Twin Flames Exposed - Elle Hari 2017-03-28

Welcome to the TRUTH... Your soul led you here. Your soul is orchestrating everything, and it wants nothing more than for you to be with your twin flame. Unfortunately, most of what you think you know about twin flames isn't true...and believing it is actually keeping you and your twin flame apart. In her debut book, *TWIN FLAMES EXPOSED*, author and twin flame facilitator, Elle Hari, reveals the most common myths and misinformation that are constantly being spewed by so-called experts regarding twin flames, and how these untruths are actually keeping you and your twin flame physically apart or stuck in the frustrating push/pull relating dynamic. The first book in a series, it also acts as a prelude to - and essential first step along - the process of magnetizing your twin flame (back) into your physical life for good. Forget about stages, clearing karma, healing or any of that other nonsense. You can be with your twin flame when YOU'RE ready to do so...even if you've NEVER met your twin flame, aren't sure if you've met your twin flame, aren't on speaking terms with your twin flame or your twin flame is seeing someone else. As you resonate with what's contained in this book, you'll release your limiting beliefs and open the door to the process of aligning with your self and your twin flame. YOU are in charge of being with your twin flame, and there's only one way to do that...through the soul. You will finally understand why there's so much confusion and turmoil regarding twin flames, and how to begin the process of relating with your twin flame in the way you truly desire. Although this book is written in a refreshing, straight up, down-to-earth and less "woo-woo" style than most books in this genre, make no

mistake...this book holds the key to opening the ONLY door that could make a stable physical relationship with your twin flame possible in this lifetime.

You Only Fall in Love Three Times - Kate Rose 2020-01-14

Discover the three types of love--and the key to finding the one you're truly meant to be with. We love and we love again -- sometimes our hearts get broken but, somehow, we find the courage to dive back in. In this soul-searching book, relationship expert Kate Rose guides readers down the path to a deeper understanding of who they are, what they want, and finally, to the discovery of their Twin Flame. According to Rose, love is a journey of self-discovery and every relationship we have in our lives teaches us something that we need to learn about ourselves and what will make us truly happy. She introduces readers to the three types of love we will all experience: The Soulmate introduces us to the dream of love, but somehow what seemed like it would be "happily ever after" wasn't meant to last forever. We are so consumed with making The Karmic Love work that we often fail to question whether it should work. As painful as it is to accept, this love that felt so right in the beginning is actually all wrong. The Twin Flame comes into our lives and often we don't even know it's love because . . . it's too easy. This is the love who helps us to accept ourselves just as we are because this is precisely what they do. In *You Only Fall in Love Three Times*, Kate Rose shows us that happy endings may not happen quite the way they do in fairytales-- but they happen nonetheless.

Finding a Higher Love - Elizabeth Clare Prophet 2018-04-08

We're all looking for that special someone. But our expectations for love and relationships are often based on the notions of romantic love we've seen in Hollywood movies. We start to believe that if our marriage or relationship is not blissfully out of this world and doesn't perfectly fulfill all of our needs, there must be something terribly wrong. In *Finding a Higher Love*, world-renowned author Elizabeth Clare Prophet shares a much-needed spiritual perspective on love, sexuality and relationships. Every relationship has its challenges--whether we find ourselves with our soul mate, twin flame or what she calls a karmic partner. And yet, she

explains, our intimate relationships and search for true love are, in reality, a quest for wholeness that offers us a unique opportunity for deep spiritual growth and inner transformation. With warmth and compassion, Elizabeth Clare Prophet explores the real purpose and power of relationships. Her profound insights as well as her practical tools and techniques will show you how to open your heart, spiritualize your partnerships and magnetize the highest love that is yours to have. Twin Flames - Shaleia Divine 2018-08-03

Your Twin Flame was designed for you as your Ultimate Lover, perfect partner, friend, and everything you desire. You know them by the feeling you have in your heart. You may have already met, or just know deep down they exist, somewhere. This book will show you how to bring them

from "out there," into your life and what to do once you are united.

Twin Flame Soul Connections - Kevin Hunter 2018-10-16

Twin Flames have a shared ongoing sentiment and quest from the moment they're a spark shooting out of God's love that explodes into a blinding white fire that breaks apart causing one to be two, until two become one again, separate and whole, and back around again. Looking into the eyes of your Twin Flame is like looking into the eyes of God, because to know love is to know God. When one thinks of a Soul Mate or Twin Flame, they might equate it to a passionate romantic relationship where you're making love on a white sandy palm tree lined beach in paradise for the rest of your lives. This beautiful mythological notion has caused great turmoil in others who long for this person that fits the description of a lothario character in a romance novel. It is also an unrealistic and misguided interpretation of the Soul Mate or Twin Flame dynamic. Twin Flame Soul Connections discusses and lists some of the various myths and truths surrounding the Twin Flames, and how to identify if you've come into contact with your Twin Flame, or if you know someone who has. The ultimate goal is not to find ones Twin Flame, but to awaken ones heart to love, and to work on becoming complete and whole as an individual soul through spiritual self-mastery, life lessons, growth, and raising your consciousness. Your soul's life was born out of love and will die right back into that love. Chapter Topics Include: Karmic Soul Connections, Soul Mate Soul Connections, The Twin Flame Craze, The Birth of Twin Flames, Masculine, Feminine, Yin, and Yang, The Light and Dark, Higher and Lower Energies, Twin Flames: The Romantic and Non-Romantic, Twin Flames: Age and Location, Twin Flames: Example Couples, Twin Flames: Genders, Gay, Straight, Homosexual, Heterosexual, Twin Flames: Runner, Chaser, Push and Pull, Twin Flames: Mirrors, Goals, Missions and Purposes, Technology Strengths and Challenges, Twin Flames: Coming Together, Is This Person My Twin Flame?, Twin Flames: Spiritual Growth, Twin Flames: Recapping the Truths and Myths of Twin Flames, The Twin Flame Summary Cheat Sheet.
