**This Ragged, Wastrel Thing** Tomas Marcantonio 2020-08-01 BOOK ONE OF THE SONAYA NIGHTS TRILOGY After serving eleven years in The Heights for the murder of his childhood sweetheart, one-eared vagabond Daganaw Kawasaki is finally free. But beneath the neon glare of a sprawling Sonaya, he soon discovers the backstreets are bursting with strange new shadows. Confronting plucky street orphans, bitter biker girls and down-and-out expats, Dag is swiftly embroiled in a fresh homicide case – and finds his murky past isn't done with him yet. “I really enjoyed This Ragged, Wastrel Thing – a dystopian noir set in gloomy, booze-drenched streets crawling with scoundrels. Tomas Marcantonio’s writing is slick and intoxicating.” Adrian J Walker - Author of The End Of The World Running Club “This Ragged, Wastrel Thing is alive with colour, energy and vibrant language. Marcantonio possesses the rare ability of enticing the reader to turn the page, not only to discover what happens next, but to experience yet another visceral and original turn of phrase. A beautifully vicious read.” Adam Lock - Author of Dinosaur “This Ragged, Wastrel Thing is a neon distorted, gritty reflection of humanity and its quest to find belonging – dystopian novels haven’t had it this good since Margaret Atwood’s The Handmaids Tale.” Ross Jeffery - Author of Juniper and Tethered “A cinematic and theatrical neo-noir painting dripping old-school masters of the genre on to a new canvas using rare concentrated pigments. With beautifully rich backdrops, scenes and characters – it’s a real treat for the imagined senses.” John Bowie - Author of Untethered “A beautiful mash up of grim noir and Japanese flare with a beating heart of motorhead vigilantes. Sons of Anarchy meets Sin City.” Dan Stubbings - The Dimension Between Worlds

**Karaoke Rap** Laurence Gough 1997 Ozzie believes he’s planned the perfect crime. Wealthy stock promoter Harold Wismer is having an affair with a woman named Melanie Martel. Ozzie and his buddy Dean will kidnap Harold as he leaves Melanie’s apartment, and then demand a five-million-dollar ransom from Harold’s loving wife, Joan. Harold is famous locally for his loud mouth, endless cigars, and banana-yellow suits. He can easily afford five million. The original Trampoline Man, he’s suffered numerous multi-million-dollar losses playing the market, and always bounced back. This is Ozzie’s second attempt at snatching a wealthy promoter. His first time out was a disaster – especially for his victim. Ozzie views the first kidnapping as a high-intensity learning experience. He’s a quick study. This time he’ll get it right. Or so he thinks. Unfortunately Ozzie is unaware that ancient-but-still-sharp-toothed mobster Jake Cappalletti also has a lively pecuniary interest in Harold. Ozzie’s young and quick. But Jake is old, and methodical. Vancouver police detectives Jack Willows and Claire Parker are assigned the task of investigating Harold’s sudden and violent disappearance. Willows balks. His son, Sean, has been critically wounded in a convenience-store holdup, and Willows, distraught, doesn’t want to abandon that case. But he is soon convinced that the two crimes are related, and the furiously paced hunt is on.

*For The Living* L.A. Witt 2014-04-14 For the last year, Jay Warren has struggled to find the nerve to tell his wife he’s gay. Every time he gets the chance, though, he freezes up. He’s ashamed of hiding it all this time and he doesn’t want to hurt her, and the guilt has been almost unbearable. When his wife dies suddenly, Jay’s conscience threatens to eat him alive. Funeral director Scott Lawson deals with the bereaved every day, and he’s all too familiar with the inside of the closet. He offers Jay some much-needed compassion and understanding, and from that connection comes a friendship that quickly—perhaps too quickly—turns into something more. But are grief, guilt, and loneliness the only things tying them together? Or will Scott get fed up with being used as an emotional crutch before Jay realizes what he has? This 78,000 word novel was previously published.

*Barnett Crossroads* Sears L Barnett Jr. 2019-04-19 I turn around quickly and ask like every little Black child asking 23 questions, ""Mama Mama---"" it's the early 1980's and i'm watching 'King Creole' my fave Elvis movie, ""--Presley is cool--ain't he Mama?"" Jackie's face darkens, her bottom lip frowns down, and she tells me she hated Elvis. She says she never liked Elvis Aaron Presley because he said somethin' about all Negro people can do for him, is shine his blue suede shoes. ""He said that?"" I'm all shook up for a nanosecond. I thought he was cool. I slowly turn back around to enjoy the rest of the movie on the Zombie T.V. cathode ray tube; Questioning everything, still bobbin' my big head to the SOULFUL jazzy sounds, skeptical of the dude that styled his hair with ROSE OIL and vaseline. The ""Barnett Crossroads"", is the signpost reminder that visitors SEE right before they cross The 'Long Poetic Bridge', also known as ""The General Walter KING Wilson JR. Bridge.'

Cobble Hill Cecily von Ziegesar 2020-11-10 From the #1 New York Times bestselling author of the Gossip Girl series, a deliciously irresistible novel chronicling a year in the life of four families in an upscale Brooklyn neighborhood as they seek purpose, community, and meaningful relationships—until one unforgettable night at a raucous neighborhood party knocks them to their senses. Welcome to Cobble Hill. In this eclectic Brooklyn neighborhood, private storms brew amongst four married couples and their children. There's ex-groupie Mandy, so underwhelmed by motherhood and her current physical state that she fakes a debilitating disease to get the attention of her skateboarding, ex-boyband member husband Stuart. There's the unconventional new school nurse, Peaches, on whom Stuart has an unrequited crush, and her disappointing husband Greg, who wears noise-cancelling headphones—everywhere. A few blocks away, Roy, a well-known, newly transplanted British novelist, has lost the thread of his next novel and his marriage to capable, indefatigable Wendy. Around the corner, Tupper, the nervous, introverted industrial designer with a warehouse full of prosthetic limbs struggles to pin down his elusive artist wife Elizabeth. She remains...elusive. Throw in two hormonal teenagers, a ten-year-old pyromaniac, a drug dealer pretending to be a doctor, and a lot of hidden cameras, and you've got a combustible mix of egos, desires, and secrets bubbling in brownstone Brooklyn. Smart, sophisticated, yet surprisingly tender, Cobble Hill is highly entertaining portrait of contemporary family life and the colorful characters who call Brooklyn home.

The Body Papers Grace Talusan 2019-04-02 Winner of The Restless Books Prize for New Immigrant Writing "Grace Talusan writes eloquently about the most unsayable things: the deep gravitational pull of family, the complexity of navigating identity as an immigrant, and the ways we move forward even as we carry our traumas with us. Equal parts compassion and confession, The Body Papers is a stunning work by a powerful new writer who—like the best memoirists—transcends the personal to speak on a universal level." —Celeste Ng, author of Everything I Never Told You and Little Fires Everywhere Born in the Philippines, young Grace Talusan moves with her family to a New England suburb in the 1970s. At school, she confronts racism as one of the few kids with a brown face. At home, the confusion is worse: her grandfather's nightly visits to her room leave her hurt and terrified, and she learns to build a protective wall of silence that maps onto the larger silence practiced by her Catholic Filipino family. Talusan learns as a teenager that her family's legal status in the country has always hung by a thread—for a time, they were "illegal." Family, she's told, must be put first. The abuse and trauma Talusan suffers as a child affects all her relationships, her mental health, and her relationship with her own body. Later, she learns that her family history is threaded with violence and abuse. And she discovers another devastating family thread: cancer. In her thirties, Talusan must decide whether to undergo preventive surgeries to remove her breasts and ovaries. Despite all this, she finds love, and success as a teacher. On a fellowship, Talusan and her husband return to the Philippines, where she revisits her family's ancestral home and tries to reclaim a lost piece of herself. Not every family legacy is destructive. From her parents, Talusan has learned to tell stories in order to continue. The generosity of spirit and literary acuity of this debut memoir are a testament to her determination and resilience. In excavating such abuse and trauma, and supplementing her story with government documents, medical records, and family photos, Talusan gives voice to unspeakable experience, and shines a light of hope into the darkness.

*The Science of Loving* Candace Vianna She's a geeky scientist obsessed with muscles. She even has a muscle car. He's the bad boy rock star of the architectural world, perfectly content with his bachelor status, but his tattoo artist sister has other ideas, and when she decides to play matchmaker, sparks fly. Him... Danny was in love. Again. So, she thought everyone else, meaning me, should be, too. What she didn't appreciate was that I was already living my dream: no drama, no mess. My life was just the way I wanted it; orderly. I liked my shit organized. I lived alone just so I could have things my way. If I wanted company, I'd go to the corner bar. Her... I hated parties. I was shy and crowds always left me slightly off balance and inevitably, I drew the attention of creepiest, most annoying guy there. Once caught, I could never shake them. By the end of the night I'd be nauseous, my head hurt, and I was a nervous wreck. But Danny wouldn't take no for an answer, or as she put it, giving me her best death stare. "You might as well give in gracefully chica, because I'm not to be denied." I gave in gracefully. And now some creep had me backed up as far as I could go without falling into the bushes. I never knew what to do when creeps like this cornered me, so I froze, unable to move, breathe or think. I cringed as he brushed a nonexistent hair from my cheek. Ew... "Excuse me, I know you're not macking on my girl." Holy Shit. That was the scariest man I'd ever seen. He was huge. He was bald. He was tattooed. He was a painted Aztec god; all he needed was some gold jewelry and a bloody altar. This is a funny, laugh out loud, contemporary romance about a science geek and a sweet guy with big feet. It contains some not so sweet language and sexy love scenes that some may find inappropriate (the hot, sweaty kind that will make you want to take up smoking.) So if you're bothered by graphic sex and profanity, this may not be your cup of tea—just saying. But if you want a light romance that will (hopefully) make you laugh, this could be your new guilty pleasure. HEA... Does not have a cliffhanger ending. I hate those... Candace

**Paper Fan** Terry Gould 2010-08-06 For 14K Triad official Steven Wong, faking his own death to escape trial was easy. But evading investigative reporter Terry Gould -- impossible. For 11 years terry Gould has tracked the man known as the "paper fan" through the organized crime circles of six countries. This riveting, horrifying, yet often hilariously funny book is the story of that search, a daredevil journey through the seductions and terrors of Steve's world. Steven Wong is the "paper fan," a thirty-nine-year-old Hong Kong-born mobster. Raised in New York's Chinatown, he matured into crime in Vancouver, where he founded and headed the murderous Gum Wah Gang in the late 1980s and early '90s. In 1992, Wong "died" in a traffic accident in a remote area of the Philippines before he could be sent to jail for heroin trafficking, conveniently just after he'd taken out a million-dollar life insurance policy. His urn may still be interred in a Vancouver cemetery, but today, Interpol has a "Red Alert" arrest warrant out for Wong, and his updated file reads like a Hollywood action film -- a post-mortem panorama of organized criminal adventure that circles the Pacific Rim, from Macau to Japan, from Cambodia to the Philippines. Gould's search takes him into a world in which politicians, police, businessmen and criminals sprint along in one big pack, sometimes nipping each other's heels, sometimes licking each other's faces, and sometimes inviting one another back home for all-night mah-jong parties. Forced to work according to right-side-up rules, honest cops haven't had a chance of arresting Steve in his upside-down world. Four times, Terry Gould has traced Steven Wong through Asia's circles of corruption and pinned him down, but the law has let him slip away. Fifth time lucky? "Gangsters are good team players who generally exhibit a locker-room familiarity with other men. Still, it surprised me when Steve answered the door on Monday wearing only his polka-dot boxers, showing off his biceps and his chest tattooed with the winged dragons and sharp-taloned eagle. He was talking on the phone and barely interrupted himself as he turned back into the house, whereupon I realized that the display was likely done on purpose. Neck to waist his back was totally covered by a stylized tableau of a dragon crawling against a background of tigers and flowers -- a Triad montage no one outside his syndicate world was supposed to see." -- from Paper Fan

Heart of Rose Gerald Myers 2013-02-26 Marshall Freidman, head of Psychiatry at the prestigious Hunter Newman Center, made a terrible misdiagnosis concerning Rose Shaw. He thought she is a lovely, fragile, complex woman who loves him. In truth she is a dangerous woman about to give him a lesson in obsession, sexual perversion, and murder. Every belief that Marshall held no longer seems true. It wasn't love that changed him... it was evil. But how could the devil be so good?

Plague Kent Heckenlively 2017-02-21 On July 22, 2009, a special meeting was held with twenty-four leading scientists at the National Institutes of Health to discuss early findings that a newly discovered retrovirus was linked to chronic fatigue syndrome (CFS), prostate cancer, lymphoma, and eventually neurodevelopmental disorders in children. When Dr. Judy Mikovits finished her presentation the room was silent for a moment, then one of the scientists said, "Oh my God!" The resulting investigation would be like no other in science. For Dr. Mikovits, a twenty-year veteran of the National Cancer Institute, this was the midpoint of a five-year journey that would start with the founding of the Whittemore-Peterson Institute for Neuro-Immune Disease at the University of Nevada, Reno, and end with her as a witness for the federal government against her former employer, Harvey Whittemore, for illegal campaign contributions to Senate Majority Leader Harry Reid. On this journey Dr. Mikovits would face the scientific prejudices against CFS, wander into the minefield that is autism, and through it all struggle to maintain her faith in God and the profession to which she had dedicated her life. This is a story for anybody interested in the peril and promise of science at the very highest levels in our country.

**Sex, Love and Money in Cambodia** Heidi Hoefinger 2013-07-04 Dealing with the complex and discomfoting 'grey 'area where sex, love and money collide, this book highlights the general materiality of everyday sex that takes place in all relationships. In doing so, it draws attention to and destigmatizes the transactional elements within many 'normative' partnerships - be they transnational, inter-ethnic or otherwise. Focusing on Cambodia, and on a subculture of young women employed in the tourist bar scene referred to as 'professional girlfriends', the book shows that the resulting transnational relationships between Cambodian women and their foreign partners are complex and multi-layered. It argues that the sex-for-cash prostitution framework is no longer an appropriate model of analysis. Instead, a new vocabulary of 'professional girlfriends' and 'transactional sex' is used, with which the nuanced complexities of these transnational partnerships are analysed. Interdisciplinary in nature, the book inspires new understandings of gender, power, sex, love, desire, political economy and materiality within everyday relationships around the globe. It is a useful contribution for students and scholars of Anthropology, Sociology, Southeast Asian Studies, Gender and Sexuality Studies, and Cultural Studies.

**In The Miso Soup** Ryu Murakami 2009-08-03 A rollercoaster ride from the cult master of the psycho-thriller 'A blistering portrait of contemporary Japan, its nihilism and decadence wrapped up within one of the most savage thrillers since The Silence of the Lambs' Kirkus 'Deft and fascinating ... But Frank's behaviour is so odd that Kenji begins to entertain a horrible suspicion: his client may in fact have murderous desires.

By the time she was 15, Gretchen was managing the place with the help of a loaded 12-gauge behind the bar to keep folks in line. Though he was long gone, Wilson's father had instilled a love of music in his daughter that blossomed on stage at Big O's where she found herself fronting a cover band and eyeing a move to Nashville in search of something more. Another town, struggling in another bar job, but again her gift for music won out. Discovered while singing with the house band at a bar in Nashville's famed Printer's Alley, Gretchen Wilson soon joined the ranks of the Muzik Mafia and the rest is history. In less than one calendar year she went from worrying about the repossession of her car to being one of the most successful recording stars in the world. Whether she discusses her fashion preferences (Wal-Mart over Victoria's Secret), her choice of beer over champagne, her views on family, or the artists who've helped her to carve out the path she currently walks (Tammy Wynette, Loretta Lynn, Merle Haggard, etc.), Wilson's signature knack for storytelling and connecting with her audience on that authentically real level translates seamlessly to the page and offers a new and exciting glimpse at one of America's most beloved performers.

**Karaoke in Portland** Marika Armstrong 2022-07-26 When Karen McPherson describes her best life as that of a hibernating bear, her best friend resorts to blackmail to blast her out of the hole she's fallen into. The challenge: write 50,000 words on any subject by April Fool's Day or face the consequences. What begins as a reluctant effort to avoid public humiliation soon takes on a much greater significance. Chronicling her daily life and family history causes her to reexamine her assumptions and leads to surprising conclusions about her life and relationships.
