**Early Christian Fathers** - Cyril Richardson  
1995-12

This selection of writings from early church leaders includes work by Clement of Rome, Ignatius, Polycarp, Irenaeus, Athenagoras, and Justin Martyr. Long recognized for the quality of its translations, introductions, explanatory notes, and indexes, the Library of Christian Classics provides scholars and students with modern English translations of some of the most significant Christian theological texts in history. Through these works--each written prior to the end of the sixteenth century--contemporary readers are able to engage the ideas that have shaped Christian theology and the church through the centuries.

**Jimmy Comes Home** - Robert Checkwitch  
2021-04-23

Jimmy is returning to Green Star Lake, his Cree community, after spending the last eighteen months in juvenile detention. Only 17, he already has a long history of violence, drinking and theft. Jimmy wonders if he is still welcome in his community but knows he can always rely on his grandmother for support. Jimmy has many difficult decisions to make, as his old friends want him to return to his old life of trouble. Will Jimmy get his life turned around or go back to the exciting, dangerous life of the past?

*The Curious History of Dating* - Nichi Hodgson  
2017-01-26

A LIGHT-HEARTED, INTIMATE AND

EMPHATICALLY FEMINIST HISTORY OF DATING 'A new approach to romance . . . The heroines of Regency novels could teach today's young women a trick or two' Sunday Times 'Entertaining and well-researched' The Lady 'Pacey, intelligent and authoritative with bags of wit' Law Gazette 'A whistle-stop tour of dating through history' History Extra What if Mr Darcy had simply been able to swipe right? Dating has never been easy. The road to true love has always been rutted with heartbreak, but do we have it any easier today? How did Victorians 'come out'? How did love blossom in war-torn Europe? And why did 80s' video-dating never take off? Bursting with little-known facts and tantalising tales of lovelorn men and besotted women, Nichi Hodgson's intriguing history of amorous relationships, from enamoured Georgians to frenziedly swiping millennials (and everyone in between) may leave you grateful that you live - and love - today.

**Undead and Unreturnable** - MaryJanice

Davidson 2006-05-30

As if she needed yet another reason to shop, Queen of the Vampires Betsy Taylor is in the middle of planning the perfect wedding to drop-dead gorgeous vamp Eric Sinclair. And she's not about to let little things like death and blood-drinking get in her way. But all is not bouquets and bridal showers—Betsy is plagued by ghosts who demand her help in rectifying their past mistakes, and a serial killer is on the loose. With his victims all being tall, blond women, Betsy fits the profile exactly...

*My Boyfriend is a Bear* - Pamela Ribon  
2018-04-17

The delightful story of Nora who, after a succession of terrible boyfriends, finds a much happier relationship with a 500-pound American black bear. Bear meets girl. Nora has bad luck with men. When she meets an (actual) bear on a hike in the Los Angeles hills, he turns out to be the best romantic partner she's ever had! He's considerate, he's sweet, he takes care of her. But he's a bear, and winning over her friends and family is difficult. Not to mention he has to hibernate all winter. Can true love conquer all?

autobiography, part self help, part confession, part celebration of being a common-or-garden woman, part collection of synonyms for nunny, Sarah Millican's debut book delves into her super normal life with daft stories, funny tales and proper advice on how to get past life's blips - like being good at school but not good at friends, the excitement of IBS and how to blossom post divorce. If you've ever worn glasses at the age of six, worn an off-the-shoulder gown with no confidence, been contacted by an old school bully, lived in your childhood bedroom in your thirties, been gloriously dumped in a Frankie and Benny's, cried so much you felt great, been for a romantic walk with a dog, worn leggings two days in a row even though they smelt of wee from a distance, then this is YOUR BOOK. If you haven't done those things but wish you had, THIS IS YOUR BOOK. If you just want to laugh on a train/sofa/toilet or under your desk at work, THIS IS YOUR BOOK.

**The Case for Marriage** - Linda Waite

2002-03-05

A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. The Case for Marriage is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being

single or divorced- physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. The Case for Marriage combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. The Case for Marriage is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of The Book of Virtues "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- The Wall Street Journal [www.broadwaybooks.com](http://www.broadwaybooks.com)

**Before & Laughter** - Jimmy Carr 2021-09-30  
\*A memoir and self-help manual by one of the country's most treasured comedians - for anyone who feels stuck in a rut but doesn't have the tools or self-belief to shake things up\* In his mid-twenties, Jimmy was bored, boring, unfulfilled and underachieving. He wasn't exactly depressed, but he was very sad. Think of a baby owl whose mum has recently died in a windmill accident. He was that sad. This book tells the story of how Jimmy turned it around and got happy, through the redemptive power of dick jokes. Written to take advantage of the brief window between the end of lockdown and Jimmy getting cancelled for saying something unforgivable to Lorraine Kelly, this book is as timely as it is unnecessary. Because you might be interested in Jimmy's life but he's damn sure you're a lot more interested in your own, Before & Laughter is about both of you. But mainly him. It tells the story of Jimmy's life - the transformation from white-collar corporate

drone to fake-toothed donkey-laugh plastic-haired comedy mannequin - while also explaining how to turn your own life around and become the you you've always dreamt of being. At just £20, it's cheaper than Scientology, quicker than therapy, and significantly less boring than church. Before & Laughter contains the answers to all the big questions in life, questions like: · What's the secret to happiness? · Is Jimmy wearing a wig? · What happened with that tax thing? · What's the meaning of life? · Is Jimmy's laugh real? · Can those teeth bite through vibranium? And for readers in the West Country: yes, there are pictures (actually, sorry, there are no pictures, but there's a book about a hungry caterpillar you'll love). Because it's Jimmy Carr - recently scientifically proved to be the funniest comedian in the UK - there are jokes, jokes and more jokes throughout. If laughter really was the best medicine, the NHS would be handing out this book in Nightingale Hospitals. Fascinating, thoughtful and insightful

- are all words that appear in the book.

**Do Walk** - Libby DeLana 2021-06-03

One morning in 2011, Libby DeLana stepped outside her New England home for a walk. She did the same thing the next day, and the next. It became a daily habit that has culminated in her walking over 25,000 miles - the equivalent of the earth's circumference. In *Do Walk*, Libby shares the transformative nature of this simple yet powerful practice. She reveals how walking each day provides the time and space to reconnect with the world around us; process thoughts; improve our physical wellbeing; and unlock creativity. It is the ultimate navigational tool that helps us to see who we are - beyond titles and labels, and where we want to go. With stunning photography, this inspiring and reflective guide

is an invitation to step outside, and see where the path takes us.

**Psychodynamic Formulation** - Deborah L. Cabaniss 2013-03-22

How do our patients come to be the way they are? What forces shape their conscious and unconscious thoughts and feelings? How can we use this information to best help them?

Constructing psychodynamic formulations is one of the best ways for mental health professionals to answer questions like these. It can help clinicians in all mental health settings understand their patients, set treatment goals, choose therapeutic strategies, construct meaningful interventions and conduct treatment. Despite the centrality of psychodynamic formulation to our work with patients, few students are taught how to construct them in a clear systematic way. This book offers students and practitioners from all fields of mental health a clear, practical, operationalized method for constructing psychodynamic formulations, with

an emphasis on the following steps:  
DESCRIBING problems and patterns  
REVIEWING the developmental history  
LINKING problems and patterns to history using organizing ideas about development. The unique, up-to-date perspective of this book integrates psychodynamic theories with ideas about the role of genetics, trauma, and early cognitive and emotional difficulties on development to help clinicians develop effective formulations. Psychodynamic Formulation is written in the same clear, concise style of Psychodynamic Psychotherapy: A Clinical Manual (Wiley 2011). It is reader friendly, full of useful examples, eminently practical, suitable for either classroom or individual use, and applicable for all mental health professionals. It can stand alone or be used as a companion volume to the Clinical Manual.

THE #1 NEW YORK TIMES, GRAMMY-NOMINATED BESTSELLER A SUNDAY TIMES, GUARDIAN, OBSERVER, ROLLING STONE, AND ROUGH TRADE BOOK OF THE YEAR A panoramic experience that tells the story of Beastie Boys, a book as unique as the band itself-by band members AD-ROCK and Mike D, with contributions from Amy Poehler, Colson Whitehead, Spike Jonze, Wes Anderson, Luc Sante, and more. THE INSPIRATION FOR THE 5-TIME EMMY NOMINATED, SPIKE JONZE-DIRECTED BEASTIE BOYS STORY 'One of the greatest music books ever published.' MAX PORTER Formed as a New York City hardcore band in 1981, Beastie Boys struck an unlikely path to global hip hop superstardom. Here is their story, told for the first time in the words of the band. Adam "AD-ROCK" Horovitz and Michael "Mike D" Diamond offer revealing and very funny accounts of their transition from teenage punks to budding rappers; their early collaboration with Russell Simmons and Rick

Rubin; the almost impossible-to-fathom overnight success of their debut studio album Licensed to Ill; that album's messy fallout; their break with Def Jam, move to Los Angeles, and rebirth as musicians and social activists, with the genre-defying masterpiece Paul's Boutique. For more than twenty years, this band has had a wide-ranging and lasting influence on popular culture. With a style as distinctive and eclectic as a Beastie Boys album, Beastie Boys Book upends the typical music memoir. Alongside the band narrative you will find rare photos, original illustrations, a cookbook by chef Roy Choi, a graphic novel, a map of Beastie Boys' New York, mixtape playlists, pieces by guest contributors, and many more surprises. 'Memoir, graphic novel, cookbook, photo-journal, love letter, elegy: this vast, unwieldy, marvellous book, narrated, like the band's songs, scatter-gun style by the two surviving Beastie Boys, is as original, uncategorisable and attention-grabbing as their music.' SUNDAY TIMES (BOOK OF THE YEAR)

'Wide-ranging and unorthodox . . . [a] treat . . . insightful about the group's shifting music and are expert yarn-spinners, homing in on telling vignettes rather than doling out a straightforward history . . . shot through with yearning and melancholy.' GUARDIAN (BOOK OF THE YEAR) 'Here is their story, told for the first time in the words of the band With a style as distinctive and eclectic as a Beastie Boys album, Beastie Boys Book upends the typical music memoir . . . Our clear winner for Book of the Year.' ROUGH TRADE (BOOK OF THE YEAR) 'The Beasties didn't play by the rules during their career, and this memoir by surviving members Michael Diamond and Adam Horowitz doesn't either . . . hilarious, at times heartwarming.' ROLLING STONE (BOOK OF THE YEAR)

**The Actual One** - Isy Suttie 2016-01-28

Isy woke up one day in her late twenties to discover that the invisible deal she'd done with her best mates - that they'd prolong growing up

for as long as possible - had all been in her head. Everyone around her is suddenly into mortgages, farmers' markets and nappies, rather than the idea of running naked into the sea or getting hammered in Plymouth with eighty-year-old men. When her dearest friend advises her that the next guy Isy meets will be The Actual One, Isy decides to keep delaying the onset of adulthood - until a bet with her mother results in a mad scramble to find a boyfriend within a month. From papier-mâché penguins to being stranded on a dual carriageway in nothing but a fur coat and trainers, THE ACTUAL ONE is an ode to the confusing wilderness of your late twenties, alongside a quest for a genuinely good relationship with a man who doesn't use moisturiser.

*Remembrances in Black* - Charles F. Robinson II  
2015-02-20

With the admittance in 1948 of Silas Hunt to the University of Arkansas Law School, the university became the first southern public

institution of higher education to officially desegregate without being required to do so by court order. The process was difficult, but an important first step had been taken. Other students would follow in Silas Hunt's footsteps, and they along with the university would have to grapple with the situation. Remembrances in Black is an oral history that gathers the personal stories of African Americans who worked as faculty and staff and of students who studied at the state's flagship institution. These stories illustrate the anguish, struggle, and triumph of individuals who had their lives indelibly marked by their experiences at the school. Organized chronologically over sixty years, this book illustrates how people of color navigated both the evolving campus environment and that of the city of Fayetteville in their attempt to fulfill personal aspirations. Their stories demonstrate that the process of desegregation proved painfully slow to those who chose to challenge the forces of exclusion. Also, the remembrances

question the extent to which desegregation has been fully realized.

'Warning: so funny, even the strongest pelvic floors will be tested' - Net Mums 'A very funny, honest look at the ups and downs of parenting. I absolutely loved it.' - Emily Dean, host of Walking the Dog 'Lucy, a favourite comic of mine, manages to shed new light on something so universal. Her reaction to parenting is ridiculously refreshing and loaded with guilty laugh out loud honesty. After the school run, I implore you to pick a page, any page, then realise you're not alone. A gentle funny stroke of parenting genius' - Johnny Vegas 'As a mum of two girls, I was nodding, laughing and emotional. I recognised so much of Lucy's journey in my own... I really loved it.' Yolanda Brown, BBC Loose Ends From TV's award-winning comedy mum and the writer of Hullraisers, Lucy Beaumont, comes her hilarious debut on the trials and tribulations of

motherhood. Known for her sharp, witty and surreal view on everyday life, Lucy shares the unpredictable craziness of being a mum in this brilliant and laugh-out-loud 'mumoir'. Mums everywhere will recognise the madness of it all. Like when Lucy was hospitalised during her third trimester with chest pains but it turned out to be a burrito. Or when she was so tired at the park she forgot her own child's name. Heart-warming and laugh-out-loud funny, Drinking Custard also captures Lucy's marriage to comedian Jon Richardson, as they navigate Lucy's raging pregnancy hormones and balk at pram prices together. Get ready to make room on mum's bookshelf for Drinking Custard to sit alongside other mum classics such as Why Mummy Drinks, Hurrah For Gin! and The Unmumsy Mum.

*Elis and John Present the Holy Vible* - Elis James  
2018-10-18

The Elis James and John Robins' Show has become cult listening, and that cult has registered for charitable status, published quarterly accounts and been given a full blessing by the Archbishop of Broadcasting. It's official: Elis and John are a religion, and this book is their Holy Vible. Have you ever failed to Keep It Session? Is your new flatmate a complete coin? Have you ever eaten Space Raiders on the toilet and written 'Grief Is Living' in your journal? Then this book is for you. If not, don't worry, it won't be long before you're making up games, looking at Freddie, or facing your own personal farthing-gate. Our obsessions make us what we are, and though you may never have addressed a will to Brian May or cried watching Ronnie O' Sullivan make a 147, you'll have done something similar, and Elis and John are here to tell you that you're not weird, so come on in, and taste the vibe! Or should I say, READ the vibe!
