

How To Talk To A Russian Woman

Russia Through Women's Eyes Toby W. Clyman 1996-01-01 Autobiografieën van vrouwen over hun jonge jaren in tsaristisch Rusland.

Woman with a Movie Camera Marina Goldovskaya 2010-01-01 Marina Goldovskaya is one of Russia's best-known documentary filmmakers. The first woman in Russia (and possibly the world) to combine being a director, writer, cinematographer, and producer, Goldovskaya has made over thirty documentary films and more than one hundred programs for Russian, European, Japanese, and American television. Her work, which includes the award-winning films *The House on Arbat Street*, *The Shattered Mirror*, and *Solovky Power*, has garnered international acclaim and won virtually every prize given for documentary filmmaking. In *Woman with a Movie Camera*, Goldovskaya turns her lens on her own life and work, telling an adventurous, occasionally harrowing story of growing up in the Stalinist era and subsequently documenting Russian society from the 1960s, through the Thaw and Perestroika, to post-Soviet Russia. She recalls her childhood in a Moscow apartment building that housed famous filmmakers, being one of only three women students at the State Film School, and working as an assistant cameraperson on the first film of Andrei Tarkovsky, Russia's most celebrated director. Reviewing her professional filmmaking career, which began in the 1960s, Goldovskaya reveals her passion for creating films that presented a truthful picture of Soviet life, as well as the challenges of working within (and sometimes subverting) the bureaucracies that controlled Russian film and television production and distribution. Along the way, she describes a host of notable figures in Russian film, theater, art, and politics, as well as the technological evolution of filmmaking from film to video to digital media. A compelling portrait of a woman who broke gender and political barriers, as well as the eventful four decades of Russian history she has documented, *Woman with a Movie Camera* will be fascinating reading for a wide audience.

Russian Girls Inside Out Anastasia Belaruska 2022-05-15 What comes to our minds when we hear or come across the word combo “Russian girl”? Beauty, grace, seduction, youth? This book would take a look at this from another angle, and provide an answer to the secret of the phenomenal impact of the beauty of Slavic girls. Beauty does not only connote blessings and happiness but can sometimes cause serious psychological and physical troubles, as well as misunderstanding. This is a guide to what is happening in the mind of an average Russian girl.

Present Imperfect Ayesha Kagal 1996-05-02 The selections in this anthology overturn Soviet-era taboos with a vengeance. First published in the aftermath of Mikhail Gorbachev's liberalizing reforms, these stories revel in the basic commonalities of human experience, even as they reassert a peculiarly Russian belief in the spiritual, mystical, and supernatural. They satirize Soviet literary canons while exploring a full gamut of styles, from neorealism to magico-folkloric fantasy. Included in the volume are works by well-known pioneers of the “new women's prose” as well as by less familiar talents. Bold in thematic conception and stylistic experimentation, their stories are socially engaged—in the classic Russian literary tradition—and yet at the same time intensely personal. While many of these writers share a feminist outlook, their perspectives are vastly disparate and often steeped in a peculiarly post-Soviet irony: In one story, for example, a girl with no money and no prospects of earning any turns to prostitution—and fails for lack of entrepreneurial talent. Yet common to all are recurrent and interwoven motifs of self-discovery, sexual power, emotional attachment, social alienation, and vulnerability to uncontrollable forces. The ambiguous ways in which these themes are played out reveal much about what has changed and what remains at the core of a complex culture in transition.

Gender, Geography, and Punishment Judith Pallot 2012-10-04 Gaining access to a number of penal colonies to interview prisoners, the authors show that much in the Russian prison system today is a direct inheritance from the Soviet period with the result that, despite wide-ranging the reforms since 1991, the Russian penal experience for women is still uniquely painful.

The Life of a Russian Woman Doctor Anna Bek 2004-11-10 The Life of a Russian Woman Doctor by Anna Bek (1869--1954) yields rich insights into the lives of a generation of Russian women who lived at a time of revolutionary change, extraordinary challenges, and unprecedented opportunities. Written in a lively and compelling style, Anna Bek's memoir reveals not only the experiences but also the motives and values of women who sought education, independence, and self-sufficiency, the obstacles they encountered, and the influences of other women and men on their lives. This engrossing memoir also engages the special context of Siberian geography and history -- the vast distances and isolation, the heterogeneous population of settlers, exiles, and convicts, the closeness and interdependence of families and communities, and the deep appreciation of nature. This book offers a rewarding excursion into Siberian social history and an intimate acquaintance with two exceptional individuals of great charm and courage -- Anna Bek and her American editor, Anne D. Rassweiler.

The Intimate Diary of a Russian Woman Elena Sukhorukikh Romine 1992 "With the advent of glasnost, the opportunities for new freedoms have been opened to the people of the former Soviet Union, but the economic crisis of their country has curbed access to a new life by placing strict limitations of its own. In The Intimate Diary of a Russian Woman, educated, middle-class Elena Romine exposes, through the details of her daily life, the problems, frustrations, and hopes of the everyday that wear down the Russian people, morally and physically. The year is 1988 and Elena writes candidly of her achievements and failures, her family, her lost sense of purpose, her joys, her love life, her work, her travels, and her friends. She struggles between the promise of a life in the West, which she experienced on a trip to Munich, and her deep nationalism and sense of family, which bind her to her homeland. Written with pain and a soft, bitter humor, Elena gives tribute to her generation of Russians and their emotional struggles in a time that may now seem only to have changed for the worse."--BOOK JACKET. Russian Women's Shorter Fiction Joe Andrew 1996 This anthology offers an introduction to the first major flowering of Russian women's writing between 1835 and 1860. The work produced during this period, like nearly all writing by Russian women, has been, until very recently, 'hidden from history'. None of the ten stories have been translated before and several have not been republished since their original publication in the nineteenth century. These works bear witness to the great, but hitherto neglected, contribution made by women to the overall development of Russian fiction in its formative period. The selection shows the diversity of women's writing in the period, as well as the inevitably interconnected nature of theme and treatment among the different authors. It will demonstrate to the reader, specialist and amateur alike, that women's writing in nineteenth-century Russia is an area that certainly repays further exploration.

Russian and West European Women, 1860-1939 Marcelline J. Hutton 2001 This ambitious study provides a sweeping overview of the position of women in England, France, Germany, and Russia/USSR from 1860-1939. The book illustrates their struggles to realize their dreams and their resourcefulness in coping with often dreary, hard, even horrifying lives. Deftly combining statistical data to underscore collective experiences and belles lettres to highlight the texture of individual women's lives, the book assesses the significance of gender, class, nationality, and religion. This richly researched work traces common patterns and unique experiences in women's lives by showing how they defined themselves, coped with daily life, and confronted disaster with courage and resourcefulness.

A Woman in Berlin Anonymous 2018-01-25 This is a devastating book. It is matter-of-fact, makes no attempt to score political points, does not attempt to solicit sympathy for its protagonist and yet is among the most chilling indictments of war I have ever read. Everybody, in particular every woman ought to read it' - Arundhati Roy 'One of the most important personal accounts ever written about the effects of war and defeat' - Antony Beevor Between April 20th and June 22nd 1945 the anonymous author of A Woman in Berlin wrote about life within the falling city as it was sacked by the Russian Army. Fending off the boredom and deprivation of hiding, the author records her experiences, observations and meditations in this stark and vivid diary. Accounts of the bombing, the rapes, the rationing of food, and the overwhelming terror of death are rendered in the dispassionate, though determinedly optimistic prose of a woman fighting for survival amidst the horror and inhumanity of war. This diary was first published in America in 1954 in an English translation and in Britain in 1955. A German language edition was published five years later in Geneva and was met with tremendous controversy. In 2003, over forty years later, it was republished in Germany to critical acclaim - and more controversy. This diary has been unavailable since the 1960s and this is a new English translation. A Woman in Berlin is an astonishing and deeply affecting account.

Five Sisters Barbara Alpern Engel 1987 Five Sisters provides a unique first-hand account of the Russian revolutionary movement of the 1870s from the perspective of five remarkable young women who participated in

it: Vera Figner, Vera Zasulich, Olga Liubatovich, Praskovia Ivanovskaia, and Elizaveta Kovalskaia. These elegantly translated memoirs provide a vivid description of this turbulent period in Russian history and the daily lives of these brave women.

Half a Revolution Masha Gessen 1995 Nine stories by Russian women. In *She Who Bears No Ill*, a woman disfigured by a disease prefers to be locked up in a mental institution rather than be looked at with repugnance outside, while *The Day of the Poplar Flakes* describes the shoddy treatment of terminally ill patients in a provincial hospital.

Russian Talk Nancy Ries 1997 As one of the first Western ethnographers working in Moscow, Nancy Ries became convinced that talk is one crucial way in which Russian identity is constructed and reproduced. Listening to the grim stories people used to characterize their lives during perestroika, and encountering the florid pessimism with which Muscovites described the unraveling of Soviet governance, Ries realized that these dire tales played a crucial role in fabricating a sense of shared experience and destiny. While many of the narratives aptly depicted the chaotic social and political events, they also promoted key images of "Russianness" and presented Russian society as an inescapable realm of injustice, absurdity, and suffering. At the height of perestroika in the early 1990s, Moscow residents commonly used the phrase "complete ruin" to refer to the disintegration of Russian society, encompassing in that phrase the escalation of crime, the disappearance of goods from stores, the fall of production, ecological catastrophes, ethnic violence in the Caucasus, the degradation of the arts, and the flood of pornography. Ries argues that such stories became a genre of folklore consistent in their lamenting, portentous tone and their dramatic, culturally poignant details.

In the Shadow of Revolution Sheila Fitzpatrick 2018-06-26 Asked shortly after the revolution about how she viewed the new government, Tatiana Varsher replied, "With the wide-open eyes of a historian." Her countrywoman, Zinaida Zhemchuzhnaia, expressed a similar need to take note: "I want to write about the way those events were perceived and reflected in the humble and distant corner of Russia that was the Cossack town of Korenovskaia." What these women witnessed and experienced, and what they were moved to describe, is part of the extraordinary portrait of life in revolutionary Russia presented in this book. A collection of life stories of Russian women in the first half of the twentieth century, *In the Shadow of Revolution* brings together the testimony of Soviet citizens and émigrés, intellectuals of aristocratic birth and Soviet milkmaids, housewives and engineers, Bolshevik activists and dedicated opponents of the Soviet regime. In literary memoirs, oral interviews, personal dossiers, public speeches, and letters to the editor, these women document their diverse experience of the upheavals that reshaped Russia in the first half of this century. As is characteristic of twentieth-century Russian women's autobiographies, these life stories take their structure not so much from private events like childbirth or marriage as from great public events. Accordingly the collection is structured around the events these women see as touchstones: the Revolution of 1917 and the Civil War of 1918-20; the switch to the New Economic Policy in the 1920s and collectivization; and the Stalinist society of the 1930s, including the Great Terror. Edited by two preeminent historians of Russia and the Soviet Union, the volume includes introductions that investigate the social historical context of these women's lives as well as the structure of their autobiographical narratives.

In the Trenches Tatiana L. Dubinskaya 2020-03-01 Tatiana L. Dubinskaya's autobiographical novel of life in the Russian army marked the first major work published by a female World War I soldier in the Soviet Union. Often compared to *All Quiet on the Western Front*, Dubinskaya's stark and unsparing story presents a rare look at women in combat and one of the few works of fiction set on the eastern front. Zinaida, a Russian schoolgirl, runs away from home to join the army. Sent to the front, she endures the horrors of trench warfare and the hardships of military life. Undercurrents of revolutionary thinking filter into the ranks as morale begins to crumble. Zinaida must come to grips with the havoc unleashed by the czar's overthrow and the new socialist government's attempts to impose revolutionary reforms on the army. Destabilization and desertion follow, and her regiment joins the chaotic mass retreat of the Russian army in the summer of 1917. In addition to Dubinskaya's original novel, this edition includes selections from her 1936 autobiographical work, *Machine Gunner*, which she rewrote to satisfy Stalinist censors.

Gender, Generation and Identity in Contemporary Russia Hilary Pilkington 2002-09-11 This book explores the lives and expectations of young women in the new Russia, looking at the enormous changes that the new social and economic environment have brought. The authors draw on the growing literature on gender and generation in the West which has arisen as a result of the recognition that the experience of youth is classed, raced and gendered and that the experience of gender is mediated by class, race, ethnicity, sexuality and age. They consider the role of the media, state and social institutions in shaping opportunities and experiences in the post-Soviet environment, focusing on the strategies employed by individual women to reforge social identities in a society in which they have been dislocated more acutely than in any other 'postmodern' society.

Waiting at the Prison Gate Judith Pallott 2016-11-29 The Russian Federation has one of the largest prison populations in the world. Women in particular are profoundly affected by the imprisonment of a family member. Families and Punishment in Russia details the experiences of these women-be they wives, mothers, girlfriends, daughters-who, as relatives of Russia's three-quarters of a million prisoners, are the "invisible victims" of the country's harsh penal policy. A pioneering work that offers a unique lens through which various aspects of life in twenty-first century Russia can be observed: the workings of criminal sub-cultures; societal attitudes to parenthood, marriage and marital fidelity; young women's quests for a husband; nostalgia for the Soviet period; state strategies towards dealing with political opponents; and the social construction of gender roles.

Winning Women's Hearts and Minds Diana Cucuz 2023-01-31 Throughout the Cold War, Soviet citizens had limited access to US life and culture. Amerika, a glossy Russian-language magazine similar to Life, provided a rare exception. Produced by the United States Information Agency (USIA), America's first peacetime propaganda organization, Amerika was used to influence the Soviet public and convince women in particular that an American-style consumer culture and conservative gender norms could better their lives. Winning Women's Hearts and Minds relies on USIA archives, issues of Amerika, and American women's magazines such as the Ladies' Home Journal to show how, during the postwar period, USIA officials deployed idealized images of American women as happy, fulfilled, and feminine wives, mothers, and homemakers. This study analyses how Amerika was used to appeal to Sovietwomen. Portrayed in the US media as "babushkas," they were considered unfeminine, overworked, and deprived of consumer goods and services by a repressive regime. Diana Cucuz provides a gendered analysis of the USIA and of Amerika, whose propaganda campaign relied heavily on postwar conservative gender norms and images of domestic contentment to convey positive messages about the American way of life in the hopes of undermining the Soviet regime. Winning Women's Hearts and Minds sheds light on the significance of women, gender, and consumption to international politics during the Cold War.
