Love is for Losers Wibke Brueggemann 2021-01-21 A laugh out loud look at first love, loss and trying to avoid the girl of your dreams. What a stupid expression that is in the first place: To fall in love. Like you fall into a ditch or something. Maybe people need to look where they're going. As far as Phoebe Davis is concerned, love is to be avoided at all costs. Why would you spend your life worrying about something that turns you into a complete moron? If her best friend Polly is anything to go by, the first sniff of a relationship makes you forget about your friends (like, hello?), get completely obsessed with sex (yawn) and bang on constantly about a person who definitely isn't as great as you think they are. So Phoebe isn't going to fall in love, ever. But then she meets Emma . . . Love is for Losers by Wibke Brueggemann is a hilarious, life-affirming novel about all the big stuff: love, sex, death, family, heartbreak, kittens . . . and kisses that turn the whole world upside down.

Because Ruby has a loophole in mind: a summer of all the best cliché movie montage dates, with a definite ending come fall--no broken hearts, no messy breakup. It would be the perfect plan, if they weren't forgetting one thing about the Falling in Love Montage: when it's over, the characters have fallen in love...for real. Ciara Smyth's debut is a delightful, multilayered YA rom-com that will make you laugh, cry, and absolutely fall in love.

The Last True Poets of the Sea Julia Drake 2019-10-04 Fans of *Far from the Tree*, *We Are Okay* and *Emergency Contact* will love this epic, utterly unforgettable contemporary novel about a lost shipwreck, a missing piece of family history, and weathering the storms of life. The Larkin family isn't just lucky—they persevere. At least that's what Violet and her younger brother, Sam, were always told. When the *Lyric* sank off the coast of Maine, their great-great-great-grandmother didn't drown like the rest of the passengers. No, Fidelia swam to shore, fell in love, and founded Lyric, Maine, the town Violet and Sam returned to every summer. But wrecks seem to run in the family: Tall, funny, musical Violet can't stop partying with the wrong people. And, one beautiful summer day, brilliant, sensitive Sam attempts to take his own life. Shipped back to Lyric while Sam is in treatment, Violet is haunted by her family's missing piece—the lost shipwreck she and Sam dreamed of discovering when they were children. Desperate to make amends, Violet embarks on a wildly ambitious mission: locate the *Lyric*, lain hidden in a watery grave for over a century. She finds a fellow wreck hunter in Liv Stone, an amateur local historian whose sparkling intelligence and guarded gray eyes make Violet ache in an exhilarating new way. Whether or not they find the *Lyric*, the journey Violet takes—and the bridges she builds along the way—may be the start of something like survival. Epic, funny, and sweepingly romantic, *The Last True Poets of the Sea* is an astonishing debut about the strength it takes to swim up from a wreck.

For both, their treacherous alliance is over - until a hidden evil rises from their last adversary's ashes, forcing them to join forces once more to defend Aiyca and their respective orders. Laying claim to the island of Iraya's birth right and the bloody crown Jazmyne wears, this mysterious assailant is rearing monsters in the name of war. A war neither Iraya or Jazmyne are prepared to fight. New alliances must be forged to protect Aiyca and once again the two witches must work together to defeat an enemy who threatens both their worlds. Who will be the one sitting on top of the throne in the end - Iraya, Jazmyne, or another? Two witches. One motive. And everything to fight for.

Walking the Dog Elizabeth Swados 2016-05-16 A “brilliant and layered” novel about a prodigy turned convict turned dog walker in her 40s from the celebrated author of *My Depression: A Picture Book* (Oprah.com). A former child prodigy and rich-girl, eighteen-year-old Ester is incarcerated after her kleptomania gets way out of hand. There, she is given the very gentle name Carleen (for her own protection) and for two decades, time is the enemy. When finally let loose onto the streets of New York, Carleen finds a job as a dog walker in Manhattan’s most elite neighborhoods. But despite her remarkable gift for canine communication, Carleen is determined to finally prove that she is a real person. To this end, she tries to reconnect with her estranged—and ferociously Orthodox—daughter. Amid the strained brunch dates, unsent letters, and the continuing trauma of prison, Carleen begins a slow and halting process of self-discovery. Strikingly funny and self-aware, this belated coming-of-age novel asks the question: How do you restart after crashing your first

chance at life?

Shadow Magic Joshua Khan 2017-03-14 Thorn, an outlaw's son, wasn't supposed to be a slave. He never should have run away from home, leaving his mother and siblings to fend for themselves. Now he's been sold to Tyburn, an executioner, and they're headed to Castle Gloom in Gehenna, the land of undead, where Thorn will probably be fed to a vampire. Lilith Shadow wasn't supposed to be ruler of Gehenna. But on the terrible day her father, mother, and brother were killed, young Lily became the last surviving member of House Shadow, a long line of dark sorcerers. Her country is surrounded by enemies and the only way she can save it is by embracing her heritage and practicing the magic of the undead. But how can she when, as a girl, magic is forbidden to her? Just when it looks like Lily will have to leave her home forever, Thorn arrives at Castle Gloom. A sudden death brings them together, inspires them to break the rules, and leads them to soar to new heights in this fantasy with all the sparkle and luster of a starry night sky. Book 1 of a three book series. Advance Praise: "If you are pining for that thrill you felt when you first discovered Harry Potter, let me recommend SHADOW MAGIC. Here is a fantasy world you will lose yourself in--with Six Great Families of magic, the nicest princess of darkness you've ever met, a peasant boy with skills to rival Robin Hood, and a supporting cast of zombies, paladins, ghost puppies, executioners, minstrels, murderers, and a giant hero bat. I defy you not to love this story."--Rick Riordan "Zestful, dynamic and addictive, SHADOW MAGIC is storytelling at its most exuberant. Joshua Khan sweeps you up on the very first page and never lets you go. Close shaves, high adventure, wild fantasy, and giant bats--this book has it all. I haven't had this much fun in ages. Sit back and enjoy the ride!" -- Jonathan Stroud "Great, in-depth, unusual world-building coupled with funny, down-to-earth writing. Just call me Joshua Khan's number one fan."--Sarah Rees Brennan "There's plenty of magic to be found in SHADOW MAGIC--necromancy, giant bats, ghosts!--but the real enchantment is the spell it weaves around the reader. I'd battle a whole army of the dead just to get to spend more time in Castle Gloom and the world Joshua Khan has created."--Rachel Hawkins "An executioner's apprentice, an embattled queen of shadows, and a royal hostage join forces toward a common goal--survival in a treacherous world of monsters and magic. SHADOW MAGIC is like the best of haunted house adventures--a dark and twisty thrill ride with just the right amount of creepy humor."--Cinda Williams Chima

Under the sea, Evie craves her own freedom--but liberation from her role as Sea Witch will require an exchange she may not be willing to make. With their hearts' desires at odds, what will Runa and Evie be willing to sacrifice to save their worlds? Told from alternating perspectives, this epic fairy tale retelling is a romantic and heart-wrenching story about the complications of sisterhood, the uncompromising nature of magic, and the cost of redemption.
