Love to Hate You Jennifer Sucevic 2020-09-22 From USA Today bestselling author Jennifer Sucevic comes a funny, sexy standalone novel. Carter Prescott is one of those guys who has it all. Wealthy family...check. Good looks...check. Brains to match all that brawn...check. And let's not even talk about all those sculpted muscles (no—seriously, I don't want to talk about them). The guy works out like it's his job. Did I mention that he's one of this year's top NFL draft picks? Sure, maybe in the beginning I was taken in by his pretty face and gorgeous body. What girl with a beating pulse wouldn't be? But his obnoxious presence killed any attraction I might have felt a long time ago. All right, fine...that's not altogether true. The guy is smoking hot, okay? There, I admitted it. Sheesh. But that doesn't mean he's not a conceited jerk. Carter is my cousin's best friend, and thanks to the fugee state I must have been in when I agreed to this living arrangement, he's my roommate for senior year. Everything would be fine between us if he would just stop messing with me. But he's incapable of restraining himself. So when he takes his antics too far, who can blame me for retaliating in kind? Carter wants to bring a hookup back to the apartment for the night? Fine by me. Is there any real harm done if I ambush them in the morning and introduce myself as his baby mama? Am I taking things too far if I whip up a batch of laxative laced brownies, so he'll crap himself all

over the field? Nope, I don't think so... The real question is how I'm going to make it through eight more months without slowly wrapping my fingers around his...throat and squeezing tight. I'm sorry, did you think I was going to say something else? Please, as if that would happen... --- "Where has this author been hiding and why am I just now stumbling across her literary masterpiece?!?!" -Nancy, GoodReads "This book has all the elements of a great read, filled with laughs and swoon worthy moments!" -Emma, GoodReads "The antics between Carter and Daisy are crazy funny. I haven't enjoyed a really big laugh in a while" -Shari, GoodReads "Carter and Daisy are made for each other" -Cindie, GoodReads "I really loved Daisy and Carter! The chemistry between the two was perfect! I loved both of their personalities" -Amy, GoodReads Topics- New adult, new adult romance, sports romance, football romance, forced proximity, cousin's best friend, roommates, opposites attract, love/hate, pranks, humor, enemies-to-lovers, forbidden, secret romance, college sports romance. Just Saying Kathy Whang 2023-04-26 Just Saying is a gathering of short stories, thoughts, and subjects presented in a random format. There is no sequence or timeline to follow. You can start anywhere and even stop in the middle if that's your preference. Or read from beginning to end. That would be my preference, of course. Each piece is meant to stand on its own just like the characters and experiences that inspired this collection. I hope you find something on each page or in each story that will bring you a smile or a tear, an aha moment, or even an "I knew that" confirmation, reassurance, or the simple knowledge that we aren't alone in life's journey. I hope my words do justice to those people and experiences that have shaped and blessed my life. Just saying.
