lose my life. Only now, a treaty guaranteeing peace will die with me, unless I convince some hapless human to fall in love with me and bear my child—a dragonling born of magic and a Love that's True. But I know nothing of love. Five hundred years of guarding my heart and opening my bed mean I've got zero chance at this. Yet if I fail, it won't just be my death... but countless others. ROSALYN: My luck has never been good. Being a witch who can't do magic sucks on most days—it's even worse when your mother's cancer can't be cured. But I'll do whatever it takes to turn our luck around, including stealing magic healing blood from a shifter. Besides, they owe me—a hot-as-sin shifter seduced my mother, got us thrown out of the coven, and ruined my life. One of them can bleed a little to make things right. And a dragon prince with his wacky Mating Game and blood ten times more powerful? The perfect mark. My luck might just be turning good after all.
