Dragon's Fang Stacy A. Wright 2011-08-08 Nickolas Landry; Martial Arts instructor, model citizen, and former Navy SEAL. Years ago, after leaving the Navy, he was confronted by an ancient little man from Japan, who claimed that Nick was destined to serve as the Guardian of mankind. His duty, until the end of times, is to safeguard humanity from the forces of darkness. This destiny came with a warning, explained by Masamoto that this duty would destroy the life Nick knows. When the time came, after years of training, Nick learned first hand how true the warning was. He believed that he possessed the strength and ability to protect his life and the loved ones in it. On the eve of his wedding, he was shown how wrong he was, when his bride to be was taken from him, along with Masamoto, losing her life because of his destiny. How does a man give his life to save the rest of mankind? Sure, he could've walked away and denied his destiny. But, how could he carry on with his life knowing that the future of mankind is doomed on Earth? Nickolas Landry is not that kind of man, but with the end of times near, he will soon learn the extent of this so-called destiny that has consumed his life, and what it will truly cost him. Allies have been made, with more to come to fight at his side, on this eve of doom. It is then that Nick will discover what the ultimate sacrifice is to save the world.

Shari Stewart 2009-10 Do you Love someone who is Infertile? is a guidebook for the husband, sister, friend, or parent who can't fix a loved one's infertility and may feel helpless. What you do, when she is facing the greatest crisis of their life, can either lessen her pain, or add to her grief—but in either case, the relationships will be changed profoundly. This book invites the reader into her world and gives specific and practical guidance: what to say, what to do, and what to never say. One of the most consistent statements made by infertile women about friends and family is, "they just don't get it"—the devastation, the loneliness, anxiety, and pain. This guidebook brings hope to the reader who finally understands what an infertile woman needs and how to walk alongside her. This book is readable and inviting; it uses a magazine-type layout to draw in the reader with pictures, quotes, stories, and practical advice.

What Women Want in a Man Kelly LEE 2019-10-07 What Women Want in a Man Tips to Understand what Your Girlfriend Really Wants and Build a More Lasting and Stable Relationship Over Time There is a lot of speculations about what women want in a man. Men have tried figuring this out for decades and women have tried to help them along the way as well. I've found that most of the books on the topic miss the important elements of it. Sure, it's easy to say that woman like charming men, but why? Why are they drawn to them? Most of these books don't explain it and motivate men to change their entire existence for a woman. I don't believe that anyone should change who they are for another person. Instead, they should change what they do and how they do it. Things can be improved upon, but some things are also best left untouched. No one seems to handle this in any of their books. Instead, it's some money-making scheme with poor quality books and bad advice. I've been with all sorts of men and I am happily married now. I can teach you what I know, tell you the things my husband does that drive me crazy, and even the things that makes me love him more along the way. Perhaps I'll even share some secrets, too. This book will contain the following to help you better understand women and what they want. These benefits are well worth reading the book. Understanding that nobody is perfect Understanding that everyone is different How to change what you do for the better to benefit you and your partner Keeping your sense of self while adopting new habits Remembering that what you want is important, too A general idea of what women are looking for in a man and a relationship Tips and tricks to better understand women It's important to know all of these things. Why? Because each individual should stay just that; an individual. Most books encourage you to change into just another gentleman, but the truth is that women don't want clones. That is why this book is going to help you far more than most other books on the market concerning this topic. Most books on the web are of poor quality and don't solve the problems at hand. My intention is to create books that help people solve whatever problems they might have without changing themselves entirely. I want to use my own experiences and my own troubles to help others overcome theirs. I won't tell you exactly how to do things. I might give a few tips, but the rest is up to you. The key to solving problems is to understand them, and that's my job: to explain it all to you. The answers you seek are in this book and I can assure you that it will help you immensely with understanding women better. I am a woman myself, after all. No one can explain what goes on in a woman's head better than a woman herself. If you Buy this book right now, all the secrets can be yours.

YOUR BOYFRIEND'S BEST GIRLFRIEND: A Tomboy's Guide To Knowing, Loving And Understanding Men CM Writer 2014-07-05 What happens when a southern tomboy, who grew up "dating like a dude" only to discover she had daddy issues that hurt the men she was once involved with, suffers heart-break and goes on a journey of self-discovery that guides her into frank discussions with men about parenting, relationships, sex, love, and growing pains? "A Tomboy's Guide" begins with the back story of a woman who grows up as a tomboy. It delves into both heavy (a story about sexual assault) and light hearted subjects (asking "Who pays for dates?"). Each chapter includes "YBBG LESSONS" that tackle many of the conflicts that men and women face when dealing with each other in a myriad of relationship settings. ""CONVERSATIONS"" with men from every walk of life, help dispel the negative ways men are normally portrayed. Men open up and show the rawness of emotions they seldom reveal when dealing with relationship issues.

MIXED NUTS Rick Cormier 2016-04-21 "Highly irreverent, but filled with wisdom and infused with deep caring, *Mixed Nuts* is a memoir of a life working in psychotherapy." "Some people assume that all therapists are new-agey hand-holders who just listen and nod like bobbleheads, then suggest an astrology reading, a gluten-free diet, and your choice of complimentary love flower or polished healing stone on your way out the door. That's not me. My job is to help fix what's broken." Speaking to the layperson and the practitioner alike, even Rick's signature humor can't hide his deep understanding of mental illness, his desire to help heal it quickly and effectively, and his pragmatic and often creative approach to treatment."

Reshonda Tate Billingsley - Say Amen ReShonda Tate Billingsley 2011-06-21 This eBook box set contains two books in ReShonda Tate Billingsley's "Say Amen" series, as well as an excerpt from her third installment, *Say Amen Again*. Let The Church Say Amen Reverend Simon Jackson has always felt destined to lead, and he's done a good job of it. But while the good Reverend's been busy tending his flock, his family's gone astray. His nineteen-year-old daughter, Rachel, gives new meaning to "baby mama drama." David, the oldest at twenty-seven, has been spiraling into a life of crime. Blessedly, Jonathan, Simon's beloved middle child, is poised to take his side as associate pastor—or so everybody thinks. At the heart of the Jackson family is Loretta, the Reverend's devoted wife—who's beginning to realize that enabling him to give more to the church than to their children was a mistake. Will Loretta be able to help her husband reunite their tattered family...before it's too late? *Everybody Say Amen* When her husband hears God's call to become a preacher, Rachel Jackson Adams is distressed—she grew up a preacher's daughter, and knows how difficult life

under the microscope can be for a reverend's family. But hot-headed Rachel has toned down her wild ways, and for the sake of her marriage and her two children, she is now the reluctant first lady of Zion Hill. When her son, Jordan, begins fighting at school, Rachel turns to the boy's father, Bobby—Rachel's first love from years ago. Married now himself, there should be nothing between them except their concern for Jordan—so why does seeing Bobby again feel so distractingly tempting? Rachel must listen carefully to discover what God truly wants for her—and decide if Bobby is the lover of her dreams or the devil in disguise. Say Amen Again Once again, the spirited Houston congregation featured in ReShonda Tate Billingsley's *Let the Church Say Amen and Everybody Say Amen* has a major scandal unfolding and the outspoken Rachel Jackson Adams is at the heart of the hilarious and poignant drama.

What Women Want in a Man Kelly Jones Lee 2019-11-21 What Women Want in a Man Tips to Understand what Your Girlfriend Really Wants and Build a More Lasting and Stable Relationship Over Time There is a lot of speculations about what women want in a man. Men have tried figuring this out for decades and women have tried to help them along the way as well. I've found that most of the books on the topic miss the important elements of it. Sure, it's easy to say that woman like charming men, but why? Why are they drawn to them? Most of these books don't explain it and motivate men to change their entire existence for a woman. I don't believe that anyone should change who they are for another person. Instead, they should change what they do and how they do it. Things can be improved upon, but some things are also best left untouched. No one seems to handle this in any of their books. Instead, it's some money-making scheme with poor quality books and bad advice. I've been with all sorts of men and I am happily married now. I can teach you what I know, tell you the things my husband does that drive me crazy, and even the things that makes me love him more along the way. Perhaps I'll even share some secrets, too. This book will contain the following to help you better understand women and what they want. These benefits are well worth reading the book. Understanding that nobody is perfect Understanding that everyone is different How to change what you do for the better to benefit you and your partner Keeping your sense of self while adopting new habits Remembering that what you want is important, too A general idea of what women are looking for in a man and a relationship Tips and tricks to better understand women It's important to know all of these things. Why? Because each individual should stay just that; an individual. Most books encourage you to change into just another gentleman, but the truth is that women don't want clones. That is why this book is going to help you far more than most other books on the market concerning this topic. Most books on the web are of poor quality and don't solve the problems at hand. My intention is to create books that help people solve whatever problems they might have without changing themselves entirely. I want to use my own experiences and my own troubles to help others overcome theirs. I won't tell you exactly how to do things. I might give a few tips, but the rest is up to you. The key to solving problems is to understand them, and that's my job: to explain it all to you. The answers you seek are in this book and I can assure you that it will help you immensely with understanding women better. I am a woman myself, after all. No one can explain what goes on in a woman's head better than a woman herself. If you Buy this book right now, all the secrets can be yours.

How to Get a Girlfriend Dating Online Robert Belland 2011-02-01 The goal of this book is simple: to guide ANY guy through the process of picking out the BEST women to chat with, exactly what to say to them, and how to inspire these women to feel enough attraction and comfort to meet in

person. What can YOU do slightly differently than the last 50 guys who tried emailing her that same day? Be different (in a fun way) without seeming desperate, needy, or creepy. This book explains and explores the common mistakes men are making dating online AND explains, step-by-step, EXACTLY what to say in order to stand out and get dates. This book outlines the FOUR FOUNDATIONS of successful (online) dating: Attraction, Rapport, Leading, and Escalation. - ATTRACTION is about tension and her emotional response to you. - RAPPORT is about intimacy and her emotional connection with you. - LEADING is about challenging your fears and taking action while communicating sincerity through your actions. - ESCALATION is about consistently increasing the intensity of your relationship via attraction and rapport so that it goes where ever you want it to go. WHAT YOU'LL DISCOVER IN THIS BOOK: - Exactly to say in your first email so that she's MOST likely to respond to you. - 8 tragic but typical mistakes you should NEVER make when first chatting with her online. - 5 ways she's indicating she's "ready" to meet you (but you might be missing). - 10 things you SHOULD be doing to make or break your online profile. - 10 detailed examples of men's profiles, and what's good and bad about them. - Learn which types of photos make women click your profile, and which make her run for the hills! - MANY examples of the types of emails other men will be sending her so that YOU can learn how to avoid sounding like "just another creep." - How to be DIRECT in such a way that will invite her to desire you more. - 7 amazing openers that you can use anytime that I've tested and used to meet many amazing women online, and why they work so well. - Etc, etc, etc... Getting the girl online isn't rocket science. It's not black magic. It's not surprising or wierd. BUT it's almost universally misunderstood. What makes a girl reject the last 99 guys but respond to you? It's simple. Being different, being playful, and being attractive. The core teachings of my books. As a matter of fact it's EASIER to be different than the last 99 guys simply because the last 99 guys are all saying the exact same things and all making the exact same mistakes. I wrote this book to help the average guy, like you and me, stand out from the online dating crowd in order to catch the girl we REALLY want, and ultimately deserve. She WANTS you to find her and attract her... now read this book and learn the fastest path to your first date!
