Saved By the Crush's Brother - Maggie Dallen 2020-07-06

Avery's plan? Snag her crush's attention, by any means necessary. She gets someone's attention, all right, it's just...the wrong brother. The plan... Avery's not a fan of unrequited love. This crush on Alex Luven? It's gotten old. She's over it. In

fact, this hopeless romantic is finally ready to take matters into her own hands, and the first step is to find some common ground. A mutual activity they can bond over, perhaps. When their health class teacher pairs them up to take care of the "health baby" for a week, she knows the universe is on her side. True love for the win! What better way to bond than over their precious fake baby? The reality... This is no ordinary baby. It's a demon in disguise. Surely real babies never cry this much. The stupid doll keeps her up all night and drives her crazy with its neediness all day, and the worst part? Alex is a total flake. When exhaustion reaches critical mass, she caves. If he won't answer his phone, then there's nothing for it but to show up at Alex's door. Except the hottie who answers the door? Yeah...this bad boy is definitely not Alex. The brother... Cristian's not exactly excited to be at his family home on his college break. His father's an overbearing tyrant, his brother is an egomaniacal jerk, and now... Well, now it seems

he's babysitting his perfect brother's fake baby and kissing the girl of his dreams. So, not all bad then...right? Except that the girl of his dreams has a crush on his Prince Charming brother. And much as Cristian can't stand his brother, Cristian's not about to get in their way. Right? Except that he has...and he probably will again. Because when it comes to true love...his perfect brother can suck it. This is a sweet, standalone Young Adult romance. best ways to do it. 1. Look out for signs that someone might be interested in you. This might include sending you romantic messages, being overly affectionate, or pursuing you in a way that seems out of the ordinary. 2. Ask someone out. This might be the easiest way to figure out who has a crush on you, especially if the person is someone you know well. Just be sure to take things slow and be prepared for a response. 3. Watch for subtle clues. If someone repeatedly compliments you or pays attention to you in a way that seems too friendly, it might be a sign that they have a crush on you. 4. Be observant. If someone seems to be watching you or following you around, it might be a sign that they have a crush on you. 5. Check your social media profiles. If someone you know has been posting a lot of pictures or videos of you, it might be a sign that they have a crush on you. 6. Ask your friends. If they know who the person with a crush on you is, they might be able to give you a hint. 7. Pay attention to your feelings. If you're

not sure whether the person with a crush on you is serious about them or not, it might be a good idea to take things slow. 8. Talk to a therapist. If you're not sure what to do or how to proceed, talking to a therapist might be a good idea. 9. Get a love reading. If you're feeling lost or unsure about what to do, getting a love reading might be a good solution. 10. Trust your gut. If you're certain that the person with a crush on you is interested in you, go ahead and let them know. After all, it might be the best thing for both of you.
