Rituparno Ghosh - Sangeeta Datta 2015-11-19

An iconic filmmaker and inheritor of the legendary Satyajit Ray’s legacy, Rituparno Ghosh was one of the finest auteurs to emerge out of contemporary Bengal. His films, though rooted firmly in middle-class values, desires and aspirations, are highly critical of hetero-patriarchal power structures. From the very outset, Ghosh displayed a strong feminist sensibility which later evolved into radical queer politics. This volume analyses his films, his craft, his stardom and his contribution to sexual identity politics. In this first scholarly study undertaken on Rituparno Ghosh, the essays discuss the cultural import of his work within the dynamics of a rapidly evolving film industry in Bengal and more largely the cinematic landscape of India. The anthology also contains a conversation section (interviews with the filmmaker and with industry

cast and crew) drawing a critical and personal portrait of this remarkable filmmaker.

Anatomy: A Love Story - Dana Schwartz 2022-01-18

INSTANT #1 NEW YORK TIMES BESTSELLER *INSTANT #1 INDIE BESTSELLER* *INSTANT USA TODAY BESTSELLER* *A REESE'S YA BOOK CLUB PICK* "Schwartz's magical novel is at once gripping and tender, and the intricate plot is engrossing as the reader tries to solve the mystery. She doesn't miss a beat in either the characterization or action, scattering clues with a delicate, precise hand. This is, in the end, the story of the anatomy of the human heart." - Booklist (starred review) Dana Schwartz’s Anatomy: A Love Story is a gothic tale full of mystery and romance. Hazel Sinnett is a lady who wants to be a surgeon more than she wants to marry. Jack Currer is a resurrection man who’s just trying to survive in a city where

it's too easy to die. When the two of them have a chance encounter outside the Edinburgh Anatomist's Society, Hazel thinks nothing of it at first. But after she gets kicked out of renowned surgeon Dr. Beecham's lectures for being the wrong gender, she realizes that her new acquaintance might be more helpful than she first thought. Because Hazel has made a deal with Dr. Beecham: if she can pass the medical examination on her own, Beecham will allow her to continue her medical career. Without official lessons, though, Hazel will need more than just her books—she'll need corpses to study. Lucky that she's made the acquaintance of someone who digs them up for a living. But Jack has his own problems: strange men have been seen skulking around cemeteries, his friends are disappearing off the streets, and the dreaded Roman Fever, which wiped out thousands a few years ago, is back with a vengeance. Nobody important cares—until Hazel. Now, Hazel and Jack must work together to uncover the secrets buried not just in unmarked graves, but in the very heart of Edinburgh society.

Golosa - Richard M. Robin 1997

For courses in First-year Russian Introductory Russian, Basic Russian, Basic Intensive Russian, and Intermediate Russian. *Golosa* is a two-volume, communicative approach to Russian that is designed to help students reach the ACTFL Intermediate range in speaking and Intermediate High in reading and listening. Each volume of *Golosa* includes a main textbook, a student workbook with laboratory drills and written exercises, and an audio program that runs approximately ten hours per volume and includes listening comprehension exercises, dialogs, conversations, and rapid-pace oral drills. Each unit in the program revolves around a topic (university, family, etc.), and follows the same basic format: introduction of basic vocabulary for the topic, listening to introductory conversations, short dialogs with activation exercises and role-play practice, practice in listening and reading with emphasis on strategies, grammar study and practice in both oral and written form, and written workbook exercises that go from mechanical to creative. NEW! Book I offers a CD-ROM with lexical and grammatical exercises for each unit!

Sisterhood Story - 2017-08

Featuring Fifteen New Authors

Lecture Notes on Classical Mechanics (a Work in Progress) - Daniel Arovav 2014-12-16

Lecture Notes on Classical Mechanics (A Work in Progress) By Daniel Arovav

Chotti Munda and His Arrow - Mahasweta Devi 2008-04-15

Written in 1980, this novel by prize-winning Indian writer Mahasweta Devi, translated and introduced by Gayatri Chakravorty Sprivak, is remarkable for the way in which it touches on vital issues that have in the subsequent decades grown into matters of urgent social concern. Written by one of India's foremost novelists, and translated by an eminent cultural and critical theorist. Ranges over decades in the life of Chotti - the central character - in which India moves from colonial rule to independence, and then to the unrest of the 1970s. Traces the changes, some forced, some welcome, in the daily lives of a marginalized rural community. Raises questions about the place of the tribal on the map of national identity, land rights and human rights, the 'museumization' of 'ethnic' cultures, and the justifications of violent resistance as the last resort of a desperate people. Represents enlightening reading for students and scholars of postcolonial literature and postcolonial studies.

Rituparno Ghosh - Sangeeta Datta 2015-11-19

An iconic filmmaker and inheritor of the legendary Satyajit Ray's legacy, Rituparno Ghosh was one of the finest auteurs to emerge out of contemporary Bengal. His films, though rooted firmly in middle-class values, desires and aspirations, are highly critical of hetero-patriarchal power structures. From the very outset, Ghosh displayed a strong feminist sensibility which later evolved into radical queer politics. This volume analyses his films, his craft, his stardom and his contribution to sexual identity politics. In this first scholarly study undertaken on Rituparno Ghosh, the essays discuss the cultural import of his work within the dynamics of a rapidly evolving film industry in Bengal and more largely the cinematic landscape of India. The anthology also contains a conversation section (interviews with the filmmaker and with industry cast and crew) drawing a critical and personal portrait of this remarkable filmmaker.

A Golden Age - Tahmima Anam 2016-05-15

Spring, 1971, East Pakistan. Rehana Haque is throwing a party for her beloved children, Sohail and Maya.

Her young family is growing up fast, and Rehana wants to remember this day forever. But out on the hot city streets, something violent is brewing. As the civil war develops, a war which will eventually see the birth of Bangladesh, Rehana struggles to keep her children safe and finds herself facing a heartbreaking dilemma.

Aghora - Robert Svoboda 1986

The *Aghora* trilogy have been embraced world-wide for their frankness in broaching subjects generally avoided and their facility for making the 'unseen' real. We enter the world of Vimalananda who teaches by story and living example.

100 Great Time Management Ideas - Patrick Forsyth 2009-11-28

Are you looking for some great ideas or inspiration to manage your time better? This book contains 100 great ideas, extracted from leading companies and individuals from around the world. In an age when people of all levels are struggling to cope with the demands on their time, just one simple idea can be the catalyst to change that. This book can be that very catalyst. Each time management idea is succinctly described and is followed by advice on how it can be applied to the reader's own situation. A simple but potentially powerful book for anyone seeking new inspiration and that killer application.

Differential and Integral Calculus - Richard Courant 2011-08-15

The classic introduction to the fundamentals of calculus Richard Courant's classic text *Differential and Integral Calculus* is an essential text for those preparing for a career in physics or applied math. Volume 1 introduces the foundational concepts of "function" and "limit", and offers detailed explanations that illustrate the "why" as well as the "how". Comprehensive coverage of the basics of integrals and differentials includes their applications as well as clearly-defined techniques and essential theorems. Multiple appendices provide supplementary explanation and author notes, as well as solutions and hints for all in-text problems.

Legal Drafting: Do it Yourself - H. L. Kumar 2010

Encyclopaedia of Indian Literature - Amaresh Datta 1988

A Major Activity Of The Sahitya Akademi Is The Preparation Of An Encyclopaedia Of Indian Literature. The Venture, Covering Twenty-Two Languages Of India, Is The First Of Its Kind. Written In English, The Encyclopaedia Gives A Comprehensive Idea Of The Growth And Development Of Indian Literature. The Entries On Authors, Books And General Topics Have Been Tabulated By The Concerned Advisory Boards And Finalised By A Steering Committee. Hundreds Of Writers All Over The Country Contributed Articles On Various Topics. The Encyclopaedia, Planned As A Six-Volume Project, Has Been Brought Out. The Sahitya Akademi Embarked Upon This Project In Right Earnest In 1984. The Efforts Of The Highly Skilled And Professional Editorial Staff Started Showing Results And The First Volume Was Brought Out In 1987. The Second Volume Was Brought Out In 1988, The Third In 1989, The Fourth In 1991, The Fifth In 1992, And The Sixth Volume In 1994. All The Six Volumes Together Include Approximately 7500 Entries On Various Topics, Literary Trends And Movements, Eminent Authors And Significant Works. The First Three Volume Were Edited By Prof. Amaresh Datta, Fourth And Fifth Volume By Mohan Lal And Sixth Volume By Shri K.C.Dutt.

The Handmaid's Tale - Margaret Atwood 2017

Pichai - Jagmohan Bhanver 2016-01-27

An incisive look into the world's most innovative tech company and the man chosen to lead it. On 10 August 2015, an unassuming product expert who learnt his ropes at IIT Kharagpur was declared the next CEO of tech giant Google. Sundar Pichai's appointment was hardly an unexpected one. Pichai is a man known as much for his veritable Midas touch with every product he has developed or led for Google - Chrome, Chrome OS and Android, to name just a few - as for his superlative people skills and open-minded approach to innovation. Yet, the company's decision to restructure its product lines and appoint Pichai as the head of a leaner, more focused Google, has raised inevitable questions: • What does Pichai's role augur for the

future of the tech giant? • Will Google consolidate its position for existing products or will they focus on creating new ones? • And will Pichai transform the organization that Schmidt, Page and Brin created and led, or confirm the belief of a minority of naysayers that he is not yet ready for this daunting role? Pichai: The Future of Google provides answers to these questions while throwing light on Sundar Pichai's childhood and education; his entry into the tech world and quick rise up the ranks in Google; and his key contributions as a leader and tech-guru to Google's most successful properties. Timely and insightful, this book offers a rare glimpse into the fascinating ecosystem of a path-breaking company and shows us what it takes to be a dynamic leader in the 21st century.

Bioscope - Mamta Nainy 2011

Join Guddu and her little animal friends as she takes you on a tour through her enchanting world, armed with a little imagination and a gift for seeing the absurd in the trivial. Guddu's warm-hearted and humorous narrative brings to life the characters of her village from her unique childlike perspective. An unforgettable experience!

The Story of Sex - Philippe Brenot 2017-10-31

The first graphic history of sex chronicles sexuality and human intimacy through the ages, from our primate pasts to our robotic futures. Humans have had sex on the brain since pre-civilization either for pleasure, power, revenge, a desire for children, or simply because it isn't allowed. Today, sex is all around us but it's rarely explained and almost never taught. In *The Story of Sex*, sexologist Phillippe Brenot combines anthropology, sociology, psychology and history with witty comics by Latetita Coryn for an in-depth explanation of this essential aspect of humanity. Organized chronologically into sections like Babylon: Free Love, The Middle Ages: Heaven and Hell, and The 20th Century: Sexual Liberation, Brenot explores what eroticism really is, how our ancestors behaved sexually, when the first couple was established, how superstition and morality laws shaped sexuality, the use of pornography in the digital age, and how some ancient civilizations were far ahead of their time when it came to gender equality. Full of fascinating details like Cleopatra's invention of the vibrator and a Dutch shopkeeper's accidental discovery of the existence of

sperm--all accompanied by hilarious comics and dialogue -- *The Story of Sex* is informative, unique, and entertaining book.

Childhood Days - Satyajit Ray 2000-10-14

Frank and funny, these stories written originally for the Bengali children's magazine Sandesh, are an essential read for all Ray enthusiasts as well as those who want to know Ray, the writer and film-maker, better. In this volume, Ray also shares some of his experiences while shooting *Pather Panchali*—his epic debut, and subsequent films, particularly for children. He describes how an entire field of kaash flowers was eaten up by cows before he could shoot his famous scene with the train in *Pather Panchali*; and how a circus tiger let loose in a bamboo grove chased away a group of curious onlookers in the blink of an eye.

Popular Cinema in Bengal - Madhuj Mukherjee 2020-06-09

Popular Cinema in Bengal marks a decisive turn in studies of Bengali language cinema by shifting the focus from auteur and text-based studies to exhaustive readings of the film industry. The book covers a wide range of themes and issues, including: generic tropes (like comedy and action); iconic figurations (of the detective and the city); (female) stars such as Kanan Bala, Sadhana Bose and Aparna Sen; intensities of public debates (subjects of high and low cultures, taste, viewership, gender and sexuality); print cultures (including posters, magazines and song-booklets); cinematic spaces; and trans-media and trans-cultural traffic. By locating cinema within the crosscurrents of geo-political transformations, the book highlights the new and persuasive research that has materialised over the last decade. The authors raise pertinent questions regarding 'regional' cinema as a category, in relation to 'national' cinema models, and trace the non-linear journey of the popular via multiple (media) trajectories. They address subjects of physicality, sexuality and its representations, industrial change, spaces of consumption, and cinema's meandering directions through global circuits and low-end networks. Highlighting the ever-changing contours of cinema in Bengal in all its popular forms and proposing a new historiography, *Popular Cinema in Bengal* will be of great interest to scholars of film studies and South-Asian popular culture. The chapters were originally published in the journal *South Asian History and Culture*.
