The Old Woman Who Lived in a Shoe; Or, There's No Place Like Home by Amanda M. Douglas is a reimaged classic nursery rhyme. Douglas delves into the old woman's story, her children, and their challenges. It's about love, resilience, and family bonds, making it a delightful read for all ages.

**Cougar Dating** - Jackson Sparks 2015-02-06

In today's dating scene, all is fair in love and attraction. We are no longer living in times where you can only date certain people of a particular race, social class, economic standing, or educational background. Yes, even gender and age are now subject to our own tastes and preferences! For an older woman, dating younger men promises fun and adventure in more ways than one. Beyond the obvious advantages, a young man sees the world with fresh eyes that can influence you to take a different perspective on life. Not to mention, younger men will certainly be youthful, energetic, and lively - both in and out of the bedroom. They will also be more receptive to (some will even ask for) you taking the reins in the relationship every now and then. Sounds pretty good, doesn't it? But on the other side of the coin, what's in it for them? And what does it take to create a sense of attraction with a younger man? That's where this book comes in. I'll explain exactly what can make you so appealing to the younger man. You'll learn specific and practical tips, like where to go, what to say, and how to dress (without betraying your sense of self) so that you can take your dating life to a whole new, younger, level. I'll also divulge all the subtle moves you need to catch his eye, and tips to keep him interested for as long as you want. In essence, this is a must-have handbook for cougar dating success.

**Dataclysm** - Christian Rudder 2014-09-09

A New York Times Bestseller An audacious, irreverent investigation of human behavior—and a first look at a revolution in the making Our personal data has been used to spy on us, hire and fire us, and sell us stuff we don't need. In Dataclysm, Christian Rudder uses it to show us who we truly are. For centuries, we've relied on polling or small-scale lab experiments to study human behavior. Today, a new approach is possible. As we live more of our lives online, researchers can finally observe us directly, in vast numbers, and without filters. Data scientists have become the new demographers. In this daring and original book, Rudder explains how Facebook "likes" can predict, with surprising accuracy, a person's sexual orientation and even intelligence; how attractive women receive exponentially more interview requests; and why you must have haters to be hot. He charts the rise and fall of America's most reviled word through Google Search and examines the new dynamics of collaborative rage on Twitter. He shows how people express themselves, both privately and publicly. What is the least Asian thing you can say? Do people bathe more in Vermont or New Jersey? What do black women think about Simon & Garfunkel? (Hint: they don't think about Simon & Garfunkel.) Rudder also traces human migration over time, showing how groups of people move from certain small towns to the same big cities across the globe. And he grapples with the challenge of maintaining privacy in a world where these explorations are possible. Visually arresting and full of wit and insight, Dataclysm is a new way of seeing ourselves—a brilliant alchemy, in which math is made human and numbers become the narrative of our time.

**Cougar Dating. How to Land the Perfect Cougar. Cougar Dating Tips and Tricks for Younger Men Looking for Older Women.** - Lucy Lumbarton 2015-08-28

Most guys have a fantasy of being with an older woman, however, the reason this remains a fantasy for most of us is that we don't know how to approach and land a cougar. Not only are they considerably older, but they're wiser, more beautiful, and experienced. While these attributes can work in your favor if you're already with a cougar, they're going to work against you when you are trying to ask one out with the wrong approach. This is why I have created a tell-all, comprehensive cougar dating book that will help you understand how cougars work, what they think, where you will find them (both online and offline), and most

importantly, how to keep them. Whether you're looking for a cougar to have some casual fun or you want to settle down with one, I will give you all the right tips and advice you need to successfully date a cougar. This book is divided into easy-to-read chapters that will teach you much more than you currently know about cougars. So if you're looking to bag that older woman you've had your eye on for months, this is your perfect opportunity. Pick this book up and read it with your full attention and focus. You'll become the ultimate cougar-magnet that you've always wanted to be! Covered in this book: - Breaking cougar stereotypes - Two kinds of women - How to approach a cougar - Dating advantages for the male and the cougar - Dating disadvantages for the male and the cougar - Bringing back that youthful spark - Sexual Stamina - Judgment from society - Explosive intimate sex - They have much to teach you - Different wants and needs - Keeping a cougar interested - Dealing with the cougar's lifestyle ..... and much more

Reproduction of the original: The Old Woman Who Lived in a Shoe by Amanda M. Douglas

[Older Women, Younger Men](#) - Felicia Brings 2000

Despite famous couples, most older women have never been open to finding that special someone from the pool of younger men.

**Younger Men** - Valerie Gibson 1994-02

An experienced "older woman", Valerie Gibson gives humorous and wise advice on meeting and keeping a younger man. To insure that no younger man can resist an older woman's charm and sophistication, there are chapters like "Out and About with Young Men" and "How to Meet His Mother When She's Only Five Years Older Than You".

*Intimate Inequalities* - Cristen Dalessandro 2021-07-16

When it comes to the topic of romantic and sexual intimacy, social observers are often quick to throw criticisms at millennials. However, we know little about millennials' own hopes, fears, struggles, and triumphs in their relationships from the perspectives of millennials themselves. *Intimate Inequalities* uses millennials' own stories to explore how they navigate gender, race, social class, sexuality, and age identities and expectations in their relationships. Situating millennials' lives within contemporary social and cultural conditions in the United States, *Intimate Inequalities* takes an intersectional approach to examining how millennials challenge—or rather, uphold—social inequalities in their lives as they come into their own as full adults. *Intimate Inequalities* provides an in-depth look into the intimate lives of one group of millennials living in the United States, demystifying what actually goes on behind closed doors, and arguing that millennials' private lives can reveal much about their ability to navigate inequalities in their lives more broadly.

**The Widowed Self** - Deborah Kestin van den Hoonaard 2009-10-22

How do older women come to terms with widowhood? Are they vulnerable or courageous, predictable or creative in dealing with this life challenge? Most books about widows usually focus on younger women; this book interweaves the voices of older widows their experiences and insights to show how they have come to terms with widowhood and have recreated their lives in new, unsuspected ways. The widows speak about how they relate to their children, their friends, to men. With powerful emotions they describe their husbands' final illnesses and deaths, and the challenging early days of widowhood. Disputing stereotypes about older women and widows, *The Widowed Self* allows the reader to visualize the impact of losing one's life partner and offers a new way of thinking about widowhood. This new book by Deborah Kestin van den Hoonaard fills a void in previous work on widowhood. Rather than seeing these women as unfortunate, passive victims of life, the reader will come to appreciate the strength and creativity with which these women face one of life's greatest challenges, a challenge that affects more than half of all women over the age of sixty-five. Widows and their families, scholars, social workers and other professionals who work with

older adults will all be interested in reading *The Widowed Self: The Older Woman's Journey through Widowhood*.

**Intimacy on the Internet** - Lauren Rosewarne 2016-04-14

The focus of this book is on the media representations of the use of the Internet in seeking intimate connections—be it a committed relationship, a hook-up, or a community in which to dabble in fringe sexual practices. Popular culture (film, narrative television, the news media, and advertising) present two very distinct pictures of the use of the Internet as related to intimacy. From news reports about victims of online dating, to the presentation of the desperate and dateless, the perverts and the deviants, a distinct frame for the intimacy/Internet connection is negativity. In some examples however, a changing picture is emerging. The ubiquitousness of Internet use today has meant a slow increase in comparatively more positive representations of successful online romances in the news, resulting in more positive-spin advertising and a more even-handed presence of such liaisons in narrative television and film. Both the positive and the negative media representations are categorised and analysed in this book to explore what they reveal about the intersection of gender, sexuality, technology and the changing mores regarding intimacy.

**Autobiography of an Elderly Woman** - Mary Heaton Vorse 2017-10-03

Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

Spiritual Sisterhood - Rebecca Florence Osaigbovo 2011-01-28

In these pages, author and speaker Rebecca Florence Osaigbovo calls all sisters to either become a spiritual mother or be mentored by one. In fact, she believes the survival of African American communities depends on the renewal of mentoring relationships. Having spent many years as both a mentor and a mentee, Osaigbovo provides here the resources needed for effective, life-giving, mentoring relationships, including help for finding someone to mentor or someone to mentor you deciding what to do together avoiding pitfalls reaching across the age gap, whether older to younger or younger to older In addition, you'll read stories from real mentors and mentees that reveal the life-change and lasting effects that come from vibrant mentoring relationships. Older, spiritually mature African American women also offer their wise words of advice, gleaned from years of serving as spiritual mothers to others. Whether you're in a family, workplace, school or ministry context, whether you're young or old, you can begin a mentoring relationship. Let Rebecca Florence Osaigbovo and her spiritual sisters and mothers show you how.

The Old Woman Tales - Miriam Jacobs 2009-10-15

I found the tales to be inspirational, deeply moving and truly of a healing nature. They seem to bring a sense of peace to the reader. Debra A. Hendron, M.Div., CASAC As recently as a few hundred years ago, we lived in close-knit communities and our lives revolved around our extended family and the changing of the seasons. Our modern life gives us many more options, but it also creates an alienation that leaves us

yearning for meaning and connection. *The Old Woman Tales*, by Miriam Jacobs is a collection of luminous short stories set in a mythic past. As we follow the Old Woman on her travels, she helps us to explore the journey of our own life, and gives us a model to help us navigate it with wisdom, humor and grace. These tales, told with approachable simplicity, offer insights about identity, self respect, making our dreams come true, losses, aging with grace, sacrifice, honoring our calling, overcoming adverse circumstances, forgiveness, gratitude and so much more. They soothe the aching heart and celebrate and honor the resilient beauty of spirit. This book also comes with an invitation to write your own Old Woman story and share your wisdom with others on [theoldwomantales.com](http://theoldwomantales.com)

**How to Date Younger Men** - Trina C. 2012-03-04

ABOUT THE BOOK "Older women, are beautiful lovers." So goes the song made famous by country crooner Ronnie McDowell in 1981. And he was right. For years, younger men of a certain type have always enjoyed the company of older women. The mystery, the worldliness, the experience - it's all something young men crave, and something many young women lack. The phenomenon of younger men having relationships with older women is nothing new. Silver screen legend Mae West, who coined the phrase, "Why don't you come up and see me some time?" kept a harem of young men well into her 60s. Catherine the Great, the sexually independent Russian ruler, had a string of younger lovers, and the last one was 40 years her junior. Celebrity couples with an older women in recent years have included Courtney Cox and David Arquette (7-year difference), Vivica Fox and rapper 50 Cent (11-year difference), Cher and Rob Camilletti (18-year difference), and Madonna and Brahim Zaibat (29-year difference). And, of course, there's Demi Moore who is 16 years older than her now-estranged husband, Ashton Kutcher. EXCERPT FROM THE BOOK To get a man, any man, you have to put yourself out there. To get a younger man requires a little more work because some might overlook you automatically. This isn't because you're not attractive, it's simply because most men are hardwired to look for women their own age or younger. To find him, you must seek him. Join an online dating site, whether it's one designed specifically for cougar-cub romances or one that caters to mainstream romances. Whichever site you choose, be specific in your age limits. How old is too old? And how young is too young? Use an attractive recent photo, preferably a headshot where you're smiling or otherwise look appealing. Keep it classy, though. You want him to be curious to know more about you, not about how fast he can bed you. Pick up a hobby that interests you, but one which also attracts young men. Do you enjoy skiing? Join a singles club that welcomes all ages for skiers. Any outdoor activity such as hiking, bicycling and boating often have young, male devotees. Don't start heading to NASCAR races if you really don't enjoy it, but don't skip out on something simply because it might not attract younger men. Cooking classes are often filled with young men. You'd be surprised at how many 20-something men are picking up sewing! Don't worry if the object of your desire isn't single. Strike up a conversation with him anyway. He probably has plenty of single friends!... Buy a copy to keep reading! Advice to a Young Man on the Choice of a Mistress and Fart Proudly - Benjamin Franklin 2016-11-30

Included in this edition are two of Benjamin Franklin's humorous essays. "Advice to a Friend on Choosing a Mistress" is a letter by Benjamin Franklin dated June 25, 1745 in which Franklin counsels a young man about channeling sexual urges. Due to its licentious nature the letter was not published in collections of Franklin's papers in the United States during the 19th century. Federal court decisions from the mid- to late- 20th century cited the document as a reason for overturning obscenity laws. "Fart Proudly" (also

called "A Letter to a Royal Academy", and "To the Royal Academy of Farting") is the popular name of a "notorious essay" about flatulence written by Benjamin Franklin c. 1781 while he was living abroad as United States Ambassador to France.

**The Breathing Sea** - E.P. Clark 2020-04-16

Dasha is a gift. Only she's not very gifted. Both books in the awarding-winning Breathing Sea mini-series in one omnibus edition! Dasha was born at the behest of the gods, her mother's pledge between the world of women and the world of spirits. The Krasnograd kremlin looks to her to rule with fire, steel, and magic, just as her Imperial foremothers did. Instead, she's shy, retiring, and the least magically talented girl her tutors have ever seen. Now that she's almost a woman grown, she needs to learn to harness her gifts, but all she can do is have fits and useless visions. When her father offers to take her on her first journey away from Krasnograd, Dasha jumps at the chance to see her native land. But their journey quickly turns into more than a mere pleasure trip. The wide world is more dangerous than Dasha had imagined, and her rapidly growing gifts may be the most dangerous thing in it. But Dasha is not the only danger in Zem'. War is raging on its borders, and threatens to spill into Zem' itself. No matter which side Dasha's people choose, they may not be able to keep their freedom and their way of life. Dasha may hold the key to protecting

Zem'—but she may have to lose herself in order to save her people. If you loved First Lessons or The Bear and the Nightingale, try this epic fantasy saga set in a magical Slavic world where trees walk, animals talk, and women rule. With discussion questions at the end.

**Cougar** - Valerie Gibson 2001

The Cougar - she's fearless, proud, sophisticated, independent. And she's hot. She's older, she knows what she wants, and she's on the prowl for younger men. And Cougar: A Guide for Older Women Dating Younger Men is her bible. There is a whole new generation of women who have worked their way up the ladder of success, through the dense and often frustrating undergrowth of same-age dating and marriage. They are financially independent, sexy and desirable. And they have discovered younger men. Why do they like younger men? Three guesses! Younger men are plentiful, they have flat stomachs and strong thighs, and they bring a fresh taste to palates dulled by jaded older men. They are optimistic, enthusiastic, energetic, and passionate. Younger men never criticize your driving, they don't have mid-life crises, don't need Grecian Formula, and they always look good in the morning. Let sex-and-relationship columnist Valerie Gibson lead you through the do's and don'ts, the naughty and the nice of: identifying your prey preparing the perfect seduction making love without showing your figure faults pacing your sexual activity meeting his mother breaking it off with no tears (2001)
