**The Woman in the Photograph - Mani**

Feniger 2012

Mani Feniger wanted nothing to do with the relics of her mother's life before she escaped from Nazi Germany in 1936. But when the fall of the Berlin Wall exposed the buried secrets and startling revelations of her mother's past, she was drawn into an exploration of history and family, individuality and identity, mothers and daughters that would change her life forever.

THE WOMAN IN THE PHOTOGRAPH is a riveting, beautifully written memoir that reminds readers of the power of truth, the choices that shape our lives, and the legacy we pass on to future generations. Mani's evocative book unfolds like a mystery. The story has a heartbeat and I found myself rooting for her and for her mother. -Sue Bender, author of Plain and Simple and Everyday Sacred

*The Photography Book* - Editors of Phaidon Press  
2000-04-30

This is an unsurpassed collection of 500 superb images that represent the world's best photographers from the mid-19th century to today, arranged alphabetically by photographer, from pioneers such as Gustave Le Gray and Daguerre to icons such as Robert Capa, to innovative and emerging photographers around the world. Original.

This time it is personal. And Alexandra takes her biggest risk yet.

**The Woman in the Photograph** - Dana

Gynther 2015-08-04

Set in the romantic glow of 1920s Paris, a captivating novel of New York socialite and model Lee Miller, whose glamorous looks and joie de vivre caught the eye of Man Ray, one of the twentieth century's defining photographers. 1929, Montparnasse. Model and woman about town Lee Miller moves to Paris determined to make herself known amidst the giddy circle of celebrated artists, authors, and photographers currently holding court in the city. She seeks out the charming, charismatic artist Man Ray to become his assistant but soon becomes much more than that: his model, his lover, his muse. Coming into her own more fully every day, Lee models, begins working on her own projects, and even stars in a film, provoking the jealousy of the older and possessive Man Ray. Drinking and carousing is the order of the day, but while hobnobbing with the likes of Picasso and Charlie Chaplin, she also falls in love with the art of photography and finds that her own vision can no longer come second to her mentor's. The Woman in the Photograph is the richly drawn, tempestuous novel about a talented and fearless young woman caught up in one of the most fascinating times of the twentieth century.

**What They Saw: Historical Photobooks by Women, 1843-1999** - Russet Lederman  
2021-11-01

What They Saw: Historical Photobooks by Women, 1843 - 1999, 10x10 Photobooks' most recent "book-on-photobooks" anthology in its ongoing examination of photobook history,

*Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2023-10-31  
by guest*

explores photobooks created by women from photography's beginnings to the dawn of the 21st century. Presenting a diverse geographic and ethnic selection, the anthology interprets the concept of the photobook in the broadest sense possible: classic bound books, portfolios, personal albums, unpublished books, zines and scrapbooks. Some of the books documented are well-known publications such as Anna Atkins' *Photographs of British Algae: Cyanotype Impressions* (1843-1853), Germaine Krull's *Métal* (1928) and Diane Arbus: *An Aperture Monograph* (1972), while other books may be relatively unknown, such as Alice Seeley Harris' *The Camera and the Congo Crime* (c. 1906), Varvara Stepanova's *Groznyi smekh. Okna Rosta* (1932), Eslanda Cardozo Goode Robeson's *African Journey* (1945), Fina Gómez Revenga's *Fotografías de Fina Gómez Revenga* (1954), Eiko Yamazawa's *Far and Near* (1962) and Gretta Alegre Sarfaty's *Auto-photos: Série transformações-1976: Diário de Uma Mulher-1977* (1978). Also addressed in the publication are the glaring gaps and omissions in current photobook history-in particular, the lack of access, support and funding for photobooks by non-Western women and women of color. Paris Photo-Aperture Foundation Catalogue of the Year Award 2021 Kraszna-Krausz Photography Book Award 2022 Time Magazine 20 Best Photobooks of 2021

**The Girl in the Photograph** - Kate Riordan 2015-01-15

For fans of Kate Mosse and Kate Morton comes a haunting novel about two women separated by decades but entwined by fate. When Alice Eveleigh arrives at Fiercombe Manor during the long, languid summer of 1933, she finds a house steeped in mystery and brimming with secrets. Sadness permeates its empty rooms and the isolated valley seems crowded with ghosts, none more alluring than Elizabeth Stanton whose only traces remain in a few tantalisingly blurred photographs. Why will no one speak of her? What happened a generation ago to make her vanish? As the sun beats down relentlessly, Alice becomes ever more determined to unearth the truth about the girl in the photograph - and stop her own life from becoming an eerie echo of Elizabeth's . . . Lifelong fans of Daphne du Maurier's Rebecca will adore Kate Riordan's

exquisite novel, *The Girl in the Photograph*. Praise for *The Girl in the Photograph*: 'Full of slow-burning tension' *Essentials* 'A sweeping saga of secrets and ghosts' *Good Housekeeping* 'A well executed, brooding, creepy atmosphere' *Sunday Mirror* 'A prickly story full of tension' *Sunday Express*

*The Girl in the Photograph* - Gabrielle Donnelly 1999-11

When she unearths a photograph of her mother--who had died when she was a child--inscribed to an unknown man, an Irish-American woman returns to Los Angeles to discover who her mother really was, only to meet with lies and deceptions.

*How to Photograph Women Beautifully* - J. Barry O'Rourke 2002

The completely revised edition of the glamour photography classic features totally updated technical information with 200 stylish full-color photos.

**The Curious Heart of Ailsa Rae** - Stephanie Butland 2018-04-19

If you loved *LOST FOR WORDS*, *ELEANOR OLIPHANT IS COMPLETELY FINE* and *THE KEEPER OF LOST THINGS* you'll love this. 'I love it so much. Moving, funny, romantic. Utterly engaging . . . impossible to put down' Katie Fforde Ailsa Rae is learning how to live. She's only a few months past the heart transplant that - just in time - saved her life. Life should be a joyful adventure. But . . . Her relationship with her mother is at breaking point and she wants to find her father. Have her friends left her behind? And she's felt so helpless for so long that she's let polls on her blog make her decisions for her. She barely knows where to start on her own. Then there's Lennox. Her best friend and one time lover. He was sick too. He didn't make it. And now she's supposed to face all of this without him. But her new heart is a bold heart. She just needs to learn to listen to it . . . Have you read *LOST FOR WORDS*, which readers are calling 'the best book of 2017'? Search 9781785762604.

*The Photograph* - Penelope Lively 2004-01-29 With Lively's signature mastery of narrative and psychology, "The Photograph" explores a woman's beauty and its threat to her own happiness, the rivalry of sisters, a marriage in supreme crisis, and the cost of professional

success as life unfolds.

Women - Annie Leibovitz 1999-10-01

The photographs by Annie Leibovitz in *Women*, taken especially for the book, encompass a broad spectrum of subjects: a rap artist, an astronaut, two Supreme Court justices, farmers, coal miners, movie stars, showgirls, rodeo riders, socialites, reporters, dancers, a maid, a general, a surgeon, the First Lady of the United States, the secretary of state, a senator, rock stars, prostitutes, teachers, singers, athletes, poets, writers, painters, musicians, theater directors, political activists, performance artists, and businesswomen. "Each of these pictures must stand on its own," Susan Sontag writes in the essay that accompanies the portraits. "But the ensemble says, So this what women are now -- as different, as varied, as heroic, as forlorn, as conventional, as unconventional as this."

**The Woman in the Photograph** - Stephanie Butland 2019-07-11

An empowering, thought-provoking feminist novel that will change the way you see the world. Perfect for fans of Elizabeth Day, Claire Fuller and Joanna Cannon. 1968. Veronica Moon, a junior photographer for a local newspaper, is frustrated by her (male) colleagues' failure to take her seriously. And then she meets Leonie on the picket line of the Ford factory at Dagenham. So begins a tumultuous, passionate and intoxicating friendship. Leonie is ahead of her time and fighting for women's equality with everything she has. She offers Veronica an exciting, free life at the dawn of a great change. Fifty years later, Leonie is gone, and Veronica leads a reclusive life. Her groundbreaking career was cut short by one of the most famous photographs of the twentieth century. Now, that controversial picture hangs as the centrepiece of a new feminist exhibition curated by Leonie's niece. Long-repressed memories of Veronica's extraordinary life begin to stir. It's time to break her silence, and step back into the light. Praise for *The Woman in the Photograph*: 'Imaginative and moving novel - a must-read for any feminist' Katie Fforde 'I absolutely loved *The Woman in the Photograph*, a compelling, original and thought-provoking look at feminism and the power of female friendships' Sarah Franklin 'What a glorious combination: Stephanie's warm

intelligence brought to bear on the complexities of second-wave feminism. I ate the book up' Shelley Harris 'Refreshing and thought-provoking . . . a stirring exploration of female friendship and the fight for equality' Carys Bray 'Brilliantly researched, thought-provoking, and written straight from the heart, this is undoubtedly Butland's best book yet' Lancashire Evening Post

Holy - Donna Ferrato 2021-01-26

Photographer Donna Ferrato goes on a radical 50-year road trip across the USA as women fight for equality in the bedroom and the boardroom. Holy follows her journey from the sexual revolution of the '60s through the #metoo era of today. Holy is forged from one woman's outrage against a woman-hating world. May it anger you. Donna Ferrato's radical photographs show what women are capable of surviving. More than survive, Holy depicts women who prevail. Holy is an invitation to understand how it feels being held down by the patriarchy-what we are fighting for, what we are up against--and how we manage to maintain a sense of desire and appetite. Fighting for equality in the bedroom and the boardroom, Ferrato's journey follows the sexual revolution of the '60s through the #metoo era of today. Holy is a showcase of power. Donna's images reveal women's bodies in all their monstrous glory-even her own. May these photographs mobilize you, whether you are cis or trans, young or old, butch or femme. Human survival depends on women. Embrace your instincts, desires, brainpower, and strength. Embrace each other.

Women are Beautiful - Garry Winogrand 1975-01-01

**The Unretouched Woman** - Eve Arnold 1976

This is a collection of photographs of women taken from Eve Arnold's travels through America, Europe, Asia, Africa and the Caribbean.

**Women Street Photographers** - Gulnara Samoilova 2021-03-02

With a rising number of women throughout the world picking up their cameras and capturing their surroundings, this book explores the work of 100 women and the experiences behind their greatest images. Traditionally a male-dominated field, street photography is increasingly

becoming the domain of women. This fantastic collection of images reflects that shift, showcasing 100 contemporary women street photographers working around the world today, accompanied by personal statements about their work. Various joyful, unsettling and unexpected, the photographs capture a wide range of extraordinary moments. The volume is curated by Gulnara Samoilova, founder of the Women Street Photographers project: a website, social media platform and annual exhibition. Photographer Melissa Breyer's introductory essay explores how the genre has intersected with gender throughout history, looking at how cultural changes in gender roles have overlapped with technological developments in the camera to allow key historical figures to emerge. Her text is complemented by a foreword by renowned photojournalist Ami Vitale, whose career as a war photographer and, later, global travels with National Geographic have allowed a unique insight into the realities of working as a woman photographer in different countries. In turns intimate and candid, the photographs featured in this book offer a kaleidoscopic glimpse of what happens when women across the world are behind the camera.

[A World History of Women Photographers](#) - Luce Lebart 2022-10-25

A magnificently illustrated history showcasing the work of three hundred women photographers from all over the world, from the invention of the medium through to the present. Since the invention of the camera, women photographers have been key innovators in the medium and members of all major photography movements. These are artists who never stopped documenting, questioning, and transforming the world, breaking down social boundaries, challenging gender roles, and expressing their imagination and sexuality. To capture the diversity of this global body of work, authors Luce Lebart and Marie Robert have invited 160 international women writers to contribute to this bold and beautifully illustrated manifesto. Spanning from 1850 to the present day, and including images by Helen Levitt, Carrie Mae Weems, Hannah Höch, Sarah Moon, Eve Arnold, and Shirin Neshat, among many others, A World

History of Women Photographers is an invaluable work of reference.

*The Woman in the Photograph* - Dana Gynter 2015-08-04

"A deeply romantic story of glamor in both love and art, *The Woman in the Photograph* is the enchanting tale of New York socialite and model Lee Miller, whose looks and joie de vivre captured the eye of Man Ray, one of the 20th Century's defining photographers"--

[The Atlas of Beauty](#) - Mihaela Noroc 2017-09-26

Photographs and stories of 500 women from around the world, based on the author's hugely popular website. Since 2013 Mihaela Noroc has travelled the world with her backpack and camera taking photos of everyday women to showcase the diversity and beauty all around us. *The Atlas of Beauty* is a collection of her photographs that celebrates women from fifty countries across the globe and shows that beauty is everywhere, regardless of money, race or social status, and comes in many different sizes and colours. Mihaela's portraits feature women in their native environments, from the Amazon rain forest to markets in India, London city streets and parks in Harlem, creating a mirror of our varied cultures and proving that beauty has no rules. 'Stunning . . . aims to challenge the ideals of beauty dictated by the women's fashion magazine industry'

Independent 'A startling and revealing project'

Daily Mail 'Scrolling through "The Atlas of Beauty", beauty becomes not a universal standard, but a complicated tapestry' Huffington Post

**The Woman in the Photograph** - Stephanie Butland 2019

Veronica Moon, a junior photographer on a local paper in an Essex town, is frustrated. She never gets good assignments, and no one takes her seriously. And then she visits the picket line at Ford's Dagenham factory. At the front line of the fight for equal pay for women workers she meets Leonie - a privileged, angry activist, ahead of her time and prepared to fight for equality with everything she has. Veronica is captivated. She breaks off her engagement and moves to London with Leonie to begin a game-changing career and an intoxicating friendship.
