

The Relationship Between Ancient Freemasonry And The Mysteries Of Antiquity

The Mysteries of Freemasonry, Or an Exposition of the Religious Dogmas and Customs of the Ancient Egyptians - John Fellows 2016-09-14

Excerpt from The Mysteries of Freemasonry, or an Exposition of the Religious Dogmas and Customs of the Ancient Egyptians: Showing From the Origin, Nature, and Object of the Rites and Ceremonies of Remote Antiquity, Their Identity With the Order of Modern Masonry The intention of this work is to endeavour to unravel the intricate web in which the mystery is involved, by tracing the order back to its source, and, by showing its intimate connection and similitude to institutions more ancient, put it beyond a doubt, that it sprang from, and is a continuation of the rites and ceremonies observed in those establishments. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. The Masons and the Mysteries in 18th Century Drama - Matthew Leigh 2019-12-02

The fathers of modern freemasonry sought a classical pedigree for their rituals and forms of association. This volume offers the first academic study of how freemasons writing in the first half of the 18th century deployed their knowledge of antiquity to bolster this claim and how the creative literature of the period reflected their ideas. The scholarly investigation of freemasonry is a relatively new phenomenon. The writings of active freemasons tend either to generate new masonic myths or to focus on the minutiae of insignia, rank, and ritual. Only in the last 50 years have non-masons given serious thought to freemasonry as a social practice and to its place within the intellectual and political life of Enlightenment Europe and beyond. Study of masonic elements in literary texts lags much further behind. This volume offers the first English translations of three mid-18th century comedies on female curiosity about this exclusively male order and shows how they reflect contemporary attempts to forge a link with ancient mystery cult. The theatrical aspect of masonic ritual and the ancient mysteries is examined in depth. This volume opens up important new ground in classical reception and 18th century theatre history.

The mysteries of freemasonry - John Fellows 1860

Ancient Mysteries And Modern Masonry (Annotated Edition) - Charles H. Vail 2013-10-24

The purpose of these lectures is to consider the origin and nature of the Ancient Mysteries and Modern Masonry and to show the relation which they bear one to the other. Freemasonry deals largely with the morals and symbols of the Mysteries of Antiquity, and originally was one of the channels of Ancient Wisdom. There were a few among the founders of Modern Masonry who possessed the Royal Secret, or, at least, had a knowledge of its existence, and, if the key has been lost, the Mason, as Heir-apparent of the Old Wisdom, should be foremost in the search for its recovery. All agree that the Masonic symbols and traditions are of the greatest antiquity, and can be traced to the far East--to the earliest civilization, from which time and place they have spoken in nature's language to all peoples of the earth. We are more and more convinced that this picture language of our ritual contains a most complete philosophy--a knowledge embracing the eternal verities of the universe, and that these symbols were designed by the Initiates of old

to preserve and convey that Ancient Wisdom to the present and future generations. Though empires and dynastic continents have appeared and passed away, these ancient symbols, hewn in rock-cut temples and monuments, have served to convey the Great Secret from ages past and will continue its record as long as this part of the universe remains.

Traditions Its Freemasonry - A. T. C. Pierson 2019

Traditions of Freemasonry - A. T. C. Pierson 2017-11-15

Excerpt from Traditions of Freemasonry: And Its Coincidences With the Ancient Mysteries It is claimed for Freemasonry that it is the most ancient society in existence; the proof is necessarily traditional. The archives Of the English Government furnish evidences of the existence of a society of Masons in the third century; documents still in existence prove that the institution of Free Masons was well known in 1440, and none can question that since the year 1717 the society of Free and Accepted Masons has attracted considerable attention throughout the world. Tradition carries the masonic association (not under that name) back to a period long anterior to the Deluge. In confirmation of these traditions we have the writings of the ancient sages, which, independent of holy writ, afford so many coincidences in ceremonies, customs, usages, symbols and allegories, between the ancient mystic Or religious associations, and that which is now termed Freemasonry, as cannot fail to be convincing to the candid inquirer that the claim to antiquity is not fallacious. An Exposition of the Mysteries; Or, Religious Dogmas and Customs of the Ancient Egyptians, Pythagoreans, and Druids - John Fellows 1835

The Mysteries of Freemasonry - John Fellows 1871

Symbolism of Freemasonry, Or, Mystic Masonry and the Greater Mysteries of Antiquity - Jirah Dewey Buck 1967

Ancient Masonic Mysteries - John Perry 2013-07

The antiquity of Freemasonry is much debated. As a philosophical and ritualistic society, rather than a group of stonemasons, it certainly existed in the seventeenth century. But its beginnings are intertwined with the building of the great cathedrals of Europe, so Masons speak of speculative and operative Masonry to separate the symbolic activities from the bricks and mortar of construction. This curious volume is a contribution to the lore of speculative Masonry.

[Sacred Mysteries Among the Mayas and the Quiches, 11,500 Years Ago](#) - Augustus Le Plongeon 1973

[The Mass and its Mysteries Compared to the Ancient Mysteries](#) - Jean-Marie Ragon 2014-08-11

This book demonstrates conclusively the identity of the solar and lunar rites of the Greeks, Romans and other peoples, ancient and modern, to the rites of Freemasonry and Christianity. '...a complete demonstration of the incorporation of the Solar and Phallic Mysteries in Christianity.' Aleister Crowley

The Symbolism of Freemasonry (Annotated Edition) - Albert G. Mackey 2013-10-24

Of the various modes of communicating instruction to the uninformed, the masonic student is particularly interested in two; namely, the instruction by legends and that by symbols. It is to these two, almost exclusively, that he is indebted for all that he knows, and for all that he can know, of the philosophic system which is taught in the institution. All its mysteries and its dogmas, which constitute its philosophy, are intrusted for communication to the neophyte, sometimes to one, sometimes to the other of these two methods of instruction, and sometimes to both of them combined. The Freemason has no way of reaching any of the esoteric teachings of the Order except through the medium of a legend or a symbol. Contents: Preface. I. Preliminary. II. The Noachidæ. III. The Primitive Freemasonry of Antiquity. IV. The Spurious Freemasonry of Antiquity. V. The Ancient Mysteries. VI. The Dionysiac Artificers. VII. The Union of Speculative and Operative Masonry at the Temple of Solomon. VIII. The Travelling Freemasons of the Middle Ages. IX. Disseverance of the Operative Element. X. The System of Symbolic Instruction. XI. The Speculative Science and the Operative Art. XII. The Symbolism of Solomon'S Temple. XIII. The Form of the Lodge. XIV. The Officers of a Lodge. XV. The Point Within a Circle. XVI. The Covering of the Lodge. XVII. Ritualistic Symbolism. XVIII. The Rite of Discalceation. XIX. The Rite of Investiture. XX. The Symbolism of the Gloves. XXI. The Rite of Circumambulation. XXII. The Rite of Intrusting, and the Symbolism of Light. XXIII. Symbolism of the Corner-Stone. XXIV. The Ineffable Name. XXV. The Legends of Freemasonry. XXVI. The Legend of the Winding Stairs. XXVII. The Legend of the Third Degree. XXVIII. The Sprig of Acacia. XXIX. The Symbolism of Labor. XXX. The Stone of Foundation.216 XXXI.

The History of Freemasonry, Its Antiquities, Symbols, Constitutions, Customs, Etc - Robert Freke Gould 1885

Mystic Masonry - Jirah Dewey Buck 1897

J. D. Buck explains and demystifies Freemasonry in this illustrated account of the secret society, their ritual practices and use of symbols to communicate their ideas. The author speaks in favor of the ethical principles and ideas of the Masons; their insistence upon moral rectitude and good behavior of its members supports the idea that Masonry aims to cultivate the highest virtues of humankind. Such preservation of humanity's greatest strengths is to be applauded: writing in the early 20th century, the author muses on the social and economic upheavals in a world that has rapidly changed amid industrialization. Addressing public curiosity on the links between Freemasonry and the ancient lore of the occult is one of Buck's primary aims. The various ancient mysteries dating back to the time when Egypt was under the rule of the Pharaohs are examined. We discover how the modern Masonic principles of liberty, equality and fraternity relate and reconcile with the symbology present in the lodges around the world. Together with Masonic texts, the author also spoke with Masons and conducted research into ancient civilizations. Thus, Mystic Masonry is an authoritative and fulfilling guide to the subject.

The Arcane Schools - John Yarker 2007-03-01

This hardbound edition of Yarker's classic opus is not merely another facsimile edition. It has been completely reformatted, yet retains a look and feel that is comparable to the original 1909 edition, right down to the blue cloth binding and gold stamped spine. From Alchemy to Zoroaster, and everything in between, The Arcane Schools continues to be one of the most comprehensive and authoritative works concerning the history and migration of the Western Mystery Tradition. Students of Freemasonry, Rosicrucianism, and Theosophy will find this to be an indispensable addition to their collection.
