**Maybe He Just Likes You** - Barbara Dee 2019-10-01

Children's Book of 2019  
Barbara Dee explores the subject of #MeToo for the middle grade audience in this heart-wrenching—and ultimately uplifting—novel about experiencing harassment and unwanted attention from classmates. For seventh-grader Mila, it starts with some boys giving her an unwanted hug on the school blacktop. A few days later, at recess, one of the boys (and fellow trumpet player) Callum tells Mila it's his birthday, and asks her for a "birthday hug." He's just being friendly, isn't he? And how can she say no? But Callum's hug lasts a few seconds too long, and feels...weird. According to her friend, Zara, Mila is being immature and overreacting. Doesn't she know what flirting looks like? But the boys don't leave Mila alone. On the bus. In the halls. During band practice—the one place Mila could always escape. It doesn't feel like flirting—so what is it? Thanks to a chance meeting, Mila begins to find solace in a new place: karate class. Slowly, with the help of a fellow

classmate, Mila learns how to stand her ground and how to respect others—and herself. From the author of *Everything I Know About You*, *Halfway Normal*, and *Star-Crossed* comes this timely story of a middle school girl standing up and finding her voice."

**The Chosen One** - Rick Hall 2013-11-25  
Prior to his death, legendary vampire hunter, Abraham Van Helsing, began the establishment of three unique academies to train vampire hunters. He never lived to see them completed. With his dying breath, Van Helsing uttered a prophecy that stated that one day a student would arise from one of the academies and this student would be the greatest vampire hunter of them all. To date, that prophecy has yet to be fulfilled. Ethan, a small, timid, and clumsy orphan, is seen by many of his instructors

as the worst student ever to be trained by any of the academies. Few expect him live long enough to graduate let alone enter the trade. This all changes when he is the sole survivor of a group of vampire hunters that are ambushed by a vampire prince and his nest. The fact that the youth manages to survive the massacre is nothing short of a miracle. Alan Spangler is the head physician of the Van Helsing academy located at Lexington, Kentucky. After he and a group of physicians interview and observe the youth, he becomes convinced that the youth is the prophetic Chosen One and begins an investigation into the youth's background. As his investigation expands, Alan finds that there is more to the youth than meets the eye. Before the doctor can test his theory, Ethan and dozens of other hunters are sent on a suicide mission to destroy a vampire prince and his nest. *The Guide to Dating for Teenagers with Asperger Syndrome* - Jeannie Uhlenkamp

### **Fostergirls** - Liane Shaw

2011-03-01

Her name is Sadie, but she might as well be called Fostergirl. Grouphomegirl.

That's how everyone thinks of her. Sadie doesn't care. In fact, she'd be happier if they didn't think of her at all. Her goal is to go unnoticed, to disappear.

After living in twelve different foster homes, Sadie's learned that nothing good comes from being noticed. Now here she is again, this time in a small town. There's a new high school, another new group home to get used to -- lucky number 13. But Sadie's not finding it easy to stay beneath the radar. In fact, she's learning that it's impossible to be invisible in a small town.

She can't seem to get people to stay out of her life, whether it's the endlessly chatty Rhiannon,

who for some reason wants to be her friend; Jackson, the do-good guidance counsellor who thinks she can make Sadie into a student; or the other girls in the group home whose problems keep intruding on her solitude. Little by little, Sadie starts to wonder if there might be a different course for her life, one that lets a few other people along for the ride. Liane Shaw, author of [thinandbeautiful.com](http://thinandbeautiful.com), once again brings us a vivid and compelling portrait of a young woman at odds with the world around her.
