Embracing the Flames - Candace Knoebel 2013-10-01

The Stone of Immortality has always been kept under the watch of the Draconta. That is, until the betrayal of a Fate. Now, everything is about to change. Aurora Megalos accepted her destiny without blinking-even if it meant succumbing to her dragon side. Deemed the Progeny, she left the ordinary life she knew and has done everything in her power to learn the ways of her new home and what it means to be part dragon. But when her mentor, Astral, suddenly disappears, she is forced to take the reins with war on the brink. She sets out on an epic journey to find what her arch enemy, Zordon, is after. What she discovers is far worse than she could've ever imagined. She will be tested and pushed to the limit. Lives will be lost, love will be found, and most importantly, a battle will begin.

All About Love - bell hooks 2018-01-30

A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth

about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

Moore to Love - Faith Andrews 2016-07-03

I used to imagine that life would be easier, more enjoyable, if I were tall, blond, and supermodel thin. But real life-like the average, every day woman-is full of curves and imperfections, and many opportunities to learn that it's not the number on the scale that measures the capacity of your heart. After years of struggling with poor self esteem and too many crash diets to count, I finally got wise-and hired a trainer. With an enthusiastic push from my brother's fiance and more motivation than a Joel Osteen sermon, I, Madeline "Leni" Moore, am ready to ditch the oh-

woe-is-me act. That is, until I smack head-on into a tree and collide with him. Lane Sheffield is the guy you drool over from afar. One look at him the first day on the runner's track, and my panties are up in flames. He's out of my league. Slim, sleek, and athletic to my plump, dull, and unfit. Lane has no reason to like me, but to my utter shock . . . he does and this newfound attention from the opposite sex has me all sorts of baffled. What starts out as a healthy journey to lose some of the extra me, turns into a quest to find my true self. Will the need to fit in and finally have someone to call my own lead me to my weight loss goal or my happiness goal? I've focused so long on being skinny, what will it take for me to learn the ultimate lesson-that beauty is only skin deep?"

**Numbered Like the Psalms** - Catharine Phillips 2021-01-15

It has been my pleasure and privilege to call Catharine Phillips my friend and colleague for more than three decades. A worthy successor to Emily Dickinson, whose wit, brevity, and advice to "Tell all the truth but tell it slant" Catharine brings to our own time in poems graced by her keen eye and fresh perspectives on life. Sam Portaro, author, *Brightest & Best*, *Crossing the Jordan*, *Sheer Christianity*, and others Catharine Phillips' poems have long been important in my life. They're honest, loving, raw, true, caring, and hopeful. I'm delighted that some of them are being published in this chapbook and I commend them to you. -J.Brent Bill, author, *Beauty, Truth, Life, and Love*, *Sacred Compass*. Life Lessons from a Bad Quaker. and others Catharine's poetry has saved me on more than one occasion. Saved me from missing my life, really. In *One Response to a Pandemic*, she writes, "...loving that one thing which no one else may even notice." In these pages, it's like she's noticing existence on our behalf, bowing down before it, and inviting us to take a knee with her. I, for one, accept the invitation." -Kelly Flanagan, author, *Loveable: Embracing What Is Truest About You So You Can Truly Embrace Your Life and True Companions: A Book for Everyone About the Relationships That See Us Through*

**You're Only Human** - Kelly M. Kopic 2022-01-18

Work. Family. Church. Exercise. Sleep. The list of demands on our time seems to be never ending. It can leave you feeling a little guilty--like you

should always be doing one more thing. Rather than sharing better time-management tips to squeeze more hours out of the day, Kelly Kopic takes a different approach in *You're Only Human*. He offers a better way to make peace with the fact that God didn't create us to do it all. Kopic explores the theology behind seeing our human limitations as a gift rather than a deficiency. He lays out a path to holistic living with healthy self-understanding, life-giving relationships, and meaningful contributions to the world. He frees us from confusing our limitations with sin and instead invites us to rest in the joy and relief of knowing that God can use our limitations to foster freedom, joy, growth, and community. Readers will emerge better equipped to cultivate a life that fosters gratitude, rest, and faithful service to God.

**What You Wish For** - Katherine Center 2020-07-14

"The story's message, that people should choose joy even (and especially) in difficult and painful times, seems tailor-made for this moment. A timely, uplifting read about finding joy in the midst of tragedy, filled with quirky characters and comforting warmth."—Kirkus (starred review)  
From the New York Times bestselling author of *How to Walk Away* comes a stunning new novel full of heart and hope. Samantha Casey is a school librarian who loves her job, the kids, and her school family with passion and joy for living. But she wasn't always that way. Duncan Carpenter is the new school principal who lives by rules and regulations, guided by the knowledge that bad things can happen. But he wasn't always that way. And Sam knows it. Because she knew him before—at another school, in a different life. Back then, she loved him—but she was invisible. To him. To everyone. Even to herself. She escaped to a new school, a new job, a new chance at living. But when Duncan, of all people, gets hired as the new principal there, it feels like the best thing that could possibly happen to the school—and the worst thing that could possibly happen to Sam. Until the opposite turns out to be true. The lovable Duncan she'd known is now a suit-and-tie wearing, rule-enforcing tough guy so hell-bent on protecting the school that he's willing to destroy it. As the school community spirals into chaos, and danger from all corners looms large, Sam and Duncan must find their way to who they

really are, what it means to be brave, and how to take a chance on love—which is the riskiest move of all. With Katherine Center’s sparkling dialogue, unforgettable characters, heart, hope, and humanity, *What You Wish For* is the author at her most compelling best.

**The Story of Awkward** - R.K. Ryals

\*\*\*BONUS artwork now included at the end of the book!\*\*\*\* Book ONE in the stand-alone EMBRACE YOURSELF series. A poignantly humorous, whimsical new adult fairytale romance with a twist inspired by true events. Embrace your awkward. Be unique. Change your fairytale ... "If you are looking for a happy book about beautiful people, this is the wrong story. If you are looking for a narrative without emotion, without regrets, and without mistakes, this is definitely the wrong story. This is by no means an uncomplicated tale about uncomplicated people. It is by no means sweet or light. This story is ugly. This story is complicated. This story is emotional. This story is tragic. In short, this story is about being awkward." Peregrine Storke is an artist with an odd sketchbook full of pictures she’s drawn since she was a child. It is a book full of strange sketches and awkward characters, for there is no better way to hide from bullying and life than to create a world of your own. With a stroke of her pencil, she has given life to a spectacled princess, a freckle-nosed king, a candy loving troll, a two-horned unicorn, and a graceless fairy. At nineteen, Peregrine leaves her home, her sketchbook, and awkwardness behind. But what happens when something goes wrong in the world of Awkward? Trapped inside of her complex realm with the bully she thought to leave behind, Peregrine discovers there is nothing worse than falling for your own villain.

**Loveable** - Kelly Flanagan 2017-03-21

Kelly Flanagan is a psychologist, father, and blogger who is best known for the letters he has written to his children on his blog, one of which landed him on *The Today Show* with his four-year-old daughter. In *Loveable*, Flanagan answers three fundamental human questions: Am I enough? How do I become unlonely? Do I matter? He shows us how to rediscover our worthiness and remember that we are good enough. He encourages us to shed the false self that keeps us lonely and to find

people who accept us as we are. And he inspires us to fully embrace our passions, regardless of how ordinary those passions may be. Reading like an extended love letter to readers, *Loveable* uncovers three essential truths: you are enough, you are not alone, and you matter. Flanagan invites us to disconnect from the distractions and demands of daily life and to listen more intently for the voice of grace within each of us, so we might fully awaken to the redemptive story we are here to live.

*Hearing God's Whisper* - Sheri Dursin 2020-08

Say Yes - Scott Erickson 2022-01-25

*Say Yes* gives you the mental and spiritual practices you need to enjoy your life again--and bring greater fullness than you could imagine before. "My life doesn't look anything like I wanted it to. How do I even keep going?" When the dreams for our life die, our vision of who we hoped to become often dies too. That's when *The Voice of Giving Up* appears. Visual artist and spiritual director Scott Erickson has had long midnight conversations with *The Voice of Giving Up*, and he knows how anxiety and depression make *The Voice* especially loud. But he's discovered that our darkest moments are sometimes doorways to a deeper, more joy-filled journey of recovering who we are, why we're here, and why the future bursts with possibilities if we are willing to say yes to life's brightest gifts. In *Say Yes*, Scott helps you learn how to reawaken your deepest desires, disempower your greatest fears, and identify the destructive narratives holding you back. Combined with Scott's beautiful, thought-provoking illustrations, this is a profound exploration of beginning again after: Disappointment at how life is turning out. Suspecting we are not prepared or smart enough. Losing hope that change is possible and that pain can have a purpose. Take the first step to gain the gentle yet powerful tools you need, and say yes to what lies ahead today.

*Peace Is a Practice* - Morgan Harper Nichols 2022-02-15

When you breathe in all the grace available to you and release everything that is outside of your control, you'll discover peace that surpasses your circumstances. All it takes is practice. If you feel

overwhelmed with anxiety about the future, you're far from alone. For many of us, when we're not worrying about what is to come, we find ourselves wrestling with things from the past. Where does that leave us today? Morgan Harper Nichols has learned the answer to this question. She has examined stories from her own life and the lives of people around the world and noticed a common thread: we all long for peace. We're all seeking light and life. But these things don't happen passively. *Peace Is a Practice* invites you to become a peacemaker in your own life, starting right where you are, and in some of the most unexpected places. As these words and images inspire you to take daily steps toward peace, you'll uncover the key to: Embracing the beauty of the present Letting go of regret of the past and fear of the future Developing a path toward meaning and authenticity Approaching life's challenges with faith and a calm confidence Feeling peace even in the midst of uncertainty or difficult times In every moment, there is something as deep and boundless as a winding river waiting to be found--a true peace that flows, beckoning you to rest . . . and be still.

[Love for Imperfect Things](#) - Haemin Sunim 2019-01-24

A beautiful guide for learning to love ourselves, from the author of the internationally bestselling *The Things You Can See Only When You Slow Down* No one is perfect. But that doesn't stop us from imagining ourselves smarter, funnier, richer, or thinner, and how much happier we would then be. *Love for Imperfect Things*, by the bestselling Korean monk, Haemin Sunim, shows how the path to happiness and peace of mind includes not only strong relationships with others, but also letting go of worries about ourselves. Packed with his typical spiritual wisdom, Sunim teaches us to embrace our flaws rather than trying to overcome them, and demonstrates that love has very little to do with perfection. With chapters on self-compassion, relationships, empathy, courage, family, healing, our true nature, and acceptance, as well as beautiful full-colour illustrations, *Love for Imperfect Things* is a much-needed guide for learning to love ourselves - imperfections and all.

**Calm the H\*ck Down** - Melanie Dale 2020-12-08

From author and speaker Melanie Dale comes a laugh-out-loud hilarious parenting book that teaches you how to dial back the stress of raising children with the simple premise that we all just need to lighten up a little bit. Most of us thought we'd be amazing parents—and then we had kids. Now we spend what little free time we have comparing ourselves to

other parents, comparing our kids to other kids, and panicking that everyone else is nailing it except us. Between constant social media postings to conflicting advice found in parenting books, we often have no choice but to freak out. But there is another way. We all just need to calm the h\*ck down. Melanie Dale—a special needs parent, adoptive parent, in vitro parent, and reluctant cheer mom—believes we are all putting too much pressure on ourselves and our kids to be perfect. Instead, she argues, we need to take a step back so we can actually enjoy this journey called parenting. *Calm the H\*ck Down* is filled with stories from Melanie's own life, as well as real-life research for learning how to lighten up about every aspect of parenting—from poopy diapers and germs to family vacations and adolescent angst. She also discusses the pressure to knock it all out of the Pinterest park, the challenge of instilling some kind of faith into your kids, and worrying about their future while still trying to live in the present. Infused with quirky humor, profound insight, and accessible advice, *Calm the H\*ck Down* gives you the permission to finally relax and enjoy this ridiculous thing we do called parenting.

[The Three Marriages](#) - David Whyte 2010-01-05

A radical, "crystalline" (Elle) approach to integrating our work, relationships, and inner selves from the bestselling author, poet, and speaker. The author of *Crossing the Unknown Sea* and *The Heart Aroused* encourages readers to reimagine how they inhabit the worlds of love, work, and self-understanding. Whyte suggests that separating these "marriages" in order to balance them is to destroy the fabric of happiness itself. Drawing from his own struggles and the lives of some of the world's great writers and artists—from Dante to Jane Austen to Robert Louis Stevenson—Whyte explores the ways these core commitments are connected. Only by understanding the journey involved in each of the three marriages and the stages of their maturation, he says, can we understand how to bring them together in one fulfilled life.

**Higher Is Waiting** - Tyler Perry 2017-11-14

In this intimate book of inspiration, Tyler Perry writes of how his faith has sustained him in hard times, centered him in good times, and

enriched his life. *Higher Is Waiting* is a spiritual guidebook, a collection of teachings culled from the experiences of a lifetime, meant to inspire readers to climb higher in their own lives and pull themselves up to a better, more fulfilling place. Beginning with his earliest memories of growing up a shy boy in New Orleans, Perry recalls the moments of grace and beauty in a childhood marked by brutality, deprivation, and fear. With tenderness he sketches portraits of the people who sustained him and taught him indelible lessons about integrity, trust in God, and the power of forgiveness: his aunt Mae, who cared for her grandfather, who was born a slave, and sewed quilts that told a story of generations; Mr. Butler, a blind man of remarkable dignity and elegance, who sold

penny candies on a street corner; and his beloved mother, Maxine, who endured abuse, financial hardship, and the daily injustices of growing up in the Jim Crow South yet whose fierce love for her son burned bright and never dimmed. Perry writes of how he nurtured his dreams and discovered solace in nature, and of his resolute determination to reach ever higher. Perry vividly and movingly describes his growing awareness of God's presence in his life, how he learned to tune in to His voice, to persevere through hard times, and to choose faith over fear. Here he is: the devoted son, the loving father, the steadfast friend, the naturalist, the philanthropist, the creative spirit—a man whose life lessons and insights into scripture are a gift offered with generosity, humility, and love.
