Strategies for Resisting Sexism in the Academy - Gail Crimmins  
2019-01-23

This book harnesses the expertise of women academics who have constructed innovative approaches to challenging existing sexual disadvantage in the academy. Countering the prevailing postfeminist discourse, the contributors to this volume argue that sexism needs to be named in order to be challenged and resisted. Exploring a complex, intersectional and diverse arrangement of resistance strategies, the contributors outline useful tools to resist, subvert and identify sexist policy and practice that can be deployed by organisations and collectives as well as individuals. The volume analyses pedagogical, curriculum and research approaches as well as case studies which expose, satirise and subvert sexism in the academy: instead, embodied and slow scholarship as political tools of resistance are introduced. A call for action against the propagation of sexism and gender disadvantage in the academy, this important book will appeal to students and scholars of sexism in higher education as well as all those committed to working towards gender e/quality.

**Gender and Sexuality in Russian Civilisation** - Peter I. Barta  
2013-06-17

Gender and Sexuality in Russian Civilisation considers gender and sexuality in modern Russia in the nineteenth and early twentieth centuries. Chapters look individually at gender and sexuality through history, art, folklore, philosophy or literature, but are also arranged into sections according to the arguments they develop. A number of chapters also consider Russia in the Soviet and post-Soviet periods. Thematic sections include: \*Gender and Power \*Gender and National Identity \*Sexual Identity and Artistic Impression \*Literary Discourse of Male and Female Sexualities \*Sexuality and Literature in Contemporary Russian Society

**How to Understand Your Sexuality** - Meg-John Barker 2021-11-18  
'A goldmine of wisdom' CYNDI DARNELL 'Gentle, kind and embracing' JUNO ROCHE 'Interesting and engaging' JUSTIN HANCOCK Gay, straight, queer, pansexual, demisexual, ace...? Sexuality is complex and

diverse, but it doesn't have to be confusing. This down-to-earth guide is the ultimate companion for understanding, accepting and celebrating your sexuality. Written by two internationally renowned authors and therapists, the book explains how sexuality works in terms of our identities, attractions, desires and practices, and explores how it intersects with our personal experiences and the world around us. With activities and reflection points throughout, it offers space to tune into yourself and think deeply about your own sexuality. You'll hear from people across the sexuality spectrum and in different relationship set-ups, and be inspired by the ideas of scholars, activists and practitioners. Sexuality is a vast and wonderful landscape - let this book guide you on your journey!

We Both Laughed in Pleasure - Lou Sullivan 2019

Drawn from Sullivan's meticulously kept journals, this landmark book records the life of arguably the first publicly gay trans man to medically transition. Sensual, lascivious, challenging, quotidian and poetic, the diaries complicate and disrupt normative trans narratives.

**Sexuality and the Sacred** - James B. Nelson 1994

Nelson and Longfellow have selected writings from those working in the field of sexuality and religion to compile this resource for those teaching or studying the subject. Categories include: sexuality and spirituality, gender and orientation, women's experiences, men's experiences, singleness, marriage, HIV/AIDS, pornography and celibacy.

**Sex Change, Social Change** - Viviane Namaste 2011

Sex Change, Social Change: Reflections on Identity, Institutions, and Imperialism provides readers with an authoritative introduction to contemporary transsexual politics in Canadian and Québécois contexts. Through different case studies relating to the law, human rights, health care, and prostitution, Dr. Namaste exposes readers to the complex issues involved in how transsexual politics and feminism interrelate. Written in accessible language, and including interviews, essays, and political speeches, Sex Change, Social Change will appeal to academics and to activists in the community, as well as to the general reader. The second edition has been thoroughly updated with five new chapters and

includes new commentary on the readings from the first edition. All royalties from the sale of this book go to PASAN (Prisoners' HIV/AIDS Support Action Network), in particular their emergency fund that provides modest amounts of money to prisoners upon their release. These funds enable people to secure housing, go to a job interview, and/or replace their identity documents.

**Sex, Gender and Society** - Ann Oakley 2016-12-05

What are the differences between the sexes? That is the question that Ann Oakley set out to answer in this pioneering study, now established as a classic in the field. To answer it she draws on the evidence of biology, anthropology, sociology and the study of animal behaviour to cut through popular myths and reach the underlying truth. She demonstrates conclusively that men and women are not two separate groups: rather each individual takes his or her place on a continuous scale. She shows how different societies define masculinity and femininity in different and even opposite ways, and discusses how far observable differences are based on biology and psychology and how far on cultural conditioning. Many books have discussed these vital issues. None, however, have drawn on such an impressively wide range of evidence or discussed it with such clarity and authority. Now newly reissued with a substantial introduction which highlights its continuing relevance, this work will continue to inform and shape dialogues around sex and gender for a new generation of scholars and students.

**Sexualities, Gender and Violence:** - Begonya Enguix 2020

"The eleven essays and the introduction included in this collection offer an interdisciplinary reflection on the multifarious intersections of sexuality and gender-based norms in Southern Europe. They offer varied insights on the different negotiations of gender and sexuality and their connections to different forms of violence in the Iberian Peninsula. Empirically rich and theoretically challenging, the different chapters tackle topics such as the configuration of relationships, digital intimacies, sexual violence and harassment and sex education. The first part explores the current configurations of sexuality, gender and violence attending to traditional meanings and also to new debates on these

issues. The second part explores current masculinities in relation to different forms of violence. This collection is essential reading for anyone who is interested in the relations between sex, gender and violence in the contemporary moment"--

**Silent Lives: How High a Price?** - Sara L. Boesser 2004-06-30

This book is a valuable resource that combines autobiographical sources, personal interviews, and questions for reflection to explore issues relevant to everyone's sexual orientation and gender status, be they heterosexual, gay, lesbian, bisexual, transgender, or intersexual. Its readily accessible format assists individuals, study groups, civic groups, spiritual groups, or congregations create an open forum for the discussion of sexuality. It is helpful for personal journaling and sharing with relatives and friends, and is also very useful as a college text, therapy supplement, and as a catalyst for group discussions regarding gay, lesbian, and bisexual issues; gay rights; the coming-out process; and gay marriage.

**Gender, Sex and Children's Play** - Jacky Kilvington 2016-08-11

Does gender, sex and sexuality influence children's play, and their learning? Can/should professionals try to influence children's gender and sexual concepts? Can/should professionals try to prevent gender stereotyping? These and other questions are explored in a lively and thought-provoking text that looks at why and how children inhabit or develop their gender and sexuality. Written in an approachable way and illustrated with case studies and linked to current research and theory, the book helps students, teachers and playworkers understand the debates about biology versus culture and social learning and how these impact on children's expression of gender and sexuality. Engaging the reader in a thorough reflection of their own views and approaches to the genderized and sexualized behaviour of children at play, this text is an invaluable guide for all those interested in the importance of play, gender and sexuality and how they relate to children's lives. Topics include: play and the behaviour of boys and girls within particular social contexts; play and girls' and boys' sexual behaviour and their associated feelings; play and children's self-concepts and expectations; the

professional adult workers' role and the manifestation of genderized and/or sexualized play behaviour both in and outside a setting.

*Sexualities: Past Reflections, Future Directions* - Sally Hines 2012-01-01

This collection examines recent theoretical and methodological debates, shifts in law and policy, and social and cultural changes around sexuality. It sets out new ways of conceptualizing and researching sexuality and explores persistently marginalised and re-traditionalised sexual practices, subjectivities and identities.

**Sexuality and the Sacred** - Marvin Mahan Ellison 2010-01-01

"Challenges seminarians, clergy, and other religious leaders with provocative essays by leading theologians. Destined to be core reading at seminaries as we prepare the next generation of sexually healthy and responsible clergy."ùRev. Debra W. Haffner, Executive Director of the Religious Institute and coauthor of *Religion and Sexuality 2020: Goals for the Next Decade* "Gives much-needed breadth and depth to the discussion of human sexuality and religion."ùTraci C. West, Professor of Ethics and African American Studies, Drew University, and author of *Disruptive Christian Ethics* "The topics are timely and important, and the scholarship assembled speaks from and to diverse social locations."ùEllen T. Armour, Director of the Carpenter Program in Religion, Gender, and Sexuality Studies, Vanderbilt Divinity School "An important book to know,"ùEmilie Townes, Andrew W. Mellon Professor of African American Religion and Theology, Yale Divinity School This updated and expanded anthology featuring approximately thirty contemporary essays includes a wonderfully diverse group of theologians and ethicists addressing issues such as the intersection of race/racism and sexuality, transgender identity, same-sex marriage, and reproductive health. The result is an authoritative selection of essential readings about sexuality, spirituality, and social justice. Marvin M. Ellison teaches Christian ethics at Bangor Theological Seminary in Maine and is the author of *Erotic Justice: A Liberating Ethic of Sexuality and Same-Sex Marriage: A Christian Ethical Analysis*. Kelly Brown Douglas is the Elizabeth Conolly Todd Distinguished Professor of Religion at Goucher College, Baltimore, Maryland. She is the author of *Sexuality and the*

*Black Church: A Womanist Perspective*.

*Sexualities, Gender and Violence: a View from the Iberian Peninsula* - Begonya Enguix 2020-08-05

The eleven essays and the introduction included in this collection offer an interdisciplinary reflection on the multifarious intersections of sexuality and gender-based norms in Southern Europe. They offer varied insights on the different negotiations of gender and sexuality and their connections to different forms of violence in the Iberian Peninsula. Empirically rich and theoretically challenging, the different chapters tackle topics such as the configuration of relationships, digital intimacies, sexual violence and harassment and sex education. The first part explores the current configurations of sexuality, gender and violence attending to traditional meanings and also to new debates on these issues. The second part explores current masculinities in relation to different forms of violence. This collection is essential reading for anyone who is interested in the relations between sex, gender and violence in the contemporary moment.

**Understanding Sexual Identity** - Mark A. Yarhouse 2013-10-22

Today's youth struggle with difficult questions of sexual identity. How can a youth worker offer wise care and counsel on such a controversial and confusing subject? Mark Yarhouse, Director of the Institute for the Study of Sexual Identity, writes to equip youth ministers so they can faithfully navigate the topic of sexual identity in a way that is honest, compassionate, and accessible. Reframing the focus away from the culture wars, Yarhouse introduces readers to the conversation beginning with the developmental considerations in the formation of sexual identity—all of which occurs in the teen years. He offers practical and helpful ways to think about people who experience same-sex attraction. Sections of the book are also dedicated to helping parents respond to their children and teens who struggle with questions of sexual identity, as well as how youth ministry can become more relevant in the lives of youth who are navigating these issues.

*Christian Perspectives on Sexuality and Gender* - Elizabeth Stuart 1996  
*Christian Perspectives on Sexuality and Gender* is a collection of

important, challenging and creative articles. Originally published separately in different journals they are offered here for the first time to a wider audience. The writers represent a variety of Christian (and one non-Christian) responses to issues such as: sexuality and the Christian tradition; sexuality and gender; power and relation; marriage; sexuality and spirituality; love; gay and lesbian sexuality; the body; sexuality and love; sexuality and violence; sexuality and singleness and the family. Christian Perspectives on Sexuality and Gender will prove a vital and invaluable resource to scholars, students and all those interested in Christianity's attempts to wrestle with issues of sexuality and gender.

**Sex and Gender** - Mary Jo Iozzio 2017

Sex and Gender contains some of the subject's most important analyses in recent decades. The collection covers a wide range of topics: same-sex marriage, sexual minorities and biblical interpretation, sex and power, sexual harassment and sexual abuse, HIV/AIDS and prevention strategy, mobile porn, sexting, human trafficking, and more.

*Gender and Sexuality in the Migration Trajectories* - Emiliana Mangone 2017-12-01

The concept of "gender" has recently become one of the symbols of what many consider "a clash of civilizations" between the West and Muslim countries. Recent events highlight how gender issues are emblematic of the basic traits of a country's culture, and thus constitute some of the elements allowing for the construction of dividing lines between cultures, arbitrarily distinguishing between the "evolved" and "backward" ones, therefore with the aim to establish demarcation lines between "Us" and the "Others". The existential condition of migration leads to formation of multiple and diasporic identities, de-territorialized and reassembled at the individual level. In this scenario the integration of migrants is the result of a two-way process, in which rely significantly the social representations that migrants are being built on the population and of the host society (before and after the arrival) and intangible resources (cognitive and relational) experienced by migrants. Gender studies usually employing a constructionist perspective have seldom dealt with the issue of migration by analysing the experiences of the migrants

themselves. The few studies have highlighted how migrants' gender and sexuality underline the persistence of a model of domination and alteration typical of the colonial era, emphasizing the social identity allocation mechanisms used by Western societies that follow essentialist visions of migrants' ethnic and sexual identity, that is, of a social status considered as inferior and undesirable. There are several theoretical and methodological challenges calling for a perspective that takes into account the interconnection between gender, sexuality and migration. Studies on sexuality have now taken two roads, often strongly polarized and non-communicating between them: on the one hand, also because of the spread of sexually transmitted diseases, appeared a new generation of surveys on sexual behaviour of Western (and others) populations and on the changes in sexual behaviour along the main socio-economic and cultural fractures. On the other, a research trend on sexuality (New Sexuality Studies) has developed with mixed purposes, both analytical and critical-emancipatory ones. This branch, which focuses almost exclusively on the study of minority sexual subcultures, portrayed sexuality mostly through the lens of power and regarded with suspicion any attempt to develop a systematic and methodologically documented analysis of sexuality. The book will have repercussions on the progress of knowledge from a macro dimension represented by the growth and the transformation of migration flows across the Mediterranean to Europe to meso dimension of social representations of gender and sexuality that the migrant builds himself and the population of the host society; finally, the micro dimension through the analysis of case studies. From these problems, the book aims to initiate a transdisciplinary reflection on such issues and sexuality, in part by reducing the clear vacuum in scientific research taking shape as an experimental laboratory of new research perspectives because we recognize, critically, how the methods of the social sciences do not simply reproduce the phenomena under study, but also contribute - a greater or lesser degree - to their construction. And at the same time making an issue of sex, sexuality and the multiple identifications of gender of and in migration, involving migratory experiences both on the side of leaving a country and on that of arriving

to another.

*Queer Theory and Communication* - Gust Yep 2014-06-17

Get a queer perspective on communication theory! *Queer Theory and Communication: From Disciplining Queers to Queering the Discipline(s)* is a conversation starter, sparking smart talk about sexuality in the communication discipline and beyond. Edited by members of "The San Francisco Radical Trio," the book integrates current queer theory, research, and interventions to create a critical lens with which to view the damaging effects of heteronormativity on personal, social, and cultural levels, and to see the possibilities for change through social and cultural transformation. *Queer Theory and Communication* represents a commitment to positive social change by imagining different social realities and sharing ideas, passions, and lived experiences. As the communication discipline begins to recognize queer theory as a vital and viable intellectual movement equal to that of Gay and Lesbian studies, the opportunity is here to take current queer scholarship beyond conference papers and presentations. *Queer Theory and Communication* has five objectives: 1) to integrate and disseminate current queer scholarship to a larger audience-academic and nonacademic; 2) to examine the potential implications of queer theory in human communication theory and research in a variety of contexts; 3) to stimulate dialogue among queer scholars; 4) to set a preliminary research agenda; and 5) to explore the implications of the scholarship in cultural politics and personal empowerment and transformation. *Queer Theory and Communication* boasts an esteemed panel of academics, artists, activists, editors, and essayists. Contributors include: John Nguyet Erni, editor of *Asian Media Studies and Research & Analysis Program* Board member for GLAAD Joshua Gamson, author of *Freaks Talk Back: Tabloid Talk Shows and Sexual Nonconformity* Sally Miller Gearhart, author, activist, and actress Judith Halberstam, author of *Female Masculinity* David M. Halperin, author of *How to Do the History of Homosexuality* E. Patrick Johnson, editor of *Black Queer Studies* Kevin Kumashiro, author of *Troubling Education: Queer Activism and Antioppressive Pedagogy* Thomas Nakayama, co-editor of *Whiteness: The*

*Communication of Social Identity* A. Susan Owen, author of *Bad Girls: Cultural Politics and Media Representations of Transgressive Women* William F. Pinar, author of *Autobiography, Politics, and Sexuality*, and editor of *Queer Theory in Education* Ralph Smith, co-author of *Progay/antigay: The Rhetorical War over Sexuality* *Queer Theory and Communication: From Disciplining Queers to Queering the Discipline(s)* is an essential addition to the critical consciousness of anyone involved in communication, media studies, cultural studies, gender studies, and the study of human sexuality, whether in the classroom, the boardroom, or the bedroom.

*Language, Gender and Sexual Identity* - Heiko Motschenbacher 2010-11-11

This book makes an innovative contribution to the relatively young field of Queer Linguistics. Subscribing to a poststructuralist framework, it presents a critical, deconstructionist perspective on the discursive construction of heteronormativity and gender binarism from a linguistic point of view. On the one hand, the book provides an outline of Queer approaches to issues of language, gender and sexual identity that is of interest to students and scholars new to the field. On the other hand, the empirical analyses of language data represent material that also appeals to experts in the field. The book deals with repercussions of the discursive materialisation of heteronormativity and gender binarism in various kinds of linguistic data. These include stereotypical genderlects, structural linguistic gender categories (especially from a contrastive linguistic point of view), the discursive sedimentation of female and feminine generics, linguistic constructions of the gendered body in advertising and the usage of personal reference forms to create characters in Queer Cinema. Throughout the book, readers become aware of the wounding potential that gendered linguistic forms may possess in certain contexts.

**The SAGE Handbook of Global Sexualities** - Zowie Davy 2020-05-11

This two-volume Handbook provides a major thematic overview of global sexualities, spanning each of the continents, and its study, which is both reflective and prospective, and includes traditional approaches and

emerging themes. The Handbook offers a robust theoretical underpinning and critical outlook on current global, glocal, and 'new' sexualities and practices, whilst offering an extensive reflection on current challenges and future directions of the field. The broad coverage of topics engages with a range of theories, and maintains a multi-disciplinary framework. PART ONE: Understanding Sexuality:

Epistemologies/Conceptual and Methodological Challenges PART TWO: Enforcing and Challenging Sexual Norms PART THREE: Interrogating/Undoing Sexual Categories PART FOUR: Enhancement Practices and Sexual Markets/Industries PART FIVE: Sexual Rights and Citizenship (And the Governance of Sexuality) PART SIX: Sexuality and Social Movements PART SEVEN: Language and Cultural Representation
