*Falling Into You* - Jasinda Wilder 2014-11-13

I wasn't always in love with Colton Calloway; I was in love with his younger brother, Kyle, first. Kyle was my first one true love, my first in every way. Then, one stormy August night, he died, and the person I was died with him. Colton didn't teach me how to live. He didn't heal the pain. He didn't make it okay. He taught me how to hurt, how to not be okay, and, eventually, how to let go. Nell Hawthorne is in love with her life-long best friend, Kyle Calloway. Things are great, and they're in love, young, full of promise. Then Kyle dies in a tragic accident and Nell is forever changed. She meets Kyle's older brother Colton at the funeral, and there's a spark, but it's wrong and they both know it. The moment passes, and they both move on with life. A couple years later, they meet again in New York City, and Colton realizes that Nell has never really gotten over Kyle's death, and seems to be harboring a deeply rooted pain, something like guilt, perhaps. He knows he shouldn't get involved, but he can't help himself. Trust doesn't come easily for either of them, and they both have demons, Colton especially. Together, they learn the purpose of pain and the meaning of healing, and the importance of forgiveness.

**Falling Under** - Jasinda Wilder 2014-03-14

My name is Colton Calloway. You've heard part of my story, but it turns out there's more. My little girl, Kylie, is all grown up. Beautiful and talented, just like her mother. And just like Nell, my daughter seems to have fallen for a bad boy, one with a lot of darkness and a lot of secrets. \* \* \* You thought you knew the whole story. You thought it was over. Happily ever after for everyone. You were wrong. My name is Oz Hyde, and you've never met me. I'm part of the story, too, but I'm an aside, a quick line or two you'd all but forgotten about. Well guess what? I've got my own story to tell. Buckle up, 'cause this is gonna be a hell of a bumpy ride.

**Falling Under You** - Laurelin Paige 2016-08-08

Norma Anders has always prided herself on her intelligence and determination. She climbed out of poverty, put herself through school and is now a chief financial advisor at Pierce Industries. She's certainly a woman who won't be topped. Not in business anyway. But she's pretty sure she'd like to be topped in the bedroom. Unfortunately most men see independence and ambition in a woman and they run. Even her dominant boss, Hudson Pierce has turned down her advances, leaving her to fear that she will never find the lover she's longing for. Then the most unlikely candidate steps up. Boyd, her much-too-young and oh-so-hot assistant surprises her one night with bold suggestions and an authoritative demeanor he's never shown her in the office. It's a bad idea...such a deliciously bad idea...but when Boyd takes the reins and leads her to sensual bliss she's never known, the headstrong Norma can't help but fall under his command.

If you had the chance to grab on to happiness and not let go, would you? Kathryn Hawthorne, local Chicago celebrity, thinks everything in her life is just fine. She has friends, money, a job—everything she needs to survive. Except, of course, love, which, after getting her heart broken, she avoids like the plague. Pam Phillips, on the other hand, just buried the love of her life—her husband of twenty-one years. The last thing she wants is a new friend, let alone a new love interest. When the two women meet and swap witty banter, things start to change. Kathryn can feel that familiar tug of desire in her chest as she suggests—in a smooth as silk way—that they meet up again someday. In a moment of pure insanity—or desperation—Pam decides to take a chance. What happens next changes Pam's life forever.

THE STORY YOU NEVER IMAGINED... Becca de Rosa is Nell's best friend. When Kyle died, Nell was so devastated that no one could reach her, not even her best friend Becca. As she tries to help Nell through her grief, Becca's own life is thrust into turmoil, and everything she knows is changed. **Falling into Place** - Amy Zhang 2014-09-09

One cold fall day, high school junior Liz Emerson steers her car into a tree. This haunting and heartbreaking story is told by a surprising and unexpected narrator and unfolds in nonlinear flashbacks even as Liz's friends, foes, and family gather at the hospital and Liz clings to life. This riveting debut will appeal to fans of *Before I Fall*, by Lauren Oliver, and *13 Reasons Why*, by Jay Asher. "On the day Liz Emerson tries to die, they had reviewed Newton's laws of motion in physics class. Then, after school, she put them into practice by running her Mercedes off the road." Why did Liz Emerson decide that the world would be better off without her? Why did she give up? The nonlinear novel pieces together the short and devastating life of Meridian High's most popular junior girl. Mass, acceleration, momentum, force—Liz didn't understand it in physics, and even as her Mercedes hurtles toward the tree, she doesn't understand it now. How do we impact one another? How do our actions reverberate? What does it mean to be a friend? To love someone? To be a daughter? Or a mother? Is life truly more than cause and effect? Amy Zhang's haunting and universal story will appeal to fans of Lauren Oliver, Gayle Forman, and Jay Asher.
