The Girl from Silent Lake: A Totally Gripping and Heart-pounding Crime Thriller Leslie Wolfe 2021-02-19 "Please, not in front of my daughter," she pleaded. "She's just a little girl." He leaned closer, so close she felt his heated breath on her face. The blue jays that had been filling the valley with their chirping fell silent all at once when the woman's cry ripped through the clear mountain air... Detective Kay Sharp vowed she'd never return to her childhood home. On the night of her thirteenth birthday her broken family was shattered beyond repair, and leaving was the only option. Unable to fix her own past, she's been an FBI profiler for over a decade, desperate to save others. But now Kay's back and only she can solve the crime that has rocked the tight-knit community of Mount Chester to its core. A dead woman has been found by Silent Lake under the dew-covered Fall leaves, her hair braided and her body wrapped in a blanket. This small town may be a stranger to murder, but Kay recognizes the signs of a serial killer. She's certain that the ritualistic nature of the scene means it's just a matter of time until he strikes again--unless she catches him first. As yellow do-not-cross tape flaps in the biting wind, another woman is reported missing. Kay leads a frenzied search for out-of-towner Alison Nolan and when she locates her car, Kay's blood turns to ice as she shines her flashlight on the backseat and sees a teddy bear. Alison's six-year-old little girl, Hazel, has vanished too. Kay knows the missing-person investigation could turn into a murder case at any second. But as she hunts for the culprit, her own past closes in on her. Can she find the killer before it's too late? And will the secret she thought she'd buried stay that way? A totally gripping and utterly addictive new crime thriller series for readers who love Lisa Regan, Robert Dugoni and Kendra Elliot. *The Girl From Silent Lake* gives "unputdownable" a whole new meaning! unsettling memories in an effort to find her mother—missing since being accused of murder. When brutish miner Hugo Mitchum is found murdered on the frozen shore of a North Country lake, the local officials and town gossips of Beau Caelais are quick to blame Marietta Abernathy, outspoken environmental activist and angry, witchy recluse. But Marietta herself has disappeared under mysterious circumstances. Living on an isolated island with her father, Marietta's sixteen-year-old daughter, Lena, begins sifting through her mother's journals and collected oddities in an attempt to find her. While her father's grief threatens to consume him and her adoptive aunt Bea reckons with guilt and acceptance, it is the haunting town outcast Ellis Olsen who might have the most to lose if Lena fails to find her mother. A Nordic eco-noir shot through with magical realism, *Things We Found When the Water Went Down* examines power, identity, and myth in a story that asks us to explore what it means to heal—or not—after violence.

Bugs, bad cell reception, and the dark waters of the lake... no thanks. On top of that, she just failed her swim test and hates being in the water—it's terrifying. But her grandparents are strong believers in their family knowing how to swim, especially having grown up during a time of segregation at public pools. And soon strange things start happening—the sound of footsteps overhead late at night. A flickering light in the attic window. And Celeste's cousins start accusing her of pranking them when she's been no where near them! Things at the old house only get spookier until one evening when Celeste looks in the steamy mirror after a shower and sees her face, but twisted, different...

She is the Wild Woman, who represents the instinctual nature of women. But she is an endangered species. For though the gifts of wildish nature belong to us at birth, society’s attempt to “civilize” us into rigid roles has muffled the deep, life-giving messages of our own souls. In *Women Who Run with the Wolves*, Dr. Clarissa Pinkola Estés unfolds rich intercultural myths, fairy tales, folk tales, and stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary attributes of this instinctual nature. Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our deep psyches as one who is both magic and medicine. Dr. Estés has created a new lexicon for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of the soul.

FRANCISCO CHRONICLE AND MAUREEN CORRIGAN, NPR'S FRESH AIR AND NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • NPR • The Washington Post • O: The Oprah Magazine • Mother Jones • Glamour • Library Journal • Kirkus Reviews • Newsday • Pamela Paul, KQED • Financial Times • The Globe and Mail Narcissistic, hilariously self-deluded, and divorced from the real world as most of us know it, hedge-fund manager Barry Cohen oversees \$2.4 billion in assets. Deeply stressed by an SEC investigation and by his three-year-old son's diagnosis of autism, he flees New York on a Greyhound bus in search of a simpler, more romantic life with his old college sweetheart. Meanwhile, his super-smart wife, Seema—a driven first-generation American who craved the picture-perfect life that comes with wealth—has her own demons to face. How these two flawed characters navigate the Shteyngartian chaos of their own making is at the heart of this piercing exploration, a poignant tale of familial longing and an unsentimental ode to America. **LONGLISTED FOR THE CARNEGIE MEDAL FOR EXCELLENCE IN FICTION** "The fuel and oxygen of immigrant literature—movement, exile, nostalgia, cultural disorientation—are what fire the pistons of this trenchant and panoramic novel. . . . Swimming with Seals Victoria Whitworth 2018-01-03 Victoria Whitworth began swimming in the cold waters of Orkney as a means of temporary escape from a failing marriage, a stifling religious environment, and a series of health problems. Over four years, her encounters with the sea and all its weathers, the friendships she made, and the wild creatures she encountered, combined to transform her life. This book is a love letter, to the beach where she swims regularly and its microcosmic world, to the ever-changing cold waters where the North Sea and the Atlantic Ocean meet, and to the seals, her constant companions.

Lake Like a Mirror Ho Sok Fong 2019-11-07 By an author described by critics as 'the most accomplished Malaysian writer, full stop'. *Lake Like a Mirror* is a scintillating exploration of the lives of women buffeted by powers beyond their control.

Squeezing themselves between the gaps of rabid urbanisation, patriarchal structures and a theocratic government, these women find their lives twisted in disturbing ways. In precise and disquieting prose, Ho Sok Fong draws her readers into a richly atmospheric world of naked sleepwalkers in a rehabilitation centre for wayward Muslims, mysterious wooden boxes, gossip in unlicensed hairdressers, hotels with amnesiac guests, and poetry classes with accidentally charged politics - a world that is peopled with the ghosts of unsaid words, unmanaged desires and uncertain statuses, surreal and utterly true.

When a Woman Becomes a Religious Dynasty Hildegard Diemberger 2007-12-10 In the fifteenth century, the princess Chokyi Dronma was told by the leading spiritual masters of her time that she was the embodiment of the ancient Indian tantric deity Vajravarahi, known in Tibetan as Dorje Phagmo, the Thunderbolt Female Pig. After suffering a great personal tragedy, Chokyi Dronma renounced her royal status to become a nun, and, in turn, the tantric consort of three outstanding religious masters of her era. After her death, Chokyi Dronma's masters and disciples recognized a young girl as her reincarnation, the first in a long, powerful, and influential female lineage. Today, the twelfth Samding Dorje Phagmo leads the Samding monastery and is a high government cadre in the Tibet Autonomous Region. Hildegard Diemberger builds her book around the translation of

the first biography of Chokyi Dronma recorded by her disciples in the wake of her death. The account reveals an extraordinary phenomenon: although it had been believed that women in Tibet were not allowed to obtain full ordination equivalent to monks, Chokyi Dronma not only persuaded one of the highest spiritual teachers of her era to give her full ordination but also established orders for other women practitioners and became so revered that she was officially recognized as one of two principal spiritual heirs to her main master. Diemberger offers a number of theoretical arguments about the importance of reincarnation in Tibetan society and religion, the role of biographies in establishing a lineage, the necessity for religious teachers to navigate complex networks of political and financial patronage, the cultural and social innovation linked to the revival of ancient Buddhist civilizations, and the role of women in Buddhism. Four introductory, stage-setting chapters precede the biography, and four concluding chapters discuss the establishment of the reincarnation lineage and the role of the current incarnation under the peculiarly contradictory communist system.

New Yorker An extraordinary debut from a young Vietnamese American, Night Sky with Exit Wounds is a book of poetry unlike any other. Steeped in war and cultural upheaval and wielding a fresh new language, Vuong writes about the most profound subjects - love and loss, conflict, grief, memory and desire - and attends to them all with lines that feel newly-minted, graceful in their cadences, passionate and hungry in their tender, close attention: '...the chief of police/facedown in a pool of Coca-Cola./A palm-sized photo of his father soaking/beside his left ear.' Centerstage are the Morrisons, whose tragedy looks more immediate if less brutal, but is, in reality, insidious and divisive. Orphaned young, Kate Morrison was her older brother Matt’s protegee, her fascination for pond life fed by his passionate interest in the natural world. Now a zoologist, she can identify organisms under a microscope but seems blind to the state of her own emotional life. And she thinks she’s outgrown her siblings-Luke, Matt, and Bo-who were once her entire world. In this universal drama of family love and misunderstandings, of resentments harbored and driven underground, Lawson ratchets up the tension with heartbreaking humor and consummate control, continually overturning one’s expectations right to the very end. Tragic, funny, unforgettable, Crow Lake is a quiet tour de force that will catapult Mary Lawson to the forefront of fiction writers today.

The Dark Lake Sarah Bailey 2017-05-24 There were a few minutes when I was alone with her in the autopsy room. I felt wild. Absent. Before I could stop myself I was leaning close to her, telling her everything. The words draining out of me as she lay there. Her long damp hair hanging off the back of the steel table. Glassy eyes fixed blindly on the ceiling. She was still so beautiful, even in death. Our secrets circled madly around the bright white room that morning. Rocking back and forth on my heels as I stood next to her, I knew how far in I was again, how comprehensively her death could undo me. I looked at Rosalind Ryan properly for the last time before breathing deeply, readying myself, letting her pull me back into her world, and I sank down, further and further, until I was completely, utterly under. A beautiful young teacher has been murdered, her body found in the lake, strewn with red roses. Local policewoman Detective Sergeant Gemma Woodstock pushes to be assigned to the case, concealing the fact that she knew the murdered woman in high school years before. But that's not all Gemma's trying to hide. As the investigation digs deeper into the victim's past, other secrets threaten to come to light, secrets that were supposed to remain buried. The lake holds the key to solving the murder, but it also has the power to drag Gemma down into its dark depths. *The Dark Lake* is an addictive crime thriller, a mesmerising account of one woman's descent into deceit and madness, and a stunning debut that is already causing a stir around the world.

Into the Water Paula Hawkins 2017-05-02 The author of the #1 New York Times bestseller and global phenomenon *The Girl on the Train* returns with *Into the Water*, her addictive new novel of psychological suspense. They are not the first women lost to these dark waters, but their deaths disturb the river and its history, dredging up secrets long submerged. Left behind is a lonely fifteen-year-old girl. Parentless and friendless, she now finds herself in the care of her mother's sister, a fearful stranger who has been dragged back to the place she deliberately ran from—a place to which she vowed she'd never return. With the same propulsive writing and acute understanding of human instincts that captivated millions of readers around the world in her explosive debut thriller, *The Girl on the Train*, Paula Hawkins delivers an urgent, twisting, deeply satisfying read that hinges on the deceptiveness of emotion and memory, as well as the devastating ways that the past can reach a long arm into the present. Beware a calm surface—you never know what lies beneath.
