

Antisexismusreloaded Umgang Sexualisierter Handbuch Antisexistische

A Queer and Pleasant Danger - Kate Bornstein 2012

Presents the life of a Jewish boy who joined the Church of Scientology and left twelve years later, ultimately transitioning to a woman and becoming a civil rights activist and gender outlaw.

Policy-making in Britain - Richard Rose 1969

The Story of Sidonie C - Ines Rieder 2020-04-10

Now finally available in English, this biography of Margarethe Csonka-Trautenegg (1900-1999) offers a fully-rounded picture of a willful and psychologically complex aesthete. As Freud's never-before-identified "case of female homosexuality", her analysis continues to spark often heated psychoanalytic debate.

Margarethe's ("Sidonie's") experiences spanned the twentieth century. Jewish by birth, she fled upper-class life in Vienna for Cuba to escape the Nazis, only to return post-war to a "leaden" city and relative poverty. Fleeing again, she took various jobs abroad, and returned permanently only in old age. The interviews and taped oral histories that form the basis of this book were produced during the final five of her years. Well-researched historical background information supplements the story of Margarethe's journey across time and continents.

BERÜHRUNG - Wolf Ollrog 2022-04-12

Wie hast du's mit der Nähe? "Komm her! Halt mich fest!" - "Hau ab! Bleib mir vom Hals!" Nähe und Distanz, das ist der Dauerbrenner für Paarseminare. Wie viel Körpernähe brauche ich, wie viel vertrage ich? Wie nah lasse ich dich an mich? Wie nah lässt du mich an dich? Das ist ein Konfliktherd Nummer eins in Partnerschaften. Rücken wir uns nah, sind wir be-rührt. Dann wird uns warm oder kalt. Es geht ums Anfassen und Angefasst-Werden. Körperlichkeit ist ein hochemotionales, trotzdem über weite Strecken verschwiegenes Thema zwischen Paaren. Es

geht um Emotionalität und Sex und wie beides zusammengeht. Körpernähe ist mehr als Sex. Wie kann sie gelingen? Das ist die Hintergrundfrage des Buchs und eröffnet ein komplexes Feld. Dazu muss man vor allem verstehen, was jede und jeden hindert, sich auf Nähe einzulassen. Aber Berührung ist keineswegs nur ein heißes Pflaster für Paare. Wie nahe wir uns treffen, bestimmt, wenn meist auch nur unbewusst und auf versteckte Weise, jede noch so alltägliche Begegnung mit - sei es in der Familie, bei Freundschaften, in Nachbarschaften oder bei den Beziehungen am Arbeitsplatz. Wir mögen es uns nicht immer bewusst machen, aber wir können es nicht vermeiden. Die meisten Menschen sind nähemäßig unterversorgt. Sie leben in einem krankmachenden Dauermangel. Dieses Buch wendet sich an Paare und einzelne, die unzufrieden darüber sind, wie sie körper-liche Nähe leben und austauschen. Wer rundum damit zufrieden ist, wie er oder sie mit dem Partner oder der Partnerin (oder auch mit anderen Menschen) körperliche Nähe teilt, braucht dieses Buch nicht. Es wendet sich an Menschen, die sich über Körpernähe oder Sex in die Haare kriegen oder anschwärzen. Die enttäuscht darüber sind, dass ihr Gegenüber sie nicht an sich lässt. Oder die sich der Nähewünsche des Partners oder der Partnerin erwehren müssen. Wie stillen wir unsern Nähehunger? Wie gelingt Nähe?

Luke and Angela - Christine Nöstlinger 1981
The life-long friendship between Angela and Luke begins to deteriorate when Luke returns from a summer in England convinced it is time to develop his own personality.

Still Alive - Ruth Kluger 2003-04-01
A controversial bestseller likened to Primo Levi and Elie Wiesel, Still Alive is a harrowing and fiercely bittersweet Holocaust memoir of survival: "a book of breathtaking honesty and extraordinary insight" (Los Angeles Times).

Swept up as a child in the events of Nazi-era Europe, Ruth Kluger saw her family's comfortable Vienna existence systematically undermined and destroyed. By age eleven, she had been deported, along with her mother, to Theresienstadt, the first in a series of concentration camps which would become the setting for her precarious childhood. Interwoven with blunt, unsparring observations of childhood and nuanced reflections of an adult who has spent a lifetime thinking about the Holocaust, *Still Alive* rejects all easy assumptions about history, both political and personal. Whether describing the abuse she met at her own mother's hand, the life-saving generosity of a woman SS aide in Auschwitz, the foibles and prejudices of Allied liberators, or the cold shoulder offered by her relatives when she and her mother arrived as refugees in New York, Kluger sees and names an unexpected reality which has little to do with conventional wisdom or morality tales. "Among the reasons that *Still Alive* is such an important book is its insistence that the full texture of women's existence in the Holocaust be acknowledged, not merely as victims. . . . [Kluger] insists that we look at the Holocaust as honestly as we can, which to her means being unsentimental about the oppressed as well as about their oppressors." —Washington Post Book World

Trumpet - Jackie Kay 1999

After dying, a jazz musician in Scotland is discovered to be a woman. The novel describes the way Joss Moody, a black trumpet player, manages to maintain her charade as husband and father.

Valencia - Michelle Tea 2010-01-08

Valencia is the fast-paced account of one girl's search for love and high times in the drama-filled dyke world of San Francisco's Mission District. Michelle Tea records a year lived in a world of girls: there's knife-wielding Marta, who introduces Michelle to a new world of radical sex; Willa, Michelle's tormented poet-girlfriend; Iris, the beautiful boy-dyke who ran away from the South in a dust cloud of drama; and Iris's ex, Magdalena Squalor, to whom Michelle turns when Iris breaks her heart.

Beebo Brinker - Ann Bannon 2001-06-01

Ann Bannon was designated the "Queen of Lesbian Pulp" for authoring several landmark

novels in the '50s. Unlike many writers of the period, however, Bannon broke through the shame and isolation typically portrayed in lesbian pulps, offering instead characters who embraced their sexuality. With *Beebo Brinker*, Bannon introduces a butch 17-year-old farm girl newly arrived in Beat-era Greenwich Village.

Mean Little deaf Queer - Terry Galloway 2010-06-01

In 1959, the year Terry Galloway turned nine, the voices of everyone she loved began to disappear. No one yet knew that an experimental antibiotic given to her mother had wreaked havoc on her fetal nervous system, eventually causing her to go deaf. As a self-proclaimed "child freak," she acted out her fury with her boxy hearing aids and Coke-bottle glasses by faking her own drowning at a camp for crippled children. Ever since that first real-life performance, Galloway has used theater, whether onstage or off, to defy and transcend her reality. With disarming candor, she writes about her mental breakdowns, her queer identity, and living in a silent, quirky world populated by unforgettable characters. What could have been a bitter litany of complaint is instead an unexpectedly hilarious and affecting take on life.

Hello Cruel World - Kate Bornstein 2011-01-04

Celebrated transsexual trailblazer Kate Bornstein has, with more humor and spunk than any other, ushered us into a world of limitless possibility through a daring re-envisionment of the gender system as we know it. Here, Bornstein bravely and wittily shares personal and unorthodox methods of survival in an often cruel world. A one-of-a-kind guide to staying alive outside the box, *Hello, Cruel World* is a much-needed unconventional approach to life for those who want to stay on the edge, but alive. *Hello, Cruel World* features a catalog of 101 alternatives to suicide that range from the playful (moisturize!), to the irreverent (shatter some family values), to the highly controversial. Designed to encourage readers to give themselves permission to unleash their hearts' harmless desires, the book has only one directive: "Don't be mean." It is this guiding principle that brings its reader on a self-validating journey, which forges wholly new paths toward a resounding decision to choose

life. Tenderly intimate and unapologetically edgy, Kate Bornstein is the radical role model, the affectionate best friend, and the guiding mentor all in one.
