Foundations of our Faith - B. Lightsey

2019-08-14

I am part of a vast ocean of Christians that view the Word of God through a different set of eyes than those of many pastors, professors, and church staff members. I have interest in the deep theology of scripture and recognize my need to be exposed to and covered by the Word of God similar to that of my "called" brothers in Christ. Yet I want it delivered to me in a simple "worker's language." Recent translations have strived toward this end and have made headway. Yet the finished product is still from scholars that often describe the original transcripts from a theological standpoint rather than a worker's standpoint. The Eastern Standard Version (ESV) published in 2001 was written to carefully weigh accuracy against the original Hebrew, Aramaic, and Greek scrolls. It stands as one of the better accepted of sound English Bible Translations. Because of its wide acceptance, I have used this translation for my resource. I have certainly considered a host of opinions and writings of a host of scholars but my source of authenticity has always been God's Word. In writing this book, I strongly encourage our religious leaders to go back to the reading, writing, and arithmetic basics of God's Word. Just as I believe, we need to get back to the basics in educating our children in school in reading, writing, and arithmetic, we also need to get back to the reading, writing, and arithmetic basics in educating God's people in church. Perhaps such

consideration is "out of touch" with the advanced theology of today. As a layman, not an ordained or seminary graduate, I might be considered a "doctrine dummy." This book, entitled "Doctrine for Dummies" is written for this vast ocean of people. We are not dummy people, but we are somewhat hindered in our study by deep theological doctrine. This book tries to take us back to reading, writing, and arithmetic doctrine.

History of the Church of Jesus Christ of Latter-day Saints (The Complete Seven-Volume Edition)

- Joseph Smith 2023-12-28

History of the Church of Jesus Christ of Latter-day Saints (originally entitled History of Joseph Smith) is a semi-official history of the early Latter Day Saint movement during the lifetime of founder Joseph Smith. It is largely composed of Smith's writings and interpretations and editorial comments by Smith's secretaries, scribes, and after Smith's death, historians of The Church of Jesus Christ of Latter-day Saints. The history was written between 1839 and 1856. It was later published in its entirety with extensive annotations and edits by B. H. Roberts as History of the Church of Jesus Christ of Latter-day Saints. The first six volumes of this work cover the "History of Joseph Smith" from his birth in 1805 to his death in 1844. Volume seven covers the material from immediately after Smith's death in June 1844 until the church's first general conference in Salt Lake City. Volume 1: 1805 - December 1833 Volume 2: January 1834 - December 1837 Volume 3: January 1838 - July 1839 Volume 4: July 1839 - May 1842 Volume 5: May 1842 - August 1843 Volume 6: September 1843 - June 1844 Volume 7: June 1844 - October 1848

The Blood Throughout the 7 Dispensations -

Bishop James C. Bailey 2005-08-17

Clearly something is dreadfully wrong with our

society when we compare the inner societal performances against the documented foundational biblical principles on which our nation is purportedly built. It is not just a national problem we face, rather an international crisis due to the absence of understanding of what spiritual repercussions await us for the lack of performance to Gods dictates. We are distracted and sidelined by childish malice over skin color, races, and a stockpile of other nonessentials, as in essence, the angels of God gradually push shut the great stone hinged door of time allotted us to establish true God fearing relationships, in the final hour of this 6th dispensation. God used one blood, His blood in the creation of man upon the face of the earth. The dominion and power of Gods human creatures were bestowed upon and within man by the blessing of the Creator. Mans failure in lack of obedience to God imposed a chronological timeframe upon humankind that was already operating in the reproductive realm, from initiation of pregnancy to full term for birth, but would now directly impact the lifespan of humans, and sub-species, from birth to death. The life of every God conscious creature is in the blood: a transfusable, non-transmutable, generation transcending, God breathed biomaterial. A godly portion of the God conscious segment of society is visually aware, but functionally asleep. God, who has given us dominion, has also given us time to get our domain in order, to His specifications: in fact He has given us six allotments, or dispensations of time, wherein we have control, to do so. The Lord will attend and manage personally the 7th dispensation, in His vesture dipped in blood. Gods blood has its role throughout all of the 7 dispensations.

How to Better Understand the Bible - J.L. Reintgen 2019-04-18

Most Christians desire to have a better understanding of their Bibles. What they may not realize is that their desire cannot be ascertained without a better comprehension of what scripture refers to as the counsels of God. This is God's plan for the ages, or what could be termed "God's big picture." All too often contemporary Christian teaching concentrates on the comfort of the here and now, losing all connection with the eternal plan of God. How to Better Understand the Bible explains how the true Christian has been sealed by God with the Holy Spirit. He is the spirit of adoption, enabling us to cry out from our hearts, "Abba, Father." Believers have this new relationship in which God is their Father and they are His children. But not only children, for God considers us His friends, and He will not hide from us any of the things He is going to do. The Spirit has been given to believers as their teacher. His mission is to take what has been given to Jesus of the Father and declare it to us, as well as showing us things to come. Unique to the time of the Christian dispensation is the fact that the Holy Spirit has been sent down. He has revealed to us the mystery of God's will. In times past, God had kept hidden two vital truths which would serve to complete the revelation and knowledge of His counsels—the universal exaltation of Jesus Christ over all things, and the formation and existence of His body, the church. How to Better Understand the Bible organizes and explains from scripture the full knowledge of God's counsels. Every true Christian, as a member of

Christ's body, has been given by God an intimate and privileged place in these counsels.

God's Sands of Time - Dr. Mervil R. Stambaugh 2021-05-07

"god's sands of time" begins by identifying the involvement of dispensations in the texts of the Bible. It also defines the term dispensation as well as what is involved in determining what constitutes a given dispensation. In order to understand the beginning of dispensations, this book will examine the matter of the biblical account of the creation and the origin of man. Another area that is considered is environmental involvement due to the ending judgment at the close of each dispensation. In that the pre-given factors determine the opening and closing of a dispensation, the author concludes that there are seven in number. Thus, each dispensation is evaluated in light of the biblical information given from Genesis to Revelation. In looking at the first five dispensations along with most of the way through the sixth, it is evident that the history of mankind is revealed in Scripture as God has been at work with man through the ages. The reader will also discover that the last two dispensations have much to reveal from Scripture concerning the happenings of the current unrest in the world and God's plan for the conclusion of this present heavens and earth. There is also information regarding the "new heavens and new earth that is to be made that will last forever and will be righteous forever." The understanding of God's plan through the ages will bring comfort as we see that indeed God is in control and has been all along.

Subtle Deception - Lawrence Vanyi 2005-08
Modern misguided evangelical empire-building at the institutional church level has systematically for the most part, attempted to

replace Christianity with its own brand of organized religion. This subtle deception has taken more than 1,700 years to develop and permeate society and typical Christian thought, but develop well it has. So well, in fact, that even some of the greatest ministry personalities of our time have made the mistake of thinking that Christianity and organized religion are one and the same. but they are not. What's wrong with organized religion you say? Did you suppose that's what Christianity was all about? Did you suppose that its church building origins are biblical? And what's the fuss anyway? Does it really matter if the Lord's people are more 'organizationally' or 'institutionally' minded than they are 'relationally' minded? The author's opinion is that Purpose dictates the correct usage of what God designs. If we want to correctly use something God has designed, we must first discover God's original intent and purpose behind the creation of His idea. This work deals with the financial 'skeletons in the Church's closet' and goes behind the scenes for God's design for the Body of Christ known as the 'Church.'

The Principles of Constitutional Government - Warren L. McFerran 1817

The issue of sovereignty dictates whether the Federal Government shall be bound by the Constitution. In this book, the author explores the significance and philosophies behind the States Rights School and the Consolidating School that have dominated American politics since the birth of the Republic. McFerran presents close reading of specific clauses of the United States Constitution and works to debunk some of the major misconceptions regarding the true American theory of government.

God and Man's Relationship Through The Dispensations Of Time - Marion Tripp 2014-10-25

God and Man's Relationship Through the Dispensations of Time This book is a follow up of

What Was God Doing before He Made Man, Dr. Tripp's unusual book. God's plan for man through the ages is a progressive one, through seven dispensations of time. Ephesians 1:10, "That in the dispensation of the fullness of time he might gather together in one all things in Christ, both which are in heaven, and which are on earth." Through the ages, God has dealt with man in varied ways according to the period of time. These periods are known as dispensations. The prehistoric period does not come under a dispensation because there was no man during that period. A dispensation is a period of time when man is tested in respect to obedience to some specific revelation of the will of God for that period. There are seven such dispensations, each of which has a character of its own and is so distinct that it cannot be commingled with any other.

[Financial Exodus](#) - Guy Walker 2008-07 Author and Pastor Guy Walker makes a convincing argument that God is about to call His people to embark on a modern day Exodus. Unlike the forced march of Biblical times which was from one geographic location to another, today God is calling His people to "come out of" the world's financial system which has by and large, enslaved them. They have, of course, willingly accepted this bondage through their voracious appetite to consume goods and services that they cannot afford to pay for. The result is financial oppression through consumer debt that is stifling their spiritual life. [Financial Exodus](#) is a roadmap to freedom and true financial prosperity. God's way. He is calling His people to no longer "be conformed to the world, but to be transformed by the renewing of your mind, so that you might prove what the good and acceptable will of God is (for your life)." God has

a plan for your deliverance.read Financial Exodus to find out what it is.

A Biography of the Holy Trinity and Man -
Markus E. Adams 2009

If you're like most people you have questions about God that are difficult to find answers for. But, there are answers to some of these and other intriguing, and sometimes troubling, questions about life inside this book in easy-to-understand language. This book is designed to lessen some of the mystery of God. God wants us to know more about Him and His plans for us. God wants us to know about His Son, Christ Jesus, and exactly what He did for us then and what He does for us now. God wants us to know about His power, the Holy Spirit, and what He does. God wants us to understand how we are viewed by Him and how we fit into His overall plans. He wants us to see ourselves, the condition that we have, and the position that we

are in. God wants us to understand that there must be a faithful and productive relationship between Him and us if we are to please Him. And we must have a solid understanding of how that relationship itself works. It is extremely important that we know what sin is and how it affects our relationship with Him. He wants and expects us to know all these things. God has never wanted to remain a total mystery to us because we cannot serve Him if He is a total mystery. Therefore, this book explains to the undecided, enlightens the newly converted, and reinforces for those already "born again" the necessity of understanding the relationship between God and themselves. Also, you will come to know that there are choices that must be made that only you can make. But they will not be as difficult to make once you have a better understanding of the relationship between God and man.
