***Winning Women's Hearts and Minds*** Diana Cucuz 2023-01-31 Throughout the Cold War, Soviet citizens had limited access to US life and culture. *Amerika*, a glossy Russian-language magazine similar to *Life*, provided a rare exception. Produced by the United States Information Agency (USIA), America’s first peacetime propaganda organization, *Amerika* was used to influence the Soviet public

and convince women in particular that an American-style consumer culture and conservative gender norms could better their lives. *Winning Women's Hearts and Minds* relies on USIA archives, issues of *Amerika*, and American women's magazines such as the *Ladies' Home Journal* to show how, during the postwar period, USIA officials deployed idealized images of American women as happy, fulfilled, and feminine wives, mothers, and homemakers. This study analyses how *Amerika* was used to appeal to Soviet women. Portrayed in the US media as "babushkas," they were considered unfeminine, overworked, and deprived of consumer goods and services by a repressive regime. Diana Cucuz provides a gendered analysis of the USIA and of *Amerika*, whose propaganda campaign relied heavily on postwar conservative gender norms and images of domestic contentment to convey positive messages about the American way of life in the hopes of undermining the Soviet regime. *Winning Women's Hearts and Minds* sheds light on the significance of women, gender, and consumption to international politics during the Cold War.

who went from "hello" to "I do" in nine months and then figured out how hard marriage could be. When Joshua Rogers thought back on the marriage books he had read or sermons about marriage he had heard, it occurred to him that he could only remember one thing about them: the stories. That's why this book is anchored by stories that other couples will relate to and can easily learn from. The stories are cringe-worthy, humorous, inspiring, heart-breaking, and full of wisdom--but the author isn't telling the reader what to do with that wisdom. He's letting the reader learn along with him as he's gradually becoming more self-aware, increasingly grateful for his wife, and surprised to discover what God is doing in the middle of it all.

**The Man's Guide to Women** John Gottman 2016-02-02 A great "philosopher" once said, "Trying to understand women is like trying to smell the color 9." But the fact is, men can understand women to their great benefit. All they need is the right teacher. And arguably there is no better teacher than John Gottman, PhD, a world-renowned relationships researcher and author of the bestselling 7 principles of Making Marriage Work. His new book, written with wife Julie Gottman, a clinical psychologist, and Doug Abrams and Rachel Carlton Abrams, MD, is based on 40 years of scientific study, much of it gleaned from the Gottman's popular couple's workshops and the "love lab" at the University of Washington. It's written primarily for men because new research suggests that it is the man in a relationship who wields the most influence to make it great or screw it up beyond repair. The Man's Guide to Women offers the science-based answers to the question: What do women really want in a man? The book explains the hallmarks of manhood that most women find attractive, and helps men hone those skills to be the man she desires.

Women Kind Kirstin Ferguson 2018-09-12 Women Kind is an impeccably researched love letter to those who hold up half the sky.' Jamila Rizvi 'Just like #CelebratingWomen, this book is an essential and timely reminder of the collective power of women.' Kate Jenkins, Australian Sex Discrimination Commissioner Women are rallying together in a massive and unstoppable force to make their voices heard around the world in ways we have never seen before. When Dr Kirstin Ferguson, an Australian company director, decided she was fed up with the vicious online abuse of women, she turned the tables and used social media to create the #CelebratingWomen campaign, profiling two women from anywhere in the world and every walk of life, every day for a year. The response was overwhelming. In Women Kind, Ferguson joins Walkley award-winning journalist and leading commentator on women in the workplace Catherine Fox to examine how women's shared clout is transforming communities, workplaces and leadership; show that every woman is a role model; and challenge the idea that women regularly turn on each other for scarce seats at the top table. Ferguson and Fox urge us to get on board and forget the old saying that when a woman climbs the corporate ladder, she needs to send it back down to help one other woman. What's needed is a fishing net to bring up many women together, all supporting each other. There has never been a better moment to join our voices, share experiences and celebrate the power of women supporting women.

Lives of Girls and Women Alice Munro 2015-03-05 The only novel from bestselling author Alice Munro, winner of the Nobel Prize in Literature Catching frogs, grazing knees, singing songs to save England from Hitler - that was childhood for Del Jordan, and now she's impatient for more. More than she can find in the encyclopedias sold by her mother, or in the half-understood innuendos dispensed by best friend Naomi, or in the whispers of boys during Friday night dances. Just like the girls in the movies, she wants to get started on real life. In her only novel, Alice Munro turns her eye to the frustrations, embarrassments, glee and bewilderment of adolescence, and to the brushes with sex, death, violence and birth that shape the lives of girls and women. 'I am the perfect audience for her brand of quiet, seething feminism' Lena Dunham 'Superb' Independent 'In Munro's work, nothing can be predicted. Emotions erupt. Preconceptions crumble. Surprises proliferate' Margaret Atwood 'Exact and unflinching' Guardian 'She is one of the handful of writers, some living, most dead, whom I have in mind when I say that fiction is my religion' Jonathan Franzen
