Mister Jinnah: Securities - Donald J. Hauka 2001-03-01

This entertaining and suspenseful debut introduces us to an unforgettable lead character. Mr. Jinnah, a politically incorrect but resourceful reporter, proves to be a wily and relentless investigator. Hindered in his pursuits by the police department, Mr. Jinnah searches out the truth in an increasingly bizarre investigation. Meanwhile, he

and his cousin seek their fortune in a scheme to marry Russian peasant women to wealthy Chinese men.

Hide and Sex - Betsy Bishop Thomas 2009-06

This fictional account is clinically accurate with authentic social work practices and gives the reader a clear picture of the myriad of cases that Department of Children and Families caseworkers manage on a daily basis. These case histories, though fictional, replicate actual cases of deviant behavior and broken lives. The book takes the reader through the everyday life of a social worker named Liz, with episodes of her personal life interwoven throughout the story. As Liz works her way through sordid cases that affect her personal life, the story follows her through unhappy courtships until she meets the love of her

life and prepares to marry him. Liz herself has a deep, dark secret she is forced to deal with before she can marry her fiancé, Brin. The story reveals how easily children can become victims of sexual molestation with the goal of educating everyone who cares for children about the need to supervise them carefully at all times. It is the author's hope that this novel will help bring light to this subject matter so all children can be protected. *Socrates* - George Rudebusch 2011-09-13

On the day Concord Webster turned eighteen, the Devil died. The Devil's real name was Judge Martin, but Concord's mother called him the Devil. She said he boiled babies for dinner and made lampshades out of human skin. So why did she, who hated him so venomously, have a key to his house? The key will unlock more than just Judge's front door. It will also unlock a multitude of stories - where magic children talk to crows, men disappear in piles of leaves, and James Dean lookalikes kiss in dark alleys - and reveal a secret history that will change Concord's life forever. Philip Ridley's second

novel (following the sexually charged tour de force Crocodilia) was an instant cult classic when originally published in 1989. Now, for this new edition, Ridley has reimagined the story, expanding the original short novel into the world's first LGBT magical realist epic. A vast, labyrinthine, hall-of-mirrors saga, its breathtaking imagery and stunning plot twists – covering over a hundred years – reveal Ridley to be one of the most distinctive and innovative voices in contemporary fiction.

Sordid Sex Lives - Nigel Cawthorne 2014-11-04

The pages of this book reveal 45 shocking, scandalous--and often disturbing--stories of promiscuity and sexual perversion throughout the ages. Uncovered here are the orgies of Cleopatra and the

incest of the Romans; the darkest fantasies of Michelangelo and the gross indecencies of the Marquis de Sade; as well as the insatiable desires of Rasputin, the degrading fetishes of Adolf Hitler, the unashamed exhibitionism of Tallulah Bankhead and the dirty thrills of Elvis Presley. *Sordid Sex Lives* offers an insight into the shocking practices in which so many famous men and women have participated in. More, Please - Kate Aster
2016-08-21

I know exactly what I want. And it has nothing to do with the hot Navy SEAL I picked up in a bar. Really... it doesn't. Even though the pressure of his lips on mine fires me like a hot kiln, and the feel of his ripped chest beneath my hungry fingertips... Wait... I'm digressing. Focus, Allie. Since graduating from college, I've been juggling two jobs while fostering abandoned dogs, with my sights set on opening a rescue kennel. I'll do whatever it takes to succeed, even if it means fighting back my cravings for the man who's

been fueling my fantasies since I got my first taste of him in a hotel elevator. This guy is too full of secrets. Dark ones, hidden behind his ice blue eyes. Secrets of his Special Ops past and of a billionaire family that employs half our town. He won't let me into his world, and it's for the best. Logan Sheridan is more than I can handle. But when he slips his way into my life, searing the memory of his rock-hard body pressed against mine into my consciousness, all I can do is remember that night in the elevator... ..and ask for more, please.

Beechmont Riffs - Philip Werber 2012-02-03

"Beechmont Riffs" is a story based on facts that occurred in a wealthy middle class Westchester community in 1989. Sex Lives of the Hollywood Goddesses - Nigel Cawthorne 2012

Hollywood has always been synonymous with sex. The early tycoons packed their epics with ravishing dancing girls frequently chosen via the casting couch. But it wasn't just men who let their libidos run wild. Hollywood screen goddesses could have anybody, and frequently did. Now Nigel Cawthorne lifts the lid on Hollywood sex--the wild parties, secret lovers, sordid pasts, and tragic endings--focusing on such legends as Greta Garbo, Marlene Dietrich, Ava Gardner, Lana Turner, Grace Kelly, Marilyn Monroe, Joan Crawford, and Jean Harlow.

Through the Keyhole - Susan C. Law 2015-04-06
 Scandal existed long before celebrity gossip columns, often hidden behind the closed doors of the Georgian aristocracy. But secrets were impossible to keep in a household of servants who listened at walls and spied through keyholes. The early mass media pounced on these juicy tales of adultery, eager to cash in on the public appetite for sensation and expose the shocking moral corruption of the establishment. Drawing on a rich collection of original and often outrageous sources, this book brings vividly to life stories of infidelity in high places – passionate, scandalous, poignant and tragic. It reveals how the flood of print detailing sordid sexual intrigues created a national outcry and made people question whether the nobility was fit to rule. Susan C. Law is a journalist and historian. Her work has been published in a wide range of newspapers and magazines, including The Times Higher Education

Supplement, BBC History Magazine and London Evening Standard. Dr Law completed her PhD in History at Warwick University, and has spent many years researching the 18th and 19th century aristocracy, servants, family life and country houses.

Sex Crime in the News -

Keith Soothill 2023-03-31
First published in 1991, *Sex Crime in the News* is a unique examination of the nature of sex crime reporting in the press. Analysing examples from forty years of newspaper coverage, the authors provide a systematic study of this controversial topic. The book reveals the misleading and trivializing nature of sex crime

coverage, with serious research reports on rape and discussions on law reform being given short shrift. The authors examine the increasing gap between the reality of sexual abuse and the coverage it receives in the press, and they set their detailed empirical work within a context of broader concerns about the relationship between the media, the individual and the state. Critical though it is of the press, this book will be of special interest to people working in the media, and to legislators involved in debates about the press. It will also be of value to students on course in women's studies, cultural and media studies, and deviancy.

What Our Mothers Didn't Tell Us - Danielle Crittenden 2009-08-25

has gone wrong? What can be done to set it right? These are the questions Danielle Crittenden answers in *What Our Mothers Didn't Tell Us*. She examines the foremost issues in women's lives -- sex, marriage, motherhood, work, aging, and politics -- and argues that a generation of women has been misled: taught to blame men and pursue independence at all costs. Happiness is obtainable, Crittenden says, but only if women will free their minds from outdated feminist attitudes. By drawing on her own experience and a decade of research and analysis of modern female life, Crittenden passionately and engagingly tackles the myths that keep women from realizing the happiness they deserve. And she introduces a new way of thinking about society's problems that may, at long last, help women achieve the lives they desire.

Libertine London - Julie Peakman 2024-04-19

An eye-opening and richly detailed history of women's

sexuality that upends entrenched perceptions of the long eighteenth century. *Libertine London* investigates the sex lives of women throughout the period 1680 to 1830, known as the long eighteenth century. The book uncovers the various experiences of women, whether as mistresses, adultresses, or as participants in the sex trade. From renowned courtesans to downtrodden streetwalkers, it examines the multifaceted lives of these women within brothels, on stage, and even behind bars. Based on new research in court transcripts, asylum records, magazines, pamphlets, satires, songs, theater plays, and erotica, *Libertine London* reveals the gruesome treatment of women who were sexually active outside of marriage. Julie Peakman looks at sex from women's points of view, undercutting the traditional image of the bawdy eighteenth century to expose a more sordid side, which often left women distressed, ostracized, and vilified for their sexual

Sex and the Devil's Wager - Lee Huxley 2009-11

Anti-erotic elements in feminism have joined forces with Islam and Christianity to condemn prostitution, the male gaze and the natural love men have for the feminine body as a symbol of universal beauty. The author, whose religion is based in Tantra regards these attitudes both wrong and offensive to pagans. Lee Huxley, claims to be a ?knower? - an enlightened one who sees with the third eye and whose wisdom and lateral thinking demonstrate his special insights in this book. Lee knows the truth ? the unthinkable ? that Jesus Christ, the hellfire and damnation preacher, is not the Son of God but the Son of Evil. If Christ is the Son of Evil, then Lee argues from this basis, that Judaism, Christianity and Islam are blasphemies. This book

asks how Western civilization could be founded on lies, delusions and blasphemies that even today are still taken seriously. This book is the result of a lifetime of research which has culminated in the formulation of the Devil's Wager. The Devil's Wager challenges you, the reader, to name any moral idea from the worst evildoers of history that is as evil as the central teaching of the Bible and the Koran, namely that God will resurrect the human race and torture most of them in hell for all eternity. Fifty per cent of the damned will be women. The male God of monotheism is a hellfire pyromaniac: Jesus Christ and Allah are arsonists who burn women alive! This is the feminist issue of our times. Lee uses the writings of theologian and lapsed Catholic Mary Daly, one of the greatest feminist thinkers, to explain their common conviction that feminism must now assume the role of the Antichrist and bring an end to monotheism!
