The Love Code - Alexander Loyd, PhD., ND 2016-05-10

Did you know that most self-help programs that follow the standard success blueprint have a 97% failure rate? The truth is that the typical personal improvement mantra of tapping into your willpower and using the power of positive thinking is actually a recipe for failure. In *The Love Code*, bestselling author and psychological counselor Alexander Loyd, PhD, ND, reveals the definitive self-help program to help you finally achieve the life you want and the success you deserve. Science has proven that stress is the primary source of virtually any problem—physical, spiritual, emotional, and even circumstantial. Loyd believes that we need to understand how love works in our bodies to combat stress. By harnessing love's power and learning to live in the present moment, you can define your life goals and live mindfully in a state of peace. Rooted in science, ancient wisdom, and proven therapeutic techniques, *The Love Code* offers three important mental, physical, and spiritual tools and a revolutionary 40-day holistic program based on more than 25 years of clinical experience in removing the obstacles that sabotage us. You'll also have free access to the unprecedented "Success Issues Finder" test, which accurately diagnoses your unconscious and subconscious issues related to success and failure, happiness and unhappiness. No matter how you define success – as wealth, career satisfaction, healing of health issues, or resolution of relationship problems – *The Love Code* will help you achieve it once and for all, quickly and for the long term.

The Codes of Love - Hannah Persaud 2020-03-05

This is a wonderfully compelling novel which looks unflinchingly at the power of sexual attraction and what can happen when people give into their desires. A page-turning portrait of a contemporary marriage where all is not quite as perfect as it seems.

A Code of Love - Jacki Delecki 2014-02-14

Enter the emotional, suspenseful Regency world of USA Today bestselling author Jacki Delecki's *Code Breakers* spy series. Undaunted by danger or scandal, these intrepid lords and ladies discover true love as they risk it all to save England from Napoleon's treacherous designs. Threatened by French spies, assassins, and calculating suitors, can Lady Henrietta Harcourt trust the infamous rake, Lord Cordelier Rathbourne, with her carefully guarded family secrets? Cord's passionate attraction for the indomitable Henrietta hasn't diminished in his four years abroad, but neither has Henrietta's memory of his libertine past. As England's new Director of Intelligence, Cord faces more peril protecting the Harcourt family of brilliant code breakers than he did as an undercover spy in Napoleonic France. Henrietta's brother, on a clandestine assignment in Paris, has vanished. In pursuit of the missing brother, Henrietta and Cord become entangled in a web of international intrigue, danger, and white hot passion. **THE CODE BREAKERS SERIES** Men and women from the class of privilege and rank risk their lives to defend England against the treacherous designs of Napoleon. They confront disaster, scandal, and passion as they pursue their code of honor and love. Read the entire series or enjoy as standalone reads in this bestselling Regency romantic fiction series from USA Today bestselling author Jacki Delecki. *A Code of Love* *A Christmas Code* *A Code of the Heart* *A Cantata of Love* *A Wedding Code* *A Code of Honor* *A Holiday*

Code for Love *A May Day Code for Love* "A Code of Love was like a breath of fresh air in the Historical Fiction category. Not only is the story based on code breaking, a fascinating subject, but the romance that Delecki writes is full of forbidden moments and proprietarial slippings that make this genre so fun to read." —Kimmy's Korner, Amazon "It was quite a romp between the two as Henrietta had known Richard years before as a dissolute rake and was a very independent female...and the overbearing Richard now had to conduct his dangerous spy business while trying to dispel his bad reputation and woo Henrietta at the same time. An exciting time was had by all as they solved mysteries and wound their way to a happy ending!" —Janie, Amazon "I loved this book. I loved the intrigue and mystery. I loved the history behind these code breakers and spies. I even loved the proper language the author used representing the times in England and France." —H. Sanders, Amazon Keywords: romantic suspense, Regency romance, historical romance, thriller, mystery, military, espionage, spies, Napoleonic Wars

The Code for Love and Heartbreak - Jillian Cantor 2020-10-06

In this contemporary romcom retelling of Jane Austen's *Emma* by USA TODAY bestselling author Jillian Cantor, there's nothing more complex—or unpredictable—than love. When math genius Emma and her coding club co-president, George, are tasked with brainstorming a new project, *The Code for Love* is born. George disapproves of Emma's idea of creating a matchmaking app, accusing her of meddling in people's lives. But all the happy new couples at school are proof that the app works. At least at first. Emma's code is flawless. So why is it that perfectly matched couples start breaking up, the wrong people keep falling for each other, and Emma's own feelings defy any algorithm?

Code-switching with the Gods - Edward O. D. Love 2016-10-24

This volume provides the first comprehensive text edition of the Egyptian language sections of P. Bibliothèque Nationale Supplément Grec. 574 (PGM IV) and analysis of their script, language, and the bilingual spells which they are part of. The magical practices preserved in the PDM and PGM have been published for nearly a century, yet it is only recently that research has focused on investigating the complex relationship between the languages, scripts, and religious traditions they exhibit, as well as the question of who composed, copied, and practiced these spells. Focusing on the bilingual divinations, lust spell, and exorcism of PGM IV, written in the Egyptian and Greek languages - and rendered in Old Coptic scripts and the Greek script respectively - this volume analyses their textual content and ritual mechanics, contextualised among the PDM and PGM, and investigates the potential identities of the magical practitioners of late Roman and Late Antique Egypt. Encompassing the disciplines of Egyptology, Coptology, Papyrology, and Late Antique

studies, this volume focuses in particular on the themes of magical practice, bilingualism, script, and the social context of magic in Egypt during the 2nd to 4th centuries CE.

Rules of Love, The: A Personal Code for Happier, More Fulfilling Relationships - Richard Templar 2022-11-28

A personal code for happier, more fulfilling relationships Strong, loving relationships are what life is all about. And some people are really good at them. They find a partner who makes them happy and they know instinctively how to handle tricky times while keeping things fresh and rewarding. They have partnerships that stand the test of time and they make it look effortless. Is there something these people know that we don't? Is it something we can all benefit from? The answer is a resounding yes. They know The Rules of Love. These Rules are the guiding principles that will help you form strong and enduring relationships, and support you when things aren't going the way that you wanted them to. In this new edition, Richard Templar has added 10 brand new Rules to help make your relationships even more rewarding. You'll feel the benefits, and so will everybody around you.

Love Code - Ann Aguirre 2021-01-21

He's cute. He's cranky. His code is sleek as hell. What's an amnesiac AI doing in a place like this? Helix has no idea. He knows he planned to build a life for himself on Gravas Station, but he has no clue what he's been doing for the last half cycle. Nor does he understand why his ship crashed. A genius Tiralan scientist saved him by copying his code into an organic host, and after meeting her meddling mothers, it seems like his problems have only just begun...She's clever. She's creative. She claims that he's her mate. Qalu has no interest in relationships. She'd much rather be working in her lab, innovating instead of socializing. Problem is, the Tiralan believe that one cannot be happy alone. When a solution literally falls from the sky, she leaps at the opportunity to advance her research and teach Helix how to be Tiralan while calming her mothers' fears. It might be unconventional, but she's ready to break all the rules for a little peace. They agree to pose as each other's mates for the most logical reasons, but love always finds a way.

The Rules of Love - Richard Templar 2013-03-06

Strong, loving relationships are what life's all about. And some people are really good at it. They find a partner who makes them happy and they seem to know instinctively how to handle tricky times and keep the relationship fresh and rewarding. They make friends easily and have lasting relationships that stand the test of time. They are the lynchpin of a strong supportive family. They make it look effortless. Yet for most of us it just isn't that straightforward. Love may be a basic human instinct, but sharing your life with other people isn't always easy. Is there

something these people know that we don't? Is there something we can all benefit from? The answer is a resounding yes. They know The Rules of Love. The Rules of Love are a set of guiding principles that will help form and sustain strong, enduring and ultimately life enhancing relationships. This new edition includes 7 brand new rules for even happier and more fulfilling relationships. You'll feel the benefits - and so will everybody around you.

Cupid's Code - William J. Starkey 2011-08

Cupid's Code takes us on a journey of understanding the emotion that has influenced songs, wars, minds, and culture: Love. We are taken through the worlds of biology, psychology, and anthropology so that we are introduced to new ideas about how we can answer many questions that plague us about our partners and ourselves. Throughout the journey we are introduced to stories, scientific findings, and tackle common ideas that are held in our minds about what makes the other sex tick, and explore how they can be applied to our daily lives. We find the answers to what makes people attractive, how we are seduced, how we can seduce, and what makes relationships work. Cupid challenges us to change the way we are looking at relationships. It enables us to look into the mirror so that we can explore ourselves and entertains that we will understand others through the process. It gives the information needed to be successful, confident, and competent so that we are able to enrich the lives of others. If you are curious about how to improve the quality of communication and understanding of you and your partner, if you are seeking to develop more meaningful relationships, if you are seeking to improve the quality of your life...the secrets are hidden inside this journey.

Love Code - Sakurako Hanafubuki 2009-02

"Ayukawa is a hot up-and-comer in the flashy world of celebrities-- but he pales in comparison to the superstar Mizuhara! It's impossible to pass a newsstand or television set without seeing Mizuhara's perfectly chiseled features or delicious body. So, when Ayukawa agrees to a special 'transaction' involving his incredible idol, he figures it's just part of his rise to the top-- but is there something (or someone) lurking behind the velvet curtain?"--Publisher's web site.

Codes of Love - Mark Bryan 2000

Hillary Clinton's recent defence of Bill's philandering by blaming it on childhood abuse is a high profile example of a trend our society has fallen into - criticising our families for our current ills and behaviour. Whether in the latest self-esteem building seminar; on the psychiatrist's couch; or watching EASTENDERS, we're all at it - slagging off our upbringing and our parents. OPRAH 'Change Your Life' expert Mark Bryan thinks we have gone too far and that this has led to a skewed perception of our families, and in some cases a breakdown in family relationships that are completely avoidable. Mark Bryan now does for parents and children what John Gray did for men and women - gets them to search beneath the traded insults and perceived misunderstandings to understand the codes of love which were being transmitted all along. Families are not perfect, Bryan is the first to admit, and spent many years alienated from his own. But via his own tortuous route back to a more harmonious family life, he learnt to understand that parents are sometimes incapable of directly expressing their feelings of love and pride for their offspring, and that each family has its own unique code for communicating positive feelings, using actions and words that may not only obscure love but sometimes get interpreted as love's opposite. Now, using examples both from the author's own past and the stories of those he has helped and counselled over the years, THE CODES OF LOVE will help anyone understand and interpret their family better, and break down the communication barrier which has built up between family members. This book encourages people to reconnect with their family and set them free to forge positive and loving bonds by throwing a warmer and more balanced light on the past.

The Code of Love Communications and System of Health - Yuri Spilny 2019-08-30

The Code of Love is a discovery, a breakthrough in diagnosing and cure.

It is also a Communications System, a channel for information exchange between our Biocomputer (the brain) and the Energoinformational Field of Knowledge. With The Code of Love, we can diagnose and heal every disease from common cold to cancer, providing that our positive energy level is 52% and higher. You can eliminate pesticides, hormones, pathogens, viruses, preservatives, chemicals, and heavy metal in foodstuff. You can create a Defense System against allergies. In six minutes, The Code of Love will purify a jar of tap water, and make it alive with PH 7.2 (PH indicates the level of acidity). With The Code of Love, you can do every test from Blood PH to heart tissue PH, to Cholesterol, PSA, Hormones, Blood sugar, stones in kidneys and bladder, and dissolve the stones, dissolve deposits in arteries and veins, restore the heart and other organs, as well as monitor the progress of healing. Here is what makes The Code of Love so powerful: -When it is charged, The Code's frequency rises to 10 to 6000 degrees. This incredible benevolent power enables The Code's limitless capabilities. One of which is the annihilation of everything that obstructs life; another is the restoration of all that needs to be restored for the body to thrive and life to flourish.- Even without being charged, The Code generates 100% energy with a frequency of ten to 50 degrees Hz. When we are requesting information related to the body and mind, most answers are provided by our Biocomputer, the brain that has complete knowledge of the body. When

we file a request related to healing, our Biocomputer is focusing the energy generated by The Code of Love on the target to fulfill our request. External information about the human world, relationships, business, finances, nature, and the universe we are receiving from the Infinite Field of Knowledge. Anyone can master The Code of Love. True Love is but a label. Whether we call it Love, True Love or Hate, it is but various frequencies with corresponding levels of energy. When our positive energy is 100%, we label it True Love. When positive energy is down to 17% (negative energy at 83%), we label it hate. With The Code of Love, we receive an accurate reply to our every question. Any information we collect can also be verified. We can also check every decision related to business, finances, relationships, employees, any person in the world, alive or dead. With The Code of Love, we can evaluate people we have contact with, their kindness, honesty, sincerely, selfishness, greed, and so on. Above all, we can determine a person's level of positive energy, the only accurate indicator of goodness, of self-worth. The Code will make you capable of uncovering secrets. However, to begin with, we are interested in accurate diagnose, cure, and staying healthy. The Code of Love has already made some people very angry. American spiritual industry is made with rage as The Code helped to expose 98% of the "spiritual teachers" who have their average positive energy level 26%. To teach and not to harm students a teacher must have at least a 75% positive energy level.
