**Waiting While Dating** -

Lindsey Holder 2017-09-01

Dating in modern times can be confusing and seem more complicated than ever. How do

you date and get close to someone while keeping God first? When meeting someone new, there are many questions and scenarios to be thought about. Should he pursue first? How often should you spend time together? When should you start attending church as a couple? Should you serve in the same area? When into the relationship should you hold hands or kiss? What do social media boundaries look like? While these specific questions are not directly answered in the Bible, it is comforting to know six couples who kept God first in the relationship and yet each had different answers to these questions and more.

*Waiting While Dating* interviews six Christian couples who had different backgrounds and situations, some had been previously married and some had not. The couples span from meeting in their twenties, to thirties and forties. Each couple opens up and gives personal insight on what attracted them to their current spouse, how they held each other accountable, what

leadership from the man looked like in the relationship, what patience looked like from the female perspective and many more intimate details. Whether you're heading out on that next first date, are pondering about your current relationship, or whether you're in the engagement phase, let *Waiting While Dating* open up some questions to help you keep God first while on your journey to finding your forever.

*The Wait* - DeVon Franklin

**Boundaries** - Henry Cloud  
2008-09-09

Having clear boundaries is essential to a healthy, balanced lifestyle. A boundary is a personal property line that marks those things for which we are responsible. In other words, boundaries define who we are and who we are not. Boundaries impact all areas of our lives: Physical boundaries help us determine who may

touch us and under what circumstances -- Mental boundaries give us the freedom to have our own thoughts and opinions -- Emotional boundaries help us to deal with our own emotions and disengage from the harmful, manipulative emotions of others -- Spiritual boundaries help us to distinguish God's will from our own and give us renewed awe for our Creator -- Often, Christians focus so much on being loving and unselfish that they forget their own limits and limitations. When confronted with their lack of boundaries, they ask: - Can I set limits and still be a loving person? - What are legitimate boundaries? - What if someone is upset or hurt by my boundaries? - How do I answer someone who wants my time, love, energy, or money? - Aren't boundaries selfish? - Why do I feel guilty or afraid when I consider setting boundaries? Dr. Henry Cloud and Dr. John Townsend offer biblically-based answers to these and other tough questions, showing us how to

set healthy boundaries with our parents, spouses, children, friends, co-workers, and even ourselves.

*True Love Dates* - Debra K. Fileta 2013-10-08

It is possible to find true love through dating. In *True Love Dates*, Debra Fileta encourages singles not to "kiss dating goodbye" but instead to experience a season of dating as a way to find real love. Through powerful, real-life stories and Fileta's personal journey, this book offers profound insights from the expertise of a professional counselor. Christians are looking for answers to finding true love. They are disillusioned with the church that has provided little practical application in the area of love and relationships. They're bombarded by Christian books that shun dating, idolize courting, fixate on spirituality, and in the end, offer little real relationship help. *True Love Dates* provides honest help for dating by providing a guide into vital relationship essentials. Debra

is a professional Christian counselor who reaches millions with her popular blog, [Truelovedates.com](http://Truelovedates.com), and her book offers sound advice grounded in Christian spirituality. She delivers insight, direction, and counsel when it comes to entering the world of dating and learning to do it right the first time around. Drawing on the stories and struggles of hundreds of young men and women who have pursued the search for true love, Fileta helps readers bypass unnecessary pain while focusing on the things that really matter in the world of dating.

*Boundary Warrior* - Ivy White 2017-10-13

*Boundary Warrior* teaches the importance of healthy boundaries in relationships and how a strong relationship with God is fundamental to practicing solid boundaries. It calls you to examine your boundaries within yourself, as you relate to others, and in your relationship with your Heavenly Father. The author shares deeply personal

experiences that led to her boundary revolution. This book clarifies your role and responsibilities in various types of relationships. It teaches you how to free yourself of false shame, false guilt, misguided principles, insecurities, and deep regret. It also teaches how to say no to others when appropriate and yes to yourself and the life God called you to live. Should you dare to take a leap of faith and apply these concepts, *Boundary Warrior* will end your unnecessary suffering, replacing it with a peace unlike youve ever known. Ivy White makes it clear why a relationship with God is an essential element to healthy boundaries. When the two merge together, every step you take is lighter. Your path in life becomes clearer and filled with hope. Nonsense emotions disappear. Peace, love, joy, confidence, and self-acceptance abound. The chains of insecurities and fears shatter, releasing your personal freedoms. Ivy White challenges you to embark upon your boundary journey. Dare to

break the chains. Dare to be a Boundary Warrior.

### **Biblical Boundaries**

**Workbook** - Esther Hosea 2018-11-27

Have you heard a lot of talk about boundaries, and been told you need to set them in your relationship? Are you struggling to understand how the idea of boundaries fits into a healthy, Christian relationship? Are you confused about what God wants you to do when it comes to setting boundaries? You're not alone! I struggled for a lot of years to find Biblical answers when it came to the idea of boundaries. Finally, I decided to dive into

the Word of God with that specific focus in mind and read through the whole thing, looking specifically for how it deals with the issue of relational boundaries. I was so surprised by what I found! I've taken a lot of that information and compiled it into an interactive workbook format to help you walk through Scripture with me, and then answer the hard questions that will help you apply it in your own life. You'll find straightforward, practical information without the fluff.

Not Yet Married - Marshall Segal 2017-06-20

Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. Not Yet Married is not about waiting quietly in the corner of the

world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.
