**THE SEDUCTION HANDBOOK FOR SHY GUYS** Paola Rubio 2022-05-24 This book has been written by Paola, the typical girl of the next door, in order to beat your shyness, to make you gain self-confidence and make you loosen up when it comes to approach women. Paola will help you overcome your fears, anxieties and insecurities, so that you can establish a relationship with women with spontaneity and success. No magical formula, no pretentious and seductive playboy ready to become your guru disclosing arrogantly his precious seductive secrets. Here, you will just find a friend, why not, maybe a potential "friend with a benefit", who, with the maximum complicity of the case, looking in your eyes and holding your hand, will reassure you and push you towards new goals and seduction aims! FROM PAOLA'S INTRODUCTION Hello and welcome to the world of seduction for shy guys. Let me introduce myself: I am Paola, medium stature, brown hair with light eyes, I am a simple and joyful person, I have a job, a dog, hobbies and friends... well, I bet you recognized me: I'm here to guide you to the discovery of seduction. Sure enough, I was asked to write a

book because, according to everyone, I am able to make men feel comfortable, creating a calm and enjoyable atmosphere. So, for this reason I'm addressing the people who like you, are shy and who would like to have a capable friend who could help breaking the ice with women. Maybe you're thinking that you're the only guy who's not able to approach girls you like, and all around, you see over and over again less attractive, interesting and funny men... always in company! Have you ever wondered what they have in addition in comparison with you? Do you think they have a secret move to make all girls go crazy for them? I can assure you that they do not have any secret move: often, you can win a woman over by using a word in the right moment, a nice action, a joke: well, the so-called soul willingness. You just have to put your terrible shyness apart (or use it in your favour: I will explain it!) Anyway, you have to know that you're in good company: as a matter of fact, shyness is really common among you guys, and from my experiences, I convinced myself that this causes "blocks" when a man tries to approach a woman, even if inside he would do anything to talk to her calmly. Good, it's time to make a break. I want to teach you how to overcome this problem, that right now could seem insuperable. We can also say that, nowadays, women seem free, strong, independent and this could create a lot of confusion in men. Maybe as a child you grew up with stereotypes that clash with reality: it's true, there aren't any princesses waiting for the prince charming. But do not forget that little girls too used to read the same fairy tales, and every girl, deep inside, dream of living one. So, where is the catch? Believe me if I tell you that this is a matter of points of view. For example, did you know that shy people are great observers, reflective people and in general more intelligent than anyone else? You just have to find your strength points and turn them in your advantage. How? We will see how together. For now, you just have to consider that I will bring you out from your dolt shell, and after reading and putting into practice my advices, your relationship with women will improve in a surprising way. We will start by trying to understand what kind of shy man you are; then we will work together in order to turn you into a more self-confident man; we will take a look at the female universe to understand in a better way women, their weak points, what they love and what they hate; then, I will show you some typical situation in which you can find yourself when it comes to approach a girl; I will explain to you what to do and what to say, and lastly I will give you some easy but also valid tricks to win the woman of your dreams over.

**Seduction** Chris Bale 2016-04-26 Steamy, Graphic, Honest And REAL! Want to become amazing with yourself, and the Ladies? Well this book can get you there, quickly, through the real life and incredibly detailed seduction reports. The following is an INCREDIBLY valuable, unorganised mind-dump of seduction stories, old diary posts and epiphanies from author, dating coach, acupuncturist and internal masculine development coach Chris Bale, of [www.masculineintent.com](http://www.masculineintent.com) Chris is one of the worlds top International dating, sex, lifestyle design coaches, and has been playing in the land of women for many years now. After suffering with crippling social anxiety (at his worst stage he couldn't even buy bread in a shop), Chris decided he had to change his life. He was living in a self created stress everyday, and at one point came close to ending it all. "I chose to make a decision. I chose to take my own life into my own hands, as nobody was going to grant me confidence or abundance in any aspect of my life, other than ME" Chris spent the next 8 years blowing his old reality completely out of the water. At times, it was almost too difficult, but he moved through, learning with every failure. "I went from sleeping with just 1 girl to the age of 21, to sleeping with over 400 at 28 yrs of age. I have completely lost count. My brother still jokes with me, asking what number I am on. My journey through seduction ended up being nothing to do with women, and everything to do with facing my own fears and growing in life. Women and sex will not fulfill you. I learned that the hard (but fun) way. Now my passion is helping men to reconnect to their core confidence and guiding purpose. Women just so happen to go weak at the knees for a man who knows himself and what he wants." The following stories stem from a direct manifestation of all the seductive qualities, which Chris teaches step by step in his book: *The Gentleman's Guide To Effortless Seduction*: <http://www.amazon.com/Seduction-Gentlemans-Effortless-Meditation-Attractive-ebook/dp/B01D3GGK70> You will learn and grow endlessly just by reading the individual journal entries, which have went on to help educate and inspire thousands of men who have been following Chris's message over the previous years. Your mind/reality will be bent and widened. Once you see the truth, you cannot forget. Action is the only way forward.

*Shyness & Love* Brian G. Gilmartin 2012-11-29 *Shyness & Love* covers the only major study conducted to date on social anxiety disorder as it is manifested in informal, unstructured, male/female dating and courtship situations. It focuses on the causes—both biomedical as well as situational—of "love-shyness" and the consequences for those afflicted with it. Gilmartin also discusses promising treatment modalities and what schools and communities can do to prevent severe love-shyness from developing in the first place. *Shyness & Love* examines the early family life as well as the peer group interactions of love-shy men. The book provides many statistical comparisons between the sampled love-shys and a comparison group of non-love-shy males of normal (but not superior) social self-confidence levels. These statistical comparisons allow for some informed speculations regarding the numerous interacting causes that underlie social phobia in informal, unstructured, heterosexual social situations. These statistical comparisons also provide the reader with some powerful suggestions regarding ways the American social structure (e.g., schools, family life, and communities) might be rearranged so that severe and intractable forms of love-shyness would never have an opportunity to develop in growing boys and teenagers in the first place. Since the publication of the first edition of this book, it has been determined that as many as forty percent of men afflicted with love-shyness are simultaneously comorbid for Asperger's Syndrome, also known as high-functioning autism. As many as half of all love-shy males are comorbid for the "male lesbian syndrome," sometimes also referred to as the "passive, non-competitive male syndrome." This second edition contains a new foreword that presents the latest findings in love-shyness research. It is more concise than the original *Shyness & Love*, yet retains the most significant chapters.

And arguably there is no better teacher than John Gottman, PhD, a world-renowned relationships researcher and author of the bestselling 7 principles of Making Marriage Work. His new book, written with wife Julie Gottman, a clinical psychologist, and Doug Abrams and Rachel Carlton Abrams, MD, is based on 40 years of scientific study, much of it gleaned from the Gottman's popular couple's workshops and the "love lab" at the University of Washington. It's written primarily for men because new research suggests that it is the man in a relationship who wields the most influence to make it great or screw it up beyond repair. The Man's Guide to Women offers the science-based answers to the question: What do women really want in a man? The book explains the hallmarks of manhood that most women find attractive, and helps men hone those skills to be the man she desires.
