The Signal Flame - Andrew Krivak 2017-01-24

"In a small town in Pennsylvania's Endless Mountains Hannah and her son Bo mourn the loss of the family patriarch, Jozef Vinich. They were three generations under one roof ... [but now] there is only Bo, a quiet man full of conviction, a proud work ethic, and a firstborn's sense of duty. He is left to grieve but also to hope for reunion, to create a new life, to embrace the land and work its soil through the seasons"--

Lalani of the Distant Sea - Erin Entrada Kelly 2019-09-03

When Lalani Sarita's mother falls ill with an incurable disease, Lalani embarks on a dangerous journey across the sea . . . Life is hard on the island of Sanlagita. To the west looms a vengeful mountain, one that threatens to collapse and bury the village at any moment. To the north, a dangerous fog swallows sailors who dare to venture out, looking for a more hospitable land. The women live in fear of the deadly mender's disease, spread by the sharp needles they use to repair the men's fishing nets. When Lalani Sarita's mother pricks her finger and falls ill, she gives twelve-year-old Lalani an impossible task - leave Sanlagita and find the riches of the legendary Mount Isa, which towers on an island to the north. But generations of men and boys have died on the same quest. How can a timid young girl survive the epic tests of the archipelago?

Clap When You Land - Elizabeth Acevedo 2020-05-05

The stunning New York Times bestselling novel from the 2019 Carnegie Medal winning, Waterstones Book Prize shortlisted author of THE POET X. 2020 Goodreads Choice Award Winner of CLAP WHEN YOU LAND. Camino Rios lives for the summers when her father visits her in the Dominican Republic. But this time, on the day when his plane is supposed to land, Camino arrives at the airport to see crowds of crying people... In New York City, Yahaira Rios is called to the principal's office, where her mother is waiting to tell her that her father, her hero, has died in a plane crash. Separated by distance - and Papi's secrets - the two girls are forced to face a new reality in which their father is dead and their lives are forever altered. And then, when it seems like they've lost everything of their father, they learn of each other. In a dual narrative novel in verse that brims with both grief and love, award-winning and bestselling author Elizabeth Acevedo writes about the devastation of loss, the difficulty of forgiveness, and the bittersweet bonds that shape our lives.

The Forgotten Girls - Sara Blaedel 2016-08-02

#1 International Bestseller THE FORGOTTEN GIRLS The body of an unidentified woman has been discovered in a remote forest. A large, unique scar on one side of her face should make the identification easy, but nobody has reported her missing. Louise Rick, the new commander of the Missing Persons Department, waits four long days before pulling off a risky move: releasing a photo of the victim to the media, jeopardizing the integrity of the investigation in hopes of finding anyone who knew her. The gamble pays off when a woman recognizes the victim as Lisemette, a child she cared for in the state mental institution many years ago. Lisemette was a "forgotten girl", abandoned by her family and left behind in the institution. But Louise soon discovers something even more disturbing: Lisemette had a twin, and both girls were issued death certificates more than thirty years ago. Louise's investigation takes a surprising when it brings her closer to her childhood home. And as she uncovers more crimes that were committed--and hidden--in the forest, she is forced to confront a terrible link to her own past that has been carefully concealed. Set against a moody and atmospheric landscape, THE FORGOTTEN GIRLS is twisty, suspenseful, emotionally intense novel that secures Sara Blaedel's place in the pantheon of great thriller writers.

We Dream of Space - Erin Entrada Kelly 2020-05-05

A Newbery Honor Book • BookPage Best Books • Chicago Public Library Best Fiction • Goodreads Choice Awards Nominee • Horn Book Fanfare • New York Times Notable Children's Book • School Library Journal Best Book • Today Show Pick • An ALA Notable Book "A 10 out of 10 . . . Anyone interested in science, sibling relationships, and friendships will enjoy reading We Dream of Space."—Time for Kids Newbery Medalist and New York Times-bestselling author Erin Entrada Kelly transports readers to 1986 and introduces them to the unforgettable Cash, Fitch, and Bird Nelson Thomas in this pitch-perfect middle grade novel about family, friendship, science, and exploration. This acclaimed Newbery Honor Book is a great choice for readers of Kate DiCamillo, Rita Williams-Garcia, and Rebecca Stead. Cash, Fitch, and Bird Nelson Thomas are three siblings in seventh grade together in Park, Delaware. In 1986, as the country waits expectantly for the launch of the space shuttle Challenger, they each struggle with their own personal

anxieties. Cash, who loves basketball but has a newly broken wrist, is in danger of failing seventh grade for the second time. Fitch spends every afternoon playing Major Havoc at the arcade on Main and wrestles with an explosive temper that he doesn't understand. And Bird, his twelve-year-old twin, dreams of being NASA's first female shuttle commander, but feels like she's disappearing. The Nelson Thomas children exist in their own orbits, circling a tense and unpredictable household, with little in common except an enthusiastic science teacher named Ms. Salonga. As the launch of the Challenger approaches, Ms. Salonga gives her students a project—they are separated into spacecraft crews and must create and complete a mission. When the fated day finally arrives, it changes all of their lives and brings them together in unexpected ways. Told in three alternating points of view, We Dream of Space is an unforgettable and thematically rich novel for middle grade readers. We Dream of Space is illustrated throughout by the author.

The Forgotten Girls - Lizzie Page 2020-02-13

It's a photograph of two little girls, the camera catching the cold whiteness of their legs, the pretty lines of their dresses, the smooth surface of the lake. I know at once it's my mother and Aunty Barbara, I've always known it somehow. But I also know that the camera doesn't tell the whole story. It can't. London, 1943. German bombs rain down on London, but Elaine Parker knows her job transcribing letters from far-away prisoners of war is more important than her own safety. But at home, Elaine's life isn't so simple - as the main breadwinner for her struggling family, she doesn't have much time to consider her own future hopes and dreams. And then Elaine meets dark-haired and passionate Bobby - a wartime photographer on the dangerous front line - and her world shifts. Will Elaine be forced to choose between her family and her growing passion for Bobby? And how do you let yourself love someone with your whole heart when each moment could be their last? Present day. Even the kiss of warm sunshine and the musical call of birds at her family's countryside villa can't make Jen forget the heartbreak she's left behind. That is, until she begins to investigate the origins of a tattered family photograph: two sweet little girls gazing out across a sparkling bay, their eyes clear and hopeful - looking for all the world as if England hadn't just suffered the most terrible war imaginable. What is the story behind the picture, and could it finally be the key to mending the cracks in Jen's own past? A heartbreaking World War Two novel - emotional and unforgettable. Perfect for fans of Orphan Train, Sold on a Monday and Before We Were Yours. What readers are saying about The Forgotten Girls... 'Twists and turns that keep you turning the page... I must read one more chapter before I turn out the light for the night... fans who enjoyed The Nightingale or Sold on a Monday will love this book as much as me. Authentic, heart-tugging and soul-stirring. Be sure to have tissues nearby.' Goodreads reviewer, 5 stars 'A heartbreaking tale of life in 1943 living through the war... One of the best historical fiction books I have read in a long while.' Sean's Book Reviews, 5 stars 'It not only brought tears to my eyes when the connection between the two women was revealed, but it pulled on my heartstrings all the way through the book. A story of love and loss, family and friendships, this book will keep you gripped until the very last page. Would definitely recommend.' Stardust Book Reviews 'I came to really love the blossoming romance between Robert and Elaine... A beautiful novel, and one I highly recommend.' Emily Claire Writes 'A captivating story.' Goodreads reviewer, 5 stars 'I absolutely loved The Forgotten Girls. It is a beautiful, compelling read... Lizzie Page writes like a dream... I will be recommending this book to everyone I know.' Goodreads reviewer, 5 stars 'I really fell in love with this book... Beautifully done, the imagery is well written and I found myself picturing the scenes and living them out in my mind's eye. Well done!' Goodreads reviewer 'Oh, how I loved this book! I smiled, cried, my heart raced and I marvelled at the storytelling... Wonderful!' Angela Petch, author of The Tuscan Girl, 5 stars 'I just love the deft and thrilling blend of fact and fiction, and the way Lizzie Page brings characters from the past back to life. I am such a huge fan of her work.' Bestselling author Jill Mansell

Full Cicada Moon - Marilyn Hilton 2015-09-08

Inside Out and Back Again meets One Crazy Summer and Brown Girl Dreaming in this novel-in-verse about fitting in and standing up for what's right It's 1969, and the Apollo 11 mission is getting ready to go to the moon. But for half-black, half-Japanese Mimi, moving to a predominantly white Vermont town is enough to make her feel alien. Suddenly, Mimi's appearance is all anyone notices. She struggles to fit in with her classmates, even as she fights for her right to stand out by entering science competitions and joining Shop

Class instead of Home Ec. And even though teachers and neighbors balk at her mixed-race family and her refusals to conform, Mimi's dreams of becoming an astronaut never fade—no matter how many times she's told no. This historical middle-grade novel is told in poems from Mimi's perspective over the course of one year in her new town, and shows readers that positive change can start with just one person speaking up.

Those Kids from Fawn Creek - Erin Entrada Kelly 2022-03-16

Every day in the small town of Fawn Creek is exactly the same—until Orchid Mason arrives. From Newbery medallist Erin Entrada Kelly comes a contemporary school story about friendship, family, deception, and being true to yourself.

The House That Lou Built - Mae Respicio 2019-07-09

A coming-of-age story that explores culture and family, forgiveness and friendship, and what makes a true home. Perfect for fans of Wendy Mass and Joan Bauer. Lou Bulosan-Nelson is going to build her dream. She shares a room with her mom in her grandmother's house in San Francisco and longs for a place of her own, where she can escape her lovable but large Filipino family. Her solution? A tiny house—one hundred square feet all to herself—that she'll construct on land inherited from her dad. Then Lou discovers that it's not so easy to build a house, not when her beautiful land may not be hers for much longer and her mom may want to move them out of state. But she won't give up on her dream, and her friends and family won't give up either. "If this book were a house, the rooms would be filled with warmth, family, and friendship." --

Newbery Medal-winning author Erin Entrada Kelly "Equal parts girl-heart, muscle, and know-how for today's reader. Endearing to the end." --Newbery Honor and Coretta Scott King Award-winning author Rita Williams-Garcia

The Land of Forgotten - Vanessa Barker 2021-04

Holding the Home Front - Caroline Scott 2017-01-30

An "insightful and extensive" history of the women who took over agricultural duties in England during World War I (Sussex Living Magazine). One could be forgiven for supposing that the story of the Women's Land Army starts in 1939 during World War II. But it's a much older and more complicated history . . . British agricultural policy during the First World War was held up as a success story; domestic food production was higher at the end of the war than at the start, the average calorific value of the British diet barely changed, and bread never had to be rationed. As the press reported starvation and food riots overseas, the 1918 harvest was held up as "one of the great achievements of the War." In 1917, at the darkest hour, when Britain's food security looked most precarious, it was said that, "if it were not for the women agriculture would be absolutely at a standstill on many farms." Using previously unpublished accounts and photographs, this book is an attempt to understand how the return of women to the fields and farmyards impacted agriculture—and, in turn, an examination of how that experience affected them. "Caroline's wonderful book sets the record straight with beautiful illustrations and witting testimony from people who were there and saw how hard these wonderful women worked to keep Britain going during their darkest hours. Superb." —Books Monthly "This is a well-researched history of the British Women's Land Army in WW1 and how it paved the way for the success of the WLA in the Second World War." —World War One Illustrated

The Land of Forgotten Girls - Erin Entrada Kelly 2017-02-14

In this acclaimed novel from Newbery Medalist Erin Entrada Kelly, two sisters from the Philippines, abandoned by their father and living in impoverished circumstances in Louisiana, fight to make their lives better. School Library Journal called *The Land of Forgotten Girls* "A charming and affecting novel about sisterhood, the magic of imagination, and perseverance." For readers of Pam Muñoz Ryan, Rita Williams-Garcia, and anyone searching for the true meaning of family. Winner of a Parents' Choice Gold Award. Soledad has always been able to escape into the stories she creates. Just like her mother always could. And Soledad has needed that escape more than ever in the five years since her mother and sister died, and her father moved Sol and her youngest sister from the Philippines to Louisiana. After her father leaves, all Sol and Ming have is their evil stepmother, Ve. Sol has protected Ming all this time, but then Ming begins to believe that Auntie Jove—their mythical, world-traveling aunt—is really going to come rescue them. Can Sol protect Ming from this impossible hope? Acclaimed and award-winning author Erin Entrada Kelly writes

masterfully about the challenges of finding hope in impossible circumstances, in this novel that will appeal to fans of Cynthia Kadohata and Thanhha Lai. Booklist said, "Kelly's sophomore novel is both hopeful and heartfelt, but strong emotions are only part of the successful equation here. Told in Sol's true voice, the direct dialogue brings the diverse characters to vivid life."

Disappearing Earth - Julia Phillips 2019-07-11

Beautifully written, thought-provoking, intense and cleverly wrought, this is the most extraordinary first novel from a mesmerising new talent. One August afternoon, on the shoreline of the north-eastern edge of Russia, two sisters are abducted. In the ensuing weeks, then months, the police investigation turns up nothing. Echoes of the disappearance reverberate across a tightly woven community, with the fear and loss felt most deeply among its women. Set on the remote Siberian peninsula of Kamchatka, *Disappearing Earth* draws us into the world of an astonishing cast of characters, all connected by an unfathomable crime. We are transported to vistas of rugged beauty – densely wooded forests, open expanses of tundra, soaring volcanoes and the glassy seas that border Japan and Alaska – and into a region as complex as it is alluring, where social and ethnic tensions have long simmered, and where outsiders are often the first to be accused. In a story as propulsive as it is emotionally engaging, and through a young writer's virtuosic feat of empathy and imagination, this powerful novel provides a new understanding of the intricate bonds of family and community, in a Russia unlike any we have seen before. Praise for *Disappearing Earth* "A genuine masterpiece, but one that is easily consumed in a feverish stay-up-all-night bout of reading pleasure." Gary Shteyngart "Suspenseful, original and compelling, *Disappearing Earth* is a strange and haunting voyage into a strange and haunting world." Simon Sebag-Montefiore, author of *The Romanovs* "Julia Phillips is at once a careful cartographer and gorgeous storyteller... A mystery of two missing girls burns at the center of this astonishing debut, and the complexity of ethnicity, gender, hearth and kin illuminates this question and many more." Tayari Jones, author of *An American Marriage* "A knock-out... The stitches of Phillips's language make you go, Damn, that's good." The Los Angeles Review of Books "A superb debut." New York Times

Blackbird Fly - Erin Entrada Kelly 2015-03-24

Future rock star or friendless misfit? That's no choice at all. In this acclaimed novel by Newbery Medalist Erin Entrada Kelly, twelve-year-old Apple grapples with being different; with friends and backstabbers; and with following her dreams. Publishers Weekly called *Blackbird Fly* "a true triumph," and the Los Angeles Times Book Review said, "Apple soars like the eponymous blackbird of her favorite Beatles song." Apple has always felt a little different from her classmates. She and her mother moved to Louisiana from the Philippines when she was little, and her mother still cooks Filipino foods and chastises Apple for becoming "too American." When Apple's friends turn on her and everything about her life starts to seem weird and embarrassing, Apple turns to music. If she can just save enough to buy a guitar and learn to play, maybe she can change herself. It might be the music that saves her . . . or it might be her two new friends, who show her how special she really is. Erin Entrada Kelly deftly brings Apple's conflicted emotions to the page in her debut novel about family, friendship, popularity, and going your own way. "A must-read for those kids cringing at their own identities."—Bulletin of the Center for Children's Books.

Hello, Universe - Erin Entrada Kelly 2020-05-07

In one day, four lives weave together in unexpected ways. Virgil Salinas is shy and kindhearted and feels out of place in his loud family. Valencia Somerset, who is deaf, is smart, brave, and secretly lonely, and loves everything about nature. Kaori Tanaka is a self-proclaimed psychic, whose little sister Gen is always following her around. And Chet Bullens wishes the weird kids would just act normal so that he can concentrate on basketball. They aren't friends - at least not until Chet pulls a prank that traps Virgil and his pet guinea pig at the bottom of a well. This disaster leads Kaori, Gen, and Valencia on an epic quest to find the missing Virgil. Is it a coincidence that their lives collide? Or are some things just meant to be? An irresistible story about unlikely friendships from an acclaimed and award-winning author.

You Go First - Erin Entrada Kelly 2018-04-10

Funny and poignant, Newbery Medalist and New York Times bestseller Erin Entrada Kelly's national bestseller *You Go First* is an exploration of family, bullying, word games, art, and the ever-complicated world of middle school friendships. In a starred review, School Library Journal wrote that Erin Entrada

Kelly can “capture moments of tween anguish with searing honesty.” Twelve-year-old Charlotte Lockard and eleven-year-old Ben Boxer are separated by more than a thousand miles. On the surface, their lives seem vastly different—Charlotte lives near Philadelphia, Pennsylvania, while Ben is in the small town of Lanester, Louisiana. Charlotte wants to be a geologist and keeps a rock collection in her room. Ben is obsessed with Harry Potter, presidential history, and recycling. But the two have more in common than they think. They’re both highly gifted. They’re both experiencing family turmoil. And they both sit alone at lunch. During the course of one week, Charlotte and Ben—friends connected only by an online Scrabble game—will intersect in unexpected ways as they struggle to navigate the turmoil of middle school. The New York Times-bestselling novel *You Go First* reminds us that no matter how hard it is to keep our heads above troubled water, we never struggle alone. Newbery Medalist Erin Entrada Kelly writes with an authentic, humorous, and irresistible voice. This engaging and character-driven story about growing up and finding your place in the world is for fans of Rebecca Stead and Rita Williams-Garcia.

The Book of Lost Things - John Connolly 2006-11-07

The Forgotten Girls (Book #1 in The Suburban Murder Series) - Alexa Steele 2014-08-05

In an elite suburb of New York City, girls are dying. That doesn’t happen in Greenvale, with its immaculate lawns, exclusive yacht clubs and multi-million dollar mansions. But behind its perfect façade, its trimmed hedges and luxury cars, a darkness lies. Girls, dependent on Adderall, outmaneuver each other to get into top colleges, while the mothers’ need to live vicariously only makes it worse. Bella DeFranco is one of the Bronx’s top SVU detectives. At only 37, she disarms everyone with her stunning good looks, yet she is as tough as most men—and a lot smarter, too. Yet when is summoned to Greenvale, she finds herself getting lost in a case that even she can’t comprehend. She stumbles into a land of secrets, a place where husbands hide their pasts from their wives, where friends are not what they seem, and where no one wants to know too much. As she digs deeper into layers of suburban dysfunction, she comes to learn that, behind all the fake smiles, there is a subtle violence—rivaling even her crime-ridden streets of the Bronx. With a killer on the loose, time running out, and a new partner who never recovered from his washed-up alcoholic days, the odds are stacked against Bella. She is determined, though, to save these girls, whatever the cost. Yet as she gets close, the depth of psychosis she discovers shocks even her.... THE LOST GIRLS (BOOK #2 IN THE SUBURBAN MURDER SERIES) is now available!

The Forgotten Girls - Owen Laukkanen 2017-03-14

They are the victims no one has ever cared about, until now. Agents Stevens and Windermere return in the blistering new crime novel from the fast-rising, multi-award-nominated suspense star. She was a forgotten girl, a runaway found murdered on the High Line train through the northern Rocky Mountains and, with little local interest, put into a dead file. But she was not alone. When Kirk Stevens and Carla Windermere of the joint FBI-BCA violent crime force stumble upon the case, they discover a horror far greater than anyone expected—a string of murders on the High Line, all of them young women drifters whom no one would notice. But someone has noticed now. Through the bleak midwinter and a frontier land of forbidding geography, Stevens and Windermere follow a frustratingly light trail of clues—and where it ends, even they will be shocked.
