Invisible Women - Caroline Criado Perez

2019-03-07

*THE SUNDAY TIMES NUMBER ONE
BESTSELLER* *OVER HALF A MILLION
COPIES SOLD* Discover the shocking gender
bias that affects our everyday lives. 'HELL YES.
This is one of those books that has the potential
to change things - a monumental piece of
research' Caitlin Moran Imagine a world
where... · Your phone is too big for your hand ·
Your doctor prescribes a drug that is wrong for
your body · In a car accident you are 47% more
likely to be injured. If any of that sounds
familiar, chances are you're a woman. From

government policy and medical research, to
technology, workplaces, and the media. Invisible
Women reveals how in a world built for and by
men we are systematically ignoring half of the
population, often with disastrous consequences.
Caroline Criado Perez brings together for the
first time an impressive range of case studies,
stories and new research from across the world
that illustrate the hidden ways in which women
are forgotten, and the profound impact this has
on us all. Find out more in Caroline's new
podcast, Visible Women. 'A book that changes
the way you see the world' Sunday Times
'Revelatory, frightening, hopeful' Jeanette

How to be a Woman - Caitlin Moran 2012
1913: Suffragette throws herself under the King's horse. 1969 u Feminists storm Miss World. NOW u Caitlin Moran rewrites The Female Eunuch from a bar stool and demands to know why pants are getting smaller. There's never been a better time to be a woman: we have the vote and the Pill, and we haven't been burnt as witches since 1727.

When God Was A Woman - Merlin Stone
2012-05-09

Here, archaeologically documented, is the story of the religion of the Goddess. Under her, women's roles were far more prominent than in patriarchal Judeo-Christian cultures. Stone describes this ancient system and, with its disintegration, the decline in women's status.

The German Midwife - Mandy Robotham
2020-07-08

An enthralling tale from the #1 Globe and Mail and USA Today Best Selling Author. "A powerful,

haunting debut"—Kate Quinn, New York Times bestselling author of *The Alice Network*
How to Build a Girl - Caitlin Moran 2014-07-03
Soon to be a major film directed by Coky Giedroyc and starring Ladybird's Beanie Feldstein as Johanna Morrigan and Game of Thrones's Alfie Allen as John Kite My name's Johanna Morrigan. I'm fourteen, and I've just decided to kill myself. I don't really want to die, of course! I just need to kill Johanna, and build a new girl. Dolly Wilde will be everything I want to be, and more! But as with all the best coming-of-age stories, it doesn't exactly go to plan... A Number One Sunday Times bestseller in hardback and paperback, from the award-winning and Sunday Times bestselling author of *How to Be a Woman*.

manifesto on how to be a decent person and try, in the face of countless stresses, to live a full open-hearted, joyous life' Sunday Times A decade ago, Caitlin Moran thought she had it all figured out. Her instant bestseller *How to Be a Woman* was a game-changing take on feminism, the patriarchy, and the general 'hoo-ha' of becoming a woman. Back then, she firmly believed 'the difficult bit' was over, and her forties were going to be a doddle. If only she had known: when middle age arrives, a whole new bunch of tough questions need answering. Why isn't there such a thing as a 'Mum Bod'? How did sex get boring? What are men really thinking? Where did all that stuff in the kitchen drawers come from? Can feminists have Botox? Why has wine turned against you? How can you tell the difference between a Teenage Micro-Breakdown, and The Real Thing? Has feminism gone too far? And, as always, WHO'S LOOKING AFTER THE CHILDREN? Now with ageing parents, teenage daughters, a bigger bum and a To-Do list without

end, Caitlin Moran is back with *More Than A Woman*: a guide to growing older, a manifesto for change, and a celebration of all those middle-aged women who keep the world turning.

A Woman's Kingdom - Michelle Lamarche Marrese 2018-09-05

In *A Woman's Kingdom*, Michelle Lamarche Marrese explores the development of Russian noblewomen's unusual property rights. In contrast to women in Western Europe, who could not control their assets during marriage until the second half of the nineteenth century, married women in Russia enjoyed the right to alienate and manage their fortunes beginning in 1753. Marrese traces the extension of noblewomen's right to property and places this story in the broader context of the evolution of private property in Russia before the Great Reforms of the 1860s. Historians have often dismissed women's property rights as meaningless. In the patriarchal society of Imperial Russia, a married woman could neither

Downloaded from
legacy.opendemocracy.net on 2020-06-24
by guest

work nor travel without her husband's permission, and divorce was all but unattainable. Yet, through a detailed analysis of women's property rights from the Petrine era through the abolition of serfdom in 1861, Marrese demonstrates the significance of noblewomen's proprietary power. She concludes that Russian noblewomen were unique not only for the range of property rights available to them, but also for the active exercise of their legal prerogatives. A remarkably broad source base provides a solid foundation for Marrese's conclusions. These sources comprise more than eight thousand transactions from notarial records documenting a variety of property transfers, property disputes brought to the Senate, noble family papers, and a vast memoir literature. *A Woman's Kingdom* stands as a masterful challenge to the existing, androcentric view of noble society in Russia before Emancipation.

Work Like a Woman - Mary Portas 2018-11-01
'There aren't many books that can claim to

change your life, but this one will.' Clare Balding 'A force for good, for change. This book will make you change the way you think. Mary is my hero.' Scarlett Curtis, author of *Feminists Don't Wear Pink* Are you ready to be your best self at work? Packed with advice, tips and decades of business experience from Mary Portas, this is a book for every one of us: whatever level you are, wherever you work. It's about calling time on alpha culture and helping every one of us to be happier, more productive and collaborative. It's time to #WorkLikeAWoman. 'Mary Portas doesn't want to lean in, she wants a whole new office culture.' Evening Standard

More Than a Game - Cynthia Lee A. Pemberton 2002

The story of the crusade for gender equity in sport and for compliance with Title IX at a small, liberal arts college in northwest Oregon.

Etaf Rum's debut novel is a must-read about women mustering up the bravery to follow their inner voice." —Refinery 29 The New York Times bestseller and Read with Jenna TODAY SHOW Book Club pick telling the story of three generations of Palestinian-American women

struggling to express their individual desires within the confines of their Arab culture in the wake of shocking intimate violence in their community. "Where I come from, we've learned to silence ourselves. We've been taught that silence will save us. Where I come from, we keep these stories to ourselves. To tell them to the outside world is unheard of—dangerous, the ultimate shame." Palestine, 1990. Seventeen-year-old Isra prefers reading books to entertaining the suitors her father has chosen for her. Over the course of a week, the naïve and dreamy girl finds herself quickly betrothed and married, and is soon living in Brooklyn. There Isra struggles to adapt to the expectations of her oppressive mother-in-law Fareeda and strange new husband Adam, a pressure that intensifies as she begins to have children—four daughters instead of the sons Fareeda tells Isra she must bear. Brooklyn, 2008. Eighteen-year-old Deya, Isra's oldest daughter, must meet with potential husbands at her grandmother Fareeda's

insistence, though her only desire is to go to college. Deya can't help but wonder if her options would have been different had her parents survived the car crash that killed them when Deya was only eight. But her grandmother is firm on the matter: the only way to secure a worthy future for Deya is through marriage to the right man. But fate has a will of its own, and soon Deya will find herself on an unexpected path that leads her to shocking truths about her family—knowledge that will force her to question everything she thought she knew about her parents, the past, and her own future.

More Than a Body - Lexie Kite 2020-12-29

Drs. Lindsay and Lexie Kite know firsthand how hard filtering out media influence is when it comes to self-image. Both struggled as young women to overcome the expectations of body size and shape, but were able to learn to love, appreciate, and reclaim their own bodies, eventually earning their PhDs in body image resilience. The twin sisters founded the

nonprofit Beauty Redefined and have made it their mission to help other women see themselves without societal expectations distorting their self-perception. *More than a Body* is a self-help book focused on going beyond body positivity, showing how a mindset focused on appearance sets women up for insecurities and self-judgement. In this book, they offer an action plan for readers to combat that mindset, and instead learn how the body can be "an instrument, not an ornament," with practical, actionable steps to take when consuming media, exercising, practicing self-reflection and self-compassion, and finding a purpose in life.

The Chronicles Of Narmo - Caitlin Moran

2013-10-24

Fifteen-year-old Morag Narmo really doesn't want to go to school any more. She and her siblings would rather feed their heads into the waste-disposal unit than "do the academical". So they are all stunned when their parents whisk them out of school and embark on a home-

schooling experiment. But with five children, two unruly pets and some extremely eccentric attitudes, the educational experiment soon descends into chaos... Witty, razor-sharp and laugh-out-loud funny, The Chronicles of Narmo show us how before Caitlin Moran knew How to be a Woman, she had to find out How to be a Girl.

A Woman's Book of Yoga - Mabelle M. Seibel
2002-11-11

Interest in yoga is at an all-time high, especially among women. Whether readers wish to begin the practice or are already involved in yoga, this innovative book will help them understand the unique benefits yoga provides for a woman's health and mental well-being. The authors lead women of all ages through the health and life cycles specific to females by illustrating the spiritual and physical advantages of Kundalini yoga, as taught by yoga master Yogi Bhajan. Hari Khalsa applies ancient wisdom to explain how to determine and enhance one's own special

relationship with the mind, body, and soul. Using his expertise on women's health issues, Dr. Siebel reveals the scientific basis for yoga's positive effects on the brain. Together, Dr. Siebel and Hari Khalsa create a dialogue of spiritualism and science, elucidating how every woman can reap the rewards of yoga for a lifetime.

More Than a Woman - James Spada 1994-09-01
A painstakingly researched biography offers new information about the star's turbulent life, her rocky marriages and affairs, and her troubled relationship with her daughter. By the author of Peter Lawford: The Man Who Kept the Secrets. Reissue.

More Than a Woman a Woman Marine -
Karen Haynes 2015-11-30

Inspiration of this book came to me while I was serving on Recruiting Duty in Shreveport, Louisiana. I discovered that there were not only myths about what male marines encounter in basic training but more myths about the women

Downloaded from
legacy.opendemocracy.net on 2020-06-24
by guest

marines training. Most of what I heard was negative. Some of what I heard was that all women marines were masculine. None of them were heterosexual. I listened as some said that before meeting me that they believed that most of the women that joined the marines were unattractive. Also, incapable of landing a husband. I also heard that only women that did not want to accomplish much in life joined the marines. Most of those that I spoke with were thinking as I did before I joined. That women could not join the Marine Corps. That this branch of the armed services was dominated and designed only for men. My goal in writing this book is to share the fact that not only can women become marines but that it can also be a very rewarding experience. To also know that I understand, just like any occupation, everyone will not become a marine. If they could, we would not be such a recognized branch. For those that want a rewarding adventure, I feel that they should be a marine. The Marine Corps'

recruiting motto, "The Few, the Proud, the Marines," shows that the important thing is the quality of the person, which is what is looked for and developed. That's why many women that have celebrated successful careers in the Marine Corps can say proudly that they are more than women; they are women marines.

A Woman's Walks - Colin Campbell 2016-11-03
A book of exploration and discovery, celebrating the 175th anniversary of The London Library I hum to myself as I stand looking up at the sky, filled to overflowing with the joy of liberty As the British Empire grew, so too did the scope and range of travel writing. From young men seeking outdoor adventure to intrepid ladies of a certain age discovering other cultures, Victorian explorers were going further and writing more. But for Lady Colin Campbell—that infamous almost-divorcee with "the unbridled lust of a Messalina and the indelicate readiness of a common harlot"—travel writing was no sterile, fact-driven pursuit. Her adventures up and down

European mountains, through unsavoury and unexpected parts of London, by means of delayed train or unstable bicycle, are more than a guidebook. These highly personal travelling tales are the "Trip Advisor" tours of Victorian Britain, the holiday newsletters of the nineteenth century, and the blog posts of another age. A Woman's Walks is part of "Found on the Shelves", published with The London Library. The books in this series have been chosen to give a fascinating insight into the treasures that can be found while browsing in The London Library. Now celebrating its 175th anniversary, with over seventeen miles of shelving and more than a million books, The London Library has become an unrivalled archive of the modes, manners and thoughts of each generation which has helped to form it.

Do It Like a Woman - Caroline Criado-Perez
2015-05-07

Doing anything 'like a woman' used to be an insult. Now, as the women in this book show, it

means being brave, speaking out, and taking risks, changing the world one step at a time. Here, campaigner and journalist Caroline Criado-Perez introduces us to a host of pioneers, including a female fighter pilot in Afghanistan; a Chilean revolutionary; the Russian punks who rocked against Putin; and the Iranian journalist who uncovered her hair.

Quit Like a Woman - Holly Glenn Whitaker
2020-01-09

The book that inspired Chrissy Teigen and Sex and The City's Miranda to quit drinking

_____ 'An incredible read' - Chrissy Teigen
'Has the power to change your relationship with your entire life' - Glennon Doyle
'This thoughtful, moving book will help a lot of people get to a healthier place' - Johann Hari
_____ We live in a world obsessed with drinking. We drink at work events, lunches, book clubs and weddings. Yet no one ever questions alcohol's ubiquity. In fact, the only thing ever questioned is why people don't drink.

Downloaded from
legacy.opendemocracy.net on 2020-06-24
by guest

It is a qualifier for belonging. As a society, we are obsessed with health and wellness, yet we uphold alcohol as some sort of magic elixir. It is anything but. When Holly Whitaker started to look for a way to recover, the support systems she found for recovery were archaic and patriarchal. Urging drinkers towards a newfound humility is great if you're a man, but if you're a woman and not in a position to renounce privileges you never had, a whole other approach is needed. Honest, witty and trenchant, *Quit Like a Woman* is at once a ground-breaking look at drinking culture, a call to arms, and a celebration of learning how to claim everything life has to offer.

Aaliyah - Christopher John Farley 2002-01-26
Don't miss the inspirational biography behind the exciting new Lifetime movie *Aaliyah: The Princess of R&B*, starring Alexandra Shipp as the extraordinary singer Aaliyah. Aaliyah Dana Haughton was that music business rarity: a teen

idol who transformed herself into a critically acclaimed hip-hop soul artist, a singer who successfully made the transition to actress, and a beautiful woman who never let the trappings of celebrity go to her head. Following her impressive debut at age fourteen with the album *Age Ain't Nothin' but a Number*, Aaliyah raised the bar with her hugely influential and bestselling follow-up, *One in a Million*. She then took her talents to Hollywood, starring in the action thriller *Romeo Must Die* and the highly anticipated horror film *The Queen of the Damned*. But soon after the release of her third album in the summer of 2001, Aaliyah's life was cut short in a tragic plane crash. Here is the inspirational story of the star *The Washington Post* dubbed "Hip-Hop's Lady Di"—a woman who, by the time of her death at age twenty-two, touched legions of fans around the world with her haunting voice and gentle spirit.
