

Does Talking To A Girl Break Your Fast

This Scarlet Cord - Joan Wolf 2012-07-09

Within one of the Old Testament's most famous battles lies one of the most tender love stories. Hidden within the battle of Jericho is the story of Rahab, a beautiful and brave young Canaanite woman who aided the Israelites by hanging a piece of scarlet cord from a window. This act of faith changed her life by placing her in the genealogy of Christ. Rahab is the youngest daughter of a Canaanite farmer, taken to Jericho for the pagan New Year so her father can find her a wealthy spouse. Sala, the Israelite boy who had once saved her from being kidnapped, is also in Jericho. When the two young people meet again they admit their love for one another, but their different religions make marriage impossible. Their love story plays out against the background of Jericho's pagan rites. It is only when the One True God of Israel comes into Rahab's life—and she realizes what He is calling her to do—that she and Sala can come together. Witness Rahab as a young woman determined to find her destiny as she follows her heart toward true love . . . and the One True God. "Wolf (*A Reluctant Queen*) holds our interest by skillfully conjuring up a fascinating version of Rahab's story, successfully persuading us that the story is far more complex than merely a "scarlet cord." —Publishers Weekly

Meet Renee, an up and coming professional in the world of loans and financing. Things looked promising until the Colonel, Robert's father, met Renee. All bets were off. Suddenly Renee's weight became the deal breaker. You will laugh, you will cry, but ultimately you will be fighting this battle right along with Renee, cheering her on, while she's putting on her big girl panties.

Girls of the True Blue - L. T. Meade 2015-06-11

Girls of the True Blue "Nancy dear, I cannot break it to you. I must tell it to you at once, and God help you to bear it. Your mother is better in one sense—in the sense that God has taken her away from all her pains. She won't ever be tired or ill or sorry any more, and she will never again have

aches or wakeful nights or sad days; she has gone to God. There is a beautiful heaven, you know, Nan, and— Oh, good gracious! what ails the child?" Nan had given one smothered scream and had rushed from the room. Fast—very fast—did the little feet run upstairs. Mrs. Esterleigh's room was on the third floor. Past the drawing-room landing she ran, where a good-natured-looking old gentleman resided. He was coming out of his comfortable drawing-room, and he saw the scared little face. He knew, of course, what had happened, and he wondered if the child knew. He called to her: "Nancy, come in and sit by my fire for a little." But she did not heed him. She ran past the second floor; no one called her here or detained her. There was a very cross old maid who lived on that floor, and Nancy had always hated her. She ran on and on. Presently she reached her mother's room. "It is not true," she gasped. "It is that dreadful Mrs. Richmond trying to frighten me. It is not a bit true—not a bit." And then she took the handle and tried to turn it and to open the door, but the door was locked. "Mother, mother!" she shrieked. "Mother, it is me—it is Nan. Don't let them keep me out. Get some one to open the door. Mother, mother!" Footsteps sounded in the room, and an elderly woman, whom Nancy had never seen before, opened the door, came quickly out, and stood with her back to it. "You must go away, my dear little girl," she said. "I will bring you to see your mother presently. Go away now, dear; you cannot come in." "But I will. You shall not keep me out. You are hurting mother. You have no right to be in the room with her;" and Nancy pommelled at the woman's hands and arms. But she was strong and masterful, and presently she picked up the exhausted child and carried her right downstairs. "Oh! give her to me," said Mrs. Richmond. "Poor little child! Nancy dear, I am so sorry for you! And I promise, darling, to be a mother to you." "Don't!" said Nan. "I don't want you as a mother—no, I don't want you." "Never mind, I will be a friend to you—an aunt—anything you like. I have promised your own dear mother; and she is quite well, and it would be selfish to wish her back." "But I want to be selfish; I want to have her back," said Nan. "I don't believe that God has come and taken her. He would not take mother and leave me; it is not likely, is it?" "God sometimes does so, and He has His wise reasons." "I don't believe it. You only want me not to go to her, and you are telling me lies." "It is the truth, Nancy; and I wish for your sake it were not. Will you come back with me to-night, dear?" "I won't. I won't ever go to you. I will always stay just outside mother's door until they let me in. I do not believe she is dead—no, not for a moment." In vain Mrs. Richmond argued and pleaded and coaxed; Nan was firm. Presently the good lady had to consult with Mrs. Vincent, who promised to look after the child. The landlady was now all tears and good-nature, and she assured Mrs. Richmond that Nan should have all her wants attended to. "I have got a very nice, good-natured servant-girl," she said. "Her name is Phoebe. I will send her upstairs, and she shall sit in the room with Miss Nan, and if necessary stay with her to-night." "Very well," said Mrs. Richmond. "It is the best that I can do; but, oh dear! how anxious I feel about the unhappy child!"

Desert Royal - Jean Sasson 2011-12-31

In Princess, readers were shocked by Sultana's revelations about life in Saudi Arabia's royal family. Royal women live as virtual prisoners, surrounded by unimaginable wealth and luxury, privileged beyond belief, and yet subject to every whim of their husbands, fathers, and even their sons. Daughters of Arabia featured Sultana's teenage daughters, determined to rebel but in very different ways. And now, in Desert Royal, Sultana's fight for women's rights in a repressive, fundamentalist Islamic society, has an extra sense of urgency. The threat of world terrorism, the gathering strength of religious leaders and the discontent of impoverished Saudis are threatening to topple the comfortable world Sultana has known. But an extended family 'camping' trip in the desert brings Sultana and her relatives face to face with their nomadic roots, and nourishes her will to carry on the fight for women's rights in all Muslim countries. This updated edition contains an all-new chapter as well as a letter from Sultana herself, encouraging all women to take up the struggle for freedom for their abused sisters throughout the world. Why Girls Talk--and What They're Really Saying - Susan Morris Shaffer 2005-01-21

Helps parents cut through the drama of teenage daughters and maintain positive emotional connections Because adolescent girls tend to talk so much, parents often assume that girls are easier to communicate with than boys. In reality, much of what teenage girls say is the opposite of a healthy expression of emotion--often taking the form of fighting, brooding hostility, or, at times, overinvolvement. While recent bestsellers such as Queen Bees and Odd Girl Out explore the social and psychological pressures that inform teenage girls' behavior, they provide little or no guidance on how to manage the communication problems that develop between parents and their daughters. Why Girls Talk--and What They're Really Saying does that and much more. Based on the authors' years of clinical and research experience, it: Deconstructs the ways girls communicate with their parents--especially mothers Arms parents with tools for cutting through the chatter and drama and getting at what their daughters are really saying Helps moms and dads to avoid becoming overinvolved in their daughters lives and to set healthy boundaries
