**Carnal Alchemy** Stephen E. Flowers 2013-09-20 BDSM sexuality as a powerful tool for self-transformation and the realization of magical and spiritual aims • Details how to combine the 6 major types of S&M stimulation with sexual stimulation for magical and transformative purposes • Explores sado-magical workings from both submissive and dominant perspectives • Traces the roots of the BDSM tradition from ancient pagan and shamanic rituals to historical figures such as the Marquis de Sade, Aleister Crowley, and Anton LaVey Sex magic allows us to tap in to the most abundant power source available: sexual energy. Magicians, shamans, and fakirs throughout history have used physical stimulation and ritual to harness sexual energy, unlock inner states of consciousness, and activate the ability to influence their surroundings. While pleasure is often the focus of this stimulation, pain is just as effective, if not more so. Combining both pleasure and pain, the sadomasochistic practice of Carnal Alchemy offers a powerful tool for self-transformation and the realization of magical and spiritual aims. Authors Stephen and Crystal Dawn Flowers explain the sado-magical workings of Carnal Alchemy from both the perspective of the submissive partner as well as the dominant. They detail the 6 major techniques of sadomasochistic stimulation--bondage, flagellation, piercing, penetration, clamping, and heat/cold--and how they can be combined with sexual stimulation for magical purposes. They trace the roots of the BDSM tradition in ancient pagan rites of passage, in indigenous shamanic rituals, and through historical figures who used this form of sexuality in their magic and philosophy, from the Marquis de Sade to more modern exemplars such as Aleister Crowley, Ernst Schertel, and Anton LaVey. This guide also covers specialized furniture and tools and the decor of "the Chamber" to trigger states of consciousness in which the Sado-Magician can effectively express his or her will.

**The Secret of the Golden Phallus** Bruce P. Grether 2012 It is time for men to merge the erotic with the sacred, and for them to reclaim their bodies as temples. Ancient wisdom combines with cutting-edge practices that are simple, yet powerful tools one can actually use.

**The Black Sun** Stanton Marlan 2008-05-08 Also available in an open-access, full-text edition at <http://oaktrust.library.tamu.edu/handle/1969.1/86080> The black sun, an ages-old image of the darkness in individual lives and in life itself, has not been treated hospitably in the modern world. Modern psychology has seen darkness primarily as a negative force, something to move through and beyond, but it actually has an intrinsic importance to the human psyche. In this book, Jungian analyst Stanton Marlan reexamines the paradoxical image of the black sun and the meaning of darkness in Western culture. In the image of the black sun, Marlan finds the hint of a darkness that shines. He draws upon his clinical experiences—and on a wide range of literature and art, including Goethe's Faust, Dante's Inferno, the black art of Rothko and Reinhardt—to explore the influence of light and shadow on the fundamental structures of modern thought as well as the contemporary practice of analysis. He shows that the black sun accompanies not only the most negative of psychic experiences but also the most sublime, resonating with the mystical experience of negative theology, the Kabbalah, the Buddhist notions of the void, and the black light of the Sufi Mystics. An important contribution to the understanding of alchemical psychology, this book draws on a postmodern sensibility to develop an original understanding of the black sun. It offers insight into modernity, the act of imagination, and the work of analysis in understanding depression, trauma, and transformation of the soul. Marlan's original reflections help us to explore the unknown darkness conventionally called the Self. **Sacred Sexual Union** Anaiya Sophia 2013-05-05 Experience the orgasmic rapture of Sacred Union with your Twin Soul and the Divine • Includes practices in sacred sexuality, emotional intimacy, and soul awareness to awaken the Love, Power, and Wisdom of your soul, attract your Twin Soul, and

satisfy your soul's longing to reunite with God • Draws on teachings from Gnosticism, Sufi mysticism, the Kabbalah, Kundalini yoga, sexual shamanism, the Egyptian Mystery schools, and Christ Consciousness • Offers examples of Sacred Union, including Jesus and Mary Magdalene and Rumi and Shams as well as experiences of modern couples Jesus and Mary Magdalene, Rumi and Shams, King Solomon and the Queen of Sheba, Isis and Osiris--in these sacred unions we recognize the merging not only of Twin Souls but also of these lovers with the Divine. In Sacred Sexual Union, Anaiya Sophia shows this Holy Marriage, complete reunification with your Twin Soul and God, is not a secret reserved for the initiated or a tradition lost to the ages. It is a potent, living spiritual path enabling two beloveds to experience the primordial state of creation as one soul blessed by the Divine Light and Love of their Creator. Drawing on teachings from Gnosticism, Sufi mysticism, the Kabbalah, Kundalini yoga, sexual shamanism, the Egyptian Mystery Schools, and Christ Consciousness, the author reveals the complete alchemical process of Sacred Union. She provides physical, meditative, and psychological practices that combine sacred sexuality, emotional intimacy, and transparent soul awareness to awaken the magnetic energies of your soul, draw your Twin Soul to you, and, with Twin Souls reunited, experience the passionate rapturous remembrance of becoming one with God. She explores ancient writings and rituals of Sacred Union--known as Hieros Gamos in ancient Sumeria, Sacred Marriage in the Kabbalah, Yab Yum in Tibetan Buddhism, and the Bridal Chamber in Gnostic Christianity--and offers examples of Sacred Union throughout the ages, including experiences from her own spiritual journey. More than a meditative or yogic practice, Sacred Sexual Union offers a transformative spiritual path to embrace the threefold flame of Power, Love, and Wisdom and satisfy your soul's longing for wholeness and reunion with the Divine.

**The Alchemy of Sexual Energy** Mantak Chia 2009-12-23 Taoist techniques for replenishing our internal energy with universal cosmic energy • Shows how to transform excess sexual energy (Ching Chi) into self-healing energy • Presents advanced Cosmic Healing Chi Kung practices, which gather the limitless resources of Cosmic Chi for healing • Explains how opening of the three tan tiens to the six directions allows personal consciousness to connect directly to higher sources of energy Taoists consider our sexual energy to be the creative force that we can use to regenerate the body's internal energy, but we must learn how to harness excess sexual energy and transform it into chi, or life-force energy. When we circulate the sexual energy in the Microcosmic Orbit--a continuous energy loop that runs up the spine and down the front of the body--we transform it into self-healing energy that can be stored in the organs and the three tan tiens: energy centers in the brain, the heart center, and the lower abdomen. *The Alchemy of Sexual Energy* builds upon Microcosmic Orbit practices discussed in *Healing Light of the Tao*. The more we open the flow of our internal energy the more capable we are of connecting to the cosmic energy that exists outside ourselves in the universe. By learning to open the three tan tiens to the six directions, the Taoist practitioner combines mind power with extension of chi to draw cosmic energy into the body. This energy, too, can be stored in the three tan tiens and used as needed for healing. When we learn to flow in this way with the energy of the Tao, life ceases to be a struggle.

**The Alchemy of Forever** Avery Williams 2012-04-26 People say 'love never dies'... but love might be the death of Seraphina. Seraphina has been alive since the Middle Ages, when her boyfriend, Cyrus, managed to perfect a method of alchemy that lets them swap bodies with any human being. She doesn't want to die, so she finds young people who are on the brink of death, and inhabits their bodies. When we meet Sera, she has landed in the body of a girl named Kailey who was about to die in a car accident. For the first time, Sera falls in love with the life of the person she's inhabiting. Sera also falls for the boy next door, Noah. And soon it's clear the feelings are returned. Unfortunately, she can never kiss Noah, because for her to touch lips with a human would mean the human's death. And she has even more to worry about: Cyrus is chasing her, and if she stays in one place for long, she puts herself -and the people she's grown to care for - in danger.

**Essence and Alchemy** Mandy Aftel 2014-11-17 As long as there has been passion, there has been perfume. Wealthy Romans used to scent their doves while in Shakespeare's time, a woman in love would place a peeled apple into her armpit to saturate it with her scent and then present it to her lover. Essence And Alchemy resurrects the social and metaphysical legacy that is entwined with the evolution of perfumery, from the dramas of the spice trade to the quests of the alchemists. Aftel tracks scent through the boudoir and the bath and into the sanctums of worship, and along the way teaches us the art of perfume-making, including many of her own recipes, offering insights on the relationship of scent to solitude, sex, and soul.

***A Secret Alchemy*** Emma Darwin 2010-01-07 Two murdered princes; a powerful queen betrayed; a nobleman riding towards his certain death... The story of the Princes in the Tower has been one of the most fascinating - and most brutal - murder mysteries in history for more than five hundred years. In a brilliant feat of historical daring, Emma Darwin has recreated the terrible, exhilarating world of the two youngest victims of the War of the Roses: the power struggles and passion that lay behind their birth, the danger into which they fell, the profoundly moving days before their imprisonment, and the ultimate betrayal of their innocence. In *A Secret Alchemy*, three voices speak: that of Elizabeth Woodville, the beautiful widow of King Edward IV; of her brother Anthony, surrogate father to the doomed Prince Edward and his brother Dickon; and that of present-day historian Una Pryor. Orphaned, and herself brought up in a family where secrets and rivalries threaten her world, Una's experience of tragedy, betrayal and lost love help her unlock the long-buried secrets that led to the princes' deaths. Weaving their stories together, Emma Darwin brilliantly evokes how the violence and glamour of past ages live on within our present.

***Alchemy of Love*** Mateus Soares de Azevedo 2020-02-11 The spiritual natures of man and woman come to expression in thought, art, craft, and many other domains: from the depths of their soul-spirit constitutions even to the clothes they wear. These natures manifest also in the fullness of love, even unto sexuality, which constitutes an essential and urgent topic of our times, and which harbors also a transcendent dimension, as this book shows. "Extremes meet," says the old adage: in this spirit, the heart of this book consists in showing how the "extremes" of flesh and spirit may join together in the sacralization of love. Providing clear points of reference for safe navigation of the moral wasteland of the modern world, the contributors to this book confront with discernment and courage contemporary views that can undermine the very foundations of civilization. "There is perhaps no field more desacralized today than that of human love. The contemporary reader will discover in this volume of essays by Traditionalist authors a richness and a depth of view that counteracts the various forms of sexual reductionism of modernity."--Patrick Laude, author of the forthcoming *Keys to the Beyond: Frithjof Schuon's Cross-Traditional Language of Transcendence* "In this unique, fascinating work masters of the Perennial Philosophy such as Frithjof Schuon, Titus Burckhardt, and William Stoddart, together with a new generation of writers, present their insights and conclusions regarding the place of love and sexuality in our spiritual life."--Nuno Almeida, professor at the University of Lisbon "If, as has been said, virtue is the natural state of the soul as God intended it to be, the Fall is the accidental remoteness from such a state. Now, sapiential esoterism has always been there to restore this natural state, and the essays in this collection are aimed at just such a restoration."--Mehrddad M. Zarandi, editor of *Science and the Myth of Progress* "No topic could be more timely than that of sexuality, and none more misunderstood--for those who celebrate sexual aberrations in our time seem unaware that they are toying with the twin pillars upholding civilization. The contributors to this volume offer us an impressive array of the missing reference points that are almost unfindable elsewhere."--Mark Perry, author of *The Mystery of Individuality: Grandeur and Delusion of the Human Condition*

*The Perfect Matrimony* Samael Aun Weor 2012-05-01 "Love is the highest religion..." - Samael Aun Weor If you only want one book about real spiritual practice, *The Perfect Matrimony* has everything you need. Prepare yourself for a spiritual revolution. In fact, this book is so powerful that because of it, in 1950 the Catholic Church had Samael Aun Weor jailed. They accused him of "offending the public and healing the ill." *The Perfect Matrimony* is a complete introduction to the profound and beautiful mystical knowledge from which all the world's great religions have blossomed. There is a sacred teaching, the source of the secret teachings of Judaism, Christianity, Buddhism, Taoism, Hinduism, Alchemy, Tantra, Kabbalah, and the mysteries of the Mayans, Aztecs, Egyptians, Tibetans, Eleusinians, Essenes, and hundreds more. All of them have a sexual secret. All of them came from the same root knowledge. *The Perfect Matrimony* explains how to solve the problem that originated with Adam and Eve: an event clearly rooted in sex. Jesus also taught how to solve this problem (his first miracle was at a wedding, after all), but the church edited his teachings. When Samael Aun Weor publicly revealed the true teachings, the outraged church had him imprisoned in an effort to repress what he revealed. Everything that lives was created through sex. Just the same, the soul is created through sex, but not the sex of the common person. To create divinity, one must understand divine sexuality. Such knowledge has always been preserved in secret, held safely for those who demonstrated their ability to use it properly. Now, for the first time in history, that knowledge has been revealed openly: this book, originally published in 1950, marked its first public appearance. "Love is the highest religion..." - Samael Aun Weor, *The Perfect Matrimony* (1950) With the explanations in this book, you will understand not only many seemingly vague and incomprehensible scriptures, but also how all genuine spiritual practices work. After reading this book, religion and sex make sense. Moreover, you will see that religion is not found in organizations, buildings, or books, it is found in the heart that is enflamed with divine love.

The paintings are given a fitting showcase in this new Watkins edition, which accompanies them with Joscelyn GodwinÕs excellent contemporary translation of the original 16th-century German text, as well as interpretation from alchemical experts Stephen Skinner and Georgiana Hedesan, and from Rafa? manuscripts. Stephen Skinner explains the symbolism of both the text and the illustrations, suggesting that together they describe the physical process of the alchemical transmutation of base metal into gold. Rafal T. Prinke explains the theories about the authorship of both text and illustrations, discussing Splendor Solis as the turning point in alchemical iconography passing from the medieval tradition to that of the Baroque and the reasons for the misattribution of Splendor Solis to Poysel and Trismosin. Georgiana Hedesan looks at the legendary figure of Salomon Trismosin and his creation by followers of Theophrastus Paracelsus as part of an attempt to integrate their master in a lineage of ancient alchemical philosophers. The images are taken from the British Library manuscript Harley 3469, the finest example of the Splendor Solis to survive.

Sexual Alchemy Donald Tyson 2000 Chances are that you've heard of Tantra and Taoist sexual practices. Now, as a result of studying the inner mysteries of alchemy, Donald Tyson presents a Western system of sacred sexuality in Sexual Alchemy. Here you will learn how to have erotic relationships with loving spirits. That means the methods presented here can function as a Western alternative to Eastern sexual practices. They also can be used by a solitary person and need not depend upon the participation of a partner. The first part of this book presents a history of sex with spirits. It also goes into the secrets of Eastern internal alchemy and how the books of Western alchemy often made secretive references to sexual magick. You will also learn how to create a physical representation of the spirit you are going to use as a partner. The second part of the book includes the practices and techniques which the author found to be effective from other sources or developed himself. This includes techniques of diet, exercise, breathwork, banishings, purifications, and finally, an invocation ritual to summon the spirit who is going to be your lover! Then you will learn the previously hidden secrets of having sex with a spirit lover. You'll learn how to prepare and recognize the signs that this is an actual occurrence and not simply a fantasy. And then, when you have accomplished your ritualized mating, you will learn how to collect and use the resulting, highly charged fluids for magical purposes. Everything we are, everything we have, is a gift from the Divine. Doesn't it make sense that we use all of our abilities to honor the source from which they came? That means we can even make use of our sensual natures to honor the Gods. If you want to follow a system based on western traditions, this book can be your guide.

Healing Love through the Tao Mantak Chia 2005-07-15 A new edition of the bestseller • The first book to reveal in the West the Taoist techniques that enable women to cultivate and enhance their sexual energy • Reveals Taoist secrets for shortening menstruation, reducing cramps, and compressing more chi into the ovaries for greater sexual power • Teaches the practice of total body orgasm For thousands of years the sexual principles and techniques presented here were taught by Taoist masters in secret only to a small number of people (sworn to silence), in the royal courts and esoteric circles of China. This is the first book to make this ancient knowledge available to the West. The foundation of healing love is the cultivation, transformation, and circulation of sexual energy, known as jing. Jing energy is creative, generative energy that is vital for the development of chi (vital life-force energy) and shen (spiritual energy), which enables higher practices of spiritual development. Jing is produced in the sexual organs, and it is energy women lose continually through menstruation and child bearing. Mantak Chia teaches powerful techniques developed by Taoist masters for the conservation of jing and how it is used to revitalize women's physical, mental, and spiritual well-being. Among the many benefits conferred by these practices are a reduction in the discomfort caused by menstruation and the ability to attain full-body orgasm.

**The Alchemy of Love and Sex** Lee Lozowick 1996 Edited from 20 years of the author's teaching in both the USA and Europe, The Alchemy of Love and Sex articulates the immense conflict and confusion surrounding love, sex, the genders and tantric spirituality. Lozowick provides straightforward but not always comfortable or polite advice for those seeking clarity in their spiritual exploration. This nonfiction consciousness-expanding book may reveal to you just how liberal you are--or aren't--about your sexuality. Far more than a sex manual, Lee Lozowick's eye-opening text discusses such tangential issues as having passion for all aspects of life, the elements of a truly sacred marriage, and the balance of the Masculine and the Feminine in each individual.
