National Library of Medicine Audiovisuals Catalog - National Library of Medicine (U.S.) 1979

American Directory of Writer's Guidelines - 2007-02

Perhaps the best-kept secret in the publishing industry is that many publishers--both periodical publishers and book publishers--make available writer's guidelines to assist would-be contributors. Written by the staff at each publishing house, these guidelines help writers target their submissions to the exact needs of the individual publisher. ""The American Directory of Writer's Guidelines"" is a compilation of the actual writer's guidelines for more than 1,700 publishers. A one-of-a-kind source to browse for article, short story, poetry and book ideas.

Field & Stream - 2004-12

FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

Space Buyers' Guide Number - 1959

Boomer's Guide to Dating (again) - Laurie A. Helgoe 2004

The idea of jumping back into the dating pool can be frightening, but author, baby boomer, and clinical psychologist Laurie Helgoe has been there and offers readers this indispensable guide.

The American Phrenological Journal and Repository of Science, Literature and General Intelligence - 1855

The Cultivator & Country Gentleman - 1875

The Poets & Writers Guide to Literary Agents - 2018

A collection of articles edited by the staff of Poets & Writers Magazine, this handy resource includes straightforward advice from professionals in the literary field and additional resources with insider tips. This practical guide will give you everything you need to understand what agents do, what you can expect from them, and how to find the best agent for you and your work: -Where agents search for new talent -Tips on how to secure an agent -What agents look for in the first few pages of a submission -How to follow up with an agent after you've submitted your work -The agent's role in today's publishing industry -How to know when the time has come to dissolve a relationship with an agent

The It's Just Lunch Guide to Dating in America - Andrea McGinty 2010

Want to make good dates great? Mediocre dates more fun? Bad dates better? Let the experts at It's Just Lunch, the dating service responsible for 2,000,000 fun dates tell you how. This is a Zagat-style guide to over 1500 of the best places for dates. It features lists for every aspect of the dating process including the ten best places in America to get you in the dating mood, to flirt, the most creative dates, the best neighborhoods for singles, etc. Plus it features a mini-dating guide for seventy cities. This book also features dating advice including the ten biggest dating blunders - The secret signals your date sends when they're interested - The biggest conversation killers - and more This guide is the lead book in the 51-book It's Just Lunch dating series. All 51 volumes are being released simultaneously. Great dating advice & great ideas for dates. Buy one for yourself and for all your single friends. Trish Bergin, Inside

Edition

ABA Journal - 1951-03

The ABA Journal serves the legal profession. Qualified recipients are lawyers and judges, law students, law librarians and associate members of the American Bar Association.

The College Buzz Book - 2006-03-23

In this new edition, Vault publishes the entire surveys of current students and alumni at more than 300 top undergraduate institutions, as well as the schools' responses to the comments. Each 4-to 5-page entry is composed of insider comments from students and alumni, as well as the schools' responses to the comments.

The Encyclopedia of New York State - Peter Eisenstadt 2005-05-19

The Encyclopedia of New York State is one of the most complete works on the Empire State to be published in a half-century. In nearly 2,000 pages and 4,000 signed entries, this single volume captures the impressive complexity of New York State as a historic crossroads of people and ideas, as a cradle of abolitionism and feminism, and as an apex of modern urban, suburban, and rural life. The Encyclopedia is packed with fascinating details from fields ranging from sociology and geography to history. Did you know that Manhattan's Lower East Side was once the most populated neighborhood in the world, but Hamilton County in the Adirondacks is the least densely populated county east of the Mississippi; New York is the only state to border both the Great Lakes and the Atlantic Ocean; the Erie Canal opened New York City to rich farmland upstate . . . and to the west. Entries by experts chronicle New York's varied areas, politics, and persuasions with a cornucopia of subjects from environmentalism to higher education to railroads, weaving the state's diverse regions and peoples into one idea of New York State. Lavishly illustrated with 500 photographs and figures, 120 maps, and 140 tables, the Encyclopedia is key to understanding the state's past, present, and future. It is a crucial reference for students, teachers, historians, and business people, for New Yorkers of all persuasions, and for anyone interested in finding out more about New York State.

Working Farmer - 1860

The College Buzz Book - Carolyn C. Wise 2007-03-26

Many guides claim to offer an insider view of top undergraduate programs, but no publisher understands insider information like Vault, and none of these guides provides the rich detail that Vault's new guide does. Vault publishes the entire surveys of current students and alumni at more than 300 top undergraduate institutions. Each 2- to 3-page entry is composed almost entirely of insider comments from students and alumni. Through these narratives Vault provides applicants with detailed, balanced perspectives.

The It's Just Lunch Guide to Dating in Western New York (Buffalo) - Laure K. Culver 2004-12

Want to make good dates great? Mediocre dates more fun? Bad dates better? Let the experts at It's Just Lunch, the dating service responsible for over 2,000,000 fun first dates, tell you how. The It's Just Lunch Guide to Dating in Western New York provides a fresh, light-hearted approach to dating-plus it includes a Zagat-style guide to over 150 of Western New York's best places to date. Find out the ten biggest dating blunders - Secret signals your date sends when they're interested and when they're not - Where to go in Western New York to put you in the dating mood, meet people and start dating - The hottest places to go for first dates, second dates, creative dates, special occasions and much, much more. This book is part of the 50-book It's Just Lunch Guide to Dating series. "Great dating advice & great ideas for dates. Buy one for yourself and all your single friends!" - Trish Bergin, Inside Edition
Editor & Publisher Market Guide - 1959

Resources in Education - 1994

Field & Stream - 2004-12

FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and

fishermen have passed down for generations.
