## **Domestic Minor Sex Trafficking** - Susan C. Mapp 2016

This text integrates knowledge on DMST from the scholarly literature with interviews with those working directly in the field. Interviews with survivors, social workers, psychologists, law enforcement professionals, and others help educate the reader as to why and how this crime occurs, how to fight it, and how to help survivors recover.

## **Bodies and Souls** - Isabel Vincent 2011-03-04

Isabel Vincent's groundbreaking exploration brings to light a dark chapter in our recent history: the white slave trade and the international Jewish mobsters behind it. From the end of the 1860s until the beginning of the Second World War, thousands of young, impoverished Jewish women, most of them from the hard-scrabble shtetls of Eastern Europe, were sold into slavery by a notorious gang of mobsters called the Zwi Migdal. While the enterprise controlled brothels in various locales, its main centres of operation were Rio de Janeiro, Buenos Aires and, to a lesser extent, New York City. To recruit vulnerable country girls, pimps would target villages of desperate poverty, where they posed as respectable suitors of considerable means who had made their money abroad. They would arrange sham marriages to their victims and promise them an easy life in the New World. But once they'd crossed the ocean, these Jewish women found themselves caught up in the white slave trade. Under frequently brutal conditions, the young women had to service the needs of a booming population of immigrant men. An added hardship to endure was being vehemently shunned by the "respectable" Jewish community. Banned from synagogue and reviled by their neighbors, the women were forbidden from partaking in the sacred Jewish burial ritual. So prostitutes banded together to form the Society of Truth, with the promise to do all could they could to help each other be buried in dignity. Through the society the women observed religious life together, setting up private synagogues and kosher kitchens. Cast aside by their community, they created their own: a society of love, honour to God and faith in each other. With the determination and skill of her training as an investigative journalist, Isabel Vincent tells an unforgettable and gripping tale of a shameful chapter in recent history.

## **Sex for Sale** - Ronald John Weitzer 2000

A major contribution to our understanding of the sex industry, *Sex for Sale* is a collection of original essays on sex work, its risks, and its political implications. A unique addition to the literature, *Sex for Sale* examines all sides of the sex industry--both positive and negative--and will change the way we understand the sex industry.

## **The Ultimate Exodus** - Danielle Strickland 2017

God didn't just say to Pharaoh, "Let my people go." He also said to the Israelites--and He says to us--"Let go of what enslaves you, and follow me to freedom." *The Ultimate Exodus* opens our eyes to the things that enslave us, and it sets us on the path of our own exodus. Danielle Strickland revisits the story of the Exodus to see what we can learn from a people who were slaves and who learned from God what it means to be free. We discover as we go that deliverance goes much deeper than our circumstances. God uproots us from the things we have become slaves to, and He takes us on a long walk to the freedom He created us to enjoy.

## **Research in Consumer Behavior** - Russell W. Belk 2011-10-28

Presents advanced consumer research, whether empirical or conceptual, qualitative or quantitative. This title features the papers which have been selected from the best papers at the 2011 Consumer Culture Theory Conference held in Chicago Illinois in July, 2011.

## **Paid For: My Journey Through Prostitution** - Rachel Moran 2015-09-08

An astonishingly brave memoir of prostitution and its lingering influence on a woman's psyche and life. "The best work by anyone on prostitution ever, Rachel Moran's *Paid For* fuses the memoirist's lived poignancy with the philosopher's conceptual sophistication. The result is riveting, compelling, incontestable. Impossible to put down. This book provides all anyone needs to know about the reality of prostitution in moving, insightful prose that engages and disposes of every argument ever raised in its favor." —Catharine A. MacKinnon, law professor, University of Michigan and Harvard University Born into a troubled family, Rachel Moran left home at the age of fourteen. Being homeless, she was driven into prostitution to survive. With intelligence and empathy, she describes the exploitation she and others endured on the streets and in the brothels. Moran also speaks to the psychological damage inherent to

prostitution and the inevitable estrangement from one's body. At twenty-two, Moran escaped the sex trade. She has since become a writer and an abolitionist activist.

## **Debating Sex Work** - Jessica Flanigan 2019

Prostitution is often referred to as "oldest profession." Critics of this expression redescribe it as "the oldest oppression." Debates about how best to understand and regulate prostitution are bound up with difficult moral, legal, and political questions. Indeed, it can be approached from numerous angles--is buying and selling sex fundamentally wrong? How can it possibly be regulated? How can sex workers be protected, if they are allowed to work at all? In this concise, for-and-against volume, ethicists Lori Watson and Jessica Flanigan engage with each other on the nature and consequences of sex work, revealing new and profound ways in which to understand it. The volume opens with a joint introduction, before Lori Watson first argues for a sex equality approach to prostitution in which buyers are criminalized and sellers are decriminalized, also known as the Nordic model. Watson defends the Nordic Model on the grounds that prostitution is an exploitative and unequal practice that only entrenches existing patterns of gendered injustice. Full decriminalization of prostitution only stymies existing occupational health and safety standards and securing worker autonomy and equality. Further, to Watson, drawing a distinction between sex trafficking and prostitution is irrelevant for public policy; what underpins them is demand, which fuels the inequalities of both. That is what needs to be addressed. In a rebuttal, Jessica Flanigan contends that sex work should be fully decriminalized because restrictions on the sale and purchase of sex violate the rights of sex workers and their clients. She argues that decriminalization is preferable to policies that could expose sex workers and their clients to criminal penalties, and leave them at the mercy of public officials. Putting these two views on sex work into conversation with one another, and opening up space for readers to weigh both approaches, the book provides a thorough, accessible exploration of the issues surrounding sex work, written with both sympathy and philosophical rigor.

## **Chester Brown** - Dominick Grace 2013-10-18

The early 1980s saw a revolution in mainstream comics—in subject matter, artistic integrity, and creators' rights—as new methods of publishing and distribution broadened the possibilities. Among those artists utilizing these new methods, Chester Brown (b. 1960) quickly developed a cult following due to the undeniable quality and originality of his *Yummy Fur* (1983–1994). *Chester Brown: Conversations* collects interviews covering all facets of the cartoonist's long career and includes several pieces from now-defunct periodicals and fanzines. It also includes original annotations from Chester Brown, provided especially for this book, in which he adds context, second thoughts, and other valuable insights into the interviews. Brown was among a new generation of artists whose work dealt with decidedly nonmainstream subjects. By the 1980s comics were, to quote a by-now well-worn phrase, "not just for kids anymore," and subsequent censorious attacks by parents concerned about the more salacious material being published by the major publishers—subjects that routinely included adult language, realistic violence, drug use, and sexual content—began to roil the industry. *Yummy Fur* came of age during this storm and its often-offensive content, including dismembered, talking penises, led to controversy and censorship. With Brown's highly unconventional adaptations of the Gospels, and such comics memoirs as *The Playboy* (1991/1992) and *I Never Liked You* (1991–1994), Brown gradually moved away from the surrealistic, humor oriented strips toward autobiographical material far more restrained and elegiac in tone than his earlier strips. This work was followed by Louis Riel (1999–2003), Brown's critically acclaimed comic book biography of the controversial nineteenth-century Canadian revolutionary, and *Paying for It* (2011), his best-selling memoir on the life of a john.

## **The Men's and Women's Programs** - John D. Foubert 2011-01-11

*The Men's and Women's Programs: Ending Rape through Peer Education* is a guide for college administrators and faculty members looking to create a sexual assault prevention and education program to provide men and women with the knowledge, skills, and support systems needed to become active participants in the prevention of rape. It contains

detailed scripts which outline how to set up and implement a program and provides instructions on running a training course and recruiting peer educators. Handouts and worksheets are included to assist in the training process, as well as for peer educators to use when working with participants. This revised version of the program features the inclusion of a program targeted at female participants, as well as completely updated scripts, handouts, and resources. Accompanying the text are two guides (sold separately) for peer educators to use when working with program participants: The Men's Program and The Women's Program.

**Selling Sex** - Emily Van der Meulen 2013

"Despite being dubbed "the world's oldest profession," prostitution has rarely been viewed as a legitimate form of labour. Instead, it has been criminalized, sensationalized, and polemicized across the socio-political spectrum by everyone from politicians to journalists to women's groups. Interest in and concern over sex work is not grounded in the lived realities of those who work in the industry, but rather in inflammatory ideas about who is participating, how they wound up in this line of work, and what form it takes. In *Selling Sex*, Emily van der Meulen, Elya M. Durisin, and Victoria Love present a more nuanced, balanced, and realistic view of the sex industry. They bring together a vast collection of voices - including researchers, feminists, academics, and advocates, as well as sex workers of differing ages, genders, and sectors - to engage in a dialogue that challenges the dominant narratives surrounding the sex industry and advances the idea that sex work is in fact work. Presenting a variety of opinions and perspectives on such diverse topics as the social stigma of sex work, police violence, labour organizing, anti-prostitution feminism, human trafficking, and harm reduction, *Selling Sex* is an eye-opening, challenging, and necessary book."--Publisher's website.

**The Pimping of Prostitution** - Julie Bindel 2019-06-15

This book examines one of the most contested issues facing feminists, human rights activists and governments around the globe - the international sex trade. For decades, the liberal left has been conflicted as to whether pro-prostitution activists or abolitionists hold the correct view, and debates are ongoing as to who holds the key to the solutions facing the women and girls involved. Over the course of two years, Bindel conducted 250 interviews in almost 40 countries, cities and states, traveling around Europe, Asia, North America, Australia, New Zealand, and East and South Africa. Visiting legal brothels all around the world, Bindel got to know pimps, pornographers, survivors of the sex trade, and the women being sold by men classed as 'business entrepreneurs'. Whilst meeting feminist abolitionists, pro-prostitution campaigners, police and government officials, and the men who drive the demand, Bindel uncovered the lies, mythology and criminal activity that shroud this global trade, and suggests here a way forward for the women seeking to abolish the oldest oppression. Informed by the lived human experience of those interviewed, this book will be of great interest to feminists, students, criminal justice advocates, criminologists and human rights activists.

**Butterfly Politics** - Catharine A. MacKinnon 2019-04-02

"Sometimes ideas change the world. This astonishing, miraculous, shattering, inspiring book captures the origins and the arc of the movement for sex equality. It's a book whose time has come—always, but perhaps now more than ever." —Cass Sunstein, coauthor of *Nudge*  
Under certain conditions, small simple actions can produce large and complex "butterfly effects." *Butterfly Politics* shows how Catharine A. MacKinnon turned discrimination law into an effective tool against sexual abuse—grounding and predicting the worldwide #MeToo movement—and proposes concrete steps that could have further butterfly effects on women's rights. Thirty years after she won the U.S. Supreme Court case establishing sexual harassment as illegal, this timely collection of her previously unpublished interventions on consent, rape, and the politics of gender equality captures in action the creative and transformative activism of an icon. "MacKinnon adapts a concept from chaos theory in which the tiny motion of a butterfly's wings can trigger a tornado half a world away. Under the right conditions, she posits, small actions can produce major social transformations." —New York Times  
"MacKinnon [is] radical, passionate, incorruptible and a beautiful literary stylist... *Butterfly Politics* is a devastating salvo fired in the gender wars... This book has a single overriding aim: to effect global change in the pursuit of equality." —The Australian  
"Sexual Harassment of Working Women was a revelation. It showed how this anti-discrimination law—Title VII—could be used as a tool... It was the beginning of a field that didn't exist until then." —U.S. Supreme Court Justice Ruth Bader Ginsburg

*The Johns* - Victor Malarek 2009

Presents a critical indictment of the men who solicit sex services from unwilling prostitutes, in an exposé that identifies the customers and organizations that foster and drive the sex trade throughout the world. **Prostitution, Trafficking and Traumatic Stress** - Melissa Farley 2003  
*Prostitution, Trafficking, and Traumatic Stress* documents the violence that runs like a constant thread throughout all types of prostitution, including escort, brothel, trafficking, strip club, and street prostitution. The book presents clinical examples, analysis, and original research, counteracting common myths about the harmlessness of prostitution. It explores the connections between prostitution, incest, sexual harassment, rape, and battering; looks at peer support programs for women escaping prostitution; examines clinical symptoms common among prostitutes; and much more.

**Orphanage 41** - Victor Malarek 2014-07-09

Mykola Yashan receives news that shatters his world and propels him on a dangerous journey of roots unknown. His quest is triggered by a stunning discovery in his father's study, and soon after, the 20-year-old Canadian university student is on his way to Lviv, Ukraine. His first stop: Orphanage 41 where he encounters the director, Natalka Matlinsky, who will stop at nothing, including murder, to keep him from learning the truth - a secret so scandalous that if revealed will destroy lives and possibly topple a corrupt government.

**Gender Violence, 3rd Edition** - Laura L. O'Toole 2020-07-14

An updated edition of the groundbreaking anthology that explores the proliferation of gendered violence From Harvey Weinstein to Brett Kavanaugh, accusations of gender violence saturate today's headlines. In this fully revised edition of *Gender Violence*, Laura L. O'Toole, Jessica R. Schiffman, and Rosemary Sullivan bring together a new, interdisciplinary group of scholars, with up-to-date material on emerging issues like workplace harassment, transgender violence, intersectionality, and the #MeToo movement. Contributors provide a fresh, informed perspective on gender violence, in all of its various forms. With twenty-nine new contributors, and twelve original essays, the third edition now includes emerging contemporary issues such as LGBTQ violence, sex work, and toxic masculinity. A trailblazing text, *Gender Violence, Third Edition* is an essential read for students, activists, and others.

**Pimp State** - Kat Banyard 2016-06-14

Never before have prostitution, strip clubs and pornography been as profitable, widely used or embedded in mainstream culture as they are today. How society should respond to the rise of the sex trade is shaping up to be one of the Twenty-First Century's big questions. Should it be legal to pay for sex? Isn't it a woman's choice whether she strips for money? Could online porn warping the attitudes of a generation of boys? An increasingly popular set of answers maintains that prostitution is just work, porn is fantasy, demand is inevitable; so fully legalise the sex trade and it can be made safe. Kat Banyard contends that these are profoundly dangerous myths. Sexual consent is not a commodity, objectification and abuse are inherent to prostitution, and the sex trade poses a grave threat to the struggle for women's equality. Skilfully weaving together first-hand investigation, interviews and the latest research, *Pimp State* powerfully argues that sex trade myth-makers will find themselves on the wrong side of history.

**Criminal Investigation of Sex Trafficking in America** - Leonard Territo 2013-11-01

Human trafficking is the third largest business for organized crime worldwide, next to illegal weapons trading and drugs. Written by well-respected criminal justice scholars, this book examines the criminal investigation of sex trafficking. Providing a multidisciplinary exploration of this topic, the authors discuss: International and national perspectives and the history of sex trafficking in America Effective ways to train law enforcement in investigations Major federal and state laws most applicable in sex trafficking investigations The sexual exploitation of American children and those brought in from foreign countries Interrogation of sex-trafficking suspects Crime scene examination and physical evidence The role and responsibilities of prosecutors Effective ways to develop and maintain a multiagency task force

**WheatShaft** - Victor Malarek 2021-10-29

For almost a decade, Matt Kozar had been coasting as a general reporter with the New York Tribune ... longing but never managing to break the big story ... until now. While on a routine assignment in Central Park, the launch of Feed the Starving - a glitzy, high-powered campaign to raise awareness of a devastating famine plaguing the Horn of Africa, Kozar soon becomes entangled in a web of incredible greed and corruption, and a devious plot to defraud the U.S. government of hundreds of millions of dollars in food aid destined for millions of starving children, women and

men. In this fast-paced, hard-hitting political thriller, Kozar flies to Eritrea where he witnesses blatant corruption in the distribution of international food aid. But there is something far more sinister going on, and as he continues to dig, he quickly finds himself pitted against a rogue's gallery of extremely dangerous characters: a powerful evangelical minister, a repugnant US Republican senator, the unscrupulous head of the UN International Food Fund and a pair of ruthless Russian oligarchs - who will stop at nothing, including murder, to keep their illegal enterprise from being exposed.

The Natashas - Victor Malarek 2004-10-05

The buying and selling of human beings for the worldwide sex industry is organized crime's fastest-growing business with up to two million people globally—mostly women and children—being trafficked into the sex trade

every year. In *The Natashas*, leading investigate journalist Victor Malarek details the tragic lives of the women and girls ensnared in the most recent wave of this brutal trade. He unearths evidence of training centers in Serbia where teenage girls from Ukraine, Moldova and Romania are viciously indoctrinated into the world of prostitution. He travels to war-torn countries such as Kosovo and Bosnia where he exposes corruption involving United Nations peacekeepers. And he uncovers scandalous situations throughout Europe, Israel and North America where the trafficking trade continues to flourish. Shocking stories of corrupt cops, complicit government officials and complacent politicians combine to form a powerful truth—one that Malarek hopes will not be ignored.
