Engaging Men in Couples

Therapy - David Shepard

2012-03-15

This book will help

practitioners overcome one of the leading challenges in couples therapy: working effectively with the male partner. Men have unique needs and psychological issues that many clinicians may not recognize or know how to address. This volume presents chapters by the leading practitioners associated with current therapeutic models,

including Emotionally Focused Couple Therapy, Imago Relationship Therapy, Integrated Behavioral Couple Therapy, and more. Using in-depth case examples, they demonstrate how their approaches can be adapted to be "male-sensitive" and respond to the ambivalence so many men experience about couples work. Special topics are also addressed, including infidelity, cultural diversity, working with veterans, and fathering issues. This book will enrich therapists' work with couples, making treatment a welcoming experience for both

*Downloaded from
legacy.opendemocracy.net
on 2021-08-03 by guest*

partners and the treatment process more gratifying for the therapist.

So, You're Seeing an Imago Therapist ... - Annie Gurton
2016-06-06

For Couples working on their relationship with a Certified Imago Relationship Therapist. *Imago Relationship Therapy* - Rick Brown 1999

Developed by renowned therapist and bestselling author Harville Hendrix, Ph.D, Imago Therapy is a groundbreaking approach to working with couples. The "Imago" is the unconscious image we hold of our parents. According to Hendrix, people select their mates by seeking "Imago matches" - individuals who resemble their parents in salient ways. A couple's relationship dynamic is created and shaped as each partner interacts with his or her Imago match, revisiting unfinished or unresolved issues from childhood. The first clinical primer to this innovative approach to couples therapy, Imago Relationship Therapy brings therapists a

comprehensive and practical exploration of one of the most talked about approaches in the field.

Case Studies in Couples Therapy - David K. Carson
2013-06-19

This up-to-date, highly readable, theory-based, and application-oriented book fills a crucial void in literature on couple therapy. Few books in the couple therapy market bridge the gap between theory and practice; texts tend to lean in one direction or the other, either emphasizing theory and research with little practical application, or taking a cookbook approach that describes specific techniques and interventions that are divorced from any conceptual or theoretical base. However, couples therapy requires a high degree of abstract/conceptual thinking, as well as ingenuity, inventiveness and skill on the part of the therapist. Case Studies in Couples Therapy blends the best of all worlds: clinical applications with challenging and diverse couples that have been derived

from the most influential theories and models in couples and family therapy, all written by highly experienced and respected voices in the field. In *Case Studies in Couples Therapy*, readers will grasp the essentials of major theories and approaches in a few pages and then see how concepts and principles are applied in the work of well-known clinicians. The case studies incorporate a wide variety of couples from diverse backgrounds in a number of different life situations. It is simultaneously narrow (including specific processes and interventions applied with real clients) and broad (clearly outlining a broad array of theories and concepts) in scope, and the interventions in it are directly linked to theoretical perspectives in a clear and systematic way. Students and clinicians alike will find the theoretical overview sections of each chapter clear and easy to follow, and each chapter's thorough descriptions of effective, practical interventions will give readers

a strong sense of the connections between theory and practice.

Therapists' Perceptions of Their Roles and Functions in Imago Relationship Therapy - Melanie Gerrand 2010

Doing Imago Relationship Therapy in the Space-Between: A Clinician's Guide - Harville Hendrix 2021-04-20

The first-ever book on Imago Relationship Therapy from its creators geared toward therapists. Developed by Harville Hendrix and Helen LaKelly Hunt in the 1980s, Imago Relationship Therapy helps couples—and everyone in significant relationships—shift from conflict to connection by transforming the quality of their interactions. Now, for the first time, the essential principles and practices of Imago, as illustrated in the New York Times bestseller *Getting the Love You Want*, are presented for the benefit of both novice and seasoned clinicians. Using the Imago processes, couples create a Conscious Partnership in which

Downloaded from

on 2021-08-03 by guest

they feel safe, fully alive, and joyful, learning to be mutually empathic for each other's childhood challenges and present to each other without judgement. Hendrix and Hunt help couples learn and practice Imago Dialogue, moving from blame and reactivity to mutual acceptance, affirmation, and empathy, thus deepening their connection. Joining theory and practice with elegance, and filled with examples, exercises, and dialogues, this is a book no couples therapist can afford to be without.

Imago Relationship Therapy - Harville Hendrix 2005-03-11
Imago Relationship Therapy
It's been more than three decades since Harville Hendrix and Helen LaKelly Hunt—the best-selling authors of *Getting the Love You Want* and *Keeping the Love You Find*—created Imago Relationship Therapy. Their concept of the "conscious marriage" introduced a new paradigm for understanding the dynamics of couples. Since that time more than two thousand clinicians in twenty-

eight countries have adopted and implemented this highly effective form of couples therapy. This groundbreaking book offers an overview of the highly successful Imago Relationship Therapy (IRT) and the relationship of IRT with preceding schools of thought such as psychoanalytic theory, family systems theories, affect theory, and self-psychology. At the heart of IRT is a three-step process involving mirroring (reflecting) the partner's feelings, validating the partner's point of view, and expressing empathy toward the partner's feelings. Imago Relationship Therapy traces IRT's history and explosive growth and outlines the differences and similarities between Imago theory and other models of couples therapy. The book also presents some of the ideas of prominent Imago thinkers, such as the central role of connectivity and the problem of envy in committed relationships. "A uniquely important book for the practitioner, which provides

on 2021-08-03 by guest

clinical wisdom and a rare look into the heart and soul of Imago Relationship Therapy."

—Pat Love, Ed.D., author, *The Truth About Love*

Adult ADHD-Focused Couple Therapy - Gina Pera

2016-01-08

Since ADHD became a well-known condition, decades ago, much of the research and clinical discourse has focused on youth. In recent years, attention has expanded to the realm of adult ADHD and the havoc it can wreak on many aspects of adult life, including driving safety, financial management, education and employment, and interpersonal difficulties. *Adult ADHD-Focused Couple Therapy* breaks new ground in explaining and suggesting approaches for treating the range of challenges that ADHD can create within a most important and delicate relationship: the intimate couple. With the help of contributors who are experts in their specialties, Pera and Robin provide the clinician with a step-by-step, nuts-and-

bolts approach to help couples enhance their relationship and improve domestic cooperation.

This comprehensive guide includes psychoeducation, medication guidelines, cognitive interventions, co-parenting techniques, habit change and communication strategies, and ADHD-specific clinical suggestions around sexuality, money, and cyber-addictions. More than twenty detailed case studies provide real-life examples of ways to implement the interventions.

Receiving Love - Harville Hendrix 2004-10-05

This groundbreaking book from the best-selling authors of *Getting the Love You Want* and coauthors of *Giving the Love that Heals* is the first to address the biggest unexplored issue facing couples today: Most of us are better at giving love than accepting it. We don't realize all the ways that our resistance to appreciation, praise, compliments, and accepting help from others hurts us and cripples our relationships. Many partners learn how to give love, but

many more undermine their relationships by for-getting something that is equally important -- learning to receive it. According to the authors, the root of the problem is the self-rejection that began in childhood, when our parents and caretakers unintentionally failed to nurture or directly rejected traits, characteristics, or im-pulses when we were children. We end up rejecting in ourselves whatever our caretakers ignored or rejected in the course of our childhoods. When we become adults, this makes it impossible to let in the love we want and need, even when our partners offer it. As a result, we dismiss compliments, minimize gestures of affection, and create obstacles to true intimacy. In this book, Harville Hendrix and Helen LaKelly Hunt, co-creators of Imago Relationship Therapy, offer a definitive guide to breaking the shackles of self-rejection and embracing the love our partners offer. *Receiving Love* is a very personal book for Drs. Hendrix and Hunt, and much of

their own journey is the inspiration for it. Drawing on their renowned expertise, the wide clinical experience of hundreds of Imago therapists, and their own personal experience, the authors are able to offer detailed guidance on how to conquer the problems that come from self-rejection and embrace the gifts that are abundant in every person's life, if only we knew how to accept them. With its groundbreaking theory, challenging processes, and inspiring examples, this book holds the key to loving relationships that last.

Receiving Love Workbook - Harville Hendrix 2006-05-09
A companion workbook to the critically acclaimed relationship book *Receiving Love: Transform Your Relationship by Letting Yourself Be Loved In 2004*, Harville Hendrix and his wife, Helen LaKelly Hunt, co-creators of Imago Relationship Therapy, authored *Receiving Love*, a critically acclaimed guide to cultivating a loving, long-lasting relationship that

Downloaded from
legacy.opendemocracy.net
on 2021-08-03 by guest

Publishers Weekly called "intelligent and insightful . . . wise and sophisticated." Now, in the Receiving Love Workbook, Hendrix and Hunt have constructed a companion to that groundbreaking book in which they outline a simple, practical plan that will help you to apply the advice and exercises in Receiving Love to your own relationship. Receiving Love showed that while many men and women know how to give love, many more undermine their relationships by never having learned how to accept it. The Receiving Love Workbook will help you and your partner to explore the effect that this type of self-rejection has had in your individual lives and in your relationship as a couple. It contains a unique twelve-week course designed to help you work through the exercises in Receiving Love. It provides the same step-by-step instructions and examples that couples who participate in a couples' workshop or work with an Imago Relationship Therapist would experience. For those

who are ready to take specific steps to surmount the self-rejection and heal its causes, the Receiving Love Workbook will help you to make the changes that will establish an easy, natural pattern of giving and receiving love and that will create the relationship of your dreams.

So, You Are Seeing an Imago Therapist - Annie Gurton 2016-06-06

The Space Between - Helen Lakelly Hunt 2017

Healing in the Relational Paradigm - Wade Luquet 2013-10-28

First published in 1998. Routledge is an imprint of Taylor & Francis, an informa company.

Short-Term Couples Therapy - Wade Luquet 2006-11-06

For more than a decade, Short-Term Couples Therapy: The Imago Model in Action has been used regularly by therapists interested in this effective and now well-known model of working with couples.

*Downloaded from
legacy.opendemocracy.net
on 2021-08-03 by guest*

Building on the precepts of the Imago Relationship Therapy Model, as introduced in the pioneering work of Dr. Harville Hendrix, the book has made available to the professional therapist the technique and rationale of this evolutionary approach to working with couples in a brief therapy context. Now thoroughly revised and updated, Short-Term Couples Therapy offers a user-friendly, six-session format, laid out clearly and cogently, whose potential for application is immediately apparent. The essence of the Imago Model is distilled into a practical, workable methodology. The text presents a unique reality-based approach to facilitate effective couple interaction, updates the processes and theory that have proven so effective in the short-term approach to couples therapy, and incorporates the major advances in the practice of Imago Relationship Therapy. [Getting the Love You Want Workbook](#) - Harville Hendrix 2007-11-01

This newly revised and updated

companion study guide to the 2019 edition of the New York Times bestseller Getting the Love You Want. In 1988, Harville Hendrix, in partnership with his wife, Helen LaKelly Hunt, published a terrifically successful relationship guide called Getting the Love You Want. The book introduced thousands to their Imago Relationship Therapy, a unique healing process for couples, prospective couples, and parents, and developed into an overnight sensation. For their part, Doctors Hendrix and Hunt managed to aid scores of couples in their plight for more loving, supportive, and deeply satisfying relationships. Now, more than a decade later, this companion book picks up where its predecessor left off, delving further into relationship therapy to help transform relationships into lasting sources of love and companionship. The Getting the Love You Want Workbook is designed for the hundreds of thousands of couples who have attended Imago workshops

*Downloaded from

on 2021-08-03 by guest*

since *Getting the Love You Want* hit bookstands, as well as new and curious ones seeking a practical route back to intimacy and passionate friendship. The workbook contains a unique twelve-week course (*The New Couples' Study Guide*) designed to help work through the exercises published in Part III of *Getting the Love You Want*. For those of us struggling to maintain our most precious relationships, the *Getting the Love You Want Workbook* helps us grow aware of our individual, unconscious agenda while steering us towards a more harmonious link with our loved ones that will satisfy our deepest needs.

Keeping the Love You Find -

Harville Hendrix 1993-02

A guide to finding and keeping love shows readers how to meet the challenges of a new relationship, avoid making the same mistakes, deal with emotional issues, and improve their odds

Making Marriage Simple -

Harville Hendrix 2013-04-09

Welcome to the Relationship Revolution! Making Marriage

Simple is the accessible, essential road map to building a strong marriage in the modern world. Leading relationship experts Harville Hendrix and Helen LaKelly Hunt distil into 10 essential truths what they have learned about how to create a successful and satisfying relationship from their counselling and workshops with married couples, their own 30-year relationship and decades of research. Harville and Helen have spent their careers helping couples transform their marriages. But marriage, even for marriage experts, is never easy, and a number of years ago they found themselves on the brink of divorce. Harville and Helen used their own tried-and-tested exercises they had coached so many couples through and in doing so saved their marriage. Written with humour, compassion and honesty, *Making Marriage Simple* will give all couples the practical tools they need to foster a rewarding marriage.
