[Girl/Friend Theology](#) - Dori Grinenko Baker 2023-10-15

Images of God are rooted in us—for better but sometimes for worse. Adolescent girls and genderqueer teenagers often pay a heavy price when those images are oppressive. But the best God-images serve to free us all. The work can be hard, but *Girl/Friend Theology* invites us to the work with joy, playfulness, and shared commitment. Author Dori Baker updates her original work with expanded perspective, added voices and stories, and an ongoing dedication to liberating faith.

[Quarantine: A Love Story](#) - Katie Cicatelli-Kuc 2019-03-26

Love can be contagious in this infectiously fun romance by debut author Katie Cicatelli-Kuc. Oliver wants a girlfriend, and there's a girl back home who might be interested in him. The problem is, he has to spend his spring break on a volunteer trip in the Dominican Republic. Flora, on the other hand, isn't really looking for a boyfriend. She just wants to end a miserable spring break visiting her dad and her new stepmom in the D.R. The solution to both their problems? Get back home to New York ASAP. Sadly, they won't be getting there anytime soon. Their hopes are dashed when Flora's impulsiveness lands them in quarantine -- just the two of them. Now, the two teens must come together in order to survive life in a bubble for 30 days. In that time, love will bloom. But is it the real thing, or just a placebo effect? In her debut novel, Katie Cicatelli-Kuc delivers an introspective and witty story about finding love in the most unexpected place.
