**The Worm Whisperer** - Betty Hicks 2017-12-05

You've heard of Horse Whisperers and Dog Whisperers, but Ellis thinks he might be a Worm Whisperer! When his family falls on hard times, Ellis thinks his weird skill might be able to help. Ellis Coffey loves animals. He spends so much time outdoors that sometimes he thinks he can talk with them. When he discovers a caterpillar that seems to follow his directions, he knows he has a chance to win the annual Woolly Worm race. The prize money is \$1,000—exactly the amount of the deductible for his dad's back surgery. If Ellis can train his woolly worm to be the fastest in the country, while dealing with a crush and a bully at school, he's sure can solve all his family's problems.

But when you're trying to talk to insects, nothing is as simple as it seems. From Betty Hicks, author of the Gym Shorts series for new readers, comes a story of friendship, family, and hidden talents that might be more useful than they first seem. Praise for *The Worm Whisperer*: "A satisfying ending neatly wraps up this warm story, and Hatke's occasional line drawings will add appeal for middle-grade readers."

**The Bookworm Crush** - Lisa Brown Roberts 2019-10-29  
This spinoff of The Replacement Crush featuring Amy and Toff is sure to melt your heart. Shy bookworm Amy McIntyre is about to compete for the chance to interview her favorite author, who hasn't spoken to the press in years. The only way to win is to step out of the shadows and into the spotlight, but that level of confidence has never come easy. The solution? A competition coach. The problem? The best person for the job is the guy she's secretly crushing on...local surfer celebrity Toff Nichols. He's a player. He's a heartthrob. He makes her forget basic things, like how to breathe. How can she feel any confidence around him? To her surprise, Toff agrees to help. And he's an excellent teacher. Amy feels braver—maybe even brave enough to admit her feelings for him. When their late night practices become less about coaching and more about making out, Amy's newfound
