Aphrodite's Daughters - Maureen Honey 2016-08-31

The Harlem Renaissance was a watershed moment for racial uplift, poetic innovation, sexual liberation, and female empowerment. Aphrodite's Daughters introduces us to three amazing women who were at the forefront of all these developments, poetic iconoclasts who pioneered new and candidly erotic forms of female self-expression. Maureen Honey paints a vivid portrait of three African American women—Angelina Weld Grimké, Gwendolyn B. Bennett, and Mae V. Cowdery—who came from very different backgrounds but converged in late 1920s Harlem to leave a major mark on the literary landscape. She examines the varied ways these poets articulated female sexual desire, ranging from Grimké's invocation of a Sapphic goddess figure to Cowdery's frank depiction of bisexual erotics to Bennett's risky exploration of the borders between sexual pleasure and pain. Yet Honey also considers how they were united in their commitment to the female body as a primary source of meaning, strength, and transcendence. The product of extensive archival research, Aphrodite's Daughters draws from Grimké, Bennett, and Cowdery's published and unpublished poetry, along with rare periodicals and biographical materials, to immerse us in the lives of these remarkable women and the world in which they lived. It thus not only shows us how their artistic contributions and cultural interventions were vital to their own era, but also demonstrates how the poetic heart of their work keeps on beating.

Tell Me Again How A Crush Should Feel - Sara Farizan 2014-10-07

But when a sophisticated, beautiful new girl, Saskia, shows up, Leila starts to take risks she never dreamed of, especially when it looks as if the attraction between them is mutual. Struggling to sort out her growing feelings and Saskia's confusing signals, Leila confides in her old friend, Lisa, and grows closer to Tomas, whose comments about his own sexuality are frank, funny, wise and sometimes painful. Gradually, Leila begins to see that almost all of her classmates are more complicated than they first appear to be, and many are keeping fascinating secrets of their own.

Politiquette - Nadia Asencio 2015-11-12

Partisanship is destroying the U.S. Whether you're an Independent fed up with your lack of representation in Washington, a moderate Democrat or Republican disappointed by the repeated failures of your party, or a Millennial whose disenchantment with our current political system has turned into apathy, you have options and the power to turn things around; in fact, We the People have an obligation to do so. But we can't change the current state of affairs until we realize that we're part of the problem: feeding into the fiction of the two party system and fighting amongst ourselves, even as our government creates policies to benefit its corporate friends at the expense of people everywhere. While no one can do everything, we can each do something; our nation's fate in the new millennium depends on it. The first step is effective communication. The first step, is Politiquette.

Love At First Sight - Rebecca Merz 2013-11

After the death of her husband, Rebecca turned to God for everything. She was alone and needed God more than ever. This personal relationship with God became so intense that she experienced Him in ways she never dreamed were possible. Rebecca's journey began when she became convinced God used a man she named Adam to awaken her passion to be a married lady again. When Rebecca shared every little detail of her life with God, she felt certain God orchestrated the funniest situations to give her confidence as she traveled into unknown territory. She insisted God was being playful with her and wanted her to relax and trust that He was the one that was in control. Those times Rebecca experienced doubt, God did some remarkable things to prove He was with her. As a result she developed a boldness to do what she believed God was asking of her. God always confirmed the decisions she made were the stepping-stones leading to her destiny. She learned God was

pleased by her faith that she entrusted to Him alone. God demonstrated two-way communication with Him was not only possible but was necessary in order to turn her dreams into reality. This two-way conversation brought her relationship with God to a deeper level. She knew He had prepared the way that would lead her to her future husband. Rebecca claims God is still in the match making business and is the best dating coach any person could ask for because Father knows best. All proceeds from the sale of this book will go to a mobile ministry that gives women who are facing unplanned pregnancies image clear ultrasounds free of charge. When women are in crisis due to an unwanted pregnancy they need to know that God loved them at "First Sight." Hopefully with knowledge of this truth these women will now be willing to "step out on a maybe" and trust God to work out a solution that begins with them choosing life for the child within.

To my crush - Brendon Thutso 2019-10-15

This book is a concoction of the poet's thoughts on a person they have an unquenchable crush on. The poet is not a very direct person and uses metaphors, riddles, and many other language tricks to embody what they intend to say. In the poem, "The Dream", the poet talks about watching the earth flood as he sits at the brink of the cumulonimbus, but as he continues through the poem it unravels to the reader that the poet is not talking about the real flood or cumulonimbus, instead the poet uses all those meteorological terms as a way to censor their language. In many other poems like "imagine", the poet expresses their love and admiration for their crush and the things they wish they could do together. contact: brentee01@gmail.com (author)
