Passion and Purity - Elisabeth Elliot 2021-03-16

In her classic book, Elisabeth Elliot candidly shares her love story with Jim Elliot through letters, diary entries, and memories. She is honest about the temptations, difficulties, victories, and sacrifices of two young people whose commitment to Christ took priority over their love for each other. These revealing personal glimpses, combined with relevant biblical teaching, will remind readers that only by putting their human passion and desire through His fire can God purify their love. In a culture obsessed with dating, sex, and intimacy, the need for Elliot's freeing message is greater than ever. This beautifully repackaged edition will appeal to today's young people.

Love Defined - Kristen Clark 2018-05-01

Our culture is obsessed with love and romance--so why are so few women experiencing satisfying, long-term love? In this insightful and encouraging book, sisters Kristen Clark and Bethany Beal help single women of all ages discover a radically better approach to navigating their love lives. Covering topics such as true love, romance, purposeful relationships, purity, boundaries, singleness, and glorifying God in every stage of our relationships, *Love Defined* unpacks God's original design for romance, showing modern women how to experience God's best for them in their relationships. Full of biblical truths and step-by-step application of concepts discussed, the book also

includes a chapter-by-chapter study guide to be used individually or in small groups, as well as four letters from godly women who have been married for 30, 40, and 50+ years, offering priceless, hard-won advice to single women.

Happy and Free - Len Lucas
2022-12-17

Two fun-loving cosmic explorers embark on adventures together throughout the metaphysical universe. Joshua and Jor-EL meet the caretaker of the Large Magellanic Cloud galaxy and encounter a civilisation living inside one of the galaxy's stars. The adventurers also travel to Earth where they embark on multi-dimensional quests with Nature Spirits, a young Earth girl named Jenna, and whales. With Hyer, a highly evolved teacher who has a Liquid Crystalline Light Body, they visit a Light Ship and Inner Earth

Nectar #5 - Babaji Bob Kinder
2001-10-31

If science, art and religion are

all open pathways when utilized properly, we attempt, in this issue, to discover what true art consists of. "Ask the practitioner and inquire of the adept," is the recourse we have resorted to herein. Music, poetry, dance, painting and film, described in these pages, are duly five sacred constituents of the infinite expanse of Advaitic experience. We have heard, seen, possibly have even known what these sacred forms have suffered at the hands of people with a desire for fame, a yen for pleasure, and the singular search for wealth that occludes and excludes all other considerations. The sweet, exalted and transporting presence of God simply disappears from the medium and atmosphere which covets such fugacious, spurious and soporific attainments. Led on by "artists" who support a mere masquerade of true attainment, beings rush to the affluent and the popular for their inner fulfillment, scarcely ever experiencing the superlative presence of divinity

residing in pure artistic expression. Thus, the authentic luminaries of art, science and religion seldom get recognized by the masses, and the masses then have little recourse and access to the more profound insights and inspirations of the various refined fields. How is music made sacred? Is it sacred already? Is all dance divine? Does all poetry reflect the divine muse within? Do all works of art speak of the highest realization? Does it really matter, or is all realization, like beauty, in “the eye of the beholder?” Possibly some of these questions may find answers in the following pages. But if not, suffice to say that where the medium is purified — where a lustral regimen has been adhered to — there, spiritualized expression will reach its zenith. When sensitive artists, seeking the highest, place their gifts and talents in action and offer the fruits of such before the world, they must first and necessarily have subjected them to purification and intensification. Any instrument,

whether it be a metal tube or a fleshy tube, a wooden box with strings or a metal box containing film, a tome of writings, a paintbrush, or the human body, is always under the control of consciousness. Like different conditions of water — some fit for drinking, some for swimming, some for washing dishes and some only for carrying waste — the consciousness of human minds is also pure or impure, as the case may be. In artistic endeavor, then, as in spiritual practice, purification of what is limited or impure renders the medium fit to emanate the truth or essence of any given expression, such as inspired choreography, a masterpiece on canvas, an original composition, a unique film, or a work of literary genius — all which have the ability to transform lives. So here is the acid test with regards to true artforms, at least for the discriminating person. As is consistent with all modes of existence — with work, dreams, visions, relative experiences of all types — if

they help reveal the divine essence in human nature and assist human character by way of positive accretion, then they can be said to be real, authentic, and ultimately meaningful. Otherwise, too much distraction and wasted energy plague them, as well as their host, all amounting to "vanity and vexation of human spirit."

Dating Like Airplanes - Caleb Breakey 2014-01-01

You've done the online dating thing. You've gone on a hundred blind dates. You've stared slack-jawed at that gorgeous stranger in the coffee shop...and couldn't think of a thing to say. You've scoured the Christian dating advice websites. And you're ready to throw up your hands and be done with romance. Does meeting your soul mate really need to be this hard? Stop trying to fall in love, says Caleb Breakey, and start learning how to fly! Just like airplanes soar above the clouds, you can have a relationship that rises above the ordinary and doesn't

crash and burn. Caleb, breakout author of *Called to Stay*, traveled his own rocky road to romance, and he'll tell you the truth about courtship and dating, finding your soul mate, and what it really means to pursue Christian relationships. Along the way, you'll discover the greatest romance of all: the love that Christ pours out on you. This is Christian dating advice at its best!

Heroes of The Kingdom - Theodore Andoseh

The world is going through a cyclone of uncertainty, and nothing resembles the normalcy we have known for so long. Nothing at all! Health and moral crises are soaring. Legislatures are enacted in open revolt against divine institutions like the family and the right to life. Armed conflicts are claiming lives at unprecedented rates. The enemy seems to point all his weapons against the Gospel and the Church. Amid this chaos, we are God's chosen to live in a time like this. A day for the champions—when

conventional battle strategies are almost useless—is upon us. The time for complacent Christianity or ritualistic religion is over. God needs heroes! Heroes of the Kingdom outlines features of ordinary people in the Bible and in church history who took up personal responsibility in the face of life-threatening crises and changed the course of history. They stood their ground, persevered by faith, experienced spiritual victory, and received divine approval as they faced dire scenarios with a level of spiritual dignity. This book is edge-of-the-seat reading for anyone burning to impact others for good and advance God's kingdom agenda on earth with boldness and courage. You will be significantly inspired through the life of the man after God's heart—David: he attained spiritual greatness through established heroism in character, leadership, worship, battle, and more. Could it be that you are the champion that God has prepared to silence the enemy today or soon?

Would you choose to place Christ over culture and conviction over comfort? Arise, and become a Hero of The Kingdom!

THE VAMPIRE AWAKENING

- Allan Lavey 2018-04-28

Throughout history, the legend and the mystique of the Vampire endures. Why? This is due in no small part to the power of the archetype in the minds of humankind. It is the spirit that is the Vampire and the emergent force that its presence continues to paint within modern day Vampire culture. The Vampire mirrors the reflections of those qualities that particular people seek to emulate within themselves for what can only be embraced as an innate

reason. It's been said by many people that they feel born to it. The Vampire commands its own presence at the core of humankind's nature. In some way, everyone ponders the power that resides in the night side of our being. For those who identify as Vampire, this is the core of what the Vampire is. The night side of a state of essence. The Vampire is rooted in an ascendance to another state of being. An altered state of vibration if you will, an essence that those who call themselves Vampire, seek to rise to. The current state of Vampire Culture has evolved from the roots of its being in the late 1980's and into the 1990's into what it continues to present of itself now. For those who have submersed themselves into the culture, they parlay at the color and the spirit of all that they embrace as being Vampire. Then there are those who understand, intimately, that what this is truly all about to them, is the acceptance of themselves into another state of being entirely. This is when: "The Awakening"

takes place for some. The Vampire Awakening.

The Arab King of My Heart and Soul - Yuriko Terasaka
2016-12-20

This is a love story about lust of the heart and soul, not about the lust of the physical body. Lust is when you love only what you see with your eyes. Love is when you lust for what is inside a person. Love is the

most misunderstood word in world. It is just a clichéd term mostly mistaken for physical intimacy. This is so sadly mistaken because love is not about dating or desiring someone physically and sexually. Love is not just about having someone whom you can label as your boyfriend or girlfriend. It is not about having sex to fulfill your sexual desires or fantasies. My introduction to Mashalany's magic is powerful and intoxicating. I was a butterfly until he caught me in his net, paralyzed, unable, and unwilling to escape. I am totally his. He is like the wind I can't see him but I can feel him. Mashalany touches my heart without touching my body. My heart melts with just his voice saying my name. Infatuation or physical lust is a short-term gratification and offers nothing worth saving. Infatuation is temporary and blind; it will also shatter because it is fragile. The heart and soul is all-seeing and accepting of each blemish and flaw. The heart and soul is real strength

for endurance during painful, challenging times. Mashalany has awakened my soul, and he started the fire in my heart. I crave for more. He proves intimacy is not purely physical, his dominant connectivity is deep into my soul. Mashalany defines the true meaning of love. He proves heart and soul is not an impetuous passion. He shows the element of calm that looks beyond mere externals with great wisdom, devotion, and discrimination that is real and abiding. He is selfless, yet ready for sacrifice. I was overwhelmed by his patience and gradual victory of penetrating my heart and soul. Mashalany touched my life. I'm privileged. Mashalany touched my heart. I'm blessed. Mashalany touched my mind. I'm honored. Mashalany touched my soul. I have received victory and triumph. And Mashalany touched my spirit for a miracle.
