[Women in Popular Culture \[2 volumes\] - Laura L. Finley 2023-03-24](#)

Including more than 300 alphabetically listed entries, this 2-volume set presents a timely and detailed overview of some of the most significant contributions women have made to American popular culture from the silent film era to the present day. The lives and accomplishments of women from various aspects of popular culture are examined, including women from film, television, music, fashion, and literature. In addition to profiles, the encyclopedia also includes chapters that provide a historical

review of gender, domesticity, marriage, work, and inclusivity in popular culture as well as a chronology of key achievements. This reference work is an ideal introduction to the roles women have played, both in the spotlight and behind it, throughout the history of popular culture in America. From the stars of Hollywood's Golden Age to the chart toppers of the 2020s, author Laura L. Finley documents how attitudes towards these icons have evolved and how their influence has shifted throughout time. The entries and essays also address such timely topics as feminism, the #MeToo movement, and

the gender pay gap.

Sex and the City - Nicole Evelina 2022-11-15

"The television show Sex and the City changed how a generation of women relate to themselves, their friends, and their men. Now, through a careful examination of the characters and the issues the show confronted—from sexuality and feminism to friendship and motherhood—this book reveals how the series impacted viewers from the 1990s to today"--

Cable Television Prime Time Programming, 1990-2010 - Mitchell E. Shapiro 2014-01-10

This reference work is an authoritative chronicle of prime time television programming on 20 major cable networks: A&E, ABC Family, AMC, BET, Bravo, Comedy Central, The Disney Channel, FX, GSN, HBO, Lifetime, MTV, Nickelodeon, Oxygen, Showtime, Spike, TBS, TNT, USA and VH1. These 20 represent the mass-oriented cable networks that have been most involved in airing original programming. From January 1990 through December 2010, a

detailed listing for each network includes its prime time scheduling history as well as a brief description of each program and a brief "bio" of each network.

Media/cultural Studies - Rhonda Hammer 2009

This anthology is designed to assist teachers and students in learning how to better understand and interpret our common culture and everyday life. With a focus on contemporary media, consumer, and digital culture, this book combines classic and original writings by both leading and rising scholars in the field. The chapters present key theories, concepts, and methodologies of critical cultural and media studies, as well as cutting-edge research into new media. Sections on teaching media/cultural studies and concrete case studies provide practical examples that illuminate contemporary culture, ranging from new forms of digital media and consumer culture to artifacts from TV and film, including Barbie and Big Macs, soap

operas, Talk TV, Facebook, and YouTube. The lively articles show that media/cultural studies is an exciting and relevant arena, and this text should enable students and citizens to become informed readers and critics of their culture and society.

Sex and the City - Candace Bushnell 2013-04-01
 "Relationships in New York are about detachment, so how do you get attached when you decide you want to?" "Honey, you leave town." Meet Carrie, Miranda, Sam and their stylish friends. Successful, attractive, thirty-something career women living the high life in New York; blazing a glorious cocktail trail from the Bowery Bar to the Baby Doll Lounge; holidaying in the Hamptons and going to Aspen by Lear Jet. But they have more in common than just their enviable lifestyle; they're all searching for lasting love. Finding it is easier said than done in a town full of gorgeous, single, rich men, none of whom want to settle down. Toxic bachelors and serial daters are a perennial

problem - but maybe Mr. Big will be different?

Substation History - 1956

A summary of information available on substation locations, elevations, exposures, instrumentations, records and observers from date station was established through the year 1955.

Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

The Erosion of the American Sporting Ethos

- Joel Nathan Rosen 2007-04-23

"This volume provides an analysis of the nature of competition in contemporary American sport. This work traces American sport from American culture to the influence of the 1960s counterculture and the resulting rise of a post-Cold War ethos that continues to reinterpret competitiveness as a relic of a misbegotten past and anathema to American life"--Provided by publisher.

Sex and the City - Amy Sohn 2004-02-23

A fan's resource for the award-winning cable

television program features information about the show's actors, producers, costume designers, and sets, and provides summaries of each season and interviews with the cast.

Women's Experiences - Frances Elaine Donelson 1999

Women's Experiences provides a comprehensive introduction to the psychology of women by examining such topics as gender role development, women's motivation to achieve, relationships with friends and lovers, experiences of menstruation, women's experiences of violence, and women's mental health. Contemporary issues explored include women in the media, feminism among women of color, the effects of maternal employment, lesbian and gay parents, and choices about reproductive issues.

Meet Carrie Bradshaw before 'Sex and the City!'
Film Bulletin - 1980

Summer and the City (The Carrie Diaries, Book 2) - Candace Bushnell 2013-04-25

Meet teenage Carrie Bradshaw as she hits the bright lights, big city of New York for the very first time! Find out how Carrie transforms from country girl to super-cool fashionista in the second explosive CARRIE DIARIES novel from the globally bestselling author of SEX AND THE CITY.

Mr. Monk in Outer Space - Lee Goldberg
2008-06-03

At a convention for the cult science fiction show Beyond Earth, Adrian Monk meets fans as obsessive-compulsive as he is. Though he's not

preoccupied with the program, Monk can understand the phenomenon. Who wouldn't want to live in an imaginary world? But there may be a killer in the Beyond Earth community: Someone in a starship uniform has gunned down the show's legendary creator. Could a fan be that furious at him for selling out to Hollywood? Or is more going on behind the scenes? Luckily, Monk's agoraphobic brother, Ambrose, is an expert on the TV series, and together they'll search the earth and beyond for the murderer. That is, if Ambrose can bring himself to leave the house. A new story starring Adrian Monk by Edgar® Award-nominated screenwriter Lee Goldberg. It's compulsive, page-turning fun. "Even if you aren't familiar with the TV series Monk, this book is too funny to not be read."—The Weekly Journal

Chick Lit - Suzanne Ferriss 2013-03-07

From the bestselling Bridget Jones's Diary that started the trend to the television sensation Sex and the City that captured it on screen, "chick

Downloaded from
legacy.opendemocracy.net on 2019-11-28
by guest

lit" has become a major pop culture phenomenon. Banking on female audiences' identification with single, urban characters who struggle with the same life challenges, publishers have earned millions and even created separate imprints dedicated to the genre. Not surprisingly, some highbrow critics have dismissed chick lit as trashy fiction, but fans have argued that it is as empowering as it is entertaining. This is the first volume of its kind to examine the chick lit phenomenon from a variety of angles, accounting for both its popularity and the intense reactions—positive and negative—it has provoked. The contributors explore the characteristics that cause readers to attach the moniker "chick" to a particular book and what, if anything, distinguishes the category of chick lit from the works of Jane Austen on one end and Harlequin romance novels on the other. They critique the genre from a range of critical perspectives, considering its conflicted relationship with feminism and postfeminism,

heterosexual romance, body image, and consumerism. The fourteen original essays gathered here also explore such trends and subgenres as "Sistah Lit," "Mommy Lit," and "Chick Lit Jr.," as well as regional variations. As the first book to consider the genre seriously, Chick Lit offers real insight into a new generation of women's fiction.

San Francisco Daddy - Charles St. Anthony
2014-12-21

Charles St. Anthony dreamed of living in San Francisco his whole life, and after a sudden return to the USA from Japan, he makes his way to the Bay. In this novella-sized mini-memoir, Charles finds the humor in every situation—whether it be a series of dating fiascoes in the Castro or beating a path down to Silicon Valley. He takes you on a tour of the New Age Babylon by the Bay, and Charles describes his notable adventures in political canvassing, polyamory, getting fired from a Jamba Juice knock-off and driving a sketchy San Francisco
