Agnes's Broken Dreams - Judy King 2023-01-20

It has been thirty years since Agnes last visited the country of her birth and upbringing. While it is at the request of her aging, narcissistic mother, she has her own reasons for making the journey to Australia from her home on Mallorca. Something has blighted her life since childhood. Something has cast such a long shadow over her existence that her ability to grasp at life fully, to appreciate her own sense of self-worth, to attain any semblance of happiness, to trust without reservation, has been damaged. Those whom she chooses, and who choose her, seem to want only to exploit her. Having undergone a long period of psychotherapy, Agnes can now return to re-experience the places that featured in her youth in the hope that burning questions will be answered, haunting mysteries solved, and buried memories let out into the light... This is the vibrant, heartening, and often amusing tale of a buoyant and irrepressible woman whose natural energy and determination continue to drive her forward. Having reached middle age, she is determined to grapple with - and heal - the ills that have beset her.

The Resolution for Women, New Revised Edition - Priscilla Shirer 2022-11-15

A common thread runs through the life of those women who leave a lasting impact on others. Resolve. It doesn't make them perfect women, just purposeful women—women who are intentional about charting the pathway of their lives in the direction of God's promises. Living with this kind of intentionality is what this book is all about. Quickly a New York Times bestseller when it was first published, *The Resolution for Women* returns in this newly revised edition, updated with ten years' worth of fresh insights and reflections on what it means to chart a steady course through disruptive, conflicting times. Be part of another generation inspired to anchor each day and each part of their lives in the bedrock of biblical truth. Together, these resolutions become not only the commitments we make but the legacy we create, the treasures we strategically place in the path for others to follow.

Aristocratic Women in Medieval France - Theodore Evergates 2010-08-03
Were aristocratic women in medieval France little more than appendages to patrilineal families, valued as objects of exchange and necessary only for the production of male heirs? Such was the view proposed by the great French historian Georges Duby more than three decades ago and still widely accepted. In *Aristocratic Women in Medieval France* another model is put forth: women of the landholding elite—from countesses down to the wives of ordinary knights—had considerable rights, and exercised surprising power. The authors of the volume offer five case studies of women from the mid-eleventh through the thirteenth centuries, and from regions as diverse as Blois-Chartres, Champagne, Flanders, and Occitania. They show not only the diversity of life experiences these women enjoyed but the range of social and political roles open to them. The ecclesiastical and secular sources they mine confirm that women were regarded as full members of both their natal

and affinal families, were never excluded from inheriting and controlling property, and did not have their share of family property limited to dowries. Women across France exchanged oaths for fiefs and assumed responsibilities for enfeoffed knights. As feudal lords, they settled disputes involving vassals, fortified castles, and even led troops into battle. *Aristocratic Women in Medieval France* clearly shows that it is no longer possible to depict well-born women as powerless in medieval society. Demonstrating the importance of aristocratic women in a period during which they have been too long assumed to have lacked influence, it forces us to reframe our understanding of the high Middle Ages.

China Girl - Erec Stebbins 2019-12-08

"CHINA GIRL" SPINS TALE OF A FAR-RIGHT TRUMPLANDIAN DYSTOPIA "Raw and powerful writing...passionate and unafraid...edgy, powerful and filled with non-stop tension. A politically charged nightmare that explodes off the pages in a terrifying tale. This one deserves a spot on that must read shelf. Just save room for the entire series." -Tome Tender "Erec Stebbins is back with easily the best and most frightening book in the series. The riveting story moves at a lightning pace and is impossible to put down. A chilling parable." - Internet Review of Books NEW THRILLER ASKS "WHAT IF?" IN EXPLOSIVE READ NEVER AGAIN. A fascist administration rounds up undesirables. Terrorist groups strike governmental and religious targets. The Constitution is under assault. Erec Stebbins's *China Girl* is a controversial look at an America that is all too close to reality, radioactive in its timely examination of extremism in the nation. "Stebbins is the master of the thinking reader's techno-thriller" -The Internet Review of Books Imagine an America where Donald Trump was competent and disciplined. Where the Democratic Party succumbed to internal divisions and badly lost the 2018 House elections. Where the most extreme policies of the Far Right were implemented with little opposition across the nation. Mix in the extreme action and unusual plots for which author Erec Stebbins is known. "A monster new talent in the thriller genre" -author Allan Leverone This is the dystopian world of *China Girl*. It's a contemporary thriller that asks a controversial "what if?" The plot immerses a diverse and unusual cast of characters into a nightmarish scenario. When the government goes rogue and commits atrocities, who is the terrorist and who the hero? *China Girl* is a political techno-thriller with international and crime elements, very topical to current events, touching on biotechnology, anti-democratic movements, and the rights of marginalized groups (especially immigrants) in Western societies. It picks up four years after the election of white nationalist and demagogue Daniel Suite. Deep State operatives and domestic terrorists battle to thwart an increasingly genocidal regime hell-bent on "white-washing" America through ethnic cleansing by any means necessary.
