

What Does The Bible Say About Our Relationship With God

Insights: The Lord's Prayer William Barclay 2013-01-26 People know the words of the Lord's Prayer by heart. With the words repeated so often, the freshness and meaning begins to disappear. William Barclay goes right back to the original Biblical texts and translates them, providing surprising and fascinating insights along the way. Readers are guaranteed to find new insight and a fresh understanding. This book is one of a series and each title will have an introduction by one of today's most valued writers.

The Alpha Series Workbook John Glenn 2006-10 What is the Alpha Series? Is it a program? Is it a religion? The simplest answer is that the Alpha Series explains the gospel of Jesus Christ in a way that ordinary people can understand and apply it to themselves. What makes the Alpha Series effective as a counseling model, discipleship course, training curriculum, or recovery tool is the fact that it is a practical application of the gospel which is "the power of God unto salvation to everyone that believeth..." (Romans 1: 16). People are hungry for the gospel of grace but turned off by religion. Because the Alpha Series is not religious but biblical in nature most people will be receptive to the teaching regardless of their background and life experience. Religion is man's attempt to manipulate deity by what he says or does. Biblical Christianity is a personal relationship with God based on believing in what He has done for us in Christ that we could not do for ourselves. The Alpha Series is simply an explanation of what the Bible says that God has done to make us worthy as persons. Whenever the gospel is taught it is the power of God that changes the lives of all who believe it. The Alpha Series is constructed in three main parts. Part one describes the manner in which personal and relational problems develop from the core emotions of fear of rejection and fear of failure due to low self esteem. The insight gained in understanding how problems develop sets the stage for the application of the gospel of Jesus Christ as the only workable solution. Part two provides a biblical foundation on which to build a healthy self-image based entirely upon our new identity in Christ. The good news of our union with Christ is applied to the daily task of allowing ourselves to be transformed by the renewing of the mind. Part three carries the gospel of our new identity in Christ to the logical end of ministering to the needs of others. Having been assured of our personal security in all that God has done for us in Christ, we have the confidence and power to concern ourselves with helping others. True recovery is not complete until we learn to minister rather than manipulate. For additional information on the Alpha Series and its application visit the Alpha Ministries website at www.alphaministries.org.

Masterlife Sherrie Willis Brown 1998-07-01 The phenomenally popular MasterLife series is now in paperback! The four six-week courses in the series are all designed to revitalize practicing Christians -- enabling them to make Christ the Master of their lives -- and to master their own lives by developing a personal, lifelong, obedient relationship with Him. This remarkable study guide is divided into four complete and discreet parts. The Disciple's Cross, instructs Christians to practice the six biblical disciplines of a disciple. In The Disciple's Personality, they are taught to live in the Spirit and become more like Christ. The Disciple's Victory depicts the loyal Christian's triumphs over the world, the flesh, and the devil. And finally, Christians are asked to look within themselves and identify their stage of growth and role in ministry in The Disciple's Mission.

Communion with God John Owen 2001-11 Communion with God, or in full, "Of communion with God the Father, Son, and Holy Ghost each person distinctly, in love, grace, and consolation; or, the saints' fellowship with the Father, Son, and Holy Ghost unfolded," is John Owen's finest devotional treatise. This work expounds "the most glorious truth that believers may have distinct communion with the three persons Father, Son, and Spirit," and being addressed to the "Christian reader" is simpler than much of Owen's theology. (Unabridged. Includes all footnotes.)

Tem Cmmandments Rose Publishing 2006-02-22 The Ten Commandments is an ideal Bible study resource for youth and adults. Shows both the traditional and contemporary wording of each of the 10 Commandments, a principle and the meaning of each commandment, what Jesus taught about the commandments, and why the 10 Commandments are important today. Below is an example of the information you will find in The Ten Commandments: Commandment 3 - Do Not Misuse God's Name Thou shalt not take the name of the LORD thy God in vain. Principle- God's name is holy, powerful and glorious. Meaning- God's name is holy and should be treated with respect. there is power in the LORD's name and it shouldn't be used lightly. Because God is Spirit, we know Him through what He says about Himself, to take His name in vain violates God's nature. As God's creation, everything a person says and does should be done in order to praise and glorify God. (1 Corinthians 10:31) Bible examples- When a man named Shelomith blasphemed the name of God with a curse, the Lord commanded that he be taken outside the camp and stoned to death. (Leviticus 24:10-16) Jesus was accused of blasphemy because He claimed to be God. (John 10:33) James warned believers to watch what they say because the tongue is capable of evil and poison and can easily corrupt a person. (James 3:5-9) Jesus' Teaching- Jesus said, .."every sin and blasphemy will be forgiven men, but the blasphemy against the Spirit will not be forgiven...But I tell you that men will have to give account on the day of judgment for every careless word they have spoken. For by your words, you will be acquitted, and by your words you will be condemned." (Matthew 12:31, 36, 37) Jesus said to begin praying with: "Our Father in heaven, hallowed be your name." (Matthew 6:9) Explanations: Jews and Jewish scribes would go to great measures in order to avoid saying or writing the LORD's name for fear of blasphemy. The Bible says we are to pray, heal, and baptize in Jesus' name. (Matthew 28:19, Mark 16:17, John 14:13, Acts 3:6) The Bible says that what we say is very important and it is a glimpse into who we are (James 3:9-12). God loves us and wants us to love and worship Him in whatever we are doing and at all times. God wants us to use His name; it is holy and powerful. If we can show respect for the names of our fathers, mothers, teachers and doctors, then how much more should we respect the name of our sovereign God. The Ten Commandments breaks the 10 Commandments into two main divisions: commandments about our relationship to God and commandments about our relationship to other people. This pamphlet is also a great resource on the history of the commandments and why The Ten Commandments were revolutionary for their time.

Too Busy with Busyness to Hear God Roy D. Beard 2004 In light of September 11, 2001, we

have all come to realize that our world can change in the blink of an eye. In a time of tragedy we tend to turn to the Spiritual and God. It is sometimes frustrating to find that in our most desperate hour we find no solace because we do not recognize His voice. It is to our detriment that we have allowed our busyness to replace a developed relationship with God. The church of today is attempting to accommodate, entertain and retain people rather than providing real answers to real problems. I believe that this is why the church has not progressed to a greater degree toward the mark of "Gloriousness", which Jesus foretold. Why? The church of this age is so BUSY with the BUSYNESS OF DOING; we cannot hear what God is saying. We have become Human "doings" rather than Human "beings". We have lost the art of LISTENING as well as the courage to simply, DO what God is DOING and SAY what God is SAYING. Two household chores "washing" and "ironing" depict what I'm speaking of in a remarkable manner. How do you remove "spots" and "wrinkles" from clothing? Washing and ironing. But, since the art of doing laundry is a thing of the past we miss this analogy. How do you remove "wrinkles" from clothing? You iron them out. What is ironing? It is the application of heat and pressure, which smoothes out the wrinkles. As we move this into the human arena we are confronted with vehement resistance. We do not like "heat" or "pressure". We live in a push button society and a microwave world. Everything is instant! God instructed Israel during the wilderness journey to not erect permanent structures. Why? They were simply passing through to their ultimate destination. They dwelled in temporary structures and did not amass hordes of things or obligations in life. Many of us are stuck where we are today because we have allowed ourselves to become overly encumbered by possessions and obligations. We are so enslaved to this world that we can neither hear God nor follow Him completely. It is God's desire to take each believer into His laundry room and prepare us for service. He wants us to realize that just because we are busy at religious things it does not mean that we are spiritual. We need to learn the four causes of burnout and avoid them. It is imperative that we develop "Ears to Hear" in our relationship with God. As we learn the secret of relationship and God's provisions through His covenant we will find restoration to what He designed us to be. It is my desire to see each person free from the bondage of performance so they can enjoy the freedom of relationship.

and never fall behind

Evangelism Without Guilt Michael Morrison 2013-02-23 Guilt is so thoroughly ingrained in religious culture that many people cannot imagine the gospel without a focus on guilt. They present the gospel as a transaction: you will be forgiven IF you accept the gospel. But Jesus already paid for your sins and you are already forgiven. There is no IF. Sin is forgiven, but it still messes up relationships. So the gospel needs to focus on our relationships. "God was reconciling the world to himself in Christ, not counting people's sins against them" (2 Cor. 5:19). "Love...keeps no record of wrongs" (1 Cor. 13:5). Jesus "canceled the charge of our legal indebtedness, which stood against us and condemned us; he has taken it away, nailing it to the cross" (Col. 2:14). Jesus paid for our sins, our debts, and he did it 2000 years ago. It was done, past tense, before we ever lived and long before we ever believed it. Forgiveness has been granted; God is not waiting on us to believe it before we are actually forgiven. There is no longer any debt to speak of. Why then do many evangelistic presentations dredge our sins back up, to pronounce people guilty? Why do they threaten people with non-existent debts? They present God as a cranky judge who is upset merely at the fact that people don't know that someone else has paid their debt. They present a Father who seems unaware of what his Son did, and one who has a different attitude toward us than the Son has. Some evangelistic presentations present the gospel as a trial in a court - that we first have to be proven guilty before we can be forgiven. But the Bible says that the sins are already paid for, and already forgiven. God is not counting our sins against us. He does not keep a record of our mistakes. The book of our sins is already blank. Other presentations say that our sins have created a huge chasm between us and God. But this chasm is a fiction; it has already been filled in by Christ. Our sins are not a barrier that keep us away from God, because God has already reconciled us to himself. It is a unilateral declaration of peace. He does not harbor any grudges against us. A guilt-based gospel is a misrepresentation of who God is, what Christ has done, and how people are to respond. It often works, though, because many people are already enculturated into thinking that God is cranky, that he is angry at people, and that we have to do something to get back on his good side. They think that God is like Zeus or Thor, ready to send lightning strikes on anyone who annoys him. But the gospel should free people from these errors, rather than act like they are correct. What would the gospel look like if we didn't harp about sins that are already paid for? If we didn't focus on guilt that God has already put aside? (We are of course guilty of all kinds of sins, but the Bible says that God is not counting our sins against us. He is not concerned about a legal category called "guilt.") However, many religious people think that God is still focused on our guilt, that our relationship with God is based entirely on whether he holds us guilty. They see humanity's problem through the lens of guilt, and if we remove guilt from the equation, then they think that the gospel will have nothing left to say. There is no reason for anyone to accept the gospel, they think, if everyone is already forgiven. Such people have a one-dimensional gospel. But consider this: If humanity's only problem is guilt, and that guilt is removed when we accept Jesus as our Savior, then that would mean that we have no more problems. If the only thing wrong with sin is that it makes us guilty, and that guilt is forgiven when we accept the gospel, then there will then be nothing wrong with sin! That is of course wrong, but it illustrates the fact that there's a lot more to sin and salvation than just the removal of guilt. There's a lot more to the gospel than a transaction by which our sins can be forgiven.

The Secret to Prayer Kyle DiRoberts 2021-08-31 Everyone wants to know how to talk to God and get answers to their prayers. Yet most people are skeptical of prayer, or convinced they're doing it wrong. Is there a secret to talking with God? God is more concerned about the condition of our hearts than the words we use. He cares more about the posture of our hearts than the posture of our bodies. And what is the right heart posture? Humility. The Secret to Prayer will take readers on a 31-day journey, examining the heart and actions of biblical characters whose prayers were answered. On the other side of the journey, readers will have a more vibrant prayer life, and a more intimate relationship with the God to whom we pray.

Recovering Redemption Matt Chandler 2014-05-01 You can't. God can. Life never lacks for improvement—in ourselves, in our relationships, in just about everything. But all our brave stabs at getting better, if they ever change anything, are incomplete at best, complete failures at worst. Sometimes much worse. Unless . . . The gospel of Jesus Christ is the great “unless” of life—both for those who already believe (but can't believe the messes they're still capable of making), as well as those who don't yet believe but just know their way isn't working. *Recovering Redemption*, written with a pastor's bold intensity and a counselor's discerning insight, takes you deeply into Scripture to take you deeply inside yourself, discovering that the heart of all our problems is truly the problem of our hearts. But because of what God has done, and because of what God can do, the most confident, contented person you know could actually be you—redeemed through Jesus Christ. None of us, really, can do what's required to change our lives for the better, taking what's persistently frustrating and making it perfectly satisfying. Yet as hopeless as that may sound, it is the flat-line truth in which good news comes to life . . . to your life. For just as what's lost can be found, what's wrong can—even now—be recovered.

A Bible Study Investigation into Our Relationship to God and into ?The Time of the End? Trevor Pope 2011-03 Throughout the entire Christian era Adventist groups have been announcing that the return of Jesus Christ is imminent. This book is a reminder that until some awesome prophecies, of which Jesus warned, have been fulfilled, His return cannot be imminent. When questioned about the signs preceding His return Jesus warned of deception, of international hatred of Christians, and of the prophet Daniel's forecast of an unprecedented time of trouble that would almost destroy mankind. To those in Thessalonica long ago who believed the Lord's return was imminent the apostle Paul wrote, "You must allow no one to deceive you in any way. That day cannot come until the Great Rebellion has taken place." Quoting from Daniel Paul describes an appalling rebel, and how the Lord's appearing will remove him. Despite these warnings from Jesus and Paul many Christians today regard these old prophecies as largely metaphorical, and as having been fulfilled. To their infinite loss they overlook them and perpetuate the age-old prediction that the Lord's return is imminent, In contradiction to that, many prophecies related herein prove that the three and a half years of the "time of the end" have not yet begun.

The Family Concept Courtney Henry 2021-03-29 The Bible is our guidebook for successful living, so it stands to reason that the Word of God contains principles that can be applied to every part of our lives, including how to cultivate and maintain successful family relationships. *The Family Concept* is an exploration of the Bible's many family relationship principles and how they apply to our lives. A concept is an idea of what something is intended to be. It is the construct for what the inventor intends to design. God created the family according to grand design and purpose. To accomplish his purpose, God left nothing to chance. His Word gives us the principles that lead to the satisfaction of his purpose and the abundant goodness of God to appear in our lives. *The Family Concept* identifies those principles, gives understanding as to how they work, and highlights the benefits that are derived from their application. Is love more than emotions? Where does sacrifice fit into a successful relationship? What is my obligation to you if we are in a relationship? What does submission really

Do you realize that the God of the universe speaks your love language, and your expressions of love for Him are shaped by your love language? Learn how you can give and receive God's love through the five love languages—words of affirmation, quality time, gifts, acts of service, and physical touch. Gary writes, "As we respond to the love of God and begin to identify the variety of languages He uses to speak to us, we soon learn to speak those languages ourselves. Whatever love language you prefer, may you find ever deeper satisfaction in using that language in your relationship with God and with other people." Uche Nyeche, writes with conviction and unapologetically lays out some of the ills in our relationship with God and His church. Like Jeremiah, the author is fearless and bold in charging us to ask questions of God as He would welcome us to. Intimacy with God Randy Clark 2021-08-03 What does it mean to pursue an intimate relationship with God? intimacy, obedience, and the miraculous as a blueprint for all believers. Combining sound biblical teaching with keen insight and compelling personal accounts from others, Dr. Clark invites us to go deeper by exploring the following questions: How do we achieve true intimacy in our relationship with God? What does it mean to express faith that results in the miraculous? What does the Bible say about the balance between obedience and grace? A clear understanding of the integral relationship between intimacy and obedience provides a framework in today's world for glorifying God, particularly through the miraculous, as Dr. Clark has so profoundly demonstrated during his many years of ministry. He longs for you to renew your knowledge of God's deep love for His children and how fervently God desires a life of intimate friendship with you.

Blessings and Miracles Stephen Mugabo 2020-02-25 Blessings and Miracles in the perspective of a relationship with God and His divine intervention in our lives, we learn how different factors contribute consequently to the quality of life we live. The actions, choices, and attitudes we have and express every day affect how the blessings and miracles accomplish their purpose in our lives. Blessings and Miracles have been and are still a medium for God to work in our lives. God performs miracles for us to believe that Jesus is the Christ, the Son of God, and through having faith in Him, we experience eternal life by the power of His Name (John 20:30-31). Blessings are, in most cases, conditional and received through a process. A blessing can also be a resource, a resource is a source of supply or support, and it is again an available means or productive factor required to accomplish a given activity. Therefore, blessings are supposed to help us achieve the purpose of our life in this world. It is the Father's good pleasure to have a relationship with you, to bless you, to heal you, and give you a complete restoration. A miracle is applicable in a crisis or in a problem that we can avoid, or that is unavoidable. While with God's blessings, we can avoid a position that would put us in a crisis in the first place when we apply godly principles, take the right actions, and have the right choices. God wants us to live a life full of blessings (Barak). Having a relationship with Him, living by His principles, having the right character, and living by His Word for our welfare.

My Father and Your Father William Landon 2003-10-20 This book is an attempt to relate the wonderful biblical truths about the possibility of having a living, personal relationship with God. This truth comes down through the entire history of the Christian faith, as well as in the Bible. Yet there is very little teaching or promotion of this truth in organized religion. This lack of a presentation of the message of God as our Father results in a corresponding lack of power and freedom for effective daily living in the Christian community. Sadly, many people in religious organizations (not to mention people outside the religious system) doubt if a personal relationship with God is even possible. This is even sadder when we consider the Bible is very clear on this point. The Bible tells us that a personal relationship with God as our Father is not only possible but this relationship is God's greatest desire for us. It is Bill Landon's hope that this book will be an encouragement for those people who seek a spiritual life that has more practical impact on their daily living. For those who wish to explore the possibilities of a greater peace and fullness in their living, this book can be a help.

there is more to our relationship with God than what we see. It is in Him that we live, move, and have our being (Acts 17:28). With the utmost assurance, this book will open your eyes so that you can see your relationship with God clearly and with a renewed sense of purpose and vision. Brandon M. Crooker a Pentecostal preacher, shares insights from the Bible so you can: trust in the Lord with all your heart; remain sober and vigilant against the devil; assess your life with honesty and sincerity; live life according to Scripture. The author also emphasizes the power of our choices, a preacher he grew up listening to, who said that we do not just make choices, but we are made by our choices. That is revelatory! It is so simple, yet so profound. Whenever you make a choice, there is an intention and spirit behind that choice. Arm yourself with biblical knowledge and embark on a journey that will protect your heart from strife, and in turn, your soul from destruction. It starts with *Matters of the Heart*.

The Relational God Bible Study Steven Halbert 2020 Does your relationship with your parents (or in-laws) frustrate you? Is your marriage as strong as you'd like? How is your relationship with your siblings? Does parenting make you anxious? What about your relationship with God? Our identities as children, spouses, siblings, and parents affect us in very personal ways. The Relational God Bible Study considers the biblical commands for each of these four relationships and how to apply those commands to our lives. Next it examines how we approach God (as children), how we interact with God individually and corporately as the church (like a spouse), and how we relate to God (through our relationships with one another as brothers and sisters in and through Christ); and how God approaches, interacts with, and relates to us (as a parent). Join this 10-session Bible study to understand what the Bible says about how to improve your relationships with your family, with the body of Christ, and your own personal walk with the Lord.

Building a Relationship with God and with Others John Onu Odihi 2012-07-24 In a world that seems to be turning away from God, author John Onu Odihi writes from his heart about the Christian life and its challenges in the modern era. Even while our culture emphasizes independence and moral relativism, Odihi is unafraid to remind us that our victory can come only through loving and trusting God, and living in obedience to him. *Building a Relationship with God and with Others* helps us do just that, with essays on such topics as gratitude, patience, and the mystery of God's love. But the essays go beyond the theoretical to the real dynamics in our relationship not only with God, but also with each other. Reflections on how to live out our Christian faith address forgiveness, encouragement, the value of confession, and ways to cope with fear. You'll even find an essay on the difficult challenge of how to lovingly confront someone who is in the wrong. Each section is followed by suggested biblical passages that you can return to again and again for support and reference. Throughout this book is an emphasis on the joy and fulfillment that is ours when we learn to truly love not only our neighbours but our enemies—Jesus' ultimate message as we work to bring his kingdom to this earth. Whether you're a new Christian or have been one for many years, you'll welcome this chance to learn more and to deepen your understanding of what it means to walk with God.

Everyday Grace Jessica Thompson 2015-04-14 Your Grace-Filled Guide to Relationships It's hard, sometimes, to get over that thing your husband said weeks ago; or to resolve that tension with your colleague at work; or to fix a lifelong friendship that's taken a bad turn. The biggest problem with relationships is they always seem to involve sinners—including ourselves. So how can we form strong, resilient bonds with people who, like us, are bound to mess up? Thankfully, it's not all on us. Through stories and biblical teaching, Jessica Thompson helps us move beyond trying to "fix" the people we interact with, and shows us a better way. Though our relationships may be marred by tension and frustration, because we are welcomed and known by Christ, they don't have to stay that way. "Nothing changes the way we relate to others more than knowing how God relates to us. Knowing how God loves us and forgives us and is gracious and merciful toward us and forbears with

us inevitably affects the way we think about other people. My good friend Jessica Thompson has written a book that articulates who God is for us and then shows how that changes the way we are toward others. Thank you, Jessica, for reminding me that God always meets my mess with his mercy and my failure with his forgiveness. Knowing this makes me want to love God and others."--Tullian Tchividjian, founder of Liberate and author of *One Way Love: Inexhaustible Grace for an Exhausted World* "We need grace in all our relationships. So much loneliness, feeling betrayed, alienation, anger, vengeance, sadness, grief find their roots in relational conflict. Jessica humbly guides us to see that only by being a recipient of God's grace can we be agents of grace in our relationships. She does this with humor, honesty, and confession from her own experience, not with advice as a relational guru."--Justin S. Holcomb, Episcopal priest, seminary professor, and author of *On the Grace of God* "Everyday Grace is for all who have struggled to accept their children and honor their parents and initiate with their neighbors and forgive their spouses and respect their bosses and celebrate their rivals. But it is not filled with practical tips that would trivialize the difficulty of these things. Nor is it a book of relational psychology that would strategize a resolution to these things. Instead, it is filled with the Scriptures that speak to these things--helping us to rest in Christ's covering of all our relational failure and inviting us to change by the power of the Holy Spirit."--Nancy Guthrie, Bible teacher and author "Relational paradise was lost when our first parents fell into sin. Our desire for change in this area is anywhere between cautiously optimistic and downright cynical. What I enjoy about *Everyday Grace* is that Thompson simply cannot get over the one hope for true reconciliation: God, in Christ, has befriended us."--Gloria Furman, author of *Glimpses of Grace and Treasuring Christ When Your Hands Are Full* "Relationships are hard. We know this. Jessica Thompson knows this too and shares how she fights to take her gaze off herself and onto the only one who can help our broken relationships--Jesus. Her method doesn't come from a list of ways to implement change; rather, she focuses on the gospel that transforms hearts and minds. Be encouraged by the good news as you read *Everyday Grace*, for it is the gospel that is our only Hope for our relationship problem."--Trillia Newbell, author of *Fear and Faith: Finding the Peace Your Heart Craves* and *United: Captured by God's Vision for Diversity*

God with Skin On Anne Robertson 2009-04-01 You may be the only Jesus some people ever meet! Suppose that the 2:00 am feeding of your infant daughter was not just meeting a physical need but also was teaching her that God's provision could be trusted? And suppose her cries for succor were also teaching you to respond to the cries of Jesus when he presents himself as "the least of these"? Based on the Great Commandment, this book examines relationships common to us all—those of intimacy, authority, rivalry, and otherness— and shows how learning to love within those relationships affects our relationship with God. Supported by biblical examples and references to psychological studies, this book examines all our basic relationships—family relationships, relationships with authority figures, friends and enemies, companion animals, even virtual relationships—to show how learning to love within those relationships is truly divine work. In a culture where relationships are often divisive and exploitative, and where the call to love enemies often seems impractical, this book offers the reminder that every relationship provides an opportunity to love God in the other and to be "God with skin on" for that person in return.

[Going Deeper with God](#) Douglas L. Mead MSSW 2021-06-30 "Thank you very much for inviting me to read this book. I found it to be a real spiritual journey—a refresher to a relationship I have enjoyed with our Lord for sixty years and a treasure trove of new insights and clarifications that serve to strengthen my faith in God." -Jack Conlin, CPA, CGMA, retired, director of corporate finance, the Salvation Army, US Southern Territory *God Wants a Deeper Relationship with You!* This book digs deeper into exploring many of the challenges we face in establishing and maintaining a meaningful relationship with God. Unfortunately, there are many differing viewpoints out there in the Christian community about this which is creating much confusion. We hear messages saying God is in control of every single thing. We hear we must listen for the voice of God. We hear God has a plan for our lives. We hear we are to get out of the way and let God handle our problems. We hear various ideas of how the Holy Spirit works. We hear God's providence will protect us from harm. Many people are

being drawn to Christian teachings which speak of a mighty God who wants to regularly do big, audacious, and miraculous things in people's lives. Although this sounds enticing, how does God really interact with us and our world? To dig deeper, we must question more. Therefore, topics are addressed with probing questions and insightful analysis. So we ask, "How important is it for us to find the truth about God?" If faith is built on false premises, how good can that faith be? Many topics are addressed, and each chapter is full of interesting details. This book is also a great resource for Bible classes and sermon material.

Is God in Your Bedroom? Arthur Branner II 2008-02 Living in a world inundated with sexual images and messages, we're tempted at every turn. While most people are familiar with the Bible's clear admonitions concerning sexual practices such as adultery and fornication, less attention is given to biblical guidance in regard to the sexual activity exercised between husband and wife. What does the Bible have to say about the way we practice our sexuality? Is God In Your Bedroom? Discovering the Joy of Sanctified Sexuality is a startling plunge into the Word of God, revealing plain instruction from the Bible concerning God's creative expression of unconditional love toward man—the gift of sexuality. Learn the elements that define sacred sexuality, how to protect your marriage from sinful practices, and strategies to help restore relationships afflicted by infidelity. God created the institution of marriage to be a living, vibrant representation of the unity and oneness of God. Sexuality is a gift stemming from that unity, allowing the sanctity of sexual expression to be expressed within the covenant of marriage. Adhering to the desire and will of God in sexual intimacy, our relationships will bear the mark of God's favor and blessing. Find out how you can experience God's choice blessing for your love life.

God Our Provider Bruce Cardin 2023-07-28 God Our Provider speaks of a few of the many wonderful provisions and blessings that are ours in Christ Jesus. In the book of James, we are told that every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning (James 1:17 KJV). God's blessings for our life are consistent. What God provides is real. If we are not careful, we can settle for substitutes that do not satisfy. God Our Provider is a book that offers encouragement because its focus is the Word of God. From his Word, we will see that life with God is possible and that his life is to be lived out every day in our life. His provisions of strength, peace, hope, and faith are not only sufficient. They are necessary. God Our Provider is a book that shows that our relationship with God is important and that relationship has a positive impact upon our actions with other people.

Dare to Believe His Promises: You Win Jackie Trammell 2015-10-09 I believe the big in you. This book challenges you to tap into the supernatural of what God has already done for you. God unmerited favor by grace through faith. Trust in the Lord, and he is that answer to every area of your life. "I have come that they may have life; and that they may have it more abundantly" (John 10:10, NKJV). When Jesus says yes, nobody can say no! "Is there anything too hard for the Lord?" (Genesis 18:14, NIV). If you could only envision what God has reserved for you, the places he is going to take you, the right people you're going to meet, and the favor of God has for every area of your life, Align yourself to set good breaks to follow: Reach beyond your circumstances Rise above the expectations of others Maximize your full potential Embrace God's opportunities Walk in divine health Maximize prosperity in every area of your life Overcoming fear with God's faithfulness It's going to be the surpassing greatness of God's favor. Know that God is not limited by your appearance or who is against you. When God gave your life, he put blessings on you that no one can take away. God has the final say, and he is faithful. You are your breakthrough. God has equipped you to be all that you can be. Believe all, and you win. Look beyond your past and look to what's ahead. Christ is in you. The hope of glory. You were made in his image. Jesus wants you to know who you are because you have what God is. It all belongs to God. You can have it too!
