**Autopornography** - Scott O'Hara 1997

In this provocative book, retired porn star Scott O'Hara (known as "Spunk" by many of his fans from an early punk photospread) gives a backstage look at the world of pornography, revealing why he loved it, what he got out of it, and why he left it. In an autobiographical style, he considers and poses answers to some fascinating questions: What is sex? What makes a porn star? And why does pornography really upset people? You'll really get to know this noted gay porn star as you get a firsthand look at his life experiences and sexual journeys from his boyhood days of locker room fantasies and sexual experimentation to his years as a porn star and then to his experiences as an individual facing the realities of being HIV-positive. As O'Hara puts it in his Introduction: "This book was written as a last-ditch effort: a way to open up all my closets, let you in on all the dark corners of my life, and give you a better picture of what goes into the making of a porn star. Because if there's one profession that arouses people's curiosity, it's that one." As you read through the pages of Autopornography, you'll see how O'Hara's personality reflects his sexuality, that is, how they have melded into one. His vivid descriptions of personal relationships (with family, friends, lovers, and casual acquaintances) and his many sexual encounters as he traveled the world reveal his love of sex and his desire to live without inhibitions, secrets, or sexual constraints. Reading Autopornography may cause you to reexamine your own sexual boundaries, realize new sexual potential, and discover sexual desires not previously aroused. With never-before-seen photographs from Jenna's private collection, exclusive photos taken for this book, and original cartoon strips, this memoir is an unparalleled exploration of sexual freedom. In the underbelly of Las Vegas, a cesspool of warring biker gangs and seedy strip clubs, gawky, brace-faced Jenna Massoli was transformed into the bombshell Jenna Jameson. Today, Jenna is the biggest star in the history of adult movies, consistently ranked as one of the most beautiful women alive. But behind the glamour and the meteoric rise to fame was a path paved with tragedy and heartbreak. As a teenager—drawn into a dark and chaotic world where rape, abuse, and murder were commonplace—Jenna began her rapid downward spiral of addiction and degradation . . . while at the same time becoming the porn world's biggest crossover success story.
