No More Mr. Nice Guy - Ed Turner 2021-04-03
Have you always been the guy that all the girls you want to date or sleep with have always tag and treat you as a friend? Are you stuck in the friend zone's vicious cycle when all you want is to date the woman you are interested in and not become her friend? Or maybe you've thought why been so nice to women you are interested in is a bad idea, and you don't know how to stop being a nice guy who always gets the "I only see you as a friend" vibe from women? If you have always wanted to get the girl and not be her friend or close buddy, this book answers what you have been looking for. This short but value-packed book is for men who want to stop being a nice guy who always doesn't get the girl he wants and wants to turn to the man who women she likes and love want to date and even be so much in love with. Let face the truth, being a nice guy sucks! And yes, I have been there before many years ago when I am the chief resident officer of the nice guy villa while

thinking I am so nice, agreeable, affectionate, gentle on the women I want, subtle and many more good words that I think women should love me for. But the harsh reality I faced then showed me I was doing everything wrong, which makes the girls I want to date only want to be my friend and nothing more. It's cool to be nice, but you know that being nice and even ultimately being a nice guy isn't working for you. If you have always been that nice guy, this book tells you everything you need to stop being Mr. Nice Guy who doesn't get the girl he wants to the one who is still nice and gets all the girls he wants to date and have a relationship with. In this book, you will learn: My journey as a nice guy for years and how a nice guy screwed me up many times and what you should learn from my nice guy experience will cause you to get any girl you want from now on. Why being nice is a bad idea when you meet a girl you love to date. The qualities you need to start developing as a man to make sure you stop getting the results you are

getting now from women like a nice guy. Insanity, they say, is doing the same thing all the time and expecting different results. In this book, you will learn all the new things you should be doing and the mindset you should develop to win as a nice guy. What women need that you don't know. These things are what have helped you get friend-zoned as a nice guy many times. In this book, you will learn what women need, and in giving them that, you increase your chance of dating them and even sleeping with them (if you want to). I have been the poster boy for a nice guy for years, and after being tired of getting the same "let's be friends" vibe from many women I love to date, I started digging to learn what I was doing wrong and what I should be doing to get the girls I want. The result of my many months of digging helped me for years to start dating hot women I would have never been able to date before I started fixing my nice guy problem. You don't know how you got there, you don't know why you got there, but you're there... and you want out! Almost every guy, and even many women, have been in a situation where they've wanted to be more than 'just friends' with another person. And yet, for some reason, nothing they've tried

has worked. Moreover, they always have to tip-toe around the situation because they don't want to lose the friendship by making the wrong move. It truly is a horrible place to be stuck in...to be around someone, to be so close to them in proximity, and even share so much of your lives with each other... and yet, what you really want from them is off limits. Since you're reading this report, there is a very good chance that... a. you have a current friend that you'd like to turn into your lover and/or girlfriend, b. you used to date and/or sleep with someone who now wants to be 'just friends,' c. you have been in one of the above situations in the past, maybe more than once, and you'd like to learn how to avoid it from happening during your future interactions with others, or... d. you've seen this happen to other people, where they end up in the 'friend zone'...and you want to be pre-emptive about it, so you can be prepared if it ever happens to you. Whatever your situation may be, this report will arm you with some

powerful knowledge, as well as some cutting-edge seduction and persuasion strategies, which will easily help you to get out of the 'friend zone' and/or ensure that you never end up being 'just friends' with someone you are attracted to. And, if you have ever wondered why or how it happens in the first place, this report will also help you to finally understand why so many guys seem to always end up in the 'friend zone' by accident, even when you really don't want to. (That giant mystery will be solved in this report, once and for all.) Just as I do in most of my reports, I will start this one out by sharing some of the 'quick and easy' techniques with you. These will include tips you can put to use right away, and see results almost overnight. Then, I will cover some of the more advanced stuff, including powerful persuasion techniques, which may require a bit more work on your part to execute. But they will be well worth your time and energy investment, because the results they produce will be quite amazing. But, before we

start getting into the techniques and strategies of how to turn a friend into a lover or girlfriend, there's something very important that we need to discuss first. Please do not skip over the next section - or any of the sections in this report, for that matter. If you do, you will only be hurting your own chances of making this process work effectively.
