The Ultimate Guide to Sex After Fifty - Joan Price 2014-12-22

The population over age 50 is larger than ever in history. According to the U.S. Census Bureau, 32.1 percent of the U.S. population were age 50 and over in 2011. This demographic is also healthier, more aware, more youthful, and more vocal than any previous older generation.

Thanks to ongoing medical discoveries, the sexual revolution, and the Internet, today's seniors are also sexier than ever — or at least they're now willing to talk and ask about sex as never before. They are the generation that discovered clitoral orgasms, vibrators, and Viagra, and there's no stopping the thirst for knowledge and pleasure now. Since 2005, Joan

Price has penned *Better Than I Ever Expected: Straight Talk About Sex After Sixty* and emerged as the go-to sexpert for the over-50 population. Price's savvy advice, honesty, helpfulness, and humor garnered awareness in the media, in professional circles of therapists and sex educators, and among the huge population of people over 50 who hunger for real information from an age appropriate author. Price tackles it all in this definitive guide to sex and aging: health, fun (and function), disability, dating, illness, orgasms, G-spots, P-spots, polyamory, kink, and much more.

Your Customers Will Never Stop To Use This Amazing Guide! This book will teach you how to improve your sex life by shaking things up a bit in the bedroom. Orgasms are the pinnacle of sex. It is that great, mind-blowing release of sexual tension that leaves both partners satisfied. To have great sex with earth-shattering climax, there are a few things you and your partner need to understand. Sex is not just about thrusting in and out. It is about taking time to explore each other's body and learn about each other's sexuality. It requires forming

an intimate connection to heighten passion. Different sex positions can help in achieving passion, intimacy, and sexual pleasure for both partners. Read on and find out how you and your partner can have mind-blowing orgasms each and every time. As you go on in your sexual life, stay open-minded, and never stop listening to your body. People change and you will likely change as well. By being open to these changes and being receptive to them in yourself and your long-term partner, you will be able to ensure you are always getting the most out of sex. Don't forget to communicate with your partners in order to better understand them and sex in general, as communication leads to learning and this is a great thing when it comes to sex. The hope is that this book has given you the tools you need to keep your sex life fresh and ever-changing by introducing you to the world of Kama Sutra. Maybe you have tried some of the positions from the Kama Sutra before, and you needed help in order to learn more. Maybe you

The Married Guy's Guide to Great Sex -

Clifford L. Penner 2017-09-05

Keep the sizzle in your marriage. Sex matters in a marriage—a lot! Yet many men secretly wonder: Is she really satisfied? What do we do when our desires don't match? How can we get back the passion we used to feel? The Married Guy's Guide to Great Sex will tell you what you really want to know: how to make sex meaningful to your wife, build desire, get past sexual problems, and enjoy guilt-free sex. Noted sex therapists Clifford and Joyce Penner also unveil the mystery of "what women want" and how simple it is to boost your love life by letting your wife lead. Their candid, clear style will encourage you to make great sex happen—or happen more often—in your marriage. This title is a repackaging of The Way to Love Your Wife,

and is a companion to the new title Enjoy: God's Gift of Sexual Pleasure for Women, also by the Penners.

[Sex and the Internet](#) - Al Cooper 2013-08-21

This groundbreaking book is the first of its kind to thoroughly explore the topic of cybersex and the effects of Internet use on sexuality. Focusing on treatment and assessment issues and the clinical implications of cybersex, this authoritative volume provides mental health professionals with an analysis of the most recent empirical evidence along with research specific to the impact of Internet use on couples and families, gay men, people with disabilities, children, and the workplace. Edited by one of the leading researchers, clinicians and authors in the emerging field of sex and the Internet, this book addresses the growing complexity of Internet sex issues and their impact on psychological functioning.

[The Definitive Guide to having Sex with Women in the 21st Century](#) - Sam Wilson 2020-06-10

This is not a 'let's hold hands together' book for the red pill community. This is not a MGTOW book asking you to stay away from women. This is not a Pickup book teaching you to manipulate women. This is a book of knowledge and action to get the sex you want from women. This book is for both men and women to understand the interplay between sex, relationships, marriage and money in the 21st century. This is a book born out of a curiosity to understand what are the tipping points under which a woman will have sex with a man consensually out of wedlock. Can there be a repeatable process to apply and get to sex with as less repercussions as possible? Can we take luck out of the equation? The 21st century is turning out to be one of the most difficult times to have enjoyable, guilt free sex, with most inter-gender interactions turning out to be like trying to solve an unbalanced power equation. We live in a time

where the outgoing attention span of a woman is diminishing greatly, while the incoming attention has increased exponentially. In this book, you will learn about the three vertices of a Woman - Mind, Heart and Body. The path of least resistance to sex is to operate between the vertices of the mind and body without triggering the heart. You will learn about the four necessary conditions for sex to occur - Presence - You need to be present with her to have sex with her Discretion - Who else will come to know if she has sex with you, and how does that impact her? Attraction - Is she okay with your body being on hers? Logistics - Are you both in a safe location where sex can occur? The book is filled with my real-life experiences with women over a 15-year span. I use these experiences throughout the book in order to support a point I make. And because of such a large time span and sample size, it will cover women of different ages. Hence, it will help you no matter where you are in your sexual journey. So get ready to

turn the pages into my past and come out with a whole new understanding of the world of women and sex in particular.

Fetish Sex - Violet Blue 2006

This book provides information on making the most of your - or your lover's - fetish. Most fetishists have healthy, happy sex lives with their lovers in the style of sex that their lovers prefer. And most fetishists must partition their fetishes off from their relationships. This can be isolating, but no one needs to feel lonely in a relationship, or feel confused about getting their needs met. This guide is for understanding and making the most of your - or your lover's - fetish, and learning that normal sex is exactly the kind of sex you enjoy.

A Clinician's Guide to Systemic Sex Therapy
- Gerald Weeks 2015-12-07

The second edition of A Clinician's Guide to Systemic Sex Therapy has been completely revised, updated, and expanded. This volume is written for beginning psychotherapy practitioners in order to guide them through the complexities of sex therapy and help them to be more efficient in their treatment. The authors

offer a unique theoretical approach to understanding and treating sexual problems from a systemic perspective, incorporating the multifaceted perspectives of the individual client, the couple, the family, and the other contextual factors. Both beginning and experienced sex/relationship therapists will broaden their perspectives with the Intersystem approach and gain information rarely seen in sex therapy texts such as: how to thoroughly assess each sexual disorder, the implementation of various treatment principles and techniques, how to incorporate homework, dealing with ethical dilemmas, understanding different expressions of sexual behavior, and addressing the impact of medical problems on sexuality. Aside from bringing the diagnostic criteria up-to-date with the DSM 5, this new edition contains a new chapter on sensate focus, an expanded section on assessment, more information about development across the lifespan, and more focus on diversity issues throughout the text.

Sex Positions - Fernando Sanz 2016-10-06

Take your sex life to the next level with the best positions. Orgasms guaranteed Sex positions. We are surrounded by sex in our daily lives. It's on the street, on television, even while we are online, or especially if we are online. But sometimes when it comes down to our own sexual life, we just take it for granted, or we just don't know how to make the most out of the intimate time with our partner. This book is precisely about that. It's about how to have better, more fun and pleasuring sex. Because we

have to face it, if our sex life is bad, probably our relationships will be ruined sooner or later. So if we want to have longer, healthier relationships, fixing our problems under the sheets has to be our number one priority. Open your mind, your heart, your bedroom door, your lips and your legs, because it's the best way to have a great ride. Why should I read this book? Because trying new things is always fun and challenging. Because I have the right to enjoy my sex life as much as I can. Because sex is an amazing and natural thing. And finally, because I deserve to be happy. As Woody Allen once said, "sex is only dirty if it's done right." That's what we aim for, you and us, with this book, to do it right for the rest of your life. These are among the most pleasant positions in the world. We will detail everything, so you know perfectly what goes where-how-and-when so you can start having more and better sex as soon as you have this copy of the book in your hands.
