the definitive book of the fear of commitment, Men Who Can't Love. They also coined the term 'commitmentphobia'. Now, drawing from in-depth interviews, as well as his own personal struggle with commitment, Carter takes the next step with this book, offering concrete solutions for finding and keeping long-term love. Falling in love and staying in love requires its own kinds of heroism. Our hearts have to be brave as well as loving. That is because it takes real courage to love; it takes real courage to make a commitment. This book is about finding that courage.
