LUCKY...IN LOVE?

After Me - Deborah Coonts

2016-12-27

Twenty million in diamonds missing. Kate Sawyer, a cop in witness protection, holds the key. If she could only remember. Early-onset Alzheimer's clouds the past. Stem cell therapy is working to clear it. But time is running out for Kate. One night she finds a dead man in her bathtub with a note stuck in his pocket. I know what you've done. Her cover blown, Kate runs, the clock is ticking. People close to her are being killed. Shadowy memories tease her. Some she recognizes. Others don't seem familiar at all. Running from

people she can't remember, dogged by a past lost in the haze, Kate discovers no one is who they appear to be, perhaps not even herself. After Me is a dark psychological thriller on the cutting edge of medical science, perfect for those who like scientific what-ifs...with a ray of hope. AN INTERVIEW WITH DEBORAH COONTS

After making a name for yourself in another genre, why switch genres now? My first series featuring Lucky O'Toole is a light, romantic mystery series. At the time, my life was pretty dark, so I enjoyed the laugh-out-loud snark of Lucky and her pals. But, now life is a bit brighter and I find the darker side, my love of thrillers calling to me. I've always loved thrillers, especially psychological thrillers, medical thrillers, women in jeopardy chase books, that sort of thing. Fast-paced storylines with deep, well-rounded characters—I wanted to add my name to the list of writers who have delved deep into these waters. You're a lawyer, so why the medical tie-in? I've

always been a science geek. When I first went to college, medical school was my target. Alas, life got in the way, but it didn't dim my interest in the field. And today, technology is honing a sharp edge in the medical field raising lots of possibilities for cures. But where there is a good use there is also a bad use—the yin and the yang. Nothing ever comes without a price. Great for storytelling. PRAISE FOR After Me "Fantastic! Coonts combines her trademark strong characters and clever plotting with one of the freshest concepts in suspense--a heroine with early onset Alzheimer's who literally can't remember why everyone wants her dead. Buckle your seatbelt for a wild ride!" - Lisa Gardner, #1 New York Times bestselling author "A firecracker of a thriller--with an ingenious premise, non-stop suspense and terrific writing. But it's the heroine who makes this such a winner--a heart-breakingly damaged loner who's got 'soon-to-be-a-major-motion-picture' written all over her." - Hank

Phillippi Ryan, Anthony, Agatha, and Mary Higgins Clark award-winning author "Everyone who loves Deborah Coonts's Lucky series knows that she is a master of the humorous mystery; now everyone will watch Coonts make her mark in the darker world of suspense. After Me hooked me from page one. After Me is the hallmark of a great thriller: strong voice, twisting mystery, and a compelling heroine." - Allison Brennan, New York Times bestselling author "Relentlessly paced, After Me is the compelling quest of a woman's inspiring quest to survive...and a haunting reminder of the great truth: we are what we remember. It's Coonts's most gripping book yet." - Vicki Pettersson, New York Times & USA Today bestselling author "Deborah Coonts' After Me is the perfect thriller: a protagonist is being chased by those driven to make her pay with her life for a deed she may or may not have done, and truly cannot remember. Coonts's masterly use of

memory flashback gives her heroine, Kate Sawyer, just enough revelatory insights into her own private hell to draw her readers into this purgatory with her. The premise is harrowing. The reveal is explosive. And the ending is redemptive. In other words, this is not just a satisfying novel; you'll find it a memorable read." - Josie Brown, author of The Housewife Assassin series "Deborah Coonts has given us an incredibly original story. Enjoy!" - Catherine Coulter, #1 New York Times bestselling author "From the white-hot opening sentence - complete with dead body - Deborah Coonts introduces Kate Sawyer, a highly original and different character. From first page to last, you will be caught up in Kate's world, her struggles, her victories, her fear, and her own battles leaving her uncertain what is real and what is not... or who she can trust... even herself. Kate is a new type of heroine in ways that cannot be described; you have to read this book. One

In this taut romantic thriller, no one is who they seem--least of all, Kate Sawyer. Kate must piece together a past she can't remember--a past that holds the key to her staying alive. Coonts has a sure winner!" - Barbara Freethy, #1 New York Times bestselling author "I love Kate Sawyer! A light, funny, romantic mystery providing a Vegas escape appropriate for anyone looking for a good laugh. Pick up a copy now and start your adventure. AN INTERVIEW WITH DEBORAH COONTS

Why did you decide to write humor? I'm not sure I decided to add snark to the Lucky books, specifically to Lucky's own voice, it just happened that way. When I was a kid, my mouth always got me into trouble. Finally, I've found a way to harness the sarcasm for the Forces of Good—or at least in a way not to anger my grandmother. And when Lucky started talking to me, she had a strong dose of sass in her. The Lucky O'Toole Vegas Adventure series is hard to categorize. Is that by design? When I set out to write *Wanna Get Lucky?*, I knew I wanted to write a romp through Las Vegas. I had the characters and the setting but no real understanding of narrative

drive. So, I threw a young woman out of a tour helicopter into the middle of the Pirate Show and let the story unfold. A bit of murder to keep the plot moving, some wisecracking and Vegas mischief to make you laugh, and some romance to keep it interesting. A bit of a mash up, but it works. PRAISE FOR *Wanna Get Lucky?* "This is chick lit gone wild and sexy, lightly wrapped in mystery and tied up with a brilliantly flashing neon bow. As the first in a series, *Wanna Get Lucky?* hits the proverbial jackpot." - Booklist "Deliciously raunchy, with humorous takes on sexual proclivities, Vegas glitz and love, though Agatha Christie is probably spinning in her grave." - Kirkus Reviews "Wanna Get Lucky? is a winner on every level. Deborah Coonts has crafted a first-class murder mystery coupled with a touching and unexpected love story. Against a flawlessly-rendered Las Vegas backdrop, Lucky's story is funny, fast-paced, exuberant and brilliantly realized." - Susan Wiggs, #1 New York Times

Wanna Get Lucky? is as entertaining as the city in which it's set." - Brenda Novak, New York Times & USA Today bestselling author "More fun than a winning streak in Vegas. Lucky O'Toole is a character with brains, beauty, and a wry sense of humor. Readers will want to meet her again—and soon." - Diane Mott Davidson, New York Times bestselling author "Paints a dead-on portrait of Las Vegas that is somehow dark, outrageous, and hilarious at the same time. Lucky O'Toole is wise, witty, and brimming with cheery cynicism. Wanna Get Lucky? goes down faster than an ice-cold Bombay martini--very dry, of course, and with a twist." - Douglas Preston, New York Times bestselling author "Wanna Get Lucky? is an amazing debut novel, a mile-a-minute read, with fantastic characters, dry wit, and the gritty neon feel of Las Vegas. Bravo to Deborah Coonts--I see

a great future ahead." - Heather Graham, New York Times bestselling author "Wanna Get Lucky? sizzles. It beguiles and surprises. It's belly-laugh funny. Add in unforgettable characters, crimes to die for, the ka-ching of high-stakes casinos, and Laura Ashley-decorated bordellos, and you have a read that's utterly irresistible from first page to last. Watch out, Janet Evanovich. The new hot number is Deborah Coonts." - Gayle Lynds, New York Times bestselling author "When it comes to the crunch (something for a sullen teenager, hostile neighbor, unbearably saintly mother-in-law), the secret is to make them laugh. Deborah Coonts's Wanna Get Lucky? (Forge/Tom Doherty, \$24.99), set at the 'most over-the-top mega casino/resort on the Las Vegas Strip,' entrusts the sleuthing to a brainy beauty who sees the lighter side of human folly." - Marilyn Stassio, New York Times Book Review, choosing Wanna Get Lucky? a medical breakthrough that would change the treatment of Alzheimer's. The breakthrough would undercut the billion-dollar Big Pharma business model, taking money from the grant writers, researchers, doctors and huge pharmaceutical companies who have made their life's work developing drugs that don't work. To Dr. Davenport's team, that is motive for murder. They turn to Detective Kate Sawyer, one of their own—a participant in their study who is battling her own genetic form of Alzheimer's. With her lover, Detective Beck Hudson; Dr. Davenport's right-hand man, Thea Janeway; and Thea's romantic nemesis and respected denizen of the Dark Web, Carter Livingston, Kate gets pulled deeper and deeper into the secret places where those on the fringes of synthetic biology ply their trade...for good and for ill. The killer threatens to kill another of Dr. Davenport's study participants unless Kate backs off...and he'll keep killing until she stops. With lives in the

Lucky in Love - George Chieffet 2010-10-04
Co-created by George L. Chieffet (script) and veteran cartoonist and animator Stephen DeStefano (plot and art), Lucky in Love is almost the flipside to dramatic works on the same theme such as Alan's War and You'll Never Know. Elegantly drawn in a supremely confident, lively, cartoony black-and-white style that recalls Milt Gross as well as classic Disney animation and comics, Lucky in Love is a unique coming-of-age story that follows its lovable eponymous hero Lucky Testatuda from his rascally teen years in Hoboken, New Jersey's Little Italy to his induction into the air force and subsequent wartime experiences. Lucky in Love shows what happens when a feisty young man merges his erotic fantasies with 1940s film myths: Moving from the '40s to present day (from which an aged, present-day Lucky looks back on his life), the book contrasts Lucky's vivid fantasy life with the darker reality of
