THE WOOLVERTON FAMILY: 1693 - 1850 and Beyond, Volume II David A. Macdonald 2015-06-30 Charles Woolverton was in Burlington County, New Jersey, by 1693, and appears in records there and in Hunterdon County until 1727. David Macdonald and Nancy McAdams have traced Charles' descendants to the seventh generation, by which time they had spread out to many parts of the country ... This is a beautifully crafted genealogy. The format is easy to follow, and the documentation is impressive. The compilers have carefully explained their handling of problem areas, including the need to refute longstanding family lore about the immigrant ... This is an exemplary work, which descendants will certainly value and other genealogists would be well advised to study. -- Excerpts from a review published in the April 2003 issue of The New York Genealogical and Biographical Record and reprinted with permission of the author, Harry Macy, Jr. and The New York Genealogical and Biographical Society.
