Marriage Equality William N. Eskridge 2020-08-18 The definitive history of the marriage equality debate in the United States, praised by Library Journal as "beautifully and accessibly written. . . .An essential work." As a legal scholar who first argued in the early 1990s for a right to gay marriage, William N. Eskridge Jr. has been on the front lines of the debate over same-sex marriage for decades. In this book, Eskridge and his coauthor, Christopher R. Riano, offer a panoramic and definitive history of America's marriage equality debate. The authors explore the deeply religious, rabidly political, frequently administrative, and pervasively constitutional features of the debate and consider all angles of its dramatic history. While giving a full account of the legal and political issues, the authors never lose sight of the personal stories of the people involved, or of the central place the right to marry holds in a person's ability to enjoy the dignity of full citizenship. This is not a triumphalist or one-sided book but a thoughtful history of how the nation wrestled with an important question of moral and legal equality.

The Secret Sex Life of a Single Mom Delaine Moore 2012-03-06 For seven years, Delaine Moore devoted herself to being the perfect wife and stay-at-home mom. Then, one day, she discovers her husband's infidelities, and suddenly she finds herself in a new role: 37 years old, mother of three . . . and going through a divorce. In the midst of this emotional turmoil, Moore discovers that her long-dormant libido has suddenly come alive—and, surprising even herself, she decides to listen to what it's saying. *The Secret Sex Life of a Single Mom* is the funny and empowering story of the physical and spiritual self-discovery that results from Moore's sexual awakening. Connecting with a fiery, daring side of her personality that has been subsumed by motherhood and marriage, Moore tries out everything from sex

clubs and young gigolos to bondage and multi-partner sex—testing her limits, reclaiming her body, and taking control of her life along the way. More than the story of a woman's breaking and remaking after divorce, *The Secret Sex Life of a Single Mom* is a humorous, thoughtful exploration of what it means to be a mother and a sexual being, and a reminder that when life slams you down, a little fire won't burn you—it will awaken you.

Pink Samurai Nicholas Bornoff 1991 The author describes the sexual pursuits and politics in modern Japan. Attitudes towards women, men, family, work and erotic preferences are revealed. In Japan, although sexual guilt is virtually unknown, random meetings with the opposite sex are not simple. From primitive village origins to the urban affluence of a super-industrial society, the Japanese have always found ingenious ways to express, and meet, their needs.

Why You're Not Married... Yet Tracy McMillan 2012-09-01 If you're looking to get married and you're not, there's most likely a very good reason: you. Not that you're a bad person - you're certainly not! It's just that you haven't yet become the woman you need to be in order to have the partnership you want. Based on her wildly popular Huffington Post article - one of the site's most-viewed of all time - Why You're Not Married... Yet dishes out straightforward, no-holds-barred practical and proven advice for women hoping to head down the aisle or just have a great relationship. With sisterly insight, razor-sharp wit, and refreshing candor, McMillan points out the things that might be in your blind spot: unhelpful attitudes, behaviors, and beliefs so easy to identify in others, much more difficult to see in yourself. Then she shows you how to adjust them to get the relationship you deserve. And with advice like 'stop acting like a dude' and 'casual sex is like casual heroin use' she'll make you laugh out loud along the way. Why You're Not Married... Yet isn't so much about getting a husband as it is about shifting your perspective on being a wife.

Unintentional M. E. Clayton 2018-09-06 What happens when you come home to overhear your wife describe your sex life as fine? Marcus Maxwell thought his life was perfect. He had a successful business, great friends and an amazing wife. So, imagine his surprise when he comes home one night to overhear his wife telling her friends that their sex life was fine. Now, it's not like he needed a blue ribbon pinned on his...uh, manhood for a job well done, but fine The more Marcus dwells on his wife's less than stellar descriptive of their sex life, the more he realizes just how blind he's been for the past 15 years. Emily Maxwell thought her life was better than most. She had a great job, kickass friends and an amazing husband. So what if her marriage lacked passion and up-against-the-wall sex. She had a successful husband who loved her and treated her like a gem. A squeaky clean, sparkling gem. A super clean gem that never had up-against-the-wall sex. After a night of failed shower sex, Marcus confronts Emily about their fine sex life and he ends up with more than he bargained for. But no matter their issues, Marcus will stop at nothing to prove to Emily that 'fine' is just not acceptable.

From the Living Room to the Bedroom Psyd Cst Bercaw, Csat
2014-03-13 If your relationship, including your sex life, stayed EXACTLY the way it is now for the rest of your life, would you be satisfied? If you can't quite answer "absolutely," you have lots of company. In fact, it has never been harder to be a couple than it is today: The strong currents of modern life are taking a huge toll on relationships, leaving many couples drifting slowly from each other. How would we know? Well, not only do we see this every day in our work with couples at our office, we regularly come face to face with these distance-creating currents in our own, thoroughly modern marriage. We have drawn on our marital and clinical experience to develop a new treatment model created to lead couples like you -- and like us -- on a powerful yet efficient journey toward rekindled passion and connection. The exercises we've chosen for this book focus squarely on improving your Living Room (emotional intimacy) and Bedroom (sexual intimacy) connection. The resulting positive feedback loop between the two rooms of your relationship is what we call CoupleFlow, which is a stronger, brighter, more resilient and more passionate partnership that is more than capable of facing the many challenges posed by our crazy-busy, tech-bombarded, running in a million different directions culture. This approach has helped so many of our clients to find greater levels of joy in both rooms of their relationship than they ever knew possible. Since we can't personally work with everyone, we wrote our book to make it as easy as possible for any couple to have access to this proven, action-oriented program. We invite you to join the rising tide of couples taking charge of their relationships like never before...from the Living Room to the Bedroom.

Sex Matters Jonathan McKee 2015-03-10 The Unedited Truth About Sex · Is hooking up really wrong? · What about living together if you fall in love? · If the Bible bans sex before marriage . . . is everything else fair game? · What about same-sex relationships? Since when does God deny any kind of true love? Great questions . . . but who has the answers? Our culture creates a lot of confusion about sex. Honestly, sometimes it's difficult to know who's telling the truth. On one hand, when we read our Bibles or go to church, we hear how God's design is to wait for sex and save that kind of intimacy for marriage. But on the other hand, when we go to school, turn on the TV, or listen to many of the songs on our favorite playlists . . . they say quite the opposite. Naturally, this makes many of us wonder. Who's right? Sex seems fun. How can something so natural be off-limits? In Sex Matters, Jonathan McKee tackles all of these questions, giving you the frank, unvarnished truth about sex--regardless how awkward or embarrassing. "Sex Matters provides super-helpful, truthful answers to the big questions you've wondered about, but never asked. Way better than anything you'll find through a web

search."--Scott Rubin, junior high pastor, Willow Creek Community Church "Just don't do it' isn't enough. Let's face it. Today's young people chronically encounter sexually charged images and messages, but rarely hear the whole story. They are looking for real answers to tough questions, and Sex Matters isn't afraid to tell them the unedited truth. Every teenager with an Internet connection or a phone in their pocket needs to read this book!"--Doug Fields, youth pastor for thirty years at Saddleback & Mariners Church "This isn't a sanitized, Christianized, moralized 'just say no' tactic, but a practical approach to what's really pressuring kids today, with biblical wisdom for how to succeed."--Pete Sutton, director of student ministry and middle school pastor, Christ Community Church, St. Charles, Illinois "This could be the most honest and relevant book available for teenagers in your ministry. I wish I had something this honest and helpful in my hands when I was a teenager."--Brooklyn Lindsey, youth minister, Nazarene Youth International and ReThink Group "There are a lot of potentially embarrassing questions that rattle around the minds of many Christian teenagers when it comes to sex (How far is too far? Is masturbation a sin? stuff like that). Using powerful stories, eye-opening facts, and surprisingly blunt biblical truth, Jonathan McKee answers these kinds of tough questions with the right mix of truth and grace. He gives teenagers a clear path to living a pure life in a sex-saturated world. Get it, read it, and learn how to let your life and light shine in the darkness."--Greg Stier, president, Dare 2 Share (www.dare2share.org) "Every great adventure starts with preparation. Sex is a great adventure! But it requires thoughtful preparation. Jonathan McKee's Sex Matters is the perfect tool to prepare you for that journey. Do yourself a favor and spend some time thinking, processing, and preparing for the great adventure of sex."--Josh Griffin, Founder of DownloadYouthMinistry.com and high school pastor at Saddleback Church

Defense of Marriage James Perkins 2004 The contemporary world has become so unravelled that the Congress of the United States, with nothing better to do, has felt the necessity of passing a Defense of Marriage Act. We are all being treated to daily media coverage of the same-sex marriages and programming which would make the devil blush. We are being told that the weird is just fine. Will the children of the man-women unions see this deviation as normal? Some critics blame society's depravation on the legions of spent politicians wreaking havoc on the country and perhaps they are not wrong. But maybe, just maybe, society in the main has had enough and is at last fighting back against the forces trying to intimidate it. This book looks at laws and actions being taken at the federal level to right a ship gone very wrong.

Super Sex for Women: a LifeCare Guide D. R. Horton 2016-10-03 "Super Sex for Women" is one of several LifeCare Guides written to help people live more fulfilling and satisfying lives. The premise of this guide explores how two whole people can connect intimately in four realms for a super sex experience. The author emphasizes the need to live in connection and unity, loving one another in four areas: heart, soul, mind and strength. You will find ways to improve your relationship as you apply the principles in "Super Sex for Women". True intimacy means you know, understand and accept yourself and your spouse in all four realms of life: spiritually, emotionally, mentally and physically. The need for a loving connection whispers to us from beneath our veil of consciousness. We are unconsciously driven to search for ways to experience and extend love, with God, with others and with our selves. To that end this guide will assist you.

The Invisible Bond Barbara Wilson 2006-03-01 Get Untied from Your Past Sex is like glue. Super human glue. Inside marriage, God designed it to be a bond that is powerful and unifying. Outside of marriage, the bonds of sex can be devastating. Long after the lover is gone, the bond we've created stays with us, negatively impacting our lives and future relationships. Now, through an impressive combination of Scripture and scientific research, Barbara Wilson shows how God designed us to be uniquely bonded through sex. But even more so, she concentrates on the tangible hope that is yours. This book will equip you not only to break those bonds, but to embrace a new, abandoned, wise, and thankful heart. You've had sex. But now sex has you. It's a past that haunts the present. Sabotaged relationships, low self-esteem, sexual dysfunction, an empty spiritual life. Sex will bind you up and tie you down. Why? It's just sex. But "just sex" means your body, soul, mind, and spirit have become one with another. Released from a past of her own, Barbara Wilson now combines scientific research with Scripture to offer striking new insights about what sexual bonding is, why it is harmful, and how to move freely into your future. Complete with a study guide for group or personal use, *The Invisible Bond* is your hands-on tool for changing not your past...but your life. "Barb's honesty and vulnerability will inspire you to let God do in your life what He has done in hers, mine, and millions of other lives. He has set us free from self-defeating guilt and shame, helped us embrace our sexuality rather than fear it, and taught us how to enjoy genuinely healthy, intimate relationships. If that sounds appealing to you, then you hold the right book in your hands." Shannon Ethridge Bestselling author of the *Every Woman's Battle* series Story Behind the Book As abstinence director and educator for a Sacramento pregnancy center, Barbara Wilson talks to wounded and bleeding hearts every day. purity and the daily consequences are their reality. All they want is hope—hope that they can be free from the pain and shame that their past drags into their present and future. This book reveals the negative impact of sexual bonding and offers steps to freedom from past sexual and emotional bonds. But even more, it offers new direction for the free heart, and how to embrace an abandoned, overflowing life!

How You and Your Mate Can Become a Super Couple James Milton Murphy 2011-05-01 "How You and Your Partner Can Become A Super Couple: Vol. 1 Functioning." is a self-help book for couples and marriages. It covers five areas of couple/marriage interpersonal interactions: (1) communication, (2) negotiation, and expressing (3) anger, (4) sexual and (5) loving feelings. There is didactic material on each of the five topics and then there are experiential activities or exercises for couples to do, in order to improve their relationship. The Introduction describes the "blame game", which is an obstacle to improving couple relationships. On the other hand, if couples can stop blaming each other and get to work on their relationship, they may improve it in these areas. This book has step-by-step instructions for doing activities in the five areas. There are specific instructions for doing about ten activities or exercises in each of the five areas. They are derived from my doing these activities with couples in my practice of couple/marriage therapy in the past fifty years. The instructions have been tested and refined in my couple workshops and in my practice of couple/marriage therapy. What I learned, for the most part, was what these couples taught me. Of course, I read books, took workshops, and had supervision of my work. The interplay of being in a couple relationship, going to my own personal couple therapy, doing couple therapy with other couples, and then

thinking and reading about couple relationships and couple therapy helped me refine my own understanding of couples--impressing me with what worked to deepen the intimacy of couples and what did not work. This book is an end result. My formulations of guidelines for couples were further tested and refined when I trained graduate students for thirty years in the Marriage and Family Therapy Training Program of the Blanton-Peale Graduate Institute (Institute of Religion and Health) in New York, NY. I not only had to articulate my theories and techniques for the students, but also had the opportunity to see how the application of them by the student-therapists helped their couples or did not help. Thus, I've worked directly with hundreds of couples and marriages and indirectly through my supervision of students with thousands of couples and marriages. Two Partners Can Become a Super Couple A super couple has an intimate coupling, which is a close, personal, emotional, sexual relationship between two specific adults. They have a live, healthy, growing relationship. It is an emotionally, mentally, and physically challenging relationship, in which the two partners feel satisfied and fulfilled. They feel maintained and sustained by each other and their relationship. Each gives to the relationship and each receives from it. A super couple has skills in five areas: o They talk with each other about their thoughts, opinions and beliefs. They communicate well, even if they disagree. o They negotiate decision to do something, and move toward win/win solutions in which one partner convinces the other to change his or her mind, o Their sex life is satisfying and fulfilling for both of them. Sex as well as friendship and companionship are ingredients of an intimate relationship. o They face the inevitable frustrations by expressing anger constructively so that they do not "fight dirty," are not mean to each other, and do not turn their partner into an enemy. o They add icing to the cake by expressing their loving feelings explicitly. Women Who Win at Love Suzanne Venker 2019-10-08 Do you ever ask yourself why dating has become so damn hard? Do you wonder what makes some marriages last and others fall apart? Is your marriage struggling despite your best efforts to keep it together? Women who win at love don't have a gift you don't have. What makes them unique, explain author and relationship coach Suzanne Venker and anthropology professor John M. Townsend, Ph.D., is that they aren't at war with the men in their lives. Women who win at love reject the concept of sexual equality and embrace male and female nature instead. Whether you're still single and mapping out your life, or you're divorced or unhappily married, Women Who Win at Love will permanently alter the way you view men and marriage, thus leading to your success in love. But you must be willing to step outside your comfort zone and accept countercultural truths. If you can do that, you've found the key. You know how to win at almost everything else. Isn't it time for you to win at love? In Women Who Win at Love, you will learn:

- the eight dating rules that lead to marriage
- why super successful women struggle in love
- what men want and what women want (hint: they're not the same)
- why love is not a reason to get married
- how to avoid the green grass syndrome
- why acting like a man lands women in a ditch

legacy.opendemocracy.net
on 2023-02-26 by guest

range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket Reader but is also supported by Amazon Kindle devices.

It features a proprietary format and may have limitations compared to EPUB, such as fewer font options.

3. PDF (Portable Document Format):

PDFs are a popular format for eBooks, known for their fixed layout, preserving the book's original design and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to various screen sizes.

4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced version that supports advanced formatting and features.

5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable for textbooks and reference materials.

6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but lack advanced formatting features.

Choosing the right Super Marriage Super Sex eBook format is crucial for a seamless reading experience on your device. Here's a quick guide to format compatibility with popular eReaders:

EPUB: Compatible with most eReaders, except for some Amazon Kindle devices. Also suitable for reading on smartphones and tablets using dedicated apps.

MOBI: Primarily compatible with Amazon Kindle devices and apps.

PDF: Readable on almost all devices, but may require zooming and scrolling on smaller screens.

AZW/AZW3: Exclusive to Amazon Kindle devices and apps.

HTML: Requires a web browser or specialized eBook reader with HTML support.

TXT: Universally compatible with nearly all eReaders and devices.
