The Secret Pleasure - Anal Sex - Celso Marzano
2016-03-14

Not long ago, doctors started a fieldwork in the area of sexology, and there are very few of them who adventure themselves in this field and write about what they know. Among them, only a smaller number choose the delicate subject that Doctor Celso Marzano has chosen. Only after years of clinical work and with confidence on his work and on himself is that he chose to write about this human behavior matter. It's already been written that we, Brazilians, because of the importance that we give to this subject, are sodomites. If we are or not, there is no doubt: we are. The question isn't even if we are more or less than other people. The question is that, in order to be a sodomite, we need to act wisely. And in this book we have an analysis, a guide, not with recipes and hygiene advices, but with a new light upon the secrets of the myth that surrounds anal sex. Being impartial when it comes to delicate issues can challenge creativity and maturity. And reading this book, the reader will observe that the author owns both characteristics. And that's rare among the elite that we have described at the beginning of this preface. Taking responsible information, free of prejudice to those who are interested in the subject is not an easy task. People who are dedicated to sexology know how intensely this matter moves in society. Some religions used anal sex practice as an example of typical sinful human behavior. Feminists dressed it as the ultimate proof of the desire that exists have for humiliating women. This book studies the subject through the eyes of a constructive and guided sexology, not losing sight that the future will give this practice the destiny that the past wasn't bold enough to foresee. In spite of this

future, we have here a study that deserves to be read and analyzed as a new challenge to conquer over prejudices and make people aware of the motivations and consequences of sodomy.
Md. Eliezer Berenst

The Viagra Alternative - Marc Bonnard
1999-10

For those men who wish to avoid the risks of Viagra, this handbook offers the most up-to-date on natural, safe, and long-term cures for impotence.

[It's Not Him, It's You!](#) - Laura Berman
2010-12-20

A best-selling author and renowned sex therapist provides inspiration for helping women break out of bad relationship patterns to achieve romantic and sexual fulfillment by suggesting the problems, and ultimately the solutions, may lie within themselves and not their partners.

For Women Only - Jennifer Berman 2001
According to The Journal of the American Medical Association, 43% of women in America - of all ages - suffer from sexual dysfunction. But doctors have generally dismissed these complaints, telling women their problems are just in their heads or something they have to accept. Dr. Jennifer Berman is one of the few female urologists in the country; Dr. Laura Berman is a sex therapist. Together these sisters run the Women's Sexual Health Clinic at Boston University Medical Center - the first in the country to offer comprehensive physiological and psychological treatment of female sexual dysfunction. In their research and clinical work, the Bermans have learned that many of the same physical problems that cause impotence in men can cause dysfunction in women. Many women also experience diminished sexual response after aging and menopause, or after hysterectomies or

Downloaded from
[legacy.opendemocracy.net](#) on 2021-01-17
by guest

other pelvic surgery. In this book the Drs. Berman give women of all ages the information they need to understand what's going on with their bodies and what treatments are available in order to achieve more fulfilling sex lives.

For Women Only - Jennifer Berman 2001

"For Women Only" is the antidote to what women have been told for years, that their sexual problems are all in their heads. Dr. Jennifer Berman, a female urologist, and her sister, Dr. Laura Berman, a sex therapist, wrote this comprehensive handbook to help arm women with the facts about health issues and achieving sexual satisfaction. 15 illustrations.

Helping People with Sexual Problems - Peter Trigwell 2005

"This book is intended as a practical guide to enable all clinical healthcare professionals, whether doctors, nurses or other clinicians, to assess, understand and attempt to treat their patient's sexual problems, paying attention to both organic and psychological aspects of aetiology and management. It will also help them to know when to refer on to specialist services for difficult or complex cases, and to whom patients would best be referred. It will be of particular relevance to doctors and allied healthcare professionals in primary care, urology, diabetology, gynaecology, genito-urinary medicine and psychiatry, but will also assist clinicians in all other medical and surgical specialties to improve their ability to help people with sexual problems."--BOOK JACKET.

[The Therapist: Episode 1](#) - J.A. Belfield
2021-05-18

From International Bestselling author J.A. Belfield comes an intriguing and sensual romance serial ... Episode One: Through self-imposed rules and a learned composure, Chase Walker takes a married couple on their first steps into bedroom communication. The same stance he takes with every client on his list. That is, until his newest client walks in and gives a whole new meaning to a hard day at the office. With a face full of innocence and a beauty she seems unaware of, Abi O'Shay might just be the first person to crack his professional façade. Series Synopsis: Chase Walker: Founder of C.W. Consult. Sex therapist extraordinaire. And, without question, always in control. After years of schooling his emotions, Chase takes pride in

his self-composure and firm lack of commitment. It takes only one, fresh-faced redhead in need of his services for all of that to fall to pieces.

Abigail O'Shay is everything Chase isn't. Sweet.

Innocent. Pure. Chase has never wanted anything more. Except, if that whole therapist-client barrier isn't enough of an issue, Chase's own demons are only too happy to bury the fantasies he entertains for his latest client.

It's Not Him, It's You - Laura Berman 2010-12-31

[Facing the Complexities of Women's Sexual Desire](#) - Vera S. Maass 2006-11-22

This book focuses on a problem frequently encountered by sex and family therapists, psychologists and primary care physicians: women's sexual desire or lack thereof. The book covers both research and clinical interventions, and outlines factors that contribute to the decline in sexual desire in women of various ages. The text describes therapeutic steps which can be undertaken with the guidance of a therapist or by the woman herself.

Blocks and Freedoms in Sexual Life - Ruth Skrine 2019-01-22

Doctors increasingly recognize that sexual unhappiness has serious effects on the health of individuals and families. Sexual function depends on our bodies and our minds and sexual problems may present with physical symptoms. Using case histories the book describes the practice of psychosexual medicine and explores the skills used by doctors therapists and counsellors. A systematic and comprehensive examination of this field for the first time this book places psychosexual medicine in context with other therapies. For those working at all levels throughout primary care including doctors and nurses in general practice and in family planning clinics therapists and counsellors and for specialists in the fields of genito-urinary medicine gynaecology andrology and urology **Blocks and Freedoms in Sexual Life** is an essential reference and a tool for increasing the scope and effectiveness of their work.

Sex Therapy Manual - Patricia Gillan 1991-01-15

A straight-forward step-by-step guide for sex therapists, marital therapists and other professionals involved with counselling those with sexual problems. The book is clearly and logically written to form a manual for use in

practice. The book conveniently divides sexual problems into the difficult and easy to treat. Each problem is fully discussed and ways in which they can be managed and treated outlined. Discussion techniques are explained and illustrated by actual case-studies with patient/therapist dialogues and guidance is given on how to deal with the various responses of clients. Dr Gillan has pioneered group therapy and separate chapters are devoted to managing women's groups, men's groups and mixed groups. Techniques of individual and couple therapy are discussed in detail and examples of actual case histories appear throughout the book.

The Halo Effect - M. J. Rose 2014-10-20

Dr. Morgan Snow is a well-known sex therapist with a prestigious clinic devoted to the psychology of sex. One of her patients, Cleo, is a beautiful, cultured prostitute who runs her own call-girl business. Cleo has been coming to Dr. Snow because she's fallen in love, but is unable to have a healthy sexual relationship. One day, Cleo arrives with a manuscript for a tell-all book....and then disappears. A serial killer has been at work in the city, and Detective Noah Jordan turns to Morgan Snow to find out more about the psychology of a sexual murderer. Both Morgan and Noah suspect there is a link between the serial killer and Cleo's sudden disappearance, and work together to find her - before it is too late.

New Sex Therapy - Helen Singer Kaplan
2013-10-28

First published in 1975. The last two decades have brought remarkable advances in our knowledge of human sexuality. These data are in the process of being assimilated into the main body of psychiatric thought, which is being greatly enriched thereby. Our increased understanding of sexuality is also currently being translated into innovative new approaches to the treatment of sexual difficulties. These developments promise relief to many persons with distressing sexual problems who were previously thought to be beyond help. At the present time, the specific approach to sex therapy described in this volume is being employed, further developed and, most important, systematically evaluated at the Sex Therapy and Education Program of the Payne

Whitney Psychiatric Clinic of the Cornell University-New York Hospital Center. The Cornell program is psychiatrically oriented. It regards sex therapy as a specialized branch of psychotherapy. The Clinic conceives of sexual dysfunctions as psychosomatic symptoms and it's orientation is multicausal and eclectic in that it believes that sexual dysfunctions are the product of multiple etiologic factors, and our treatment armamentarium comprises an amalgam of experiential, behavioral and dynamically oriented modalities.

Sexuality and Gender for Mental Health

Professionals - Christina Richards 2013-10-15

Questions of sexuality and gender affect everyone and therefore have an inevitable relevance in the consulting room. Yet with interpretations and manifestations of both varying greatly from person to person, understanding the inherent complexities of sexuality and gender can be a daunting task for the health professional. Breaking down these complexities this practical guide familiarises the reader with all of the common and many of the less common sexualities, genders and relationship forms, and explains experiences and issues relating to each. The book contains: - Explanations of various forms of sexuality, gender and relationship structures -Common concerns relating to specific groups -Key practises relating to specific groups -The treatment of specific groups in contemporary Western society -Details of some rules and ideals that are commonly found within specific groups - Suggestions for professional practice with these groups Ideal for all members of the multidisciplinary team, this accessible book is relevant to practitioners across theoretical backgrounds. Whether you are a trainee or qualified psychotherapist, counsellor, nurse, medic, psychiatrist, social worker or applied psychologist, this is a vital text for your professional practice. CHRISTINA RICHARDS is Senior Specialist Psychology Associate at the West London Mental Health NHS Trust (Charing Cross) Gender Identity Clinic. MEG BARKER is a senior lecturer in psychology at the Open University and a sex and relationship therapist. *Seven Weeks to Better Sex* - Domeena C. Renshaw 1995

The founder and director of the Loyola Sex

Therapy Clinic shares the seven-week program that has helped thousands heal both their sex lives and relationships. Dr. Renshaw addresses the causes of sex problems, then gives readers the frank "sex education you never had". She also outlines the six most common sexual problems.

Seven Weeks to Better Sex - Domeena Renshaw 1997-06-16

The founder and director of the Loyola Sex Therapy Clinic shares the seven-week program that has helped thousands heal both their sex lives and relationships. Dr. Renshaw addresses the causes of sex problems, then gives readers the frank "sex education you never had." She also outlines the six most common sexual problems. From the Hardcover edition.

Sexuality and Fertility After Cancer - Leslie R. Schover 1997-09-30

"Finally! Such a comprehensive resource for survivors has been long overdue." --Michelle Melin, M.P.P., Director of Patient Services Y-ME National Breast Cancer Organization "An excellent, well-researched book that responds to the needs of survivors." --Anna Meadows, M.D. Director, Division of Oncology and Children's Cancer Research Center Children's Hospital of Philadelphia. Now as never before cancer survivors are discovering their potential for renewed sexuality, which many may never have thought possible. In this comprehensive new book, the leading authority in the field carefully and reassuringly explains your options and gives you the accurate, up-to-date information you need to take advantage of them. Now you can make the decisions that are best for you based on recent medical advances and the newest perspectives. This unique guide covers: * The kinds of sexual problems both men and women are likely to face after treatment --and state-of-the-art solutions * The most effective infertility treatments * How to assess the risks of pregnancy * The latest information on body image, low sex drive, performance anxieties, medications, sex aids, and reconstructive surgery * Special topics such as sex after breast or prostate cancer, and the specific problems facing gays, singles, and survivors of childhood cancers.

Sexual Exploitation in Professional Relationships - Glen O. Gabbard 1989

This book presents the latest data on -- and clinical, ethical, and medicolegal issues pertaining to -- sexual intimacy in the professional relationship. Contributors (including psychiatrists, psychologists, social workers, clergy, and attorneys) explore the issue of professional incest across the broad spectrum of the helping professions.

The Psychology of Sexual Health - Dr. David Miller 2008-04-15

There have been rapid developments in the psychological management of sexually transmitted diseases, particularly HIV and AIDS. However, a significant proportion of those attending genitourinary clinics do not have a disease or infection, but rather are seeking help with sexual health issues relating to behaviour, prior sexual experiences and relationships. Hence as clinics become more and more generalist there is a need to focus on behavioural aspects of disease. This is the first text to draw together the knowledge base and expertise of clinicians and researchers from all disciplines in the psychological management of sexual health. It presents advances in theory and practice in a practical way that will be accessible for all disciplines.

For Women Only - Jennifer Berman 2002-01-01

The national bestseller about achieving sexual satisfaction-the book that is fast becoming an essential reference for women throughout the country *For Women Only* is the antidote to what women have been told for years, that their sexual problems are all in their heads. Dr. Jennifer Berman, one of the few female urologists in the United States, and her sister, Dr. Laura Berman, a sex therapist, wrote this comprehensive handbook to help the whole woman by examining all facets of women's sexual health, to arm them with the information they need about their bodies and sexual responses, and to provide them with the full spectrum of options for treatment. This is a book to take to a doctor, to give to a partner, and to share with other women. Four in ten women of all ages in the United States experience some kind of sexual problem at some point in their lives. The Bermans founded one of the first clinics in the country dedicated to the treatment of female sexual dysfunction, and in *For Women Only* they draw on their own research and

Downloaded from

by guest

clinical findings to show that sexual complaints do not have to be endured, but are in fact highly treatable. Among the topics the Drs. Berman address in For Women Only: - Viagra and drugs like it: Will they work for women? - The debate over the cause of female sexual dysfunction: physical, psychological, or both? - What's behind

the lag in sex research for women - How doctors deal with female sexual complaints - Sexual problems as a couples' issue - The important role testosterone plays in female sexual function - Assessing your sexual function and enhancing sexual arousal and pleasure
