Ministry with Youth in Crisis, Revised Edition -

Harley T. Atkinson 2016-11-09

Ministry with Youth in Crisis is a comprehensive treatment of major adolescent crises related to life themes including self-identity, faith formation, family life, social relationships, sexuality, suicide, substance abuse, and eating disorders.

The distinctiveness of this book is that it offers a fine blend of solid research, workable theory, and specific strategies for successfully ministering to and with youth in crisis.

Furthermore, it emphasizes the caring and sensitive side of working effectively with adolescents experiencing both normal and extreme crisis situations. This volume, therefore, is both descriptive

and prescriptive in nature, in that it describes the world teens live in and offers biblical responses for ministry.

Pentecostals and Nonviolence - April Alexander 2012-11-09 *Pentecostals and Nonviolence* explores how a distinctly Pentecostal-charismatic peace witness might be reinvigorated and sustained in the twenty-first century. Rite of Passage Parenting -

Walker Moore 2008-05-06

It's no secret: something has happened to America's families. Dramatic shifts in our culture mean that what was once an acceptable way to produce mature, capable adults has now all but disappeared. In *Rite of Passage Parenting*, family expert Walker Moore explains how that happened. And after concisely assessing

the problem, Moore teaches you how to build into your children's lives the essential experiences every child needs: (1) an authentic Rite of Passage, (2) Significant Tasks, (3) Logical Consequences, and (4) Grace Deposits from parents, grandparents, and other caring adults. Walker Moore writes from years of experience as a minister, family speaker, youth culture specialist, and father. He knows well the damage to self-reliance, self-worth, values foundation, and identity that missing out on these essential experiences can cause. In *Rite of Passage Parenting*, he shows you how to prevent the damage and help your children move toward adulthood in a healthy way. If you are concerned about the effects of the current cultural chaos; if you notice in your children a lack of responsibility, the lack of a good work ethic, disrespect for authority; if you are worried that your children may experiment with false rites of passage—profanity, smoking, drugs, alcohol, body piercing,

How Now Shall We Live? -

Charles Colson 2011-07-14
2000 Gold Medallion Award winner! Christianity is more than a personal relationship with Jesus Christ. It is also a worldview that not only answers life's basic questions—Where did we come from, and who are we? What has gone wrong with the world? What can we do to fix it?—but also shows us how we should live as a result of those answers. *How Now Shall We Live?* gives Christians the understanding, the confidence, and the tools to confront the world's bankrupt worldviews and to restore and redeem every aspect of contemporary culture: family, education, ethics, work, law, politics, science, art, music. This book will change every Christian

who reads it. It will change the church in the new millennium.

How Now Shall We Live? -

Charles Colson 2017-01-10
This collection bundles two of popular author Chuck Colson's classics into one volume for a great value! *The Good Life* What constitutes "the good life?" Chuck Colson explores the ways in which people define and live "the pursuit of happiness." Colson uses

fascinating real-life stories to illustrate the philosophies and worldviews by which individuals seek the good life. Colson speaks directly and revealingly about his Watergate years, and he examines the beliefs and assumptions that make up the fabric of our lives. The Good Life searches for answers to the questions we all ask: Who am I? Why am I here? How can I make my life count? How Now Shall We Live? True Christianity goes far beyond John 3:16—beyond private faith and personal salvation. It is nothing less than a framework for understanding all of reality. It is a worldview. In How Now Shall We Live?, the 2000 Gold Medallion winner for best book about Christianity and society, Chuck Colson and Nancy Pearcey show that the great spiritual battle today is a cosmic struggle between competing worldviews. Through inspiring true stories and compelling teaching, they demonstrate how to Expose the false views and values of modern culture Live a more

fulfilling life the way God created us to live Contend for the faith by understanding how nonbelievers think Build a society that reflects biblical principles In short, How Now Shall We Live? will give you the confidence you need to make a difference in the world today and most of all in the lives of people around you.
