

Homosexual Relationships In The Bible

The Truth About Same-Sex Marriage - Erwin W. Lutzer 2009-12-17

HEADLINE: Is it really that big of a deal? A May 2009 Gallup poll revealed that fifty-seven percent of Americans oppose same-sex marriage, while only forty percent are in favor of it (down from forty-six percent in 2007). This short, easy-to-read book helps shed light on what so many people believe, and why they ought not be at a loss about what to do now. The headlines only tell part of the story. In this revised and updated version of his bestselling book, Dr. Erwin Lutzer clearly and accurately depicts the truth about what is at stake here. By asking the right questions and by pinpointing the very real ramifications of same-sex marriage this handbook will help guide reality back to Truth. Dr. Lutzer expertly answers the questions that so many individuals, parents, friends, and families are asking: -How did we get to this point? -Why is marriage, as God intended it, better—and healthier? -How can I talk to my kids about this? -How do I responsibly read, watch, and filter the news? -Is there still hope? Let no one say that we have to choose between loving homosexuals and opposing same-sex marriages. Biblically, love is defined not as license to legitimize sinful behavior of any kind, but love helps us see that there is a better way. Obviously, we must be as concerned about our own sins as we are about the sins of the homosexual community. We must be concerned enough to speak out about any action, heterosexual or homosexual, that violates God's intended plan for marriage and the family. This simple, straightforward look at the issue of same-sex marriage will equip you to know what is really happening and, most importantly, why it matters for you.

What Does the Bible Really Teach about Homosexuality? (eBook) - Kevin DeYoung 2015-11-09

In WHAT DOES THE BIBLE REALLY TEACH ABOUT HOMOSEXUALITY?, award-winning author Kevin DeYoung challenges each of us – the skeptic and the seeker, the certain and the confused – to take a humble look at God's Word regarding the issue of homosexuality. After examining key biblical passages in both the Old and New Testaments and the Bible's overarching teaching regarding sexuality, this timely book

responds to popular objections raised by Christians and non-Christians alike, making this an indispensable resource for thinking through one of the most pressing issues of our day.

What the Bible Says—and Doesn't Say—About Homosexuality - John Teller 2016-03-07

Have you ever wondered what the Bible has to say about homosexuality? A growing number of Christians have come to believe that the Bible does not prohibit or condemn homosexual acts. This book is intended to refute this fundamentally flawed view, and to respond to one of its principal propagators—the Rev. Dr. Mel White. The Rev. Mel White's *What the Bible Says—and Doesn't Say—About Homosexuality* is a treatise that argues that the Bible, when correctly understood, neither condemns nor prohibits homosexual relationships between loving, committed same-sex partners. The apparent prohibitions of sodomy and other homosexual acts in the Old Testament are intended not as injunctions from God, but as reflections of societal tastes and preferences. Even if such prohibitions were based on Old Testament biblical laws—Dr. White argues—such laws have no application or bearing on contemporary Christians, who fall under the law of grace. Dr. White's treatise employs subtle twists of logic and misunderstandings of fundamental biblical principles in support of its conclusions. His treatise is especially dangerous to readers having shallow biblical knowledge and who may not fully understand the extent and clarity of the Bible's prohibition on homosexual conduct. At last—there is now an answer to Dr. White's treatise. In this volume, John Teller sets forth a systematic reply to each of Dr. White's defenses of homosexuality. John Teller thoroughly replies to, refutes and rebuts each of Dr. White's arguments on a detailed point-by-point basis. The present volume is indispensable to the Christian studying human sexuality in light of biblical principles.

God and the Gay Christian - Matthew Vines 2014

What the Bible actually says--and doesn't say--about same-sex relationships is very good news. More than any other issue of our times, the church's response to same-sex relationships has alienated Christians and caused painful divisions in families and communities. For conservative believers, that response is grounded in a

traditional interpretation of the Bible that seems to permanently exclude the notion of gay Christians in a committed relationship. But what if there is another way--one that honors those who are different and the authority of Scripture? In *God and the Gay Christian*, Matthew Vines tells how, as a theologically conservative gay Christian, he embarked on an intensive study of the Bible to discover whether same-sex relationships can be blessed by God. His groundbreaking book makes a compelling, hope-filled case for a better understanding of Sodom and Gomorrah, the teachings of Jesus and Paul, and the biblical view of marriage. Remarkable in its affirmation of both orthodox theology and equality for sexual minorities, *God and the Gay Christian* has the potential to radically change the conversation about being gay in the church.

Love Means Love - DAVID RUNCORN

2020-06-18

Does the Bible really condemn same-sex relationships? Many Christians wrestle with this question. Here, in his compassionate, cogent book, David Runcorn outlines how someone can support same-sex relationships on the basis of the Bible, not in spite of it. The Church, in every time and place, finds itself working out the shock and surprise of God's unfolding ways - often scandalized by where holiness, goodness and the life of God are to be found. Runcorn's insightful and moving reflections show how speaking in gospel friendship will help to dispel the anxiety and division that have tended to mark the Church's response to homosexuality.

Covering sexual abstinence and celibacy, sexuality and the sacred, he leads us to one powerful conclusion: love means love. 'Brim-full of gentle and clear wisdom. Highly recommended!' PAUL BAYES, Bishop of Liverpool 'Joyful, truthful, scandalously inclusive . . . This book will literally save lives. It opens the door of grace and beckons you in.' NICK BUNDOCK, Rector of St James and Emmanuel, Didsbury 'Liberates us to read our beloved Bible with faithfulness, both to the text and to the fruit of Christ we often see in LGBT+ lives. For a good number of us, it will be met with a cry of "at last!"'. JODY STOWELL, Vicar of St Michael's Harrow and Chair of London Clergy

The Bible's Yes to Same-Sex Marriage - Mark Achtemeier 2014-06-01

In the early 2000s, Mark Achtemeier embarked on a personal journey with the Bible that led him from being a conservative, evangelical opponent of gay rights to an outspoken activist for gay marriage and a fully inclusive church. In *The Bible's Yes to Same-Sex Marriage*, Achtemeier shares what led to his change of heart: the problems with excluding groups of people and the insights into the Bible's message that led him to recognize the fullness of God's love and support for the lesbian, gay, bisexual, and transgender (LGBT) community. Readers will discover how reading snippets of Scripture out of context has led to false and misleading interpretations of the Bible's message about LGBT persons. Achtemeier shows how a careful reading of the whole Scripture reveals God's good news about love, marriage, and sexuality for gay and straight people alike.

God Believes in Love - Gene Robinson
2012-09-18

From the Bishop of the Diocese of New Hampshire in the Episcopal Church, the first openly gay person elected (in 2003) to the historic episcopate and the world's leading religious spokesperson for gay rights and gay marriage—a groundbreaking book that lovingly and persuasively makes the case for same-sex marriage using a commonsense, reasoned, religious argument, made by someone who holds the religious text of the Bible to be holy and sacred and the ensuing two millennia of church history to be relevant to the discussion, equally familiar with the secular and political debate going on in America today, and for whom same-sex marriage is a personal issue; Robinson was married to a woman for two decades and is a father of two children and has been married to a man for the last four years of a twenty-three-year relationship.

God and the Gay Christian - Matthew Vines
2014-04-22

"God and the Gay Christian is a game changer. Winsome, accessible, and carefully researched, every page is brought to life by the author's clear love for Scripture and deep, persistent faith. With this book, Matthew Vines emerges as one of my generation's most important Christian leaders, not only on matters of sexuality but also on what it means to follow Jesus with wisdom, humility, and grace. Prepare to be challenged

and enlightened, provoked and inspired. Read with an open heart and mind, and you are bound to be changed." — Rachel Held Evans, author of *A Year of Biblical Womanhood and Faith Unraveled* As a young Christian man, Matthew Vines harbored the same basic hopes of most young people: to someday share his life with someone, to build a family of his own, to give and receive love. But when he realized he was gay, those hopes were called into question. The Bible, he'd been taught, condemned gay relationships. Feeling the tension between his understanding of the Bible and the reality of his same-sex orientation, Vines devoted years of intensive research into what the Bible says about homosexuality. With care and precision, Vines asked questions such as: • Do biblical teachings on the marriage covenant preclude same-sex marriage or not? • How should we apply the teachings of Jesus to the gay debate? • What does the story of Sodom and Gomorrah really say about human relationships? • Can celibacy be a calling when it is mandated, not chosen? • What did Paul have in mind when he warned against same-sex relations? Unique in its affirmation of both an orthodox faith and sexual diversity, *God and the Gay Christian* is likely to spark heated debate, sincere soul searching, even widespread cultural change. Not only is it a compelling interpretation of key biblical texts about same-sex relations, it is also the story of a young man navigating relationships with his family, his hometown church, and the Christian church at large as he expresses what it means to be a faithful gay Christian.

Marriage and Sexuality by Design - R J Chopin
2019-03-16

Marriage and Sexuality by Design is a powerful teaching tool aimed at equipping every believer with solid biblical truth while exposing and correcting the erroneous teachings of LGBT advocates. The Christian community must possess a sound irrefutable working knowledge of the Scriptures or face being misled into error. It is not enough to say "I believe same-sex marriages are wrong," we must clearly understand exactly what the Bible teaches and be capable of sharing the light of God's word with our children, friends, family, and others. We must not allow the unenlightened advocates of same-sex relationships to tell our children "your

parents are homophobic ignorant religious freaks." We must lovingly teach God's design for marriage and sexuality. All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, 17so that the servant of God may be thoroughly equipped for every good work. (2 Timothy 3:16-17) Same-sex proponents argue the Bible has always supported homosexuality and same-sex relationships. They insist that King David and Saul's son Jonathan were homosexual lovers, and the book of Ruth illustrates a lesbian relationship between Naomi and her daughter-in-law Ruth. They falsely claim that Jesus taught some people are born homosexuals. In fact, the LGBT affirming church movement openly teaches, practices and condones all same-sex marriages as approved of God. The LGBT agenda to normalize homosexuality is finding acceptance among several denominations as Godly behavior. Believers and pastors must not continue down the path of silence. We must know God's mind on this subject and loving and courageously teach the truth. Marriage and Sexuality by Design offers powerful biblical expositions and detailed analysis of God's immutable and absolute design for marriage and sexuality. You can view a sample reading of the book's contents here or click on the book pic above. During the writing of this book, the debate over God's design for marriage vs. same-sex marriage was trending across America. The LGBT (lesbian, gay, bisexual, and transsexual) community was gaining sympathy, support, and acceptance for same-sex marriages. The inevitability of the Supreme Court taking up the matter and redefining marriage to include same-sex couples was imminent. On June 26, 2015, the Court's ruling was published in favor of same-sex marriages by a narrow margin of 5-4. Same-sex marriages became legal in all fifty states. The Court's ruling was celebrated by same-sex advocates as a victory, but there is nothing victorious about a man-made law that diametrically opposes God's exclusive design for marriage. The Court's ruling is a departure from the historical evidence and judicial precedent that defines marriage as being exclusively between a man and a woman. The ruling is an ignominious failure, void of wisdom and morality. The toxicity of such a ruling flows from

the forbidden behavior it sanctions. The historical teaching of the Holy Scriptures and thousands of years of moral understanding testify against this disgraceful decision. Throughout this book, I will contrast God's design for marriage and sexuality against a growing body of misleading information, corrupted scriptural interpretations, and phantom doctrines based on fabricated stories. The LGBT agenda to normalize same-sex relationships and same-sex unions as an equivalent alternative to heterosexual marriages is completely alien to all biblical and secular history. Moreover, the insistence of some same-sex proponents alleging homosexual relationships was always acceptable and approved by God is without foundation and blatantly wrong.

One Man and One Woman - Joel R. Beeke
2016-03-25

What does the Bible teach about sexual relationships between people of the same sex? Does true love require that we accept all forms of sexual expression? No, real love does not rejoice in sin, but rejoices in the truth. In the Bible, God reveals that He created gender, sex, and marriage, and we may not alter them at our will. Through His laws and works in history, God has made it clear that homosexual practices violate His holy purposes for mankind. The New Testament reaffirms God's created order and moral laws. It too warns that homosexual practice, like any other sin that we cherish, is the pathway to God's judgment. However, the Lord Jesus Christ saves sinners by His Spirit and gives them a new identity, forgiveness, life, and power to live according to His commandments. This is the message that all people need to hear: God's laws have not changed, but God's grace offers hope to sinners through Jesus Christ.

length. For the curious, such books can sometimes be inaccessible or more than they really want to read. "The Bible, Christianity, & Homosexuality" is a concise yet profound analysis of the Bible verses often misused to condemn gay and lesbian Christians. This study was written to be accessible to all, indeed, something family members and friends of gay and lesbian Christians might actually take the time to read. The Los Angeles Times describes this work as "an illuminating...analysis that argues the Bible doesn't condemn faithful gay relationships." (McGough, 7/18/05).

Bible, Gender, Sexuality - James V. Brownson
2013-02-03

In *Bible, Gender, Sexuality* James Brownson argues that Christians should reconsider whether or not the biblical strictures against same-sex relations as defined in the ancient world should apply to contemporary, committed same-sex relationships. Presenting two sides in the debate -- "traditionalist" and "revisionist" -- Brownson carefully analyzes each of the seven main texts that appear to address intimate same-sex relations. In the process, he explores key concepts that inform our understanding of the biblical texts, including patriarchy, complementarity, purity and impurity, honor and shame. Central to his argument is the need to uncover the moral logic behind the biblical text. Written in order to serve and inform the ongoing debate in many denominations over the questions of homosexuality, Brownson's in-depth study will prove a useful resource for Christians who want to form a considered opinion on this important issue.

Oriented to Faith - Tim Otto 2014-07-07

Rather than embracing the conflict around gay relationships as an opportunity for the church to talk honestly about human sexuality, Christians continue to hurt one another with the same tired arguments that divide us along predictable political battle lines. If the world is to "know that we are Christians by our love," the church needs to discover better ways to live out the deep unity we share in Christ as we engage with politics and our world. In *Oriented to Faith*, Tim Otto tells the story of his struggle with being gay and

what that taught him about the gospel. With an authentic and compelling personal voice, Tim invites us to explore how God is at work in the world, even amidst the most difficult circumstances, redeeming and transforming the church through this difficult debate. With gentle wisdom and compassionate insight, Tim invites all followers of Jesus to consider how we might work with God through these tensions so that all can be transformed by God's good news in and through Christ. .embed-container { position: relative; padding-bottom: 56.25%; height: 0; overflow: hidden; max-width: 100%; } .embed-container iframe, .embed-container object, .embed-container embed { position: absolute; top: 0; left: 0; width: 100%; height: 100%; }

Homosexual Partnerships? - John R. W. Stott

Same Sex Relationships - John Stott
2017-07-01

Biblical wisdom on same-sex relationships explained with care, wisdom and compassion. What does the Bible say about same-sex relationships? How should Christians think about this divisive and heartfelt issue? And what of those who are caught in the crossfire: the brothers and sisters who experience same-sex attraction, but are committed to being faithful to the teaching of scripture and resisting it? In this revised, updated and extended edition of the classic chapter from *Issues Facing Christians Today*, the late John Stott lays out the biblical position on same-sex relationships with care, wisdom and compassion. In addition to Dr Stott's timeless Biblical wisdom, there are forewords by Dr John Sentamu, (the Archbishop of York) and Dr Mark Labberton (President of Fuller Theological Seminary), a helpful preface by the editor, Sean Doherty, testimonies from same-sex attracted Christians and questions for reflection and discussion.
