Sex In the Cinema: The Pre-Code Years (1929-1934) Lou Sabini Hollywood movies in the 1920s depicted sex, violence, and alcohol and drug abuse with freewheeling abandon, but filmmaking freedom halted with the mysterious murder of director William Desmond Taylor, the drug death of writer-director-actor Wallace Reid, and the rape trials of Roscoe "Fatty" Arbuckle. Hollywood had to choose self-censorship or face the moral indignation of the law. They chose to manage movie madcaps themselves. Will H. Hays, President of the Motion Picture Producers and Distributors of America (MPPDA) from 1922 to 1945, prescribed the Production Code in 1930 and began strictly enforcing it in 1934. The Production Code spelled out a set of moral guidelines that were popularly known as the Hays Code. For decades, moviemaking was never the same. Rediscover 107 spicy films from the Pre-code era, including Stolen Heaven (1931), The Night of June 13th (1932), Three on a Match (1932), Red-Headed Woman (1932), Call Her Savage (1932), This Reckless Age (1932), Young Bride (1932), Panama Flo (1932), and Baby Face (1933). Relive the fabled faces of these fiery films, such as Barbara Stanwyck, Norma Shearer, Jean Harlow, Bette Davis, Greta Garbo, James Cagney, Clark Gable,

Edward G. Robinson, Wallace Beery, Carole Lombard, Frances Dee, Chester Morris, and Sylvia Sydney, as well as directors Frank Capra, Rouben Mamoulian, James Whale, William Wellman, Michael Curtiz, William Wyler, and W. S. Van Dyke. Author Lou Sabini points his comprehensive spotlight on the often forgotten yet always fascinating films that dared depict violence, drugs, and sex with a sinful flair. 107 films profiled. Illustrated with 178 rare photographs and memorabilia from the world's archives. Complete casts, credits, production history, and biographical profiles of the stars, director, writers, and cameramen. About the author: Lou Sabini attended the School of Visual Arts in Manhattan, later teaching and lecturing about film. He is the author of *Behind the Scenes of They Were Expendable*.

Spy 1988-12 Smart. Funny. Fearless. "It's pretty safe to say that *Spy* was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written and perfectly designed, and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented" --Dave Eggers. "It's a piece of garbage" --Donald Trump.

Sex and the City and Us Jennifer Keishin Armstrong 2019-05-07 The bestselling author of *Seinfeldia* offers a fascinating retrospective of the iconic and award-winning television series, *Sex and the City*, in a "bubbly, yet fierce cultural dissection of the groundbreaking show" (*Chicago Tribune*). This is the story of how a columnist, two gay men, and a writers' room full of women used their own poignant, hilarious, and humiliating stories to launch a cultural phenomenon. They endured shock, slut-shaming, and a slew of nasty reviews on their way to eventual—if still often begrudging—respect. The show wasn't perfect, but it revolutionized television for women. When Candace Bushnell began writing for the *New York Observer*, she didn't think anyone beyond the Upper East Side would care about her adventures among the Hamptons-hopping media elite. But her struggles with singlehood struck a chord. *Beverly Hills, 90210* creator Darren Star brought her vision to an even wider audience when he adapted the column for HBO. Carrie, Miranda, Charlotte, and Samantha launched a barrage of trends, forever branded the actresses that took on the roles, redefined women's relationship to sex and elevated the perception of singlehood. Featuring exclusive new interviews with the cast and writers, including star Sarah Jessica Parker, creator Darren Star, executive producer Michael Patrick King, and author Candace Bushnell, "Jennifer Keishin Armstrong brings readers inside the writers' room and into the scribes' lives...The writing is fizzy and funny, but she still manages an in-depth look at a show that's been analyzed for decades, giving readers a retrospective as enjoyable as a \$20 pink cocktail" (*The Washington Post*). *Sex and the City and Us* is both a critical and nostalgic behind-the-scenes look at a television series that changed the way women see themselves.

Bella knew there must be more to life than casual jobs and sitting at home, dreaming about the bright lights. An actor by trade, she bought a one-way ticket to the Big Apple and enrolled against all odds in the prestigious Lee Strasberg Institute. Soon she was falling in love with her own 'Mr Big', meeting the locals and coming to grips with the vagaries of life in that glittering town. What New York City would offer her, Bella could never have predicted - sometimes scary, mostly cash-strapped, but always exhilarating. She proves that with a little determination and a lot of Down Under pizzazz, even the wildest dreams can come true.

Sex and the Shield Steve Stanulis 2018-01-25 In this exciting autobiography, Steve Stanulis, a former male dancer that became a decorated New York City police officer, tells a tale filled with wild sex, street cop action, pathos and hilarity. This amazing-but-true tale alone would make it a stand apart must read. That said, consider what happens when you add a little item called "celebrity security" as the cherry to the top of an already tasty narrative mix (male stripper/big city police procedural). Sitting up? Here's more: moonlighting while still on the NYPD, Steve's role was to mingle with the stars, keeping things festive while maintaining a watchful eye. This access along with his real guy charm and movie star good looks led to many nights when he was every bit the naughty reveler as were his high-profile clients. The story doesn't end there either, as Steve would eventually leave the force to become a noted film and stage actor and producer in his own right. The fact that Steve has finally decided to tell his one-of-a-kind life story is already starting to generate a buzz. You'll feel the excitement too, page after page!

Big Kiss Henry Alford 2000 "I'd like to thank the Academy and all of the little people who made Henry Alford's hilarious book possible. Mr. Alford delivers a performance that is laugh-out-loud funny and written with high style." --Christopher Buckley, author of *Little Green Men* Henry Alford was a well-adjusted, critically acclaimed author living quietly in New York City. Then he decided to become an actor. In the course of this memoir, Alford is rejected by directors, ignored by casting people, abused by a sadistic acting teacher, and educated in the finer points of Shakespearean thespianism at the Royal Academy of Dramatic Art in England, where he fails to convince the Queen to attend his final performance. Along the way, Alford auditions for the role of Wil-bur the Pig in *Charlotte's Web*, triumphs as an extra in *Godzilla*, and takes his sixty-nine-year-old bird-watching, chain-smoking mother to improvisational-comedy camp. Hoping to broaden his range, he takes a job with a phone-sex business, where he assays many roles on a popular party line. Finally, Alford finds happiness and celebrity as the cohost of VH1's hit series *Rock of Ages*, on which he quizzes elderly Italian women, among others, about videos by heavy-metal groups. Original, absurd, and written with true comic grace, *Big Kiss* captures in a new and unforgettable way the experience of being a performer.

All I Ever Wanted Kathy Valentine 2020-04-09 At twenty-one, Kathy Valentine was at the Whisky in Los Angeles when she met a guitarist from a fledgling band called the Go-Go's—and the band needed a bassist. The Go-Go's became the first multi-platinum-selling, all-female band to play instruments themselves, write their own songs, and have a number one album. Their debut, *Beauty and the Beat*, spent six weeks at the top of the Billboard 200 and featured the hit songs "We Got the Beat" and "Our Lips Are Sealed." The record's success brought the pressures of a relentless workload and schedule culminating in a wild, hazy, substance-fueled tour that took the band from the club circuit to arenas, where fans, promoters, and crew were more than ready to keep the party going. For Valentine, the band's success was the fulfillment of a lifelong dream—but it's only part of her story. *All I Ever Wanted* traces the path that took her from her childhood in Texas—where she all but raised herself—to the height of rock 'n' roll stardom, devastation after the collapse of the band that had come to define her, and the quest to regain her sense of self after its end. Valentine also speaks candidly about the lasting effects of parental betrayal, abortion, rape, and her struggles with drugs and alcohol—and the music that saved her every step of the way. Populated with vivid portraits of Valentine's interactions during the 1980s with musicians and actors from the Police and Rod Stewart to John Belushi and Rob Lowe, *All I Ever Wanted* is a deeply personal reflection on a life spent in music.

Shopped Emily Stott 2016-07-05 A funny and engaging story about the pursuit of style. 'I headed alone for Knightsbridge - a strange choice for a skint teenager - and it was there that I fell in love for the first time. The dress was little, black and slightly frou-frou, and I knew on sight that it was the one.' Ever wondered why you have three versions of the same top but want to buy another? Or why some shop mirrors are more flattering than others? And whether we really only wear 20 per cent of our wardrobe 80 per cent of the time? Emily Stott is passionate about high street fashion. Her Saturday morning shopping trips as a child led to jobs both on the shop floor and in the offices of upmarket stores. But it was while writing about fashion brands for magazines and simultaneously spying as a mystery shopper that she gained a whole new insight into fashion retail. Now a stylist, Emily Stott writes with warmth and wit on the pleasures of dressing up, the trials of growing up and learning how to shop for yourself. Full of insider knowledge, *Shopped* is a wonderfully entertaining memoir about a life of clothes. You'll never shop in the same way again.

Silver Screen Fiend Patton Oswalt 2015-01-06 The instant New York Times bestseller from author, comedian and actor Patton Oswalt, a "heartfelt and hilarious" (USA TODAY) memoir about coming of age as a performer during the late 1990s while obsessively watching classic films at a legendary theater in Los Angeles. "[Oswalt has] a set of synapses like a pinball machine and a prose style to match" (The New York Times). Between 1995 and 1999, Patton Oswalt lived with an unshakable addiction. It wasn't drugs, alcohol, or sex: it was film. After moving to Los Angeles, Oswalt became a huge film buff (or as he calls it, a sprocket fiend), absorbing classics, cult hits, and new releases at the famous New Beverly Cinema. Silver screen celluloid became Patton's life schoolbook, informing his notion of acting, writing, comedy, and relationships. Set in the nascent days of LA's alternative comedy scene, *Silver Screen Fiend* chronicles Oswalt's journey from fledgling stand-up comedian to self-assured sitcom actor, with the colorful New Beverly collective and a cast of now-

notable young comedians supporting him all along the way. “Clever and readable...Oswalt’s encyclopedic knowledge and frothing enthusiasm for films (from sleek noir classics, to gory B movies, to cliché-riddled independents, to big empty blockbusters) is relentlessly present, whirring in the background like a projector” (The Boston Globe). More than a memoir, this is “a love song to the silver screen” (Paste Magazine).
